**TO: THE HONORABLE JUDGES OF THE UNITED STATES BANKRUPTCY  
COURT FOR THE SOUTHERN DISTRICT OF NEW YORK**

PLEASE TAKE NOTICE that, pursuant to 28 U.S.C. 1441 and 1446 and Federal Rule of  
Bankruptcy Procedure 9027(a), Defendants Murchinson Ltd. ("Murchinson"), Nomis Bay Ltd.  
("Nomis") and BPY Limited ("BPY") (collectively, "Defendants"), hereby remove the case

identified with Index No. 651956/2023, entitled *Eletson Holdings, Inc., Eletson Finance (US) LLC, and Agathonissos Finance LLC vs. Murchinson Ltd., Nomis Bay Ltd., BPY Limited, and John Does*, which is currently pending in the Supreme Court of the State of New York, County of New York (the “State Court Action”), to the related bankruptcy of the Debtors pending in the Bankruptcy Court for the Southern District of New York (*Eletson Holdings, Inc., et al.*, 23-10322-JPM) (the “Bankruptcy Action”). A true and correct copy of the Complaint filed in the State Court Action is attached hereto as **Exhibit A**. Defendants file this Notice of Removal under full reservation of all claims and defenses.

In support of this Notice of Removal, Defendants state as follows:

### **Background and Parties**

1. On April 20, 2023, *after* the commencement of the Bankruptcy Action, Plaintiffs and Bankruptcy Action Debtors Eletson Holdings, Inc., Eletson Finance (US) LLC, and Agathonissos Finance LLC (“Plaintiffs”) filed the Complaint in the State Court Action. *See* Exhibit A.

2. The Complaint asserts allegations, claims and causes of action related to the same issues present in the Bankruptcy Action. For instance, Plaintiffs’ Complaint in the State Court Action seeks, among other things, damages arising out of alleged tortious conduct, breaches of contract, and seeks a declaratory judgment nullifying various acquisitions of interest held by Defendants in Notes issued by the Plaintiffs – Notes that are at issue in the Bankruptcy Action. *See id.* at ¶¶ 79-88.

3. This Notice of Removal is timely filed pursuant to 28 U.S.C. § 1446(b) and Federal Rule of Bankruptcy Procedure 9027(a)(3)(B) in that it is being filed within thirty (30) days of

receipt by Nomis of the Summons filed in the State Court Action. Defendants Murchinson and BPY consent to the removal of this action.

4. Defendants are exercising their right pursuant to 28 U.S.C. §§ 1441 *et seq.*, 1452 *et seq.*, and Bankruptcy Rule 9027 to remove the State Court Action from the Supreme Court of the State of New York, County of New York, to the United States District Court for the Southern District of New York, and Plaintiff requests that the State Court Action, upon removal be transferred to the Bankruptcy Court.

5. There are already claims involving the issues to be litigated in the State Court Action pending before the Court in the Bankruptcy Action.

6. On or about March 7, 2023 – six weeks before Plaintiffs filed the State Court Action, creditors identified in the Complaint filed an involuntary Chapter 7 Bankruptcy Petition in the United States Bankruptcy Court for the Southern District of New York: the Bankruptcy Action against the Plaintiffs-Debtors. A true and correct copy of a printout of the Docket Sheet in the Bankruptcy Action is annexed hereto as **Exhibit B**. The Bankruptcy Action is pending before the Hon. John P. Mastando, III.

7. In addition, on or about January 11, 2023, several months before Plaintiffs filed the State Court Action, Wilmington Savings Fund Society, FSB (“Wilmington FSB”) filed a complaint in the United States District Court, Southern District of New York, naming all plaintiffs in the State Court Action as Defendants (the “Wilmington Complaint” and “Wilmington Matter”). A true and correct copy of the Wilmington Complaint is annexed to the Complaint (Exhibit A) as Exhibit E thereto. The Complaint alludes to many of the same issues at stake that are at the core of the Wilmington Complaint. *See, e.g.*, Exhibit A ¶¶ 3, 54-60. Plaintiffs subsequently invoked the automatic bankruptcy stay in the Wilmington Matter.

8. On June 8, 2023, Wilmington FSB filed a Motion to Join the Involuntary Chapter 7 Petitions in the Bankruptcy Action. *See* Exhibit B at Dkt. No. 80.

9. Each of these actions arise, and pertain to, the Notes issued by Plaintiffs.

10. Removal is timely because the State Court Action was initiated only after the Bankruptcy Matter (and Wilmington Matter) had already been initiated in federal court.

11. The United States Bankruptcy Court, Southern District of New York, has original jurisdiction over all proceedings arising under Title 11 (the Bankruptcy Code). Here, the claims and causes of actions underlying the State Court Action are “core proceedings” within the meaning of, *inter alia*, 28 U.S.C. §157(b)(2)(A), (B) and (C) in that the State Court Action concerns, *inter alia*, matters involving the same issues concerning the property of Plaintiffs’ estate under section 541 of the Bankruptcy Code – *i.e.*, the validity of the Notes held by the Petitioning Creditors, which is the focus of the Debtors’ defenses and their pending Motion to Dismiss before the Bankruptcy Court.

12. Moreover, 28 U.S.C. § 1452 provides for removal of claims “related to” a bankruptcy case, which the claims in the State Court Action indisputably are. Thus, to the extent the United States Bankruptcy Court does not possess “core” jurisdiction over Plaintiffs’ claims, it possesses “related-to” jurisdiction over them, because the outcome of the State Court Action is intertwined with the issues before the Court on the Debtors’ Motion to Dismiss and their defenses, which could have an effect on the estate being administered in the Bankruptcy Action.

13. Finally, the Court has original jurisdiction pursuant to 28 U.S.C. § 1332(a)(1).

14. Plaintiff Eletson Holdings Inc. is a corporation organized under the laws of Liberia with its principal place of business in Greece. Exhibit A at ¶ 6.

15. Plaintiff Eletson Finance is a Delaware limited liability company, and a wholly owned subsidiary of Eletson Holdings. *Id.* at ¶ 7.

16. Plaintiff Agathonissos Finance LLC is a limited liability company organized under the laws of the Marshall Islands, and is a wholly-owned subsidiary of Eletson Holdings. *Id.* at ¶ 8.

17. Defendant Murchinson Ltd. is a corporation organized under the laws of Canada with a principal place of business in Toronto, Canada. *Id.* at ¶ 9.

18. Defendant Nomis Bay Ltd. is a mutual fund company organized under the laws of Bermuda. *Id.* at ¶ 10.

19. Defendant BPY Limited is a mutual fund company organized under the laws of Bermuda. Exhibit A at ¶ 11.

20. Therefore, none of the Defendants and none of the Plaintiffs are citizens of the same state and the amount in controversy exceeds \$75,000. *Id.* at pp. 31-32.

21. Finally, the State Court Action should also be removed for the benefit of consolidation of the cases litigating the same issues—specifically, allegations regarding the ownership of Plaintiffs’ notes.

22. Pursuant to 28 U.S.C. § 1446(d), written notice of the filing of this Notice of Removal will be served upon counsel for Plaintiff and filed with the New York County Clerk for the Supreme Court of New York, County of New York, promptly after the filing of this Notice of Removal.

23. No previous application has been made for this or any similar relief in connection with the State Court Action.

24. Defendants reserve the right to assert all claims and defenses.

WHEREFORE, Defendants respectfully request that this action proceed in its entirety in the United States Bankruptcy Court, Southern District of New York, as an action properly removed thereto.

Dated: June 14, 2023

COUNTY OF NEW YORK**

ELETSON HOLDINGS INC., ELETSON  
FINANCE (US) LLC, and AGATHONISSOS  
FINANCE LLC,

Index No. \_\_\_\_\_

Plaintiffs,

-v-

MURCHINSON LTD., NOMIS BAY LTD., BPY  
LIMITED, AND JOHN DOES,

Defendants.

**COMPLAINT**

Plaintiffs Eletson Holdings Inc., Eletson Finance (US) LLC, and Agathonissos Finance LLC, by and through its undersigned counsel, bring this action against the above-named Defendants and allege, on personal knowledge as to matters relating to themselves, respectively, and on information and belief as to all other matters, as follows:

**NATURE OF THE ACTION**

1. Few misdeeds are more destructive of a commercial enterprise's ability to succeed financially than the serious if not fatal damage to reputation arising from knowingly improper lawsuits. That is exactly the harm caused to Plaintiffs, entities related to several Greek shipping families, by Defendants' knowing breaches of contract and tortious interference.

2. This action seeks redress from an unlawful coordinated scheme by Defendants to harm and ultimately to destroy each of the Plaintiffs, their businesses, and their reputations. This action also seeks to prevent further impermissible collateral attacks designed to impair Plaintiff Eletson Holdings Inc. from prosecuting claims [REDACTED] against Levona Holdings Ltd. ("Levona"), an entity controlled by the chief wrongdoer in the claims alleged here, Defendant Murchinson Ltd. ("Murchinson").

3. Among other things, Murchinson has deployed Wilmington Savings Fund Society, FSB (“Wilmington”), in its unlawful scheme. Murchinson has weaponized Wilmington, transforming it from a legitimate trustee into a device through which it hopes to obliterate a shipping business. Wilmington, while purporting to act as a trustee under a bond Indenture, abdicated both reason and responsibility, deferred to, and acted at the behest of Murchinson and an unauthorized group of imposter noteholders wrongfully attempting to seize control of and commercially destroy Plaintiffs. Wilmington disregarded the basic terms of the Indenture and initiated and is knowingly maintaining a lawsuit that wrongfully accuses Plaintiffs of defaulting on financial obligations in direct violation of a forbearance (or standstill) agreement between and among Plaintiffs and various noteholders. Wilmington’s unconscionable conduct breached its own contractual obligations as trustee and amounts to grossly negligent and willful misconduct, in utter bad faith. Wilmington’s misconduct is part of a coordinated plan with various Murchinson-controlled entities and other noteholders to bring about Plaintiffs’ financial ruin as independent entities. These imposter noteholders are led by Murchinson-controlled Pach Shemen, LLC which, together with Alpine Partners (BVI), L.P. and VR Global Partners, L.P., have filed the involuntary bankruptcy petitions against each of the Plaintiffs that will be adjudicated in the Bankruptcy Court.

4. Behind this entire illegal scheme stands Murchinson and its wholly-controlled affiliate Levona. Together with Wilmington and the noteholders, Murchinson and nonparty Levona have crippled and are on their way to destroying Plaintiffs’ finances. [REDACTED]

[REDACTED]

[REDACTED]

5. Damages to Plaintiffs from Defendants’ unlawful abdication by Wilmington and usurpation of control by the other Defendants, acting in concert with Levona, run into the tens if

not hundreds of millions of dollars. That, and the punitive damages sought in this action by reason of the torts, bad faith, and aggravated breaches of contract alleged herein, will only partially remedy the harms Defendants have caused Plaintiffs, who also seek equitable relief and such other and further relief as the Court deems just and proper.

### **PARTIES**

6. Plaintiff Eletson Holdings Inc. (“Eletson Holdings”) is a corporation organized under the laws of Liberia with its principal place of business in Greece.

7. Plaintiff Eletson Finance (US) LLC (“Eletson Finance”) is a Delaware limited liability company, and is a wholly-owned subsidiary of Eletson Holdings.

8. Plaintiff Agathonissos Finance LLC (“Eletson MI”) is a limited liability company organized under the laws of the Marshall Islands, and is a wholly-owned subsidiary of Eletson Holdings. Plaintiffs together with related persons and entities are part of a shipping business bringing employment to workers as well as value to many in the global shipping industry.

9. Defendant Murchinson Ltd. is a corporation organized under the laws of Canada, with a principal place of business in Toronto, Canada.

10. Defendant Nomis Bay Ltd. is a mutual fund company organized under the laws of Bermuda.

11. Defendant BPY Limited is a mutual fund company organized under the laws of Bermuda.

12. Defendant John Does are entities that do or did hold interests in notes issued by Plaintiffs pursuant to a July 2, 2018 Indenture between Plaintiffs, as Co-Issuers, and Wilmington, as Trustee and Collateral Agent, and that were directly or indirectly parties under the Second RSA and/or the OCM Financing Stipulation (as each is defined herein), each of which purported to sell

their respective interests in such notes to Nomis Bay, BPY Limited, Pach Shemen, LLC, Alpine Partners (BVI), L.P., or others in violation of their obligations under those contractual agreements.

13. Each Defendant, its officers, directors, employees, agents, and servants acting on its behalf, acted with knowledge and active or tacit agreement in the acts and wrongdoings and concerted activities of the others, and are fully liable individually, and jointly and severally to the Plaintiffs for the injuries and damages they sustained. A conspiracy existed to carry out the wrongdoings alleged herein; each defendant participated in the conspiracy; and each co-conspirator's overt acts in furtherance of the conspiracy had sufficient contacts with this state to subject that co-conspirator to jurisdiction in this state.

#### **JURISDICTION AND VENUE**

14. This Court has personal jurisdiction over the Defendants because each transacts business within New York or contracts anywhere to supply services in New York; committed a tortious act within New York; and/or committed a tortious act without New York and regularly conducts, solicits, or transacts business in New York or derives substantial revenue therefrom and has intended its wrongful conduct to cause and has caused injury in New York. As alleged above and herein, each co-conspirator's overt acts in furtherance of the conspiracy alleged herein had sufficient contacts with this state to subject that co-conspirator to jurisdiction in this state.

15. Moreover, parties to the Indenture and the Second Restructuring Support Agreement, specifically, the John Doe Defendants as hereinafter described, have irrevocably submitted and waived any objection to the jurisdiction of this Court. Specifically, Section 13.11 of the Indenture provides:

This Indenture and Security Documents governed by New York law will provide that each of the Issuers and the Guarantors will irrevocably submit to the jurisdiction of any New York State or United States Federal court sitting in the County of New York over any suit, action or proceeding

arising out of or relating to this Indenture, the Notes, the Guarantees or any Security Document. Each of the Issuers and the Guarantors will irrevocably waive, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such courts and any claim that any such suit, action or proceeding brought in such courts, has been brought in an inconvenient forum and any right to which it may be entitled on account of place of residence or domicile.

See July 2, 2018 Indenture (“Indenture”), Section, 13.11, attached hereto as Exhibit A.

Additionally, Section 23 of the Second Restructuring Support Agreement (“Second RSA”) provides:

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. By its execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding against it with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, may be brought in either a state or federal court of competent jurisdiction in the State and County of New York. By execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably accepts and submits itself to the nonexclusive jurisdiction of each such court, generally and unconditionally, with respect to any such action, suit or proceeding. Notwithstanding the foregoing consent to jurisdiction in either a state or federal court of competent jurisdiction in the State and County of New York, upon the commencement of the Chapter 11 Cases, each of the Parties hereto hereby agrees that, if the petitions have been filed and the Chapter 11 Cases are pending, the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement. EACH PARTY HERETO UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING REFERRED TO ABOVE. Notwithstanding the foregoing consent to New York jurisdiction, if the Chapter 11 Cases are commenced by the Debtors, each Party agrees that the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement.

See Second RSA, §13.11, attached hereto as Exhibit B.

16. Venue is proper in this District because, as set forth above, the parties have agreed under the Indenture and under the Second RSA that any action arising out of or related to either

agreement may be brought in any federal or state court located in the State and County of New York, and have waived all objections related to venue therein. *See id.*, Indenture, Section, 13.11, Ex. A; *see also* Second RSA, §13.11, Ex. B.

17. New York County also is an appropriate venue in that a substantial part of the events or omissions giving rise to the claims occurred there; and it is the county that Plaintiffs have designated.

### **FACTUAL ALLEGATIONS**

#### **A. Indenture, Notes, and Restructuring Support Agreements**

18. On or about July 2, 2018, Plaintiffs, as Co-Issuers, entered into an Indenture with Wilmington, as Trustee and Collateral Agent. *See* Indenture, Ex. A.

19. Under the Indenture, Plaintiffs issued certain First Preferred Ship Mortgage Notes in an aggregate principal amount of \$314,068,360 (the “Notes”). Plaintiffs repaid hundreds of millions of dollars and were working towards a reasonable resolution of the balance before Defendants set about to cause the harm they are causing and have caused Plaintiffs by the misconduct alleged herein.

20. By agreement, Plaintiffs’ obligations under the Indenture and the Notes subsequently were restructured.

21. On or about June 24, 2019, Plaintiffs, certain equity holders of Eletson Holdings, and an *ad hoc* group of more than 90% of holders of the Notes entered into a Restructuring Support Agreement (“First RSA”).

22. The First RSA subsequently was terminated in August 2019.

23. On October 24, 2019, Plaintiffs and Wilmington agreed to a Supplemental Indenture, which was followed shortly thereafter by second Restructuring Support Agreement

dated October 29, 2019 (the “Second RSA”) between Eletson Holdings and Eletson Finance, on the one hand, and consenting noteholders (“Consenting Noteholders”), on the other hand. A true and correct copy of the Supplemental Indenture is attached hereto as Exhibit C.

24. The Second RSA set forth terms for the second restructuring of Plaintiffs’ obligations under the Indenture and the Notes.

25. For their part, Consenting Noteholders represented more than eighty percent (80%) of the noteholders in aggregate principal amount of then outstanding Notes (collectively, the “Noteholders”), and they collectively agreed to certain restrictions on their exercise of certain available rights and remedies under the Indenture.

26. Specifically, the Consenting Noteholders agreed to “forebear from exercising, or from giving instructions to [Wilmington] to exercise, the rights and remedies available to it under the [Indenture] or applicable law or equity” until the date the Second RSA is terminated. *See* Second RSA, §36(a), Ex. B.

27. Additionally, each Consenting Noteholder also agreed that it would not, among other things, “sell, transfer [or] assign . . . directly or indirectly, its rights, title or interest” in any such Consenting Noteholder Claims against Eletson Holdings or Eletson Finance “unless such Transfer is to another Consenting Noteholder or any other entity that first agreed, in writing, to be bound by the terms of the [Second RSA] by executing and delivering to [Eletson Holdings and Eletson Finance], and counsel for the Consenting Noteholders, at least three (3) Business days prior to effectiveness of the relevant Transfer, a Transferee Joinder substantially in the form attached [to the Second RSA] as Exhibit B (the Transferee Joinder).” *See id.* at §7(a), Ex. B.

28. Any purported sale, transfer, or assignment in violation of Section 7 of the Second RSA is deemed null and void and of no force or effect. *Id.*

29. Based on the Plaintiffs' compliance with, and in reliance on the bargain underlying the First RSA and the Second RSA, approximately \$114 million in pre-RSA interest and other cash contributions were transferred to or for the benefit of Consenting Noteholders; post-RSA, an additional \$5.5 million cash contributions were transferred to or for the benefit of Consenting Noteholders; and more than \$137 million in additional value was transferred in the form of proceeds of vessel sales and revenue received by those noteholders in connection with the transferred vessel. In total, more than more than \$257 million in payments were made to or for the benefit of Consenting Noteholders.

30. In June 2020, more than 70% percent of the Noteholders entered into a Stipulation Waiver and Release ("OCM Financing Stipulation"), wherein each of the Noteholders party thereto further affirmed—similar to the Second RSA—to restrict transfer of their respective interest in the Notes. Specifically, under the OCM Financing Stipulation, "each Holder agrees not to sell, assign, transfer, hypothecate or otherwise dispose of...any [Notes] to any third party that is not a Holder unless, as a condition precedent to any such transaction, the transferee of such [Notes] executed and delivers a joinder...to this Stipulation...to counsel to the Eletson Parties...[.]" Moreover, "[a]ny sale, assignment, transfer, hypothecation or other disposition...of any [Notes] that does not comply with [the referenced procedures] shall be deemed void *ab initio*." See Section 4(a)-(b) of the OCM Financing Stipulation, a true and correct copy of which is attached hereto as Exhibit D.

31. From the execution of the Second RSA through January 11, 2023, Plaintiffs never received any written notice that they were in default of their obligations under the Indenture or the Second RSA, nor did Plaintiffs ever receive notice that the Second RSA had been terminated.

32. On January 11, 2023, prior to receiving any written notice of termination of the Second RSA, indeed prior to receiving the courtesy of any notice at all, Wilmington initiated a surprise lawsuit against Plaintiffs, purportedly under the Indenture, by filing a Complaint (the “Trustee Complaint”) in the United States District Court for the Southern District of New York (the “District Court”), which case was docketed as *Wilmington Savings Fund Society, FSB v. Eletson Holdings Inc., et al.*, Case No. 1:23-cv-261 (the “Trustee Litigation”).

**B. Levona, Murchinson, Pach Shemen, Wilmington, And Others Plot Against Plaintiffs To Violate The Second Restructuring Support Agreement.**

33. Levona—a limited liability company directly or indirectly controlled by Murchinson—purports to hold preferred equity in Eletson Gas, LLC (“Eletson Gas”), a wholly-owned subsidiary of Eletson Holdings.

37. [REDACTED]

Levona—in coordination with and support from Murchinson-controlled entities—orchestrated the initiation of a series of unwarranted attacks and legal proceedings against Eletson Holdings, as well as Eletson Finance and Eletson MI, in direct violation of both the Second RSA and the OCM Stipulation.

**i. Pach Shemen Purchases Notes That Are Purportedly Valued At More than Half The Value Of All Outstanding Notes Due Under The Indenture.**

38. Pach Shemen and Levona are both directly or indirectly owned and controlled by Murchinson.

39. On January 4, 2023, Pach Shemen—at the direction, and with the consent, of Levona and Murchinson—was allegedly assigned Notes from Nomis Bay and BPY Limited, which Notes are purportedly valued at more than \$183 million, or at least more than half the value of outstanding Notes.

40. The purported purchase of these notes was for pennies on the dollar. The purchase price for the supposed acquisition of the Notes appears to have consisted of \$2 million in cash, plus certain contingent awards [REDACTED]

41. Prior to purporting to assign the Notes to Pach Shemen, Nomis Bay, and BPY Limited purport to have acquired the Notes from one or more Consenting Noteholders.

42. No notice of either the alleged acquisition of the Notes by BPY Limited and Nomis Bay, or their alleged subsequent transfer to Pach Shemen, was provided to Plaintiffs or their counsel before any legal action was initiated.

43. Neither Plaintiffs nor counsel for any of the Consenting Noteholders ever received notice in any form—either written or verbal—identifying the Consenting Noteholders from whom Nomis Bay or BPY Limited allegedly purchased their interest in the Notes. Nor did Plaintiffs or counsel for any of the Plaintiffs at any point receive—as specifically directed by the Second RSA—a Transferee Joinder confirming that Nomis Bay, BPY Limited, and/or Pach Shemen, were purported purchasers or transferees of any Notes, or had “first agreed, in writing, to be bound by the terms [of the Second RSA],” which included the agreement to forbear from instructing Wilmington from exercising any rights or remedies available to it under the Indenture or applicable law or equity.

44. Nor did counsel for any of the Plaintiffs at any point receive—as specifically directed by the OCM Financing Stipulation—a Transferee Joinder confirming that Nomis Bay, BPY Limited, and/or Pach Shemen, were purported purchasers or transferees of any Notes and had joined the OCM Financing Stipulation.

45. Nomis Bay, BPY Limited, Pach Shemen, and Levona—at the direction of Murchinson—purposefully concealed from all Plaintiffs, but specifically Eletson Holdings, the purported purchase of any interest in the Notes by Pach Shemen, Nomis Bay, or BPY Limited.

**ii. Wilmington Knowingly Violates The Indenture By Initiating A Breach Of Contract And Indemnification Action In Direct Violation Of The Second RSA’s Forbearance Agreement.**

46. The Indenture and Second RSA set forth the terms and conditions under which Wilmington, as Trustee, is authorized to take actions on behalf of Consenting Noteholders. *See* Indenture, §7.01, Ex. A.

47. Specifically, Section 6.05 of the Indenture provides:

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or Collateral Agent as applicable or exercising any trust or power conferred on it. However, the Trustee or Collateral Agent, as applicable, may refuse to follow any direction that conflicts with the law or this Indenture[.]

*Id.*, §6.05, Ex. A.

48. At all times, Wilmington knew that only a majority of Noteholders in aggregate principal amount of the then outstanding Notes could direct it to act. *See* Indenture, § 6.05, Ex. A. Moreover, Wilmington knew the majority of Consenting Noteholders in aggregate principal amount of the outstanding Notes—pursuant to the Second RSA— had agreed to forbear giving Wilmington instructions to exercise any rights or remedies available to it.

49. As set forth above, Nomis Bay and BPY Limited did not deliver to Eletson Holdings, Eletson Finance, or counsel for the Consenting Noteholders any notice identifying the Consenting Noteholder(s) from whom they purported to purchase their interest in the Notes. Moreover, none of Nomis Bay, BPY Limited, or Pach Shemen has executed or delivered to counsel for Eletson Holdings and Eletson Finance, or counsel for the Consenting Noteholders, a Transferee Joinder confirming any agreement of Nomis Bay, BPY Limited or Pach Shemen to be bound by the Second RSA, including the agreement to forbear from instructing Wilmington from exercising any rights or remedies available to it under the Indenture or applicable law or equity.

50. The purported transfer of interest in the Notes, first to Nomis Bay and BPY Limited, and subsequently to Pach Shemen, violated Section 7 of the Second RSA and Section 4(a)-(b) of

the OCM Financing Stipulation, and by the express terms of those same Sections, the purported transfer of interest in the Notes to Nomis Bay, BPY Limited, and, thereafter, Pach Shemen was null and void *ab initio*, and of no force or effect. *See* Second RSA, §7(a), Ex. B; *see also* Section 4(a)-(b) of the OCM Financing Stipulation, Ex. D.

51. Pach Shemen’s purported purchase of an interest in the Notes did not make it the majority Noteholder—independently or in the aggregate—and the Second RSA has remained in effect at all relevant times to present.

52. Wilmington had no authority, and knew it had no basis to believe it had any authority, to act on any instructions to initiate any legal action seeking to enforce any claimed rights or remedies under the Indenture. Such instructions directly breached the Second RSA, among other instruments, violated serious common law duties, and acting on such instructions directly breach Wilmington’s enumerated duties as Trustee under the Indenture.

53. Nonetheless, Pach Shemen, as directed by Levona and Murchinson, together with others, instructed Wilmington to initiate legal action against Eletson Holdings, Eletson Finance, and Eletson MI, falsely claiming an Event of Default under the Indenture. Wilmington would not have initiated legal action in the absence of third-party instructions. Wilmington in bad faith and without any basis purported to accept these instructions.

54. On January 11, 2023, as a result of Murchison’s machinations, Wilmington filed suit, solely in its capacity as Trustee, alleging Eletson Holdings, Eletson Finance, and Eletson MI had defaulted on their obligations under the Indenture, and, in its capacity as trustee, seeks to recover no less than \$354,159,101.92 in principal, plus unspecified interest, injunctive relief, and other relief deemed just and proper (“Wilmington Complaint”). *See* Wilmington Complaint captioned *Wilmington Savings Fund Society, FSB, solely in its capacity as trustee[,] v. Eletson*

*Holdings, Eletson Finance, and Eletson MI*, a true and correct copy of which is attached hereto as Exhibit E.

55. In its Complaint, Wilmington affirmatively alleges it accepted directions from (purported) “holders of a majority in aggregate principal amount of then-outstanding Notes” to file its action against Eletson Holdings, Eletson Finance, and Eletson MI. *See id.*, Wilmington Complaint, ¶ 49. We now know that the instructing holders must have included Murchinson, a manifestly unacceptable instructing party.

56. Wilmington omitted from its Complaint any allegation or supporting documents that identify the supposed majority of Consenting Noteholders who purportedly had directed Wilmington to file suit. Plaintiffs made several attempts to learn of the identity of those noteholders to make it even clearer to Wilmington that it was doing the unlawful bidding of an invalid, imposter noteholder. Wilmington disregarded Plaintiffs’ every effort, deliberately ignoring what it knew or in the alternative deliberately ignoring the clear indications that it was willingly being party to thuggish, unlawful behavior by Murchinson.

57. Moreover, Wilmington did not reference, much less discuss in its Complaint, the Second RSA, or that the majority of Consenting Noteholders pursuant to the Second RSA had expressly agreed to forbear from directing Wilmington to exercise any rights or remedies available to it under the Indenture, including the very suit Wilmington had initiated.

58. Instead, Wilmington’s Complaint purposefully avoided the very terms agreed upon by the majority of Consenting Noteholders that bar those Consenting Noteholders from directing Wilmington to file suit.

59. Wilmington would not have filed suit without the ability to feign reliance on purported directions from a majority in aggregate principal amount of then-outstanding Notes. It

knew, however, that its directions to file suit had to be valid, that the directions it had were suspect, and that it had no basis to believe any directions it received were valid. Wilmington acted with gross negligence, willful misconduct, and manifest bad faith.

60. There is no support, and never has been any support, for the contention that a majority of Consenting Noteholders had given direction to Wilmington to file the Wilmington Complaint against Eletson Holdings, Eletson Finance, and Eletson MI.

61. There could be no such support because, as Wilmington and each of the Consenting Noteholders knew, Consenting Noteholders—which represented more than eighty percent (80%) of the noteholders in aggregate principal amount of then outstanding Notes—had agreed to forbear from directing Wilmington to file any suit against Eletson Holdings, Eletson Finance, and Eletson MI. *See* Second RSA, §36(a), Ex. B.

62. Yet, on January 4, 2023—just seven (7) days before Wilmington filed suit—Pach Shemen purportedly acquired more than half of the outstanding Notes due under the Indenture. As Wilmington knew, Pach Shemen could not acquire more than half the outstanding Notes without “first agreeing in writing to be bound the [Second RSA].”

63. Pach Shemen never did so, and—pursuant to both the Second RSA and the OCM Financing Stipulation—any purported transfer of interests in the Notes, first to BPY Limited and Nomis Bay, and thereafter to Pach Shemen, is void. *See* Second RSA, §7(a), Ex. B; *see also* Section 4(a)-(b) of the OCM Financing Stipulation, Ex. D.

64. Accordingly, Pach Shemen never was a majority noteholder. So under no circumstances could Pach Shemen direct Wilmington to initiate legal action under the Indenture, even if the Second RSA’s forbearance agreement did not separately bar Pach Shemen from doing so.

65. Still, at the instruction of BPY Limited, Nomis Bay, Levona, and Murchinson, Pach Shemen directed Wilmington to file suit against Eletson Holdings, Eletson Finance, and Eletson MI, and Wilmington followed those directions.

66. Moreover, Wilmington continues to follow Pach Shemen's invalid and unlawful direction. While Wilmington has had ample opportunity to withdraw the suit, it has, as a result of Defendants' misconduct, maintained its suit against Eletson Holdings, Eletson Finance, and Eletson MI.

67. Wilmington continues to maintain its suit even after a failed attempt to terminate the Second RSA.

**iii. Levona, Murchinson, and Pach Shemen Unsuccessfully Scheme To Terminate The Second RSA – And Fail Even at That.**

68. A little more than three (3) weeks after Wilmington filed suit claiming a default under the Indenture, Eletson Holdings was served on February 2, 2023 with a notice that purported to terminate the Second RSA ("Purported Termination Notice"). *See* February 2, 2023 Notice of Termination of Restructuring Support Agreement, a true and correct copy of which is attached hereto as Exhibit F.

69. The Purported Termination Notice was facially improper. It purported to be sent on behalf of the law firm of Paul, Weiss, Rifkind, Wharton & Garrison ("Paul Weiss"). But the Purported Termination Notice was not sent on Paul Weiss letterhead, nor even signed with an "ink" signature.

70. Beyond being peculiar and improper, the Purported Termination Notice also was invalid on its face.

71. The Second RSA is clear that termination upon the occurrence of an enumerated "Termination Event" occurs only upon written notice to all other Parties by "the Consenting

Noteholders holding, in aggregate, at least two thirds in principal amount outstanding of the [Notes] held by the Consenting Noteholders[.]”

72. The Purported Termination Notice does not state that Paul Weiss represents Consenting Noteholders with an aggregate of at least two thirds of the outstanding principal amount of the Notes, much less purport to terminate the Second RSA with the authority conferred upon it by Consenting Noteholders holding at least two thirds of the outstanding principal amount of the Notes. The Purported Termination Notice, in fact, fails even to identify any Consenting Noteholders who have at least the requisite two thirds aggregate interest in the Notes that would entitle them to terminate.

73. Pach Shemen claims it had acquired more than half of the outstanding Notes as of January 4, 2023. But by the express terms of the Second RSA, Pach Shemen’s purported acquisition of such Notes was void.

74. The Purported Termination Notice therefore is invalid, and the Second RSA has not been terminated.

75. Murchinson continues to control Pach Shemen, and, at Murchinson’s direction, Pach Shemen steadfastly has refused to disclose, or allow others to disclose, the identity of the supposed majority noteholder that directed Wilmington to file suit alleging an Event of Default under the Indenture, or that it was Murchinson/Pach Shemen who instructed Paul Weiss to deliver the Purported Termination Notice.

76. Paul Weiss has similarly refused to divulge the names of any Consenting Noteholders that directed or authorized it to issue the Purported Termination Notice.

77. At the same time, Pach Shemen is the only entity which purports to hold more than half the outstanding Notes. Accordingly, Pach Shemen is the only entity—together with other

noteholders—even capable of falsely directing Wilmington to file suit, and instructing Paul Weiss to deliver the Purported Termination Notice.

78. At the direction of Murchinson, and in coordination with Lenova [REDACTED]

[REDACTED] Pach Shemen persists with its meritless assault on Eletson Holdings.

**iv. Pach Shemen’s Involuntary Bankruptcy Petition**

79. Murchinson, Pach Shemen, and Lenova are each aware that Pach Shemen’s purported acquisition of interest in the Notes is invalid as Pach Shemen foremost has not agreed, in writing, to be bound by the Second RSA or the OCM Financing Stipulation, both of which remain in effect.

80. Nevertheless, on March 7, 2023, Pach Shemen, together with Alpine Partners and VR Global Partners, filed involuntary bankruptcy petitions against each of the Plaintiffs (collectively, the “Involuntary Bankruptcy Petitions”). Pursuant to the filing of these Involuntary Bankruptcy Petitions, an automatic stay under Bankruptcy Code Section 362(a) has been triggered, according to the petitioning creditors and Levona. *See* 11 U.S.C. § 362(a).

81. [REDACTED]

82. [REDACTED]

83. Contrary to the position taken by it in the Involuntary Bankruptcy Petitions, and papers submitted in connection therewith, Pach Shemen is not a rightful creditor of any Plaintiff, and it does not hold any claim against any Plaintiff that is not contingent as to liability or the subject of a *bona fide* dispute as to liability or amount.

84. Indeed, as set forth above, Pach Shemen’s purported acquisition of any interest in the Notes is null and void *ab initio*, and of no force or effect since Pach Shemen—in violation of Section 7 of the Second RSA—among other things did not first agree, in writing, to be bound by the Second RSA, including the forbearance agreement.

85. Respectively, Murchinson, Nomis Bay, BPY Limited, Pach Shemen, and Lenova each knew that Pach Shemen’s purported acquisition of an interest in the Notes was void from the outset.

86. Murchinson, Nomis Bay, BPY Limited, Pach Shemen, and Lenova were not interested in initiating a legitimate involuntary bankruptcy filing however. Instead, their shared goal was to menace and put Plaintiffs at grave financial, indeed existential risk, [REDACTED]. Defendants further intended to disrupt Plaintiffs’ business, tarnish Plaintiffs’ reputations, and subject each of them to needless but significant expense.

87. Their goal has been largely accomplished with even greater harm to Plaintiffs threatened by Defendants’ unlawful activity.

88. Plaintiffs have satisfied all conditions precedent to suit and to the assertion of all claims herein except those that have been waived.

### **COUNT I**

#### **Tortious Interference with Contract–Indenture Murchinson, Nomis Bay, and BPY Limited**

89. Plaintiffs repeat and reallege as if fully set forth herein all other paragraphs of this pleading except those alleged in this Count.

90. The Indenture dated July 2, 2018 between Plaintiffs, the Guarantors, and Wilmington is and was at all relevant times a valid contract.

91. The Second RSA dated October 29, 2019 between Eletson Holdings and Eletson Finance, on the one hand, and Consenting Noteholders, on the other hand, also is and was at all relevant times a valid contract.

92. The OCM Financing Stipulation entered into on June 20, 2020 between Eletson Holdings and Consenting Noteholders, on the one hand, and Consenting Noteholders, on the other hand, also is and was at all relevant times a valid contract.

93. At all relevant times, Pach Shemen, Murchinson, Nomis Bay, and BPY Limited knew about the Indenture, the Second RSA, and the OCM Financing Stipulation.

94. Nomis Bay and BPY Limited knew about the Indenture, the Second RSA, and the OCM Financing Stipulation when, prior to January 4, 2023, they purported to acquire a majority in aggregate principal amount of then-outstanding Notes in order to transfer those Notes to Pach Shemen.

95. Pach Shemen also knew about the Indenture, the Second RSA, and the OCM when, on January 4, 2023, Pach Shemen—at Murchinson’s direction— purported to acquire a majority in aggregate principal amount of then-outstanding Notes from Nomis Bay and BPY Limited, and then directed Wilmington, as Trustee and pursuant to the Indenture, to file suit against Plaintiffs wrongly declaring an Event of Default.

96. Pach Shemen intentionally gave this direction to Wilmington to file suit, which Wilmington did, contrary to the term of the Second RSA and OCM Financing Stipulation, and in direct violation and breach of the Indenture and with the unlawful purposes toward Plaintiffs as alleged herein.

97. Pach Shemen was not a majority noteholder—individually or in aggregate—of then-outstanding Notes. In fact, any purported transfer of interest in the Notes, first to Nomis Bay

and BPY Limited, and, thereafter, to Pach Shemen was null and void *ab initio*, and of no force and effect, because neither Nomis Bay, nor BPY Limited, nor Pach Shemen executed the requisite joinders in accordance with the Second RSA and the OCM Financing Stipulation, nor were such requisite joinders ever delivered to Eletson Holdings, Eletson Finance, their counsel, or counsel for the Consenting Noteholders in accordance with the Second RSA and the OCM Financing Stipulation. *See* Second RSA, §7(a), Ex. B; *see also* Section 4(a)-(b) of the OCM Financing Stipulation, Ex. D.

98. Because Pach Shemen was not a majority noteholder, Pach Shemen’s directions to Wilmington were invalid.

99. Separately, Pach Shemen also knew about the Second RSA and the OCM Financing Stipulation when, on or about February 2, 2023, Pach Shemen—at Murchinson’s direction—directed Paul Weiss to send a Purported Termination Notice trying to terminate the Second RSA.

100. The Second RSA is clear that termination upon the occurrence of an enumerated “Termination Event” occurs only upon written notice to all other Parties by “the Consenting Noteholders holding, in aggregate, at least two thirds in principal amount outstanding of the [Notes] held by the Consenting Noteholders[.]”

101. As set forth above, Pach Shemen was not a majority noteholder, much less a two thirds majority noteholder—individually or in aggregate—of then-outstanding Notes. Any purported interest Pach Shemen claimed in the Notes was void pursuant to the Second RSA and the OCM Financing Stipulation. The Purported Termination Notice sent at Pach Shemen’s direction was invalid.

102. Consenting Noteholders represented more than eighty percent (80%) of the noteholders in aggregate principal amount of then outstanding Notes, and they collectively have

agreed to “forebear from exercising, or from giving instructions to [Wilmington] to exercise, the rights and remedies available to it under the [Indenture] or applicable law or equity” until the date the Second RSA is terminated. *See* Second RSA, §36(a), Ex. B.

103. Wilmington however, by maintaining its improper suit against Plaintiffs, is treating the Second RSA as if it is terminated when, in fact, Pach Shemen knows the Second RSA has not been terminated.

104. Pach Shemen, at the direction of Murchinson and with the knowledge of Nomis Bay and BPY Limited, intentionally has misrepresented its status as a majority noteholder, intentionally has misrepresented that Plaintiffs have defaulted on their obligations under the Indenture, and intentionally has misrepresented that the Second RSA is terminated.

105. By their blatant lies and fabricated transfers of voided interests in the Notes, as well as by reason of such other perquisites and emoluments that discovery will uncover, Pach Shemen, Murchinson, Nomis Bay, and BPY Limited, separately and together, have induced Wilmington to breach the Indenture by acting on Pach Shemen’s invalid instructions to file suit against Plaintiffs, and to continue to maintain its suit against Plaintiffs as if the Second RSA is terminated, when in fact it is not.

106. As a result of the actions of Pach Shemen, Murchinson, Nomis Bay, and BPY Limited set forth above, the Plaintiffs have been damaged as, among other things, Plaintiffs have been forced to incur significant expenses responding to and defending against Wilmington’s suit wrongly declaring an Event of Default and separately three (3) involuntary bankruptcy petitions (which damages will be pursued after the close of the bankruptcy court proceedings and consistent with any order issued therein), as well as address the impact these lawsuits have had [REDACTED]

[REDACTED] on Plaintiffs’ business operations and revenue,

and on their respective reputations, including, specifically, wrongful charges that Eletson Holdings is insolvent.

## **COUNT II**

### **Breach of Contract—The Second RSA and OCM Financing Stipulation Murchinson, Nomis Bay, and BPY Limited**

107. Plaintiffs repeat and reallege as if fully set forth herein all other paragraphs of this pleading except those alleged in this Count.

108. At all relevant times, Murchinson indirectly owned and controlled the activities of Pach Shemen, Nomis Bay, and BPY Limited.

109. As set forth above, the Second RSA and the OCM Financing Stipulation respectively restrict the transfer of a Consenting Noteholder's interest in the Notes. More specifically, the Second RSA and the OCM Financing Stipulation respectively void any transfer of a Consenting Noteholder's interest in the Notes unless an entity executes a written joinder binding it to the terms of the Second RSA and the OCM Financing Stipulation.

110. Section 7 of the Second RSA provides, in relevant part, that a Consenting Noteholder shall not “sell, transfer or assign . . . directly or indirectly, its rights, title or interest” . . . in any Claims against, or interests, in” Eletson Holdings or Eletson Finance, unless such Transfer is to another Consenting Noteholder or any other entity that first agreed, in writing, to be bound by the terms of the [Second RSA] by executing and delivering to [Eletson Holdings and Eletson Finance], and counsel for the Consenting Noteholders, at least three (3) Business days prior to effectiveness of the relevant Transfer a Transferee Joinder substantially in the form attached [to the Second RSA] as Exhibit B (the Transferee Joinder).” See Second RSA, §7(a), Ex. B.

111. Section 4(a)-(b) of the OCM Financing Stipulation separately provides, in relevant part, that “each Holder agrees not to sell, assign, transfer, hypothecate or otherwise dispose of . . .

any [Notes] to any third party that is not a Holder unless, as a condition precedent to any such transaction, the transferee of such [Notes] executed and delivers a joinder...to this Stipulation...to counsel to the Eletson Parties...[.]” See OCM Financing Stipulation, §4(a)-(b), Ex. D.

112. Respectively, Nomis Bay, BPY Limited, Murchinson (indirectly), and Alpine purportedly acquired interest in the Notes. In that case, Nomis Bay, BPY Limited, Murchinson, and Alpine breached Section 7 of the Second RSA and Section 4(a)-(b) of the OCM Financing Stipulation because none of them executed and delivered the requisite written joinders in accordance with, and which separately bound them to, the terms of the Second RSA and the OCM Financing Stipulation.

113. Moreover, Pach Shemen—by purportedly acquiring an interest in the Notes from Nomis Bay and BPY Limited—also separately breached Section 7 of the Second RSA and Section 4(a)-(b) of the OCM Financing Stipulation because Pach Shemen never executed and delivered the requisite written joinders in accordance with, and which separately bound it to, the terms of the Second RSA and the OCM Financing Stipulation.

114. In contrast, Plaintiffs—for their part—at all times have complied with and performed its obligations in accordance with the terms and conditions the Second RSA and the OCM Financing Stipulation.

115. However, as a result of and notwithstanding each of Pach Shemen, Murchinson, Nomis Bay, BPY Limited, and Alpine’s separate breaches, the Plaintiffs have been damaged as, among other things, Plaintiffs have been forced to incur significant expenses responding to and defending against Wilmington’s suit wrongly declaring an Event of Default and separately three (3) involuntary bankruptcy petitions (which damages will be pursued after the close of the bankruptcy court proceedings and consistent with any order issued therein), as well as address the

impact these lawsuits have had [REDACTED]  
on Plaintiffs' business operations and revenue, and on their respective reputations, including, specifically, wrongfully charging Eletson Holdings is insolvent.

### **COUNT III**

#### **Tortious Interference with Contract—The Second RSA and OCM Financing Stipulation Murchinson, Nomis Bay, and BPY Limited**

116. Plaintiffs repeat and reallege as if fully set forth herein all other paragraphs of this pleading except those alleged in this Count.

117. The Second RSA dated October 29, 2019 between Eletson Holdings and Eletson Finance, on the one hand, and Consenting Noteholders, on the other hand, also is and was at all relevant times a valid contract.

118. The OCM Financing Stipulation entered into on June 20, 2020 between Eletson Holdings and Consenting Noteholders, on the one hand, and Consenting Noteholders, on the other hand, also is and was at all relevant times a valid contract.

119. At all relevant times, Murchinson, Nomis Bay, BPY Limited, and Alpine respectively knew about both the Second RSA, and the OCM Financing Stipulation.

120. The Second RSA and the OCM Financing Stipulation respectively restrict the transfer of a Consenting Noteholder's interest in the Notes. More specifically, the Second RSA and the OCM Financing Stipulation respectively void any transfer of a Consenting Noteholder's interest in the Notes unless an entity executes a written joinder binding it to the terms of the Second RSA and the OCM Financing Stipulation.

121. Section 7 of the Second RSA provides, in relevant part, that a Consenting Noteholder shall not "sell, transfer or assign . . . directly or indirectly, its rights, title or interest" . . . in any Claims against, or interests, in" Eletson Holdings or Eletson Finance, unless such Transfer

is to another Consenting Noteholder or any other entity that first agreed, in writing, to be bound by the terms of the [Second RSA] by executing and delivering to [Eletson Holdings and Eletson Finance], and counsel for the Consenting Noteholders, at least three (3) Business days prior to effectiveness of the relevant Transfer a Transferee Joinder substantially in the form attached [to the Second RSA] as Exhibit B (the Transferee Joinder).” See Second RSA, §7(a), Ex. B.

122. Section 4(a)-(b) of the OCM Financing Stipulation separately provides, in relevant part, that “each Holder agrees not to sell, assign, transfer, hypothecate or otherwise dispose of . . . any [Notes] to any third party that is not a Holder unless, as a condition precedent to any such transaction, the transferee of such [Notes] executed and delivers a joinder...to this Stipulation...to counsel to the Eletson Parties...[.]” See OCM Financing Stipulation, §4(a)-(b), Ex. D.

123. In direct violation of Section 7 of the Second RSA and Section 4(a)-(b) of the OCM Financing Stipulation, Murchinson, Nomis Bay, BPY Limited, and Alpine intentionally induced certain Consenting Noteholders purportedly to transfer interest in the Notes without Murchinson, Nomis Bay, BPY Limited, or Alpine first executing and delivering the requisite written joinders in accordance with, and which separately bound them to, the terms of the Second RSA and the OCM Financing Stipulation.

124. Respectively, Murchinson, Nomis Bay, BPY Limited, and Alpine induced Consenting Noteholders to transfer interest in the Notes to them so they could intentionally misrepresent that they were majority Noteholders authorized to direct Wilmington, as Trustee and pursuant to the Indenture, to file suit against Plaintiffs wrongly declaring an Event of Default, and authorized to direct the law firm of Paul Weiss to serve the Purported Termination Notice that claimed the Second RSA was terminated.

125. As a result of the inducement of Consenting Noteholders purportedly to transfer

interest in the Notes to Murchinson, Nomis Bay, BPY Limited, and Alpine as set forth above, the Plaintiffs have been damaged as, among other things, Plaintiffs have been forced to incur significant expenses responding to and defending against Wilmington's suit wrongly declaring an Event of Default and separately three (3) involuntary bankruptcy petitions (which damages will be pursued after the close of the bankruptcy court proceedings and consistent with any order issued therein), as well as address the impact these lawsuits have had [REDACTED] [REDACTED] on Plaintiffs' business operations and revenue, and on their respective reputations, including, specifically, wrongful charges that Eletson Holdings is insolvent.

#### **COUNT IV**

##### **Declaratory Judgment—The Second RSA and OCM Financing Stipulation Murchinson, Nomis, and BPY Limited**

126. Plaintiffs repeat and reallege as if fully set forth herein all other paragraphs of this pleading except those alleged in this Count.

127. Murchinson, Nomis Bay, BPY Limited respectively maintain that each acquired an interest in the Notes, and that their respective interest in the Notes was transferred to Pach Shemen.

128. Plaintiffs deny Murchinson, Nomis Bay, BPY Limited at any time—directly or indirectly—acquired a valid and enforceable interest in the Notes. Moreover, Plaintiffs deny that Murchinson, Nomis Bay, and BPY Limited at any time were capable of transferring or, in fact, did transfer, any valid and enforceable interest in the Notes to Pach Shemen.

129. Section 7 of the Second RSA provides, in relevant part, that a Consenting Noteholder shall not “sell, transfer or assign . . . directly or indirectly, its rights, title or interest” . . . in any Claims against, or interests, in” Eletson Holdings or Eletson Finance, unless such Transfer is to another Consenting Noteholder or any other entity that first agreed, in writing, to be bound by the terms of the [Second RSA] by executing and delivering to [Eletson Holdings and Eletson

Finance], and counsel for the Consenting Noteholders, at least three (3) Business days prior to effectiveness of the relevant Transfer a Transferee Joinder substantially in the form attached [to the Second RSA] as Exhibit B (the Transferee Joinder).” See Second RSA, §7(a), Ex. B.

130. Section 4(a)-(b) of the OCM Financing Stipulation separately provides, in relevant part, that “each Holder agrees not to sell, assign, transfer, hypothecate or otherwise dispose of . . . any [Notes] to any third party that is not a Holder unless, as a condition precedent to any such transaction, the transferee of such [Notes] executed and delivers a joinder...to this Stipulation...to counsel to the Eletson Parties...[.]” See OCM Financing Stipulation, §4(a)-(b), Ex. D.

131. In direct violation of Section 7 of the Second RSA and Section 4(a)-(b) of the OCM Financing Stipulation, Murchinson, Nomis Bay, and BPY Limited respectively did not, in order to receive a valid transfer of any interest in the Notes, execute the requisite joinders agreeing to be bound by the Second RSA and separately by the OCM Financing Stipulation. Additionally, in direct violation of Section 7 of the Second RSA and Section 4(a)-(b) of the OCM Financing Stipulation, Murchinson, Nomis Bay, and BPY Limited respectively did not, in order to receive a valid transfer of any interest in the Notes, deliver to Eletson Holdings, Eletson Finance, their counsel, or counsel for the Consenting Noteholders the requisite joinders.

132. Pursuant to the express terms of Section 7 of the Second RSA and Section 4(a)-(b) of the OCM Financing Stipulation, any purported transfer of interests to Murchinson, Nomis Bay, and BPY Limited is null and void *ab initio*, and of no force and effect.

133. Because any purported transfer of interest in the Notes to Murchinson, Nomis Bay, and/or BPY Limited was null and void *ab initio*, and of no force in effect, Pach Shemen also never received any valid and enforceable interest in the Notes as a result of such purported transfer from Murchinson, Nomis Bay, and/or BPY Limited.

134. For these reasons, a *bona fide* justiciable and substantial controversy exists because Plaintiffs, on the one hand, and Murchinson, Nomis Bay, and BPY Limited, on the other hand, have adverse legal interests regarding the validity of any transfer of interest in the Notes referenced in this Count.

135. A judgment would serve a useful purpose in clarifying and settling this legal issue.

136. Moreover, a judgment would finalize the controversy and offer relief from uncertainty.

137. As result, Plaintiffs seek and are entitled to a declaration that all purported acquisitions of interest by Defendants Murchinson, Nomis Bay, and BPY Limited in the Notes issued by Eletson Holdings, Eletson Finance, and Eletson MI are and were at all relevant times null and void *ab initio*, and of no force or effect.

### **COUNT V**

#### **Breach of Contract—The Second RSA and OCM Financing Stipulation John Doe Sellers**

138. Plaintiffs repeat and reallege as if fully set forth herein all other paragraphs of this pleading except those alleged in this Count.

139. Certain John Doe Consenting Noteholders were parties to either or both the Second RSA and the OCM Financing Stipulation.

140. The Second RSA and the OCM Financing Stipulation respectively restrict the transfer of a Consenting Noteholder's interest in the Notes. More specifically, the Second RSA and the OCM Financing Stipulation respectively void any transfer of a Consenting Noteholder's interest in the Notes unless an entity executes a written joinder binding it to the terms of the Second RSA and the OCM Financing Stipulation.

141. Section 7 of the Second RSA provides, in relevant part, that a Consenting

Noteholder shall not “sell, transfer or assign . . . directly or indirectly, its rights, title or interest” . . . in any Claims against, or interests, in” Eletson Holdings or Eletson Finance, unless such Transfer is to another Consenting Noteholder or any other entity that first agreed, in writing, to be bound by the terms of the [Second RSA] by executing and delivering to [Eletson Holdings and Eletson Finance], and counsel for the Consenting Noteholders, at least three (3) Business days prior to effectiveness of the relevant Transfer a Transferee Joinder substantially in the form attached [to the Second RSA] as Exhibit B (the Transferee Joinder).” See Second RSA, §7(a), Ex. B.

142. Section 4(a)-(b) of the OCM Financing Stipulation separately provides, in relevant part, that “each Holder agrees not to sell, assign, transfer, hypothecate or otherwise dispose of . . . any [Notes] to any third party that is not a Holder unless, as a condition precedent to any such transaction, the transferee of such [Notes] executed and delivers a joinder...to this Stipulation...to counsel to the Eletson Parties...[.]” See OCM Financing Stipulation, §4(a)-(b), Ex. D.

143. In direct violation of Section 7 of the Second RSA and Section 4(a)-(b) of the OCM Financing Stipulation, Certain John Doe Consenting Noteholders purported to transfer their interest in the Notes to entities without the transferees executing the requisite written joinders separately binding them to the terms of the Second RSA and the OCM Financing Stipulation.

144. Specifically, the John Doe Consenting Noteholders who purported to sell their respective interests in the Notes to Nomis Bay and BPY Limited separately violated the Section 7 of the Second RSA and Section 4(a)-(b) of the OCM Financing Stipulation because each of these John Doe Consenting Noteholders purported to transfer their interest in the Notes to entities without the transferees executing the requisite written joinders separately binding them to the terms of the Second RSA and the OCM Financing Stipulation.

145. Pursuant to the express terms of Section 7 of the Second RSA and Section 4(a)-(b)

of the OCM Financing Stipulation, any purported transfer of John Doe Consenting Noteholders' interest in the Notes to Nomis Bay Ltd. and BPY Limited, is null and void *ab initio*, and of no force and effect.

146. In contrast to the John Doe Consenting Noteholders' breach and the resulting damages their breach caused Plaintiffs, Plaintiffs—for their part—at all relevant times have complied with and performed their applicable obligations in accordance with the terms and conditions of the Indenture.

147. However, as a result of the John Doe Consenting Noteholders' actions as set forth above, the Plaintiffs have been damaged as, among other things, Plaintiffs have been forced to incur significant expenses responding to and defending against Wilmington's suit wrongly declaring an Event of Default and separately three (3) involuntary bankruptcy petitions (which damages will be pursued after the close of the bankruptcy court proceedings and consistent with any order issued therein), as well as address the impact these lawsuits have had [REDACTED] [REDACTED] on Plaintiffs' business operations and revenue, and on their respective reputations, including, specifically, wrongful charges that Eletson Holdings is insolvent.

#### **REQUEST FOR RELIEF**

**WHEREFORE**, Plaintiffs Eletson Holdings Inc., Eletson Finance US LLC, and Agathonissos Finance LLC respectfully pray that judgment be entered in their favor and against Defendants herein on all counts of the Complaint, and Plaintiffs be awarded and the Court direct:

- (a) As to Counts I-III, and V, compensatory damages in the full amount of all liability, actual damages, costs, and expenses arising out of Defendants' alleged conduct, in amounts to be ascertained at trial, but in no event less than the tens if not hundreds

of millions of dollars of harm caused and being caused Plaintiffs by Defendants;

- (b) As to these same Counts, all incidental and consequential damages;
- (c) As to all Counts to which the law applies, punitive damages in at least the amount of treble compensatory, incidental, and consequential damages;
- (d) As to Count IV, a declaration that all purported acquisitions of interest by Defendants Nomis Bay Ltd. and BPY Limited, in the Notes issued by Eletson Holdings Inc., Eletson Finance US LLC, and Agathonissos Finance LLC are and were at all relevant times null and void *ab initio*, and of no force or effect;
- (e) As to all Counts, equitable and preliminary and permanent injunctive relief;
- (f) As to all Counts, an award of interest, costs, and attorneys' fees; and
- (g) Such other and further relief as the Court deems just and proper.

(a) *General.* The Notes and the Trustee’s certificate of authentication will be substantially in the form of Exhibit A. The Notes may have notations, legends or endorsements

required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. Any PIK Notes shall be in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. Notwithstanding any provision of this Indenture or the Notes (i) any *pro rata* redemptions or repurchases of the Notes by the Issuers pursuant to this Indenture shall be made in a manner that preserves the authorized denominations of the Notes, and (ii) in the case of Global Notes, the selection of Notes to be redeemed or repurchased will be in accordance with the procedures of the Depositary.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuers, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global and Definitive Notes.* Notes issued in global form will be substantially in the form of Exhibit A (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06.

(c) *Temporary Global Notes.* Notes offered and sold in reliance on Regulation S will be issued initially in the form of the Regulation S Temporary Global Note, which will be deposited by the Issuers on behalf of the purchasers of the Notes represented thereby with the Custodian, and registered in the name of the Depositary or the nominee of the Depositary for the accounts of Participants holding on behalf of Euroclear or Clearstream, duly executed by the Issuers and authenticated by the Trustee as hereinafter provided. The Restricted Period will be terminated prior to the expiration of the 40-day period upon the receipt by the Trustee of:

(1) a written certificate from the Depositary, together with copies of certificates from Euroclear and Clearstream, certifying that they have received certification of non-United States beneficial ownership of 100% of the aggregate principal amount of the Regulation S Temporary Global Note (except to the extent of any Beneficial Owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who will take delivery of a Beneficial Ownership interest in a 144A Global Note or an AI Global Note bearing a Private Placement Legend, all as contemplated by Section 2.06(b)); and

Simultaneously with the authentication of the Regulation S Permanent Global Note in accordance with Section 2.02, the Trustee will cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Registrar and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

The Trustee shall have no duty to request the certificates described in subclauses (1) and (2) of this Section 2.01(c).

#### Section 2.02 Execution and Authentication.

At least one Officer of each Issuer shall execute the Notes on behalf of such Issuer by manual or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will, upon receipt of an Authentication Order, authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes and the Regulation S Permanent Global Note. Such Authentication Order shall specify the principal amount of the Notes to be authenticated, the date on which the issue of the Notes is to be authenticated, the number of separate Notes certificates to be authenticated, the registered Holder of each such Note and delivery instructions and, in the case of an issuance of Additional Notes after the Closing Date, shall certify that such issuance is in compliance with Sections 4.09 and 4.13. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuers pursuant to one or more Authentication Orders, except as provided in Section 2.07.

The Trustee may appoint an authenticating agent acceptable to the Issuers to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee of all amounts that it is obligated to pay, the Paying Agent (if other than the Issuers or a Subsidiary of an Issuer) will have no further liability for the money. If the Issuers or a Subsidiary of an Issuer act as Paying Agent, they will segregate and hold in a separate trust fund for the benefit of the Holders all money held by them as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuers, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Registrar will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with TIA § 312(a). and, if the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to this clause (4) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to this clause (4).

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(3) *Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(4) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depositary and the Participant. The Trustee will deliver such Definitive Notes to the Persons in whose names such Notes are so registered. (3) *Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Registrar will cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to clause (2) above or this clause (3) at a time when an Unrestricted Global

Note has not yet been issued, the Issuers will issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. (h) *Procedures for Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.*

Upon the Issuers’ satisfaction that the Private Placement Legend shall no longer be required in order to maintain compliance with the Securities Act:

(1) beneficial interests in a Restricted Global Note may be automatically exchanged for beneficial interests in an Unrestricted Global Note without any action required by or on behalf of the Holder of such Restricted Global Note (the “Automatic Exchange”) at any time on or after the date that is the 366th calendar day after (a) with respect to the Notes issued on the Closing Date, the Closing Date or (b) with respect to Additional Notes, if any, the issue date of such Additional Notes, or, in each case, if such day is not a Business Day, on the next succeeding Business Day (the “Automatic Exchange Date”); and

(2) the Issuers shall (a) provide written notice to DTC and the Trustee at least fifteen (15) calendar days prior to the Automatic Exchange Date, instructing DTC to exchange all of the outstanding beneficial interests in a particular Restricted Global Note for beneficial interests in an Unrestricted Global Note, which the Issuers shall have previously otherwise made eligible for exchange with the DTC; (b) provide prior written notice (the “Automatic Exchange Notice”) to each Holder of such Restricted Global Note at such Holder’s address appearing in the register of Holders at least fifteen (15) calendar days prior to the Automatic Exchange Date (the “Automatic Exchange Notice Date”), which notice must include (i) the Automatic Exchange Date, (ii) the section of this Indenture pursuant to which the Automatic Exchange shall occur, (iii) the “CUSIP” number of the Restricted Global Note from which such Holder’s beneficial interests will be transferred and (iv) the “CUSIP” number of the Unrestricted Global Note into which such Holder’s beneficial interests will be transferred; and (c) on or prior to the Automatic Exchange Date, deliver to the Trustee for authentication one or more Unrestricted Global Notes, duly executed by the Issuers, in an aggregate principal amount equal to the aggregate principal amount of each Restricted Global Note to be exchanged for one or more such Unrestricted Global Notes.

At the Issuers’ written request on no less than five (5) calendar days’ notice prior to the Automatic Exchange Notice Date, the Trustee shall deliver, in the Issuers’ name and at their expense, the Automatic Exchange Notice to each Holder at such Holder’s address appearing in the register of Holders; *provided* that the Issuers have delivered to the Trustee the information required to be included in such Automatic Exchange Notice.

Notwithstanding anything to the contrary in this Section 2.06(h), during the fifteen (15) calendar day period prior to the Automatic Exchange Date, no transfers or exchanges

other than pursuant to this Section 2.06(h) shall be permitted without the prior written consent of the Issuers. As a condition to any Automatic Exchange, the Issuers shall provide, and the Trustee shall be entitled to conclusively rely upon, an Officers' Certificate and Opinion of Counsel to the Issuers to the effect that the Automatic Exchange shall be effected in compliance with the Securities Act, that the restrictions on transfer contained herein and in the Private Placement Legend shall no longer be required in order to maintain compliance with the Securities Act and that the aggregate principal amount of the particular Restricted Global Note is to be transferred to the particular Unrestricted Global Note by adjustment made on the records of the Trustee, as custodian for the Depositary, to reflect the Automatic Exchange. Upon such exchange of beneficial interests pursuant to this Section 2.06(h), the aggregate principal amount of the Global Notes shall be increased or decreased by adjustments made on the records of the Trustee, as custodian for the Depositary, to reflect the relevant increase or decrease in the principal amount of such Global Note resulting from the applicable exchange. The Restricted Global Note from which beneficial interests are transferred pursuant to an Automatic Exchange shall be cancelled following the Automatic Exchange.

(i) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on the "Schedule of Exchanges of Interests in the Global Note" of such Global Note by the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on the "Schedule of Exchanges of Interests in the Global Note" of such Global Note by the Trustee to reflect such increase.

(j) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Issuers will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(2) No service charge will be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers or the Trustee may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.10, 4.10, 4.11, 4.16, 4.17, 4.29 and 9.05).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Issuers will be required:

(i) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection;

(ii) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(iii) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile or email, with originals thereof to be delivered to the Registrar thereafter in a timely manner.

(9) Neither the Registrar, the Trustee nor any Agent shall have an obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(10) Neither the Trustee nor any Agent shall have any responsibility or liability for any action taken or not taken by the Depositary.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Registrar, Trustee or the Issuers, or the Trustee and the Issuers receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's and the Issuers' requirements are met. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of (i) the Trustee to protect the Trustee and (ii) the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss or liability that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuers and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuers hold the Note; *however*, Notes held by the Issuers or a Subsidiary of an Issuer shall not be deemed to be outstanding for purposes of Section 3.07(a).

If a Note is replaced pursuant to Section 2.07 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuers, a Subsidiary of an Issuer or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 Treasury Notes.

For purposes of determining whether the Holders of the required principal amount of Notes have concurred in any amendment, supplement, waiver, direction or consent, Notes owned by an Issuer, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with any such Issuer, shall be disregarded (it being understood that a Holder shall not be deemed to be directly or indirectly controlling or controlled by or under direct or indirect common control with any Issuer for purposes of this provision solely by reason of the beneficial ownership of Eleton MI Preferred Interests or Company Preferred Interests or the provisions of the Consulting Agreement).

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and execute, and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

After the preparation of the definitive Notes, the temporary Notes shall be exchanged for definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuers, without charge to the Holder. Upon surrender for cancellation of one or more temporary Notes, the Issuers shall execute and the Trustee shall authenticate and deliver in exchange therefore a like principal amount of definitive Notes of authorized denominations.

Section 2.11 Cancellation.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act and the Trustee). Certification of the destruction or cancellation of all canceled Notes will be delivered to the Issuers upon written request. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation. To the extent that any Notes are held in the form of Global Notes and less than all of such Global Notes are to be cancelled, the reduction of the principal amount of any such Global Note and the Registrar's notation of such cancellation on its books and records shall be deemed to satisfy any cancellation requirement, *provided* that certification of such cancellation shall be delivered to the Issuers upon written request.

Section 2.12 Defaulted Interest.

If the Issuers default in a payment of interest on the Notes, they will pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) will send to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 CUSIP Numbers.

The Issuers in issuing the Notes may use CUSIP, ISIN or other such numbers (if then generally in use), and, if so, the Trustee shall use CUSIP, ISIN or other such numbers in notices of redemption as a convenience to Holders; *provided*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers shall promptly notify the Trustee in writing of any change in the CUSIP, ISIN or other numbers.

Section 2.14 Issuance of Additional Notes.

The Issuers shall be entitled, from time to time, without consent of the Holders and (x) subject to compliance with Sections 4.09 and 4.13 and (y) *provided that*, on each date of issuance of Additional Notes, if any, and as a condition precedent to such issuance, the Company shall cause to be secured by the Lien of this Indenture and the Security Documents (subject only to Permitted Liens), (a) one or more Qualified Vessels (together with any Related Assets) that will become Mortgaged Vessels on the date of incurrence of such Additional Notes, (b) cash and/or (c) any combination of clauses (a) and (b), such that on each such date of issuance of Additional Notes the requirements of the proviso in clause (c) of the definition of “Permitted Liens” shall be satisfied, to issue Additional Notes under this Indenture with identical terms as the Initial Notes other than with respect to (i) the date of issuance, (ii) the issue price, (iii) the amount of interest payable on the first interest payment date and (iv) any adjustments in order to conform to and ensure compliance with the Securities Act (or other applicable securities laws) or to reflect differences with respect to original issue discount for U.S. federal income tax purposes. The Initial Notes and any Additional Notes shall be treated as a single class for all purposes under this Indenture, including those with respect to waivers, amendments, redemptions and offers to purchase; *provided that* if any Additional Notes are not fungible with the Notes for U.S. federal income tax purposes, the Additional Notes will have a separate CUSIP number.

With respect to any Additional Notes, the Issuers shall set forth in an Officers’ Certificate pursuant to a resolution of the Board of Directors of the Company, copies of which shall be delivered to the Trustee (with a copy to the Paying Agent and the Registrar), the following information:

- (i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and
- (ii) the issue price, the issue date and the CUSIP number of such Additional Notes and the date on which interest on such Additional Notes shall begin to accrue.

### ARTICLE 3 REDEMPTION AND PREPAYMENT

#### Section 3.01 Notices to Trustee, Paying Agent and Registrar.

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07, they must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

- (1) the provision of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed;
- (4) the redemption price; and
- (5) the CUSIP and ISIN number if any,

*provided that*, such Officers' Certificate may be furnished more than 60 days prior to a redemption date if issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article 8 or 12.

#### Section 3.02 Selection of Notes to Be Redeemed or Purchased.

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee, subject to the Depository's standard procedures, or the Depository, as applicable, will select Notes for redemption or purchase on a *pro rata* basis, by lot or by such other method as the Trustee in its sole discretion shall deem fair and appropriate, in each case, in accordance with the procedures of the Depository, unless otherwise required by law or applicable securities exchange or depository requirements.

In the event of partial redemption or purchase, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 but not more than 60 days prior to the redemption or purchase date by the Paying Agent or the Depository, as applicable, from the outstanding Notes not previously called for redemption or purchase.

The Paying Agent or the Depository, as applicable, will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof (or if a PIK Payment has occurred, such partial redemption will be in integral multiples of \$1.00); except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not \$1.00 or an integral multiple of \$1.00 in excess thereof (or if a PIK Payment has occurred, such partial redemption will be in integral multiples of \$1.00), shall be redeemed or purchased.

Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 Notice of Redemption or Purchase.

Subject to the provisions of Section 3.04 and Section 3.10, at least 30 days but not more than 60 days before a redemption date, the Issuers will mail or cause to be mailed, by first class mail (or in the case of Global Notes, transmit in accordance with the procedures of the Depository), a notice of redemption or purchase to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article 8 or 12.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, in the case of Definitive Notes, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price and the CUSIP and ISIN numbers for such Notes;
- (6) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP and ISIN number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' name and at its expense; *provided, however*, that the Issuers have delivered to the Trustee (with a copy to the Registrar), at least five Business Days (or such shorter period as may be agreed to by the Trustee) before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03, an Officers' Certificate requesting that the Trustee give such notice, which shall include a form of the notice setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed or transmitted, as the case may be, in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. Notices of redemption may not be conditional.

Section 3.05 Deposit of Redemption or Purchase Price.

Prior to 10:00 a.m. (New York City time) on the redemption or purchase date, the Issuers will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a regular record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender and cancellation of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered. Notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate such new Note.

Section 3.07 Optional Redemption.

(a) At any time prior to maturity, upon not less than 30 nor more than 60 days' notice, the Issuers may redeem all or part of the Notes at the following redemption prices (expressed as percentages of their principal amount at maturity), plus accrued and unpaid interest, if any, to the redemption date, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date, if redeemed during the twelve month period commencing on January 15 of the years set forth below.

<u>Year</u>	<u>Percentage</u>
2018 .....	104.813%
2019 .....	102.406%
2020 and thereafter .....	100.000%

(b) Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(c) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

#### Section 3.08 Mandatory Redemption.

The Issuers are not required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Issuers may be required to offer to purchase the Notes as described in Sections 4.10, 4.11, 4.16, 4.17, 4.19 or 4.32. The Issuers and the Restricted Subsidiaries may at any time and from time to time purchase Notes in the open market or otherwise.

#### Section 3.09 Redemption Upon Changes in Withholding Taxes.

The Company may, at its option, redeem the Notes, in whole but not in part, at any time upon giving not less than 30 nor more than 60 days’ notice to the Holders, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest thereon, if any, to the redemption date and all Additional Amounts, if any, then due and which will become due on the date of redemption, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date and Additional Amounts, if any, in respect thereof, as a result of the redemption or otherwise, if the Company determines in good faith that either Issuer is or, on the next date on which any amount would be payable in respect of the Notes, would be obliged to pay Additional Amounts, which such Issuer cannot avoid by the use of reasonable measures available to it (including making payment through a paying agent located in another jurisdiction) as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations or rulings promulgated thereunder) of any Relevant Taxing Jurisdiction which change or amendment occurs after the date of this Indenture or, if the Relevant Taxing Jurisdiction becomes a Relevant Taxing Jurisdiction after the date of this Indenture, after such later date; or

(b) any change in, or amendment to, an official position regarding the application, administration, or interpretation of the laws, treaties, regulations or rulings of any Relevant Taxing Jurisdiction (including by virtue of a holding, judgment or order by a court of competent jurisdiction), which change or amendment occurs after the date of this Indenture or, if the Relevant Taxing Jurisdiction becomes a Relevant Taxing Jurisdiction after the date of this Indenture, after such later date (each of the foregoing clauses (a) and (b), a “Change in Tax Law”).

Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the relevant Issuer would be obliged to pay Additional Amounts and (b) unless at the time such notice is given, the obligation to pay Additional Amounts remains in effect.

Prior to the publication through a prominent financial news wire service or, where relevant, mailing of any notice of redemption pursuant to the foregoing, the Company will deliver to the Trustee at least five days prior to the date when such notice of redemption is required to be sent to Holders or such later date as the Trustee shall agree:

(a) an Officers' Certificate stating that the Company is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Company to so redeem have occurred (including that such obligation to pay such Additional Amounts cannot be avoided by the relevant Issuer taking reasonable measures available to it); and

(b) an opinion of independent tax counsel of recognized standing, qualified under the laws of the Relevant Taxing Jurisdiction to the effect that the relevant Issuer is or would be obliged to pay such Additional Amounts as a result of a Change in Tax Law.

Such Officers' Certificate and opinion shall be sufficient evidence of the satisfaction of the conditions precedent as described above, in which event it will be conclusive and binding on the Holders.

The foregoing provisions will apply *mutatis mutandis* to any successor to the Company and to any jurisdiction in which any successor to the Company is organized or resident for tax purposes or from or through which such successor makes any payment on the Notes and, in each case, any political subdivision or taxing authority or agency thereof or therein.

#### Section 3.10 Procedures for Offer to Purchase.

(a) In the event that, pursuant to Section 4.10, the Issuers are required to commence an Excess Proceeds Offer they will follow the procedures specified below.

The notice, which will govern the terms of the Excess Proceeds Offer, will state:

(1) that the Excess Proceeds Offer is being made pursuant to this Section 3.10 and Section 4.10, and the length of time the Excess Proceeds Offer will remain open;

(7) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the holder, the principal amount of the Notes or Pari Passu Debt the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Notes purchased;

(8) that, if the aggregate principal amount of Notes and any such Pari Passu Debt validly tendered and not withdrawn by holders thereof exceeds the aggregate amount of Excess Proceeds, the Notes and any such Pari Passu Debt to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes and the principal amount or accreted value of such Pari Passu Debt tendered by each holder) to the extent permitted by such Pari Passu Debt; and

(9) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer), which unpurchased portion must be equal to a minimum denomination of \$1.00 in principal amount or an integral multiple of \$1.00 in excess thereof.

(b) In the event that, pursuant to Section 4.11, Section 4.17 or Section 4.29, the Issuers are required to commence a Collateral Sale Offer or an Event of Loss Offer (collectively the “Note Offers” and each, a “Note Offer”), respectively, they will follow the procedures specified below.

The notice, which will govern the terms of the Note Offer, will state:

(8) that, if the aggregate principal amount of Notes surrendered by Holders thereof exceeds the Offer Amount, the Paying Agent will select the Notes to be purchased on a *pro rata* basis or by lot (or in the case of Global Notes, in accordance with the procedures of the Depositary) based on the principal amount of the Notes tendered (with such adjustments as may be deemed appropriate by the Paying Agent so that Notes are maintained in a minimum denomination of \$1.00 and integral multiples of \$1.00 in excess thereof); and

(9) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer), which unpurchased portion must be equal to a minimum denomination of \$1.00 in principal amount or an integral multiple of \$1.00 in excess thereof, or if a PIK Payment has occurred, in a principal amount that is an integral multiple of \$1.00.

No later than three Business Days after the termination of the Offer Period (the "Purchase Date"), the Issuers will apply all Excess Proceeds, Excess Collateral Proceeds or Event of Loss Proceeds, as the case may be, to the purchase of the aggregate principal amount of Notes required to be purchased pursuant to Section 4.10, Section 4.11, Section 4.17 or Section 4.29, as applicable (the "Offer Amount"), or, (x) if less than the Offer Amount of Notes or Pari Passu Debt, has been validly tendered in the Excess Proceeds Offer, all Notes or such Pari Passu Debt validly tendered in response to the Excess Proceeds Offer or (y) ) if less than the Offer Amount of Notes has been validly tendered in a Note Offer, all Notes validly tendered in

(2) within five (5) days after the same are sent, copies of all financial statements and reports that the Company sends to the holders of any class of its debt securities or public equity securities and not otherwise required to be furnished to Holders pursuant to Section 4.03.

(3) promptly, such additional financial information as Holders through the Required Holder Designee may from time to time request; and

(4) no later than five (5) days prior to the record date for each TCE-Based Interest Payment Date, the Company shall notify the Trustee in writing of (i) the Trailing TCE for each TCE-Based Interest Payment Date and (ii) the applicable interest rate for such TCE-Based Interest Payment Date. The Trustee, on behalf of the Issuers, shall provide such notice to the Holders no later than the record date for such TCE-Based Interest Payment Date. The Company will prepare the notice and the Trustee will then send such notice to the Holders.

(h) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers’ or the Guarantor’s compliance with any of the provisions of this Indenture (as to which the Trustee is entitled to rely exclusively on an Officers’ Certificate).

#### Section 4.04 Compliance Certificate.

The Issuers will deliver to the Trustee no later than the date on which the Company is required to deliver annual reports pursuant to the covenant described under Section 4.03, an Officers’ Certificate stating that in the course of the performance by the relevant Officers of their respective duties as an Officer of the Company they would normally have knowledge of any Default and whether or not such Officers know of any Default that occurred during such period and, if any, specifying such Default, its status and what action the Company is taking or proposes to take with respect thereto. For purposes of this Section 4.04, such compliance will be determined without regard to any period of grace or requirement of notice under this Indenture.

Section 4.05 Taxes.

The Company will pay or cause to be paid, and will cause each of its Subsidiaries to pay or cause to be paid, prior to delinquency, all material taxes, assessments, and governmental levies due and payable by the Company or such Subsidiary, as applicable, except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 Stay, Extension and Usury Laws.

The Issuers and the Guarantors covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuers and the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 Restricted Payments.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, take any of the following actions (each of which is a “Restricted Payment” and which are collectively referred to as “Restricted Payments”):

(1) declare or pay any dividend on or make any distribution (whether made in cash, securities or other property) with respect to any of the Company’s or any Restricted Subsidiary’s Capital Stock (including, without limitation, any payment in connection with any merger, consolidation, amalgamation or other combination involving the Company or any Restricted Subsidiary) (other than to the Company or any Wholly Owned Restricted Subsidiary) except for dividends or distributions payable solely in shares of the Company’s Qualified Capital Stock or in options, warrants or other rights to acquire such shares of Qualified Capital Stock;

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger, consolidation, amalgamation or other combination), directly or indirectly, any shares of the Company’s Capital Stock or any Capital Stock of any Affiliate of the Company held by persons other than the Company or a Restricted Subsidiary (other than Capital Stock of any Restricted Subsidiary or any entity that becomes a Restricted Subsidiary as a result thereof) or any options, warrants or other rights to acquire such shares of Capital Stock;

(3) make any principal payment on, or repurchase, redeem, defease or otherwise acquire or retire for value, prior to any scheduled principal payment, sinking fund payment or Stated Maturity, any Subordinated Debt (other than intercompany Debt between the Company and any Guarantor or among Guarantors and other than the repurchase or other acquisition of Subordinated Debt purchased in anticipation of

satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of the repurchase or acquisition); or

(4) make any Investment (other than any Permitted Investment) in any Person.

If any Restricted Payment described above is not made in cash, the amount of the proposed Restricted Payment will be the Fair Market Value of the asset to be transferred as at the date of transfer.

(b) Notwithstanding Section 4.07(a), the Company or any Restricted Subsidiary may make a Restricted Payment (other than a Restricted Payment described in clause (1), (2) or (3) of the definition thereof) if, at the time of and after giving *pro forma* effect to such proposed Restricted Payment:

(1) no Default or Event of Default has occurred and is continuing and such Restricted Payment will not be an event that is or, after the giving of notice of lapse of time or both, would be, an “event of default” under the terms of any Debt of the Company or of any Restricted Subsidiary;

(2) the Consolidated Leverage Ratio would be less than 5.0 to 1.0; and

(3) the aggregate amount of all Restricted Payments declared or made after the Original Issue Date (excluding Restricted Payments permitted by clauses (2) through (11) of Section 4.07(c)), does not exceed the sum of:

(i) 50% of aggregate Consolidated Net Income on a cumulative basis during the period beginning on the first day of the fiscal quarter in which the Original Issue Date occurred and ending on the last day of the Company’s last fiscal quarter ending prior to the date of such proposed Restricted Payment (or, if such aggregate cumulative Consolidated Net Income shall be a negative number, minus 100% of such negative amount); *plus*

(ii) the aggregate Net Cash Proceeds received by the Company after the Original Issue Date as equity capital contributions or from the issuance or sale (other than to any Subsidiary) of shares of the Company’s Qualified Capital Stock (including upon the exercise of options, warrants or rights) or warrants, options or rights to purchase shares of the Company’s Qualified Capital Stock (except, in each case to the extent such proceeds are used to purchase, redeem or otherwise retire Capital Stock or Subordinated Debt as set forth in clause (4) or (5) of Section 4.07(c)) (excluding the Net Cash Proceeds from the issuance of the Company’s Qualified Capital Stock financed, directly or indirectly, using funds borrowed from the Company or any Subsidiary until and to the extent such borrowing is repaid); *plus*

(iii) (x) the amount by which the Company’s Debt or Debt of any Restricted Subsidiary is reduced on the Company’s consolidated balance sheet after the Original Issue Date upon the conversion or exchange (other than

by a Subsidiary) of such Debt into the Company's Qualified Capital Stock and (y) the aggregate Net Cash Proceeds received after the Original Issue Date by the Company from the issuance or sale (other than to any Subsidiary) of Redeemable Capital Stock that has been converted into or exchanged for the Company's Qualified Capital Stock, to the extent such Redeemable Capital Stock was originally sold for cash or Cash Equivalents, together with, in the case of both clauses (x) and (y), the aggregate Net Cash Proceeds received by the Company at the time of such conversion or exchange (excluding the Net Cash Proceeds from the issuance of the Company's Qualified Capital Stock financed, directly or indirectly, using funds borrowed from the Company or any Subsidiary until and to the extent such borrowing is repaid); *plus*

(iv) (x) in the case of the disposition or repayment of any Investment constituting a Restricted Payment made after the Original Issue Date, an amount (to the extent not included in Consolidated Net Income) equal to the lesser of the return of capital with respect to such Investment and the initial amount of such Investment, in either case, less the cost of the disposition of such Investment and net of taxes and (y) in the case of the designation of an Unrestricted Subsidiary as a Restricted Subsidiary (as long as the designation of such Subsidiary as an Unrestricted Subsidiary was deemed a Restricted Payment), the Fair Market Value of the Company's interest in such Subsidiary; *provided* that such amount will not in any case exceed the amount of the Restricted Payment deemed made at the time that the Subsidiary was designated as an Unrestricted Subsidiary. The designation of Eletson Gas LLC and its Subsidiaries as Unrestricted Subsidiaries effective as of the Closing Date as described in the Offer to Exchange shall not constitute a Restricted Payment hereunder.

The foregoing sum shall not include any amounts in respect of contributions to the Company or its Restricted Subsidiaries or any sales of equity interests in the Company or its Restricted Subsidiaries if such amounts were used to cure any failure to comply with the Section 4.31 or Section 4.34 ("Cure Amounts").

(c) Notwithstanding Section 4.07(a) and (b) above, the Company and any Restricted Subsidiary may take the following actions so long as (with respect to clauses (3) through (11) below) no Default or Event of Default has occurred and is continuing:

- (1) [reserved];
- (2) cash payments in lieu of issuing fractional shares pursuant to the exchange or conversion of any exchangeable or convertible securities;
- (3) [reserved];
- (4) the repurchase, redemption or other acquisition or retirement for value of any shares of the Company's Capital Stock or options, warrants or other rights to

acquire such Capital Stock in exchange for (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares or scrip), or out of the Net Cash Proceeds of a substantially concurrent issuance and sale (other than to a Subsidiary) of, shares of the Company's Qualified Capital Stock or options, warrants or other rights to acquire such Capital Stock, in each case, other than Cure Amounts;

(5) the repurchase, redemption, defeasance or other acquisition or retirement for value or payment of principal of any Subordinated Debt in exchange for, or out of the Net Cash Proceeds of a substantially concurrent issuance and sale (other than to a Subsidiary) of, shares of the Company's Qualified Capital Stock, other than Cure Amounts;

(6) the purchase, redemption, defeasance or other acquisition or retirement for value of Subordinated Debt (other than Redeemable Capital Stock) in exchange for, or out of the Net Cash Proceeds of a substantially concurrent Incurrence (other than to a Subsidiary) of, Permitted Refinancing Debt;

(7) the declaration or payment of any dividend to all holders of Capital Stock of a Restricted Subsidiary on a *pro rata* basis or on a basis that results in the receipt by the Company or a Restricted Subsidiary of dividends or distributions of greater value than the Company or such Restricted Subsidiary would receive on a *pro rata* basis;

(8) the repurchase of Capital Stock deemed to occur upon the exercise of stock options with respect to which payment of the cash exercise price has been forgiven if the cumulative aggregate value of such deemed repurchases does not exceed the cumulative aggregate amount of the exercise price of such options received;

(9) [reserved];

(10) the payment by the Company of any dividends, fees, indemnities, compensation or bonuses or similar payments in an amount not to exceed the amount set forth in Section 4.12(b)(1); and

(11) any other Restricted Payment (other than a Restricted Payment described in clause (1), (2) or (3) of the definition thereof) by the Company or a Restricted Subsidiary (other than an Eletson MI Party); *provided* that the total aggregate amount of Restricted Payments made under this clause (11) does not exceed \$15.0 million; *provided, further*, that not more than \$5.0 million of Restricted Payments may be made in any twelve-month period in reliance on this clause (11).

(d) Notwithstanding the foregoing, (i) the Issuers and the Restricted Subsidiaries shall not, directly or indirectly (and shall cause their Subsidiaries not to, directly or indirectly), use Investments permitted by this covenant to make Restricted Payments of the type described in clause (1), (2) or (3) of the definition thereof, and (ii) no Eletson MI Party may make Restricted Payments to or Investments in, a Person that is not an Eletson MI Party, other than payments permitted to be made out of the Collection Account, as described under Section 4.31.

Section 4.08 Limitation on Dividends and Other Payment Restrictions Affecting Restricted Subsidiaries.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction of any kind on the ability of any Restricted Subsidiary to:

(1) pay dividends, in cash or otherwise, or make any other distributions on or in respect of its Capital Stock or any other interest or participation in, or measured by, its profits;

(2) pay any Debt owed to the Company or any other Restricted Subsidiary;

(3) make loans or advances to the Company or any other Restricted Subsidiary; or

(4) sell, lease or transfer any of its properties or assets to the Company or any other Restricted Subsidiary.

(1) encumbrances and restrictions imposed by the Notes, this Indenture and the Guarantees;

(2) encumbrances or restrictions imposed by Debt permitted to be Incurred under Section 4.09; *provided that*, such encumbrances or restrictions are not materially more restrictive taken as a whole to Holders than is customary in comparable financings (as determined in good faith by the Company) and the Company determines that at the time of the Incurrence of such Debt that such encumbrances or restrictions will not adversely affect, in any material respect, the Company's ability to make principal or interest payments on the Notes;

(3) encumbrances or restrictions contained in any agreement in effect on the Closing Date (other than an agreement described in another clause of this paragraph (b));

(4) with respect to restrictions or encumbrances referred to Section 4.08(a)(4), encumbrances and restrictions: (i) that restrict in a customary manner the subletting, assignment or transfer of any properties or assets that are subject to a lease, license, conveyance or other similar agreement to which the Company or any Restricted Subsidiary is a party; and (ii) contained in operating leases for real property and restricting only the transfer of such real property upon the occurrence and during the continuance of a default in the payment of rent;

(5) encumbrances or restrictions contained in any agreement or other instrument of a Person acquired by the Company or any Restricted Subsidiary in effect at the time of such acquisition (but not created in contemplation thereof), which

encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

(6) encumbrances or restrictions contained in contracts for sales of Capital Stock or assets permitted by Section 4.10 or 4.11 with respect to the assets or Capital Stock to be sold pursuant to such contract or in customary merger or acquisition agreements (or any option to enter into such contract) for the purchase or acquisition of Capital Stock or assets or any of the Company's Subsidiaries by another Person;

(8) encumbrances or restrictions on cash or other deposits or net worth imposed by customers under contracts entered into the ordinary course of business;

(9) customary limitations on the distribution or disposition of assets or property of a Restricted Subsidiary in joint venture agreements entered into the ordinary course of business and in good faith; *provided* that such encumbrance or restriction is applicable only to such Restricted Subsidiary and, *provided further*, that:

(i) the encumbrance or restriction is not materially more disadvantageous to the Holders than is customary in comparable agreements (as determined in good faith by the Company); and

(ii) the Company determines in good faith that any such encumbrance or restriction will not materially affect the ability of the Company or any Guarantor to make any principal or interest payments on the Notes;

(10) in the case of Section 4.08(a)(4), customary encumbrances or restrictions in connection with purchase money obligations, mortgage financings and Capitalized Lease Obligations for property acquired in the ordinary course of business;

(11) any encumbrance or restriction arising by reason of customary non-assignment provisions in agreements;

(12) any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, extensions, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1), (3) and (5) and this clause (12) of Section 4.08(b); *provided* that such amendments, modifications, restatements, renewals, extension, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company's Board of Directors, no more restrictive (taken as a whole) with respect to such encumbrances or restrictions than those contained in the encumbrances or restrictions prior to such amendment, modification, restatement, renewal, extension, increase, supplement, refunding, replacement or refinancing;

(13) restrictions contained in security agreements or mortgages securing Debt of a Restricted Subsidiary to the extent such restrictions restrict the transfer of the property subject to such security agreements or mortgages; or

(14) customary provisions restricting the transfer of copyrighted or patented materials consistent with industry practice.

Section 4.09 Limitation on Debt.

(a) The Company will not, and will not permit any Restricted Subsidiary to, create, issue, incur, assume, guarantee or in any manner become directly or indirectly liable with respect to or otherwise become responsible for, contingently or otherwise, the payment of (individually and collectively, to “Incur” or, as appropriate, an “Incurrence”), any Debt (including any Acquired Debt); *provided* that the Company and any Restricted Subsidiary will be permitted to Incur Debt (including Acquired Debt) if:

(1) after giving effect to the Incurrence of such Debt and the application of the proceeds thereof, on a *pro forma* basis, no Default or Event of Default would occur or be continuing; and

(2) at the time of such Incurrence and after giving effect to the Incurrence of such Debt and the application of the proceeds thereof, on a *pro forma* basis, the Consolidated Fixed Charge Coverage Ratio for the four full fiscal quarters for which financial statements are available immediately preceding the Incurrence of such Debt, taken as one period, would be greater than 2.0 to 1.0;

and *provided further* that, Restricted Subsidiaries that are not Guarantors may not incur Debt (including any Acquired Debt) except for an amount not to exceed \$25.0 million at any one time outstanding that may be incurred by Restricted Subsidiaries that are not Guarantors or Eletson MI Parties; *provided further* that, notwithstanding the foregoing proviso, Eletson Finance may incur Debt in connection with serving as a co-obligor, co-issuer or guarantor of Debt incurred by the Company or any Restricted Subsidiary that is otherwise permitted by this Section 4.09(a).

(b) Section 4.09(a) will not, however, prohibit the following (collectively, “Permitted Debt”):

(1) the Incurrence by the Company or any Restricted Subsidiary (other than an Eletson MI Party) of Debt under Credit Facilities in an aggregate principal amount at any one time outstanding not to exceed \$175.0 million less (without duplication) the aggregate amount of all Net Cash Proceeds of Asset Sales applied by the Company or any Restricted Subsidiary since the date of this Indenture to repay any term Debt under a Credit Facility or to repay any revolving credit Debt under a Credit Facility and effect a corresponding commitment reduction thereunder pursuant to the covenant described above under Sections 4.10 and 4.11;

(2) the Incurrence by the Issuers of Debt pursuant to (i) the Notes issued on the Closing Date, (ii) PIK Notes issued in respect thereof (and PIK Notes

(3) any Debt of the Company or any Restricted Subsidiary (other than Debt described in another clause of Section 4.09(b)) outstanding on the Closing Date;

(4) the Incurrence by the Company or any Restricted Subsidiary of intercompany Debt between the Company and any Restricted Subsidiary or between or among Restricted Subsidiaries; *provided* that:

(i) if the obligor of such Debt is the Company or a Guarantor, such Debt is (x) unsecured and (y) it is expressly subordinated in right of payment to the prior payment in full in cash (whether upon Stated Maturity, acceleration or otherwise) and the performance in full of its obligations under the Notes or its Guarantee, as the case may be;

(ii) (x) any disposition, pledge or transfer of any such Debt to any Person (other than a disposition, pledge or transfer to the Company or a Restricted Subsidiary) and (y) any transaction pursuant to which any Restricted Subsidiary that has Debt owing to the Company or another Restricted Subsidiary ceases to be a Restricted Subsidiary, will, in each case, be deemed to be an Incurrence of such Debt not permitted by this clause (4); and

(iii) no Debt may be incurred by any Person (other than an Eletson MI Party) pursuant to this clause (4) that is owed to the Company, Eletson Finance or any Restricted Subsidiary that is not a Guarantor.

(5) the Incurrence by the Company or any Restricted Subsidiary of Debt arising under any appeal and reimbursement obligation entered into in respect of any judgment not constituting an Event of Default;

(6) the Incurrence by the Company or any Restricted Subsidiary (other than an Eletson MI Party) of Debt represented by Capitalized Lease Obligations, mortgage financings, purchase money obligations or other Debt Incurred or assumed in connection with the acquisition or development of real or personal, movable or immovable, property or assets, in each case, Incurred for the purpose of financing all or any part of the purchase price, lease expense or cost of construction or improvement of property, plant or equipment used in the business of the Company or any such Restricted Subsidiary (including any reasonable related fees or expenses Incurred in connection with such acquisition or development) (and any Permitted Refinancing Debt with respect to such assets); *provided* that the principal amount of such Debt so Incurred at any time outstanding shall not in the aggregate exceed \$102.0 million;

(7) the Incurrence by the Company or any Restricted Subsidiary of Debt arising from agreements providing for guarantees, indemnities or obligations in respect of purchase price adjustments in connection with the acquisition or disposition of assets, including, without limitation, shares of Capital Stock, other than guarantees or similar credit support given by the Company or any Restricted Subsidiary of Debt

Incurred by any Person acquiring all or any portion of such assets for the purpose of financing such acquisition; *provided* that the maximum aggregate liability in respect of all such Debt permitted pursuant to this clause (g) will at no time exceed the net proceeds, including non-cash proceeds (the Fair Market Value of such non-cash proceeds being measured at the time received and without giving effect to any subsequent changes in value), actually received from the sale of such assets;

(8) the Incurrence by the Company or any Restricted Subsidiary of Debt under Hedging Agreements entered into in the ordinary course of business and not for speculative purposes;

(9) the Incurrence by the Company or any Restricted Subsidiary of Debt in respect of workers' compensation and claims arising under similar legislation, or pursuant to self-insurance obligations and not in connection with the borrowing of money or the obtaining of advances or credit;

(10) the Incurrence by the Company or any Restricted Subsidiary of Debt arising from (i) the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business; *provided* that such Debt is extinguished within 5 Business Days of Incurrence, (ii) bankers' acceptances, performance, surety, judgment, appeal or similar bonds, instruments or obligations and (iii) completion guarantees provided or letters of credit obtained by the Company or any Restricted Subsidiary in the ordinary course of business;

(11) the Incurrence by the Company or any Restricted Subsidiary of Permitted Refinancing Debt in exchange for or the net proceeds of which are used to refund, replace or refinance Debt Incurred by it pursuant to, or described in, Section 4.09(a) or clauses (2), (3) or (11) of this Section 4.09(b), as the case may be;

(12) customer deposits and advance payments received in the ordinary course of business from customers for goods purchased in the ordinary course of business;

(13) the Incurrence by the Company or any Restricted Subsidiary of Debt under Fuel Hedging Agreements entered into in the ordinary course of business and not for speculative purposes in order to hedge anticipated commodity price fluctuations;

(14) the Incurrence by the Company or any Restricted Subsidiary (other than an Eletson MI Party) of Debt to finance the replacement (through construction or acquisition) of one or more Vessels, and any assets that shall become Related Assets (and any Permitted Refinancing Debt with respect to such Vessels or assets), upon a total loss, destruction, condemnation, confiscation, requisition, seizure, forfeiture or other taking of title to or use of such Vessel (*provided* that such loss, destruction, condemnation, confiscation, requisition, seizure, forfeiture or other taking of title to or use of such Vessel was covered by insurance or resulted in the actual payment of compensation, indemnification or similar payments to such Person (collectively, a "Total Loss")) in an

aggregate amount no greater than the Ready for Sea Cost for such replacement Vessel, in each case less all compensation, damages and other payments (including insurance proceeds other than in respect of business interruption insurance) actually received by the Company or any Restricted Subsidiary (other than an Eletson MI Party) from any Person in connection with the Total Loss in excess of amounts actually used to repay Debt secured by the Vessel subject to the Total Loss; and

(15) the Incurrence by the Company or any Restricted Subsidiary of Debt (other than Debt for borrowed money) in relation to (i) regular maintenance required to maintain the classification of any of the Vessels owned, leased, time chartered or bareboat chartered to or by the Company or such Restricted Subsidiary (as the case may be); (ii) scheduled drydocking of any of the Vessels owned or leased by the Company or such Restricted Subsidiary for normal maintenance purposes; and (iii) any expenditures which will or may reasonably be expected to be recoverable from insurance on such Vessels (*provided, however*, that Debt Incurred in connection with such expenditures shall be repaid upon, and to the extent of, any recovery from such insurance).

(c) For purposes of determining compliance with Section 4.09, in the event that an item of Debt meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (15) of Section 4.09(b), or is entitled to be Incurred pursuant to Section 4.09(a), the Company will be permitted to classify such item of Debt on the date of its Incurrence in any manner that complies with Section 4.09. Notwithstanding the next succeeding sentence, (A) Debt under Credit Facilities (including, without limitation, the Existing Credit Facilities) outstanding on the Closing Date and Debt under the CSIC Charters outstanding on the Closing Date will initially be deemed to have been Incurred on such date in reliance on the exception provided by Section 4.09(b)(1) and may not be later reclassified, and (B) Debt with respect to the BoComm Vessels (including under the BoComm Agreements) and the Cosco Vessels (including under the Cosco Agreements) shall be deemed to have been incurred pursuant to clause (6) of Section 4.09(b) and may not be later reclassified. In addition, any item of Debt initially classified as Incurred pursuant to one of the categories of Permitted Debt described in clauses (2) through (15) of Section 4.09(b), or is entitled to be Incurred pursuant to Section 4.09(a), may later be reclassified by the Company such that it will be deemed as having been Incurred pursuant to such new clause or Section 4.09(a) to the extent that such reclassified Debt could be Incurred pursuant to such new clause or Section 4.09(a) at the time of such reclassification. Notwithstanding the foregoing, no Debt of Persons other than Eletson MI Parties may be reclassified as Debt of any of the Eletson MI Parties.

(d) For purposes of determining compliance with any restriction on the Incurrence of Debt in U.S. dollars where Debt is denominated in a different currency, the amount of such Debt will be the U.S. dollar Equivalent determined on the date of such determination; *provided* that if any such Debt denominated in a different currency is subject to a Currency Agreement (with respect to U.S. dollars) covering principal amounts payable on such Debt, the amount of such Debt expressed in U.S. dollars will be adjusted to take into account the effect of such agreement. The principal amount of any Permitted Refinancing Debt Incurred in the same currency as the Debt being refinanced will be the U.S. dollar Equivalent of the Debt being refinanced determined on the date such Debt being refinanced was initially Incurred.

Notwithstanding any other provision of this Section 4.09, for purposes of determining compliance with this Section 4.09, increases in Debt solely due to fluctuations in the exchange rates of currencies will not be deemed to exceed the maximum amount that the Company or a Guarantor may Incur under this Section 4.09.

(e) For purposes of determining any particular amount of Debt under this Section 4.09:

(1) obligations in the form of letters of credit, guarantees or Liens, in each case supporting Debt otherwise included in the determination of such particular amount, will not be treated as Debt for purposes of this covenant to the extent issued or granted (as the case may be) by the Company or a Restricted Subsidiary;

(2) any Liens granted pursuant to the equal and ratable provisions referred to in Section 4.13 will not be treated as Debt for purposes of this covenant (provided that any Debt secured by such Lien shall be treated as Debt); and

(3) accrual of interest, accrual of dividends, the accretion or amortization of original issue discount or of accreted value, the obligation to pay commitment fees and the payment of interest or dividends in the form of additional Debt; *provided*, in each such case, that the amount of any such accrual, accretion or payment is included in the Consolidated Net Interest Expense as accrued, will not, in any case, be treated as Debt for purposes of this covenant.

(f) The Company represents and warrants and agrees that, as of the Closing Date, the Company and its Restricted Subsidiaries have no instruments governing outstanding Debt with an aggregate principal amount exceeding \$500,000, other than (i) the Notes issued on the Closing Date, (ii) any Existing Notes that have not been exchanged for Notes in the Exchange Offer, (iii) Debt under the Existing Credit Facilities, (iv) Debt incurred pursuant to the BoComm Agreements and (v) Debt incurred pursuant to the Cosco Agreements.

#### Section 4.10 Asset Sales Not Involving Collateral.

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale involving assets other than Collateral unless:

(1) other than for an asset disposition connected with a Total Loss or foreclosure, the consideration the Company or such Restricted Subsidiary receives for such Asset Sale is not less than the Fair Market Value of the assets sold (in the case of any Asset Sale having a Fair Market Value greater than \$2.0 million, as evidenced by a resolution of the Company's Board of Directors) (for the avoidance of doubt, Fair Market Value may be determined at the time a contract is entered into for such Asset Sale);

(2) at least 75% of the consideration the Company or such Restricted Subsidiary receives in respect of such Asset Sale consists of:

(i) cash (including any Net Cash Proceeds received from the conversion within 60 days of such Asset Sale of securities, notes or other obligations received in consideration of such Asset Sale);

(ii) Cash Equivalents;

(iii) the assumption by the purchaser of (x) the secured Debt of the Company or a Guarantor or, to the extent the asset was not owned by the Company or a Guarantor, Debt of a Restricted Subsidiary (in each case other than Debt that is subordinated in right of payment to the Notes or Guarantees) as a result of which neither the Company, the Guarantor nor any Restricted Subsidiary (as the case may be) remains obliged in respect of such Debt or (y) Debt of a Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, if the Company and each other Restricted Subsidiary is released from any guarantee of such Debt as a result of such Asset Sale;

(iv) Replacement Assets; or

(v) a combination of the consideration specified in clauses (i) through (iv); and

(3) the Company delivers an Officers' Certificate to the Trustee certifying and an Opinion of Counsel stating that such Asset Sale complies with the provisions described in the foregoing clauses (1) and (2).

(b) If the Company or any Restricted Subsidiary consummates an Asset Sale involving assets other than Collateral, the Net Cash Proceeds of the Asset Sale, within 365 days of the consummation of such Asset Sale, may be used by the Company or such Restricted Subsidiary to:

(1) permanently repay or prepay any then outstanding secured Debt of the Company or any Guarantor or, to the extent the asset was not owned by the Company or a Guarantor, any then outstanding Debt of a Restricted Subsidiary that is not a Guarantor (and to permanently reduce the corresponding commitment by an equal amount if such secured Debt is a revolving credit borrowing) owing to a Person other than the Company or a Restricted Subsidiary, as applicable;

(2) invest in or acquire any Replacement Assets (it being understood and agreed that the use of all or any portion of such Net Cash Proceeds towards deposits or progress payments in respect of the construction of a newbuilding vessel to be acquired by the Company or a Restricted Subsidiary that is a Replacement Asset shall also be permitted under this clause (2));

(3) make a capital expenditure; or

(4) any combination of the foregoing.

The amount of such Net Cash Proceeds not so used as set forth in Section 4.10(b) constitutes “Excess Proceeds.”

(c) Pending the final application of any such Net Cash Proceeds, the Issuers may temporarily reduce revolving credit borrowings or otherwise invest such Net Cash Proceeds in any manner that is not prohibited by the terms of this Indenture.

(d) (A) binding contract to apply Net Cash Proceeds in accordance with Section 4.10(b)(2) or Section 4.10(b)(3) above (or a combination thereof) will toll the 365-day period in respect of such Net Cash Proceeds or (B) determination by the Company to potentially apply all or a portion of such Net Cash Proceeds towards the exercise of an outstanding Vessel Purchase Option Contract or a Vessel Construction Contract will toll the 365-day period in respect of such Net Cash Proceeds, in each case, for a period not to exceed 365 days from the expiration of the aforementioned 365-day period, *provided* that such binding contract and such determination, in each case, shall be treated as a permitted application of Net Cash Proceeds from the date of such binding contract until and only until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) (i) in the case of any Vessel Construction Contract or any Exercised Vessel Purchase Option Contract (including any outstanding Vessel Purchase Option Contract exercised during the 365 day period referenced in clause (B) above), the date of expiration or termination of such Vessel Construction Contract or Exercised Vessel Purchase Option Contract and (ii) otherwise, the 365th day following the expiration of the aforementioned 365-day period (clause (i) or clause (ii) as applicable, the “Reinvestment Termination Date”). If such acquisition or expenditure is not consummated on or before the Reinvestment Termination Date and the Company (or the applicable Restricted Subsidiary, as the case may be) shall not have applied such Net Cash Proceeds pursuant to clauses (2)(a) through (d) above on or before the Reinvestment Termination Date, such binding contract shall be deemed not to have been a permitted application of the Net Cash Proceeds and such Net Cash Proceeds shall constitute Excess Proceeds.

(e) When the aggregate amount of Excess Proceeds exceeds \$15.0 million, the Issuers will, within 15 Business Days, make an offer to purchase (an “Excess Proceeds Offer”) from all Holders and from the holders of any Pari Passu Debt, to the extent required by the terms thereof, on a *pro rata* basis, in accordance with the procedures set forth in this Indenture or the agreements governing any such Pari Passu Debt, the maximum principal amount (expressed as a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has occurred, expressed as an integral multiple of \$1.00) of the Notes and any such Pari Passu Debt that may be purchased with the amount of the Excess Proceeds. The offer price as to each Note and any such Pari Passu Debt will be payable in cash in an amount equal to (solely in the case of the Notes) 100% of the principal amount of such Note and (solely in the case of Pari Passu Debt) no greater than 100% of the principal amount (or accreted value, subject to the rights of Holders on the relevant record date to receive interest on the relevant payment date, as applicable) of such Pari Passu Debt, plus, in each case, accrued and unpaid interest, if any, to the date of purchase.

To the extent that the aggregate principal amount of Notes and any such Pari Passu Debt tendered pursuant to an Excess Proceeds Offer is less than the aggregate amount of Excess Proceeds, the Issuers may use the amount of such Excess Proceeds not used to purchase Notes and Pari Passu Debt for general corporate purposes that are not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and any such Pari Passu Debt validly tendered and not withdrawn by holders thereof exceeds the aggregate amount of Excess Proceeds, the Notes and any such Pari Passu Debt to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes and the principal amount or accreted value of such Pari Passu Debt tendered by each holder) to the extent permitted by such Pari Passu Debt. Upon completion of each such Excess Proceeds Offer, the amount of Excess Proceeds will be reset to zero.

(f) If the Issuers are obliged to make an Excess Proceeds Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, in an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Excess Proceeds Offer is given to such holders, or such later date as may be required under the Exchange Act. Pending the final application of any net proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the net proceeds in any manner that is not prohibited by the Indenture.

(g) If the Issuers are required to make an Excess Proceeds Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.10, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.10 by virtue thereof.

#### Section 4.11 Asset Sales Involving Collateral.

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale involving Collateral unless:

(1) the consideration the Company or such Restricted Subsidiary receives for such Asset Sale is not less than the Fair Market Value of the assets sold (in the case of any Asset Sale having a Fair Market Value greater than \$2.0 million, as evidenced by a resolution of the Company's Board of Directors) (for the avoidance of doubt, Fair Market Value may be determined at the time a contract is entered into for such Asset Sale);

(2) such Asset Sale is either of (i) the Company's or the relevant Restricted Subsidiary's entire interest in the applicable Mortgaged Vessel (the "Sold Mortgaged Vessel") together with the applicable Charters, freights and hires, insurance and related agreements (collectively, the "Related Agreements"); *provided* that the Company or a Guarantor may elect to sell only the Sold Mortgaged Vessel and retain all or any portion of the Related Agreements, *provided* that if any such Related Agreements

are transferred to a Subsidiary that is not a Guarantor, then the Company or such Guarantor shall receive either (x) Qualified Collateral having a Fair Market Value that is not less than the Fair Market Value of such Related Agreements or (y) cash in an amount equal to the Fair Market Value of such Related Agreement which it shall immediately deliver to the Trustee, which amounts shall constitute Trust Monies hereunder or (ii) all the Capital Stock of the Restricted Subsidiary that owns such Mortgaged Vessel and Related Assets or all of the Capital Stock of any parent or indirect parent of such Restricted Subsidiary;

(3) the consideration received in the Asset Sale by the Company or such Restricted Subsidiary consists entirely of either (x) cash or Cash Equivalents or (y) Qualified Collateral having a Fair Market Value that is not less than the Fair Market Value of the Collateral that is the subject of such Asset Sale;

(4) no Default or Event of Default shall have occurred and be continuing;

(5) such Asset Sale is made in compliance with the provisions described under Section 10.03 and Section 12.02 below; and

(6) the Company delivers an Officers' Certificate to the Trustee certifying and an Opinion of Counsel stating that such Asset Sale complies with the provisions described in the foregoing clauses (1) and (5).

(b) If the Company or any Restricted Subsidiary consummates an Asset Sale involving Collateral, the Net Cash Proceeds of the Asset Sale, within 365 days of the consummation of such Asset Sale, may be used by the Company or such Restricted Subsidiary, together with the unused Net Cash Proceeds of any other Asset Sale(s) and any unused Excess Loss Proceeds, (*provided* that no Default or Event of Default shall have occurred and be continuing) to substitute one or more Qualified Vessels (and to make any Permitted Repairs with respect thereto) for such Sold Mortgaged Vessel and the Sold Mortgaged Vessel(s) that were the subject of any such other Asset Sale(s) or the Lost Mortgaged Vessel(s) in respect of which such Excess Loss Proceeds were received and make such Qualified Vessel(s) subject to the Lien of this Indenture and the applicable Security Agreements in accordance with the provisions thereof described under Section 10.03, Section 12.02 and Section 4.25(a). The amount of such Net Cash Proceeds not so used as set forth in this paragraph (b) constitutes "Excess Collateral Proceeds."

(c) A (A) binding contract to apply Net Cash Proceeds in accordance with clause (2) above will toll the 365-day period in respect of such Net Cash Proceeds or (B) determination by the Company to potentially apply all or a portion of such Net Cash Proceeds towards the exercise of an outstanding Vessel Purchase Option Contract will toll the 365-day period in respect of such Net Cash Proceeds, in each case, for a period not to exceed 365 days from the expiration of the aforementioned 365-day period, *provided* that such binding contract and such determination, in each case, shall be treated as a permitted application of Net Cash Proceeds from the date of such binding contract until and only until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) (i) in the case of any Vessel Construction Contract or any Exercised Vessel Purchase Option Contract (including any

outstanding Vessel Purchase Option Contract exercised during the 365 day period referenced in clause (B) above), the date of expiration or termination of such Vessel Construction Contract or Exercised Vessel Purchase Option Contract and (ii) otherwise, the 365th day following the expiration of the aforementioned 365-day period (clause (i) or clause (ii) as applicable, the “Collateral Proceeds Reinvestment Termination Date”). If such acquisition or expenditure is not consummated on or before the Collateral Proceeds Reinvestment Termination Date and the Company (or the applicable Guarantor, as the case may be) shall not have applied such Net Cash Proceeds pursuant to clause (2) above on or before the Collateral Proceeds Reinvestment Termination Date, such binding contract shall be deemed not to have been a permitted application of the Net Cash Proceeds and such Net Cash Proceeds shall constitute Excess Collateral Proceeds.

(d) When the aggregate amount of Excess Collateral Proceeds exceeds \$15.0 million, the Issuers will, within 15 Business Days, make an offer to purchase (a “Collateral Sale Offer”) from all Holders, on a *pro rata* basis, in accordance with the procedures set forth in this Indenture, the maximum principal amount (expressed as a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, a minimum amount that is an integral multiple of \$1.00) of the Notes that may be purchased with the amount of the Excess Collateral Proceeds. The offer price as to each Note will be payable in cash in an amount equal to 100% of the principal amount of such Note, plus accrued and unpaid interest, if any, to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest on the relevant payment date.

To the extent that the aggregate principal amount of Notes tendered pursuant to a Collateral Sale Offer is less than the aggregate amount of Excess Collateral Proceeds, those Excess Collateral Proceeds shall be retained as Trust Monies. If the aggregate principal amount of Notes validly tendered and not withdrawn by Holders thereof exceeds the aggregate amount of Excess Collateral Proceeds, the Notes to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes tendered by each Holder) in accordance with the Depositary’s standard procedures. Upon completion of each such Collateral Sale Offer, the amount of Excess Collateral Proceeds will be reset to zero.

Whenever Net Cash Proceeds from any Asset Sale involving Collateral are received by the Issuers, such Net Cash Proceeds shall be retained by the Trustee as Trust Monies constituting Collateral subject to disposition as provided in this covenant or as provided under Section 10.03 and Section 12.02 provisions described above. At the written direction of the Issuers, such Net Cash Proceeds may be invested by the Trustee in Cash Equivalents in which the Trustee can maintain a perfected first-priority security interest.

(e) If the Issuers are obliged to make a Collateral Sale Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, in an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Collateral Sale Offer is given to such holders, or such later date as may be required under the Exchange Act.

(f) If the Issuers are required to make a Collateral Sale Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.11, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.11 by virtue thereof.

(g) To the extent an Asset Sale relates to a Mortgaged Vessel, (i) the Company and its Restricted Subsidiaries may not consummate such Asset Sale unless Holders representing a majority of the outstanding principal amount of Notes shall have consented to such Asset Sale; and (ii) the Company and its Restricted Subsidiaries may not apply the Net Cash Proceeds from such Asset Sale unless Holders representing a majority of the outstanding principal amount of Notes shall have consented to such application.

#### Section 4.12 Limitation on Transactions with Affiliates.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, make or amend, or suffer to exist any transaction or series of related transactions (including, without limitation, the payment, sale, purchase, exchange, lease or other disposal of assets or property or the rendering of any service), to, with, or for the benefit of, any Affiliate of the Company or any other Restricted Subsidiary, unless such transaction or series of transactions is entered into in good faith (and, in the case of such a transaction or series of transactions having a value greater than \$1.0 million, in writing) and:

(1) such transaction or series of transactions is on terms that, taken as a whole, are no less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could have been obtained in a comparable arm's-length transaction with third parties that are not Affiliates;

(2) with respect to any such transaction or series of related transactions involving aggregate payments or the transfer of assets or the provision of services, in each case having a value or consideration greater than \$5.0 million, the Company will deliver an Officers' Certificate to the Trustee certifying that such transaction or series of related transactions complies with clause (a) above;

(3) with respect to any such transaction or series of related transactions involving aggregate payments or the transfer of assets or the provision of services, in each case having a value or consideration greater than \$10.0 million, the Company will deliver a resolution of its Board of Directors (attached to an Officers' Certificate to the Trustee) resolving that such transaction complies with clause (a) above and that the fairness of such transaction has been approved by a majority of the Disinterested Members (or, in the event that there is only one Disinterested Member, by such Disinterested Member) of the Board of Directors; and

(4) with respect to any such transaction or series of related transactions involving aggregate payments or the transfer of assets or the provision of services, in

each case having a value or consideration greater than \$20.0 million, the Company will deliver to the Trustee a written opinion of an Independent Financial Advisor stating that the transaction or series of transactions is fair to the Company or such Restricted Subsidiary from a financial point of view.

(b) Notwithstanding the foregoing, the restrictions set forth in this description will not apply to:

(1) customary directors' fees, indemnities and similar arrangements (including the payment of directors' and officers' insurance premiums), consulting fees, employee compensation, employee and director bonuses, employment agreements and arrangements or employee benefit arrangements, including stock options or legal fees in an amount not to exceed \$5.0 million in any fiscal year;

(2) any Restricted Payment not prohibited by Section 4.07 other than a Restricted Payment made in accordance with clause Section 4.07(c)(10);

(3) loans and advances (or guarantees to third party loans, but not any forgiveness of such loans or advances) to directors, officers or employees of the Company or any Restricted Subsidiary made in the ordinary course of business and consistent with the Company's past practices or past practices of the relevant Restricted Subsidiary, as the case may be, in an amount outstanding not to exceed at any one time \$5.0 million;

(4) agreements and arrangements existing on the Closing Date and disclosed in the Offer to Exchange and any amendment, modification or supplement thereto; *provided* that any such amendment, modification or supplement to the terms thereof is not more disadvantageous to the Holders and to the Company and the Restricted Subsidiaries, as applicable, in any material respect than the original agreement or arrangement as in effect on the Closing Date and *provided, further*, that such amendment or modification is: (x) on a basis substantially similar to that which would be conducted in an arm's-length transaction with third parties who are not Affiliates; and (y) in the case of any transaction having a Fair Market Value of greater than \$5.0 million, approved by the Company's Board of Directors (including a majority of the Disinterested Members or, in the event that there is only one Disinterested Member, by such Disinterested Member);

(5) the issuance of Qualified Capital Stock pursuant to, or for the purpose of the funding of, employment arrangements, stock options and stock ownership plans, as long as the terms thereof are or have been previously approved by the Company's Board of Directors;

(6) the granting and performance of registration rights for the Company's securities;

(7) (a) transactions between or among the Company and the Restricted Subsidiaries (other than Eletson MI Parties) or between or among Restricted Subsidiaries

(other than Eletson MI Parties) or (b) transactions with Naftilos Shipyards S.A. in the ordinary course of business in an amount not to exceed \$1.0 million in any fiscal year;

(8) any issuance of Capital Stock (other than Redeemable Capital Stock) of the Company;

(9) the existence of, or the performance by the Company or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement (including any registration rights agreement or purchase agreement relating thereto) to which it is a party as at the Closing Date and any similar agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by the Company or any of its Restricted Subsidiaries of, obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Closing Date shall only be permitted by this clause (ix) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous to the Holders when taken as a whole; and

(10) (a) any transaction between or among the Eletson MI Parties or (b) any transaction between (x) any of the Company or its Restricted Subsidiaries that are not Eletson MI Parties and (y) any of the Eletson MI Parties, if such transaction or series of transactions is on terms that, taken as a whole, are no less favorable to the Eletson MI Parties than those that could have been obtained in a comparable arm's-length transaction with third parties that are not Affiliates.

#### Section 4.13 Limitation on Liens.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind (except for Permitted Liens) or assign or otherwise convey any right to receive any income, profits or proceeds on or with respect to any of the Company's or any Restricted Subsidiary's property or assets, including any shares or stock or Debt of any Restricted Subsidiary, whether owned at or acquired after the Closing Date, or any income, profits or proceeds therefrom unless:

(1) in the case of any Lien securing Subordinated Debt, the Issuers' obligations in respect of the Notes, the obligations of the Guarantors under the Guarantees and all other amounts due under this Indenture are directly secured by a Lien on such property, assets or proceeds that is senior in priority to the Lien securing the Subordinated Debt until such time as the Subordinated Debt is no longer secured by a Lien; and

(2) in the case of any other Lien, the Company's obligations in respect of the Notes, the obligations of the Guarantors under the Guarantees and all other amounts due under this Indenture are equally and ratably secured with the obligation or liability secured by such Lien.

(b) Notwithstanding the foregoing, the Issuers will not and will not permit any Guarantor to, create, incur, assume or suffer to exist any Lien (other than in favor of the Trustee for the benefit of the Holders) upon any of the Collateral other than Permitted Liens and, further,

the Company will not and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien on any Capital Stock or intercompany Debt issued by any Guarantor other than in favor of the Trustee for the benefit of the Holders.

(c) Any such Lien arising as a result of Section 4.13(a)(1) or Section 4.13(a)(2) will be automatically and unconditionally released and discharged concurrently with the unconditional release of the Lien which gave rise to such Lien (other than as a consequence of an enforcement action with respect to the assets subject to such Lien).

Section 4.14 Limitation on Business Activities of Eletson Finance.

Eletson Finance shall not hold any material assets, become liable for any material obligations, engage in any trade or business, or conduct any business activity, other than (i) the issuance of its Capital Stock to the Company or any Wholly Owned Restricted Subsidiary and (ii) the incurrence of Debt as a co-obligor, co-issuer or guarantor of Debt incurred by the other Issuers or any Restricted Subsidiary, including the Notes, that is permitted to be incurred by the Company or any Restricted Subsidiary under Section 4.09 and (iii) activities incidental to any of the foregoing. For so long as the Company or any successor obligor under the Notes is a Person that is not incorporated in the United States of America, any State of the United States or the District of Columbia there will be a co-issuer of the Notes that is a Wholly Owned Restricted Subsidiary of the Company and that is a limited liability company organized in the United States of America, any State of the United States or the District of Columbia.

Section 4.15 Corporate Existence.

Subject to Article 5, the Issuers shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) their corporate or limited liability company existence, as applicable, and the corporate, partnership, limited liability company or other existence of each Restricted Subsidiary of the Company, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuers and the Restricted Subsidiaries; and

(2) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Company determines in good faith that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.16 Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs at any time, then the Issuers will make an offer (a “Change of Control Offer”) to each Holder to repurchase such Holder’s Notes, in whole or in part, at a purchase price (the “Change of Control Purchase Price”) in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase (the

“Change of Control Purchase Date”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) Within 30 days following any Change of Control, the Issuers will:

(1) cause a notice of the Change of Control Offer to be published through the newswire service of Bloomberg, or if Bloomberg does not then operate, any similar agency; and

(2) send notice of the Change of Control Offer by first-class mail, with a copy to the Trustee, to each Holder, which notice will state:

(i) that a Change of Control has occurred and the date it occurred;

(ii) the circumstances and relevant facts regarding the transaction or transactions that constitute such Change of Control;

(iii) the Change of Control Purchase Price and the Change of Control Purchase Date, which will be a Business Day no earlier than 30 days nor later than 60 days after the date such notice is mailed, or such later date as is necessary to comply with any requirements under the Exchange Act and any other applicable securities laws or regulations;

(iv) that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Purchase Date unless the Change of Control Purchase Price is not paid on such date;

(v) that any Note or part thereof not tendered will continue to accrue interest;

(vi) that Holders whose Notes are being repurchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer), which unpurchased portion must be equal to a minimum denomination of \$1.00 in principal amount or integral multiples of \$1.00 in excess thereof; and

(vii) any other procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance.

The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.16, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under this Section 4.16 by virtue of such compliance.

(c) On the Change of Control Purchase Date, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes validly tendered and not properly withdrawn pursuant to the Change of Control Offer in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof; *provided* that if following repurchase of a portion of a Note, the remaining principal amount of such Note outstanding immediately after such repurchase would be less than \$1.00, then the portion of the Note so repurchased shall be reduced so that the remaining principal amount of such Note outstanding immediately after such repurchase is \$1.00;

(2) deposit by 10:00 a.m. New York City time with the Paying Agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes validly tendered and not properly withdrawn; and

(3) deliver or cause to be delivered to the Trustee the Notes accepted for payment together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

(d) The Trustee will promptly authenticate and deliver a new Note or Notes in a principal amount equal to any unpurchased portion of Notes surrendered, if any, to the Holder in global form or to each holder of certificated Notes; *provided* that each such new Note will be in a principal amount of \$1.00 or in integral multiples of \$1.00 in excess thereof, or if a PIK Payment has occurred, in a principal amount that is an integral multiple of \$1.00. The Issuers will publicly announce the results of a Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(e) The Issuers will not be required to make a Change of Control Offer following a Change of Control if (i) a third party has made, and not terminated, a tender offer for all of the Notes in the manner and at the times applicable to a Change of Control Offer, at a tender offer purchase price in cash equal to at least 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, and such third party purchases all of the Notes validly tendered and not withdrawn under such tender offer or (ii) irrevocable notice of redemption for all outstanding Notes has been given pursuant to this Indenture as described above under Section 3.07, unless and until there is a default in payment of the applicable redemption price.

(f) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of the Change of Control, conditional upon the Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

#### Section 4.17 Events of Loss.

(a) If an Event of Loss occurs at any time with respect to a Mortgaged Vessel (the Mortgaged Vessel suffering such Event of Loss being the "Lost Mortgaged Vessel"), the Company or the relevant Restricted Subsidiary shall deposit all Event of Loss Proceeds with respect to such Event of Loss with the Trustee as Trust Monies constituting Collateral subject to

disposition as provided in this covenant or as provided under the Section 10.03 and Section 12.02. Such amount is hereinafter called the “Loss Redemption Amount.” At the written direction of the Company, such Event of Loss Proceeds may be invested by the Trustee in Cash Equivalents in which the Trustee can maintain a perfected first-priority security interest.

(b) Within 365 days (subject to extension as provided in Section 4.17(c)) after the receipt of any Event of Loss Proceeds, the Company or the applicable Restricted Subsidiary shall apply such Event of Loss Proceeds, together with any other unused Event of Loss Proceeds and any unused Net Cash Proceeds of any Asset Sale, (*provided* that no Default or Event of Default shall have occurred and be continuing) to substitute one or more Qualified Vessels (and to make any Permitted Repairs with respect thereto) for such Lost Mortgaged Vessel or the Lost Mortgaged Vessel(s) in respect of which such other Event of Loss Proceeds were received or the Sold Mortgaged Vessel(s) in respect of which such Net Cash Proceeds were received and make such Qualified Vessel(s) subject to the Lien of this Indenture and the applicable Security Documents in accordance with the provisions thereof described under Section 10.03, Section 12.02 and Section 4.25(a) as Mortgaged Vessel.” The Company and its Restricted Subsidiaries may not apply any Event of Loss Proceeds or Net Cash Proceeds of an Asset Sale pursuant to this clause (b) unless Holders representing a majority of the outstanding principal amount of Notes shall have consented to such application. The amount of such Net Cash Proceeds not so used as set forth in this paragraph (b) constitutes “Excess Loss Proceeds.”

(c) When the aggregate amount of Excess Loss Proceeds exceeds \$15.0 million, the Issuers will, within 15 Business Days, make an offer to purchase (an “Event of Loss Offer”) from all Holders, on a *pro rata* basis, in accordance with the procedures set forth in this Indenture, the maximum principal amount (expressed as a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, expressed as an integral multiple of \$1.00) of the Notes that may be purchased with the amount of the Excess Loss Proceeds. The offer price as to each Note will be payable in cash in an amount equal to 100% of the principal amount of such Note, plus accrued and unpaid interest, if any, to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest on the relevant payment date.

To the extent that the aggregate principal amount of Notes tendered pursuant to an Event of Loss Offer is less than the aggregate amount of Excess Loss Proceeds, those Excess Loss Proceeds shall be retained as Trust Monies. If the aggregate principal amount of Notes validly tendered and not withdrawn by holders thereof exceeds the aggregate amount of Excess Loss Proceeds, the Notes to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes tendered by each holder). Upon completion of each such Event of Loss Offer, the amount of Excess Loss Proceeds will be reset to zero.

(d) If the Issuers are obliged to make an Event of Loss Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, in an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Event of Loss Offer is given to such holders, or such later date as may be required under the Exchange Act.

(e) Whenever Net Cash Proceeds from any Event of Loss are received by the Issuers, such Net Cash Proceeds shall be retained by the Trustee as Trust Monies constituting Collateral subject to disposition as provided in this covenant or as provided under Section 10.03 and Section 12.02 provisions described below. At the written direction of the Issuers, such Net Cash Proceeds may be invested by the Trustee in Cash Equivalents in which the Trustee can maintain a perfected first-priority security interest.

(f) If the Issuers are required to make an Event of Loss Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.17, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.17 by virtue thereof.

#### Section 4.18 Payments for Consent.

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders and is paid ratably to all Holders that consent, waive or agree to amend in the time frame set forth in any documents distributed relating to such consent, waiver or agreement.

#### Section 4.19 Existing Trust Monies Offer.

(a) On July 16, 2018, the Issuers shall commence an offer (the “Existing Trust Monies Offer”) to use the Existing Trust Monies (together with cash on hand to pay accrued and unpaid interest on Notes that are purchased) to purchase Notes having an outstanding aggregate principal amount equal to the Existing Trust Monies at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the purchase date. The Existing Trust Monies Offer shall remain open for not less than 20 Business Days and be otherwise made in accordance with the requirements of this Indenture and shall be consummated not later than the 30<sup>th</sup> Business Day after the Closing Date.

(b) The Existing Trust Monies Offer shall be made to Holders of the Notes on a *pro rata* basis, in accordance with the procedures set forth in this Indenture or the agreements governing any such Pari Passu Debt, the maximum principal amount (expressed as a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has occurred, expressed as an integral multiple of \$1.00) of the Notes and any such Pari Passu Debt that may be purchased with the amount of the Existing Trust Monies. The offer price as to each Note and any such Pari Passu Debt will be payable in cash in an amount equal to (solely in the case of the Notes) 100% of the principal amount of such Note and (solely in the case of Pari Passu Debt) no greater than 100% of the principal amount (or accreted value, subject to the rights of Holders on the relevant record date to receive interest on the relevant payment date, as applicable) of such Pari Passu Debt, plus, in each case, accrued and unpaid interest, if any, to the date of purchase.

To the extent that the aggregate principal amount of Notes and any such Pari Passu Debt tendered pursuant to an Existing Trust Monies Offer is less than the aggregate amount of Existing Trust Monies, the Issuers may use the amount of such Existing Trust Monies not used to purchase Notes and Pari Passu Debt for general corporate purposes that are not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and any such Pari Passu Debt validly tendered and not withdrawn by holders thereof exceeds the aggregate amount of Existing Trust Monies, the Notes and any such Pari Passu Debt to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes and the principal amount or accreted value of such Pari Passu Debt tendered by each holder) to the extent permitted by such Pari Passu Debt. Upon completion of each such Existing Trust Monies Offer, the amount of Existing Trust Monies will be reset to zero.

(c) The Existing Trustee shall liquidate any Existing Trust Monies then held by it not later than the third Business Day prior to the consummation of the Existing Trust Monies Offer and release such Existing Trust Monies to the Paying Agent for the Notes for payment to Holders on the applicable purchase date.

(d) The Issuers will grant the Trustee, for the benefit of the Holders and for the benefit of the Trustee, a first-priority security interest in the Existing Trust Monies and any accounts holding the Existing Trust Monies to secure the obligations under the Notes and this Indenture pending disbursement pursuant to the Existing Trust Monies Offer.

(e) To the extent the Existing Trustee is unable or unwilling to continue to hold the Existing Trust Monies pending the completion of the Existing Trust Monies Offer, the Existing Trust Monies shall be transferred at or as promptly as practicable after the Closing Date to the Trustee to be held in the Collection Account for application pursuant to this Section 4.19(e).

(f) Any Existing Trust Monies not applied to purchase Notes in the Existing Trust Monies Offer shall be pledged as Collateral and held by Eletson MI in the Collection Account pending future application in accordance with the terms of this Indenture.

(g) When the Issuers are obliged to make an Existing Trust Monies Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, in an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Existing Trust Monies Offer is given to such holders, or such later date as may be required under the Exchange Act.

(h) When the Issuers are required to make an Existing Trust Monies Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.19, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.19 by virtue thereof.

Section 4.20 Designation of Unrestricted and Restricted Subsidiaries.

(a) The Company's Board of Directors may designate any Subsidiary (including newly acquired or newly established Subsidiaries) to be an Unrestricted Subsidiary (other than Eletson Finance or any other Subsidiary that is at such time a co-issuer of the Notes) only if:

(1) no Default has occurred and is continuing at the time of or after giving effect to such designation;

(2) the Company would be permitted to make an Investment (other than a Permitted Investment) at the time of designation (assuming the effectiveness of such designation) pursuant to Section 4.07(a) in an amount equal to the greater of (i) the net book value of the Company's interest in such Subsidiary calculated in accordance with U.S. GAAP and (ii) the Fair Market Value of the Company's interest in such Subsidiary;

(3) the Company would be permitted under this Indenture to Incur at least \$1.00 of additional Debt pursuant to the ratio set forth in Section 4.09(a) at the time of such designation (assuming the effectiveness of such designation);

(4) neither the Company nor any Restricted Subsidiary has a contract, agreement, arrangement, understanding or obligation of any kind, whether written or oral, with such Subsidiary unless the terms of such contract, arrangement, understanding or obligation are no less favorable to the Company or such Restricted Subsidiary than those that might be obtained at the time from Persons who are not Affiliates of the Company or of any Restricted Subsidiary;

(5) such Subsidiary does not own any Capital Stock, Redeemable Capital Stock or Debt of, or own or hold any Lien on any property or assets of, or have any Investment in, the Company or any other Restricted Subsidiary;

(6) such Subsidiary is not liable, directly or indirectly, with respect to any Debt, Lien or other obligation that, if in default, would result (with the passage of time or giving of notice or otherwise) in a default on any of the Company's Debt or Debt of any Restricted Subsidiary;

(7) such Subsidiary, either alone or in the aggregate with all other Unrestricted Subsidiaries, does not operate, directly or indirectly, all or substantially all of the businesses of the Company and its Subsidiaries;

(8) such Subsidiary is a Person with respect to which neither the Company nor any Restricted Subsidiary has any direct or indirect obligation to:

(i) subscribe for additional Capital Stock of such Person; or

(ii) maintain or preserve such Person's financial condition or to cause such Person to achieve any specified levels of operating results;

(9) such Subsidiary is not a pledgor under the EMC Pledge Agreement or any Account Pledge Agreement; and

(10) Holders representing a majority of the outstanding principal amount of Notes shall have consented to such designation.

(b) In the event of any such designation, the Company will be deemed to have made an Investment constituting a Restricted Payment pursuant to Section 4.07 for all purposes of this Indenture in an amount equal to the greater of (i) the net book value of the Company's interest in such Subsidiary calculated in accordance with U.S. GAAP and (ii) the Fair Market Value of the Company's interest in such Subsidiary.

(c) Neither the Company nor any Restricted Subsidiary will at any time:

(1) provide a guarantee of, or similar credit support to, any Debt of any Unrestricted Subsidiary (including of any undertaking, agreement or instrument evidencing such Debt); *provided* that the Company may pledge Capital Stock or Debt of any Unrestricted Subsidiary on a non-recourse basis as long as the pledgee has no claim whatsoever against the Company other than to obtain such pledged property, except to the extent permitted under Section 4.07 and Section 4.12;

(2) be directly or indirectly liable for any Debt of any Unrestricted Subsidiary, except to the extent permitted under Section 4.07 and Section 4.12; or

(3) be directly or indirectly liable for any other Debt that provides that the holder thereof may (upon giving notice, the lapse of time or both) declare a default thereof (or cause the payment thereof to be accelerated or payable prior to its final scheduled maturity) upon the occurrence of a default with respect to any other Debt that is Debt of an Unrestricted Subsidiary (including any corresponding right to take enforcement action against such Unrestricted Subsidiary).

(d) The Company's Board of Directors may designate any Unrestricted Subsidiary as a Restricted Subsidiary:

(1) if no Default or Event of Default has occurred and is continuing at the time of, or will occur and be continuing after giving effect to, such designation; and

(2) unless such designated Unrestricted Subsidiary shall not have any Debt outstanding (other than Debt that would be Permitted Debt), immediately before and after giving effect to such proposed designation, and after giving *pro forma* effect to the Incurrence of any such Debt of such designated Unrestricted Subsidiary as if such Debt was Incurred on the date of its designation as a Restricted Subsidiary, the Company could Incur at least \$1.00 of additional Debt pursuant to the ratio set forth in Section 4.09(a).

(e) Any such designation as an Unrestricted Subsidiary or Restricted Subsidiary by the Company's Board of Directors will be evidenced to the Trustee by filing a resolution of the Company's Board of Directors with the Trustee giving effect to such

designation and an Officers' Certificate certifying that such designation complies with the foregoing conditions, and giving the effective date of such designation. Any such filing with the Trustee must occur within 45 days after the end of the Company's fiscal quarter in which such designation is made (or, in the case of a designation made during the last fiscal quarter of the Company's fiscal year, within 90 days after the end of such fiscal year).

Section 4.21 Limitations on Guarantees of Debt by Restricted Subsidiaries.

(a) The Company will not permit (i) any Restricted Subsidiary (other than Eletson Finance or any other Restricted Subsidiary that is at such time a co-issuer of the Notes) that is not a Guarantor, directly or indirectly, to guarantee, assume or in any other manner become liable for the payment of any Debt of the Company (other than the Notes) or any Guarantor (including, without limitation, by granting a Lien on any of its properties or assets) or (ii) Eletson MI to have, form, designate or acquire any Restricted Subsidiary, unless:

(1) (i) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to this Indenture providing for a Guarantee of payment of the Notes by such Restricted Subsidiary on the same terms as the guarantee of such other Debt and, if such Restricted Subsidiary owns a Vessel required to become a Mortgaged Vessel, execute one or more Ship Mortgages and the other Security Documents in favor of the Trustee pursuant to which each such Vessel shall become a Mortgaged Vessel for all purposes under this Indenture in each case as provided for under Section 4.25(a); and (ii) with respect to any guarantee of Subordinated Debt by such Restricted Subsidiary, any such guarantee shall be subordinated to such Restricted Subsidiary's Guarantee with respect to the Notes at least to the same extent as such Subordinated Debt is subordinated to the Notes; and

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee.

(b) Section 4.21(a) will not be applicable to any guarantee by any such Restricted Subsidiary (i) guaranteeing Debt existing on the Closing Date and disclosed in the Offer to Exchange; or (ii) that existed at the time such Person became a Restricted Subsidiary if the guarantee was not Incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

(c) Notwithstanding the foregoing, any Guarantee of the Notes created pursuant to the provisions described Section 4.21(a) may provide by its terms that it will be automatically and unconditionally released and discharged upon:

(1) (with respect to any Guarantee created after the Closing Date) the release by the holders of the Company's or the Guarantor's Debt described in Section 4.21(a), of their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Debt other than as a result of payment under such guarantee), at a time when:

(i) no other Debt of the Company or any Guarantor has been guaranteed by such Restricted Subsidiary; or

(ii) the holders of all such other Debt that is guaranteed by such Restricted Subsidiary also release their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Debt other than as a result of payment under such guarantee); or

(2) the release of the Guarantees on the terms and conditions and in the circumstances described under Section 11.05.

#### Section 4.22 Sanctions.

The Issuers will not, and will not permit any Guarantor to (i) cause itself or any of its Subsidiaries to be located, organized or resident in a country or territory that is the subject of comprehensive country-wide Sanctions if such activity would be a violation if undertaken by an Issuer, any Guarantor, the Trustee, a Holder or beneficial owner of the Notes or (ii) directly or indirectly, enter into any dealings or transactions, including, without limitation, a transaction with any Sanctioned Entity that at the time of the dealing or transaction is or was a Sanctioned Entity, that in any manner would reasonably be expected to result in the Trustee or any Holder or beneficiary owner of the Notes being in breach of any Sanctions or becoming a Sanctioned Entity.

#### Section 4.23 Limitation on Issuances and Sales of Capital Stock of Restricted Subsidiaries.

(a) The Company will not sell or otherwise dispose of, and will not permit any Restricted Subsidiary (other than as permitted under Section 4.13), directly or indirectly, to issue or sell, any shares of Capital Stock of a Restricted Subsidiary (including options, warrants or other rights to purchase shares of such Capital Stock).

(b) The foregoing clause (a), however, will not apply to:

(1) any issuance or sale of shares of Capital Stock of a Restricted Subsidiary to the Company or a Wholly Owned Restricted Subsidiary;

(2) any issuance or sale to directors of directors' qualifying shares or issuances or sales of shares of Capital Stock of a Restricted Subsidiary to be held by third parties, in each case to the extent required by applicable law;

(3) any issuance or sale of shares of Capital Stock of a Restricted Subsidiary made in compliance with Section 4.10 and Section 4.11, as applicable; *provided* the net proceeds of any such issuance or sale of shares of Capital Stock are applied in accordance with Section 4.10 and Section 4.11, as applicable;

(4) any issuance or sale of shares of Capital Stock of a Restricted Subsidiary if, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary and any remaining Investment in such Person would have been permitted to be made under Section 4.07 if made on the date of such issuance or sale; or

(5) Capital Stock issued by a Person prior to the time:

- (i) such Person becomes a Restricted Subsidiary;
- (ii) such Person consolidates or merges with or into a Restricted Subsidiary; or
- (iii) a Restricted Subsidiary consolidates or merges with or into such Person;

but only if such Capital Stock was not issued or Incurred by such Person in anticipation of it becoming a Restricted Subsidiary.

#### Section 4.24 Limitations on Layering Debt.

The Company will not, and will not permit Eletson MI, Eletson Finance or any Guarantor to, directly or indirectly, incur any Debt that is or purports to be by its terms (or by the terms of any agreement governing such Debt) subordinated in right of payment to any other Debt of the Company, Eletson MI, Eletson Finance or of such Guarantor, as the case may be, unless such Debt is also by its terms (or by the terms of any agreement governing such Debt) made expressly subordinate in right of payment to the Notes or the Guarantee of such Guarantor, to the same extent and in the same manner as such Debt is subordinated to such other Debt of the Company, Eletson MI, Eletson Finance or such Guarantor, as the case may be.

For purposes of the foregoing, no Debt will be deemed to be subordinated in right of payment to any other Debt of the Company, Eletson Finance or any Guarantor solely by virtue of being unsecured or secured by a Permitted Lien or by virtue of the fact that the holders of such Debt have entered into intercreditor agreements or other arrangements giving one or more of such holders priority over the other holders in the collateral held by them or other payments among them.

Section 4.25 Substitution of a Qualified Vessel or Qualified Collateral:  
Designation as Mortgaged Vessel.

(a) On the date on which a Vessel which is required to be designated as a “Mortgaged Vessel” is acquired by an Issuer or a Restricted Subsidiary (whether through the direct purchase of such Vessel or the equity interests of any person owning such Vessel) (such date, a “Vessel Tender Date”), if a Restricted Subsidiary of the Issuers is the owner of such Vessel (the “Tendered Vessel Owner”), it shall execute a Guarantee of the Notes and become a Guarantor under this Indenture and it (or an Issuer if such Issuer is the owner of such Vessel) shall deliver to the Trustee the documents and certificates required by this Indenture and the Security Documents, including, among other things: (i) a Ship Mortgage with respect to such Vessel dated the Vessel Tender Date (or as soon as practicable thereafter and in no event later than the 10th Business Day following the date on which the relevant Trust Monies were released to the Company or the applicable Guarantor) and substantially in the form attached as an exhibit to this Indenture or otherwise in a customary form for the relevant jurisdiction (such Ship Mortgage having been duly tendered for recording in the appropriate registry office); (ii) an Assignment of Freights and Hires and Assignment of Insurance with respect to such Vessel dated the Vessel Tender Date and substantially in the forms required by this Indenture; (iii) the certificate of an Independent Appraiser dated not more than 30 days prior to the Vessel Tender Date setting forth its determination of the Appraised Value of such Vessel as of the date of such certificate; (iv) a report of an insurance broker with respect to insurance policies maintained by the Tendered Vessel Owner with respect to such Vessel; (v) a current certificate from the American Bureau of Shipping, Det Norske Veritas or Lloyds Register of Shipping or other classification society of recognized international standing for such Vessel, which shall be free from any material recommendations; (vi) a certificate of ownership and encumbrances from the official registry of such Vessel; (vii) evidence to the effect that all Debt outstanding with respect to such Vessel has been repaid and that all security granted by, or covering assets or property of, such Issuer or any of the Restricted Subsidiaries with respect to such Debt shall have been released or that such Debt is permitted under Section 4.09; (viii) an Officers’ Certificate; and (ix) Opinions of Counsel reasonably acceptable to the Trustee with respect to the enforceability of the documents executed and delivered and the grant and perfection of security interests in such Vessel or Qualified Collateral and Related Assets and general customary corporate matters.

(b) The Issuers or any Guarantor may at its option, at any time and from time to time, substitute Qualified Collateral for a Mortgaged Vessel or Mortgaged Vessels (including without limitation in connection with any refinancing transaction); *provided* that (i) at the time of such substitution no Default or Event of Default shall have occurred and be continuing; (ii) such substitution shall comply with the provisions described under Section 4.25(a); and (iii) such substitution shall have been consented to by Holders of not less than a majority in aggregate principal amount of the Notes then outstanding.

Section 4.26 Change of Flag.

Neither the Issuers nor a Guarantor may transfer or change the flag of any of its Mortgaged Vessels other than to the flag of a Permitted Flag Jurisdiction and in connection therewith the Trustee shall release the existing Ship Mortgage and related Security Documents to which any Mortgaged Vessel is subject in connection with the transfer or change of the flag of

such Mortgaged Vessel to another Permitted Flag Jurisdiction if (i) the owner of the Mortgaged Vessel has executed (A) a new Ship Mortgage (granting the Trustee a first-priority security interest in such Mortgaged Vessel subject only to Permitted Liens) and (B) the related Security Documents with respect to such Mortgaged Vessel, dated the date such Mortgaged Vessel shall be released from the existing Ship Mortgage and related Security Documents to which it is subject, which Ship Mortgage and related Security Documents shall be in appropriate form for recording or registration in the appropriate governmental offices of the Permitted Flag Jurisdiction under which it is being reflagged and the appropriate governmental offices in the jurisdiction of incorporation and/or domicile of the applicable Issuer or Guarantor if required by applicable law in order to perfect the first-priority security interests therein created, as to which the Trustee will be entitled to rely on an Opinion of Counsel to the Company with respect thereto; and (ii) the Guarantor has made arrangements for recording the Ship Mortgage referred to in clause (i) above in the appropriate registry office of the Permitted Flag Jurisdiction under which the Mortgaged Vessel is being reflagged as soon as reasonably practicable and to make any other filing necessary to perfect the security therein.

Section 4.27 Additional Amounts.

(a) All payments made by either Issuer under or with respect to the Notes or by any Guarantor under or with respect to a Guarantee will be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, levies, imposts, assessments or governmental charges of whatever nature, and any interest, additions to tax, penalties and other liabilities with respect thereto (collectively, “Taxes”) imposed or levied by any jurisdiction (i) in which such Issuer or Guarantor is organized or resident for tax purposes or (ii) from or through which such payments are made or, in each case, any political subdivision or authority thereof or therein having the power to tax (each, a “Relevant Taxing Jurisdiction”) unless such Issuer or Guarantor (or a paying agent of such Issuer or Guarantor) is required to withhold or deduct such Taxes by law. In the event that an Issuer or any Guarantor or a paying agent of an Issuer or any Guarantor is required by law to withhold or deduct any amount for or on account of any Taxes imposed by a Relevant Taxing Jurisdiction in respect of any payment made by such Issuer or Guarantor or such paying agent under or with respect to the Notes or any Guarantee, the Issuers or such Guarantor, as the case may be, will pay such additional amounts (“Additional Amounts”) as may be necessary so that the net amount received by each Holder of the Notes after such withholding or deduction (including any withholding or deduction attributable to Additional Amounts) will be not less than the amount that such Holder would have received if such Taxes had not been required to be withheld or deducted.

(b) Notwithstanding the foregoing, neither Issuer nor any Guarantor will have any obligation to pay Additional Amounts under or with respect to any Note or any Guarantee in respect or on account of:

(1) any Taxes that are imposed or levied by a Relevant Taxing Jurisdiction by reason of the relevant Holder’s or any beneficial owner’s present or former connection with such Relevant Taxing Jurisdiction (including citizenship, nationality, residence, domicile, or existence of a business, a permanent establishment, a place of business or a place of management in the Relevant Taxing Jurisdiction), other than any connection arising solely from the acquisition or ownership of a Note, or the

receipt of any payment due under, or the enforcement of, the Notes or any Guarantee (“Other Connection Taxes”);

(2) any Taxes that are imposed or withheld by reason of the failure of the Holder or any beneficial owner of any Note, prior to the relevant date on which a payment under and with respect to the Notes is due and payable (the “Relevant Payment Date”) to comply with the Issuers’ written request addressed to the Holder at least 30 days prior to the Relevant Payment Date to provide accurate information with respect to any certification, identification, information or other reporting requirements concerning nationality, residence, identity or connection with the Relevant Taxing Jurisdiction which the Holder or such beneficial owner is legally required to satisfy, whether imposed by statute, treaty, regulation or administrative practice, in each such case by the Relevant Taxing Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Relevant Taxing Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction), but, in each case, only to the extent that the Holder or beneficial owner is legally eligible to provide such certification or other evidence or comply with any such reporting requirement;

(3) any estate, inheritance, gift, sales, transfer or similar Taxes;

(4) any Tax that is payable other than by deduction or withholding in respect of payments made by either Issuer or any Guarantor under or with respect to any Note or any Guarantee;

(5) any Tax which would not have been so imposed but for the presentation (where presentation is permitted or required in order to receive payment) by the Holder of a Note for payment on a date more than 30 days after the date on which such payment becomes due and payable or the date on which payment thereof is duly provided for, whichever occurs later, except to the extent that the Holder would have been entitled to such Additional Amounts on presenting the same for payment on any day (including the last day) within such 30-day period;

(6) any withholding or deduction in respect of any Taxes where such withholding or deduction is imposed in respect of a payment to a Holder or beneficial owner and is required to be made pursuant to the European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meetings of 26 and 27 November 2000 or any law implementing or complying with, or introduced in order to conform to, any such directive;

(7) any Tax that is imposed in respect of a Note presented for payment where such withholding or deduction could have been avoided by presenting a Note for a payment to, or otherwise requesting payment from, another Paying Agent in a Member State of the European Union; or

(8) any United States federal Tax imposed or required to be deducted or withheld under or as a result of (i) Sections 1471 through 1474 of the U.S. Internal

Revenue Code of 1986, as amended from time to time (the “Code”), and any regulations or other official interpretations thereof, (ii) any agreements entered into pursuant to Section 1471(b)(1) of the Code, (iii) any intergovernmental agreement entered into by the United States and any other jurisdiction in connection with the implementation of Sections 1471 through 1474 of the Code and any treaty, law, regulation or other official interpretation or guidance ratified, enacted or promulgated in any other jurisdiction with respect to any such intergovernmental agreement or otherwise in connection with the implementation of Sections 1471 through 1474 of the Code, and (iv) any agreements entered into with any governmental authority or other tax authority pursuant to any authority described in clause (iii).

In addition, Additional Amounts will not be payable with respect to any Taxes that are imposed in respect of any combination of the above items.

(c) The relevant Issuer or Guarantor will make or cause to be made any such withholding or deduction of Taxes required by law and will remit the full amount of Taxes so deducted or withheld to the relevant taxing authority in accordance with all applicable laws. The Issuers will, upon request, make available to the Trustee, within 30 days after the date on which the payment of any Taxes so deducted or withheld is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by the Issuers. Such copies shall be made available to the Holders upon request.

(d) At least 30 days prior to each date on which any payment under the Notes is due and payable, if the Issuers or a Guarantor will be obliged to pay Additional Amounts with respect to such payment (unless such obligation to pay Additional Amounts arises after the 30th day prior to the date on which payment under or with respect to the Notes is due and payable, in which case it will be promptly thereafter), the Issuers or such Guarantor will deliver to the Trustee an Officers’ Certificate stating that such Additional Amounts will be payable and the amounts so payable and setting forth such other information as is necessary to enable such Trustee or paying agent to pay such Additional Amounts to the Holders on the payment date.

(e) In addition, the Issuers or the Guarantors will pay any present or future stamp, issue, registration, transfer, documentation, court, excise or property Taxes or other similar Taxes (other than any Other Connection Taxes) that arise in any Relevant Taxing Jurisdiction from the execution, issuance, delivery, enforcement of, registration, redemption or retirement of, or receipt of payments by either Issuer or any Guarantor under or with respect to, the Notes, this Indenture or the Guarantees, and the Issuers agree to indemnify the Holders for any such Taxes paid by such Holders.

(f) The foregoing provisions will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any Surviving Entity or successor Person to an Issuer or a Guarantor is organized or resident for tax purposes or from or through which such successor makes any payment on the Notes or any Guarantee and, in each case, any political subdivision or taxing authority or agency thereof or therein.

Section 4.28 Further Assurances.

Each Issuer shall, and shall cause any Guarantor to, at its sole cost and expense:

(a) execute and deliver all such agreements and instruments and take all further action as the Trustee shall reasonably request (A) to more fully or accurately describe the property intended to be Collateral or the obligations intended to be secured by this Indenture and the Security Documents and (B) to continue and maintain the Trustee's perfected security interest in the Collateral; and

(b) file any such notice filings or other agreements or instruments as may be reasonably necessary or desirable under applicable law to perfect, continue and maintain the Liens created by this Indenture and the Security Documents.

Section 4.29 Certain Newbuilding Vessels.

(a) The Company shall use all commercially reasonable efforts to cause the BoComm Guarantee Subordination to occur by June 30, 2018. If the BoComm Guarantee Subordination has not occurred by June 30, 2018, holders of at least a majority in aggregate principal amount of the Notes may provide the Company with written notice, which notice may request that the Company monetize the charters with respect to one or both of the BoComm Vessels (the "Specified BoComm Vessels"). The Company shall, not later than the 105th day after receipt of such notice, cause a BoComm Charter Disposal to occur with respect to each Specified BoComm Vessel.

(b) With respect to each Cosco Vessel, not later than the earlier to occur of (x) the delivery date of such Cosco Vessel and (y) November 15, 2018 (or such later date as may be approved by the Holders of a majority in principal amount of the outstanding Notes), the Company shall cause a Cosco Charter Disposal to occur with respect to such Cosco Vessel.

(c) Not later than the fifth Business Day after the date the aggregate amount of Charter Disposal Proceeds exceeds \$2.5 million, the Issuers shall make an offer to purchase (a "Charter Disposal Proceeds Offer") from all Holders, in accordance with the procedures set forth in this Indenture such amount of the Notes, up to the Applicable PIK Notes Amount, that may be purchased with the aggregate Charter Disposal Proceeds. The offer price as to each Note will be payable in cash in an amount equal to 100% of the principal amount of such Note plus accrued and unpaid interest, if any, to the date of purchase. The Issuers may, at their option, use Charter Disposal Proceeds to make a Charter Disposal Proceeds Offer prior to the date such Charter Disposal Proceeds exceed \$2.5 million.

(d) Pending application in a Charter Disposal Proceeds Offer, the Issuers shall deposit in the Collection Account all Charter Disposal Proceeds from any Charter Disposal that in the aggregate do not exceed \$2.5 million.

(e) If the aggregate principal amount of Notes validly tendered and not withdrawn by Holders thereof exceeds the aggregate amount of such Charter Disposal Proceeds, the Notes to be purchased will be selected by the Trustee on a pro rata basis (based upon the principal amount of Notes tendered by each Holder). Upon completion of such Charter Disposal

Proceeds Offer, any remaining Charter Disposal Proceeds shall become Excess Proceeds for purposes of Section 4.10. The Available Amount with respect to any Charter Disposal may be used for general corporate purposes that are not otherwise prohibited by this Indenture and shall not constitute Excess Proceeds.

(f) If the Issuers are obliged to make a Charter Disposal Proceeds Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount that is an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Charter Disposal Proceeds Offer is given to such holders, or such later date as may be required under the Exchange Act.

(g) If the Issuers are required to make a Charter Disposal Proceeds Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.29, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.29 by virtue thereof.

#### Section 4.30 Retention of Initial Advisor; Retention of Back-Up Manager.

(a) From and after the Closing Date, the Company and Eletson MI shall continuously retain an Initial Advisor, and the Company shall provide the Requisite Holder Designee and its representatives with reasonable opportunity to consult with such Initial Advisor. If an Initial Advisor ceases to be retained pursuant to this Section 4.30(a), the Company shall, as promptly as practicable (but not later than the fifth Business Day thereafter) retain a new financial advisory firm to act as Initial Advisor (which firm shall satisfy the qualifications set forth in the definition of "Initial Advisor"). (b) The Company will establish and maintain a segregated trust account designated as the “Collection Account” for the benefit of the Holders under this Indenture. Any amounts held in a Specified Account shall be automatically transferred on a daily basis, at the end of each calendar day, to the Collection Account.

(c) The Company may withdraw available amounts on deposit in the Collection Account to make the following payments and deposits:

(iii) as necessary, to pay any costs or expenses related to operation and maintenance of the Mortgaged Vessels (“Operating Expenses”), and dry-docking expenses, special survey expenses and Vessel Addition Expenses relating to the Mortgaged Vessels, each as approved by the Initial Advisor for each such period in its reasonable judgment that are due and payable; and

(iv) to pay any installments of interest or principal on the Notes that are due and payable.

(d) Notwithstanding anything to the contrary in this Indenture, while the Notes are outstanding, no cash shall be released from the Specified Accounts or the Collection Account except as provided above.

(e) The Issuers will not, and will not permit their Restricted Subsidiaries to, directly or indirectly, make any payment made in connection with the purchase or financing of a Newbuilding Vessel (including by means of a bareboat charter or other arrangement).

(a) Upon the availability of internal financial statements of the Company and its Restricted Subsidiaries for quarter ending at the end of each relevant period, (i) for the six month periods ended June 30, 2018 and December 31, 2018 and (ii) for each fiscal quarter ending on or after March 31, 2019 (each such period described in clauses (i) and (ii), an “Excess Cash Flow Period”), the Company shall determine the Excess Cash Flow Offer Amount for such Excess Cash Flow Period.

(b) To the extent that the Excess Cash Flow Offer Amount for an Excess Cash Flow Period is positive, the Company shall, as promptly as practicable after the end of such Excess Cash Flow Period and not later than five Business Days after the availability of internal financial statements, make an offer (an “Excess Cash Flow Offer”) to the Holders of the Notes to repurchase all or any part (equal to \$1.00 or integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, equal to an integral multiple of \$1.00) of each Holder’s Notes at the purchase price described below; provided, that the maximum aggregate price payable in any Excess Cash Flow Offer will not exceed the applicable Excess Cash Flow Offer Amount.

(c) If the Company is required to make an Excess Cash Flow Offer as provided in this Section 4.32, the Company will mail within five Business Days after the end of each Excess Cash Flow Period, an offer to each Holder, with a copy to the Trustee, which offer shall govern the terms of the Excess Cash Flow Offer. Such offer shall state, among other things, the repurchase date, which must be no earlier than 30 days nor later than 60 days from the date such offer is mailed, other than as may be required by law (the “Excess Cash Flow Offer Payment Date”).

(d) If only a portion of a Note is purchased pursuant to an Excess Cash Flow Offer, a new Note in a principal amount equal to the portion thereof not purchased will be issued in the name of the Holder thereof upon cancellation of the original Note (or appropriate adjustments to the amount and beneficial interests in a Global Note will be made). Notes (or portions thereof) purchased pursuant to an Excess Cash Flow Offer will be cancelled and cannot be reissued.

(e) In each Excess Cash Flow Offer, the Company will be required to repurchase Notes validly tendered and not withdrawn at a purchase price in cash equal to 100% of their principal amount, plus accrued and unpaid interest to, but not including, the Excess Cash Flow Offer Payment Date, subject to pro-ration in the event of oversubscription and to the right of Holders on the relevant regular record date to receive interest due on an interest payment date falling on or prior to the applicable date of repurchase.

(f) On the Excess Cash Flow Offer Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Excess Cash Flow Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate purchase price to be paid in such Excess Cash Flow Offer in respect of Notes or portions of Notes properly tendered and not withdrawn; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(g) The Paying Agent will promptly mail or wire transfer to each holder of Notes or portions of Notes properly tendered and not withdrawn the purchase price payable with respect to such Notes or portions of Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered. Any Note or portion of a Note accepted for payment pursuant to an Excess Cash Flow Offer will cease to accrue interest on and after the Excess Cash Flow Offer Payment Date. The Company will publicly announce the results of any Excess Cash Flow Offer on or as soon as practicable after the Excess Cash Flow Offer Payment Date.

(h) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to an Excess Cash Flow Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions this Section 4.32, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations under this Section 4.32 by virtue of such compliance.

Upon the discharge of this Indenture due to the payment in full in cash of the Notes, the Eletson MI Preferred Interests and the Company Preferred Interests shall be transferred to the Company.

#### Section 4.34 Minimum Aggregate Liquidity

Eletson MI shall not permit its Aggregate Liquidity as of any Interest Payment Date to be less than (x) \$1,000,000 times (y) the number of Mortgaged Vessels that as of such date have not suffered an Event of Loss, or any event or condition that given notice, the lapse of time, or both, would constitute an Event of Loss.

## ARTICLE 5 SUCCESSORS

### Section 5.01 Merger, Consolidation or Sale of Assets.

(a) The Company will not, in a single transaction or through a series of transactions, merge, consolidate, amalgamate or otherwise combine with or into any other Person or sell, assign, convey, transfer, lease or otherwise dispose of, or take any action pursuant to any resolution passed by the Company's Board of Directors or shareholders with respect to a demerger or division pursuant to which the Company would dispose of, all or substantially all of the Company's properties and assets to any other Person or Persons, and the Company will not permit any Restricted Subsidiary to enter into any such transaction or series of transactions if such transaction or series of transactions, in the aggregate, would result in the sale, assignment, conveyance, transfer, lease or other disposition of all or substantially all of the properties and assets of the Company and the Restricted Subsidiaries on a consolidated basis to any other Person or Persons. The previous sentence will not apply if at the time and immediately after giving effect to any such transaction or series of transactions:

(1) either: (i) the Company will be the continuing corporation; or (ii) the Person (if other than the Company) formed by or surviving any such merger, consolidation, amalgamation or other combination or to which such sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Company and the Restricted Subsidiaries on a consolidated basis has been made (the "Surviving Entity"):

(x) (i) will be a corporation duly incorporated and validly existing under the laws of any Eligible Jurisdiction and (ii) will be, immediately after such merger, consolidation, amalgamation or other combination or sale, assignment, conveyance, transfer, lease or disposition, permitted to make all payments under or with respect to the Notes free and clear of, and without withholding or deduction for or on account of, any Taxes, imposed or levied by any Relevant Taxing Jurisdiction; and

(y) will expressly assume, by a supplemental indenture or other agreements in forms satisfactory to the Trustee, the Company's obligations under the Notes, this Indenture and the Security Documents, and the Notes, this Indenture and the Security Documents will remain in full force and effect as so supplemented;

(2) immediately after giving effect to such transaction or series of transactions on a *pro forma* basis (and treating any obligation of the Company or any Restricted Subsidiary Incurred in connection with or as a result of such transaction or series of transactions as having been Incurred by the Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default will have occurred and be continuing;

(3) immediately after giving effect to such transaction or series of transactions on a *pro forma* basis (on the assumption that the transaction or series of transactions occurred on the first day of the four-quarter fiscal period immediately prior

to the consummation of such transaction or series of transactions with the appropriate adjustments with respect to the transaction or series of transactions being included in such *pro forma* calculation), the Company (or the Surviving Entity if the Company is not the continuing obligor under this Indenture) could Incur at least \$1.00 of additional Debt pursuant to the ratio set forth in Section 4.09(a);

(4) any Guarantor, unless it is the other party to the transactions described above, has, by way of execution of a supplemental indenture, confirmed that its Guarantee will apply to such Person's obligations under this Indenture and the Notes;

(5) if any of the Company's or any Restricted Subsidiary's property or assets will thereupon become subject to any Lien, the provisions of Section 4.13 are complied with; and

(6) the Company or the Surviving Entity has delivered to the Trustee, in form and substance satisfactory to the Trustee, an Officers' Certificate (attaching the computations to demonstrate compliance with clause (3) above) and an Opinion of Counsel, each stating that such merger, consolidation, amalgamation or other combination or sale, assignment, conveyance, transfer, lease or other disposition, and if a supplemental indenture or other agreements are required in connection with such transaction, such supplemental indenture or other agreements, comply with the requirements of this Indenture and the Security Documents and that all conditions precedent in this Indenture and the Security Documents relating to such transaction have been satisfied and that this Indenture, the Notes and the Security Documents constitute legal, valid and binding obligations of the Company or the Surviving Entity, enforceable in accordance with their terms.

(b) The Surviving Entity will succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture, but, in the case of a lease of all or substantially all of the Company's assets, the Company will not be released from the obligation to pay the principal of, premium, if any, and interest, on the Notes.

(c) Subject to the provisions described under Section 11.05, no Guarantor will, in a single transaction or through a series of transactions, merge, consolidate, amalgamate or otherwise combine with or into any other Person or sell, assign, convey, transfer, lease or otherwise dispose of, or take any action pursuant to any resolution passed by such Guarantor's Board of Directors or shareholders with respect to a demerger or division pursuant to which such Guarantor will dispose of, all or substantially all of such Guarantor's properties and assets to any other Person or Persons. The previous sentence will not apply if at the time and immediately after giving effect to any such transaction or series of transactions:

(1) such Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation organized or existing under the laws of any Eligible Jurisdiction (such Guarantor or such Person, as the case may be, being herein called the "Successor Guarantor");

(2) the Successor Guarantor (if other than such Guarantor) expressly assumes all the obligations of such Guarantor under its Guarantee, this Indenture and the Security Documents, pursuant to supplemental indentures and/or agreements in form reasonably satisfactory to the Trustee;

(3) immediately after giving pro forma effect to such transaction, no Default or Event of Default exists and is continuing; and

(4) the Guarantor or the Successor Guarantor has delivered to the Trustee, in form and substance satisfactory to the Trustee, an Officers' Certificate and an Opinion of Counsel, each stating that such merger, consolidation, amalgamation or other combination or sale, assignment, conveyance, transfer, lease or other disposition, and if a supplemental indenture or other agreements are required in connection with such transaction, such supplemental indenture or other agreements, comply with the requirements of this Indenture and the Security Documents and that all conditions precedent in this Indenture and the Security Documents relating to such transaction have been satisfied and that this Indenture, the Guarantee and the Security Documents constitute a legal, valid and binding obligation of the Guarantor or Successor Guarantor, enforceable in accordance with its terms.

(d) The Successor Guarantor will succeed to, and be substituted for, and may exercise every right and power of, the relevant Guarantor under this Indenture, but, in the case of a lease of all or substantially all of the Guarantor's assets, the Guarantor will not be released from the obligation to pay the principal of, premium, if any, and interest, on the Guarantor.

(e) Nothing in this Indenture will prevent: (i) any Restricted Subsidiary that is not a Guarantor from consolidating with, merging into or transferring all or substantially all of its properties and assets to the Company, a Guarantor or any other Restricted Subsidiary that is not a Guarantor; or (ii) any Guarantor from merging into or transferring all or part of its properties and assets to the Company or another Guarantor.

- (ii) consents to the entry of an order for relief against it in an involuntary case,
- (iii) consents to the appointment of a custodian of it or for all or substantially all of its property,
- (iv) makes a general assignment for the benefit of its creditors, or
- (v) generally is not paying its debts as they become due; and

(k) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(ii) appoints a custodian of either Issuer or any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of either Issuer or any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary; or

(l) the Consulting Agreement ceases to be in full force and effect (other than a termination in accordance with the provisions of the Consulting Agreement).

Section 6.02 Acceleration.

(a) If an Event of Default (other than as specified in clauses (j) or (k) of Section 6.01) occurs and is continuing, the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuers (and to the Trustee if such notice is given by the Holders) may, and the Trustee, upon the written request of such Holders, shall, declare the principal of, premium, if any, any Additional Amounts and accrued interest on all of the outstanding Notes immediately due and payable, and upon any such declaration all such amounts payable in respect of the Notes will become immediately due and payable.

(b) If an Event of Default specified in clause (j) or (k) of Section 6.01(1) occurs and is continuing, then the principal of, premium, if any, Additional Amounts and accrued and unpaid interest on all of the outstanding Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any holder of Notes.

(c) At any time after a declaration of acceleration under this Indenture, but before a judgment or decree for payment of the money due has been obtained by the Trustee, the Holders of a majority in aggregate principal amount of the outstanding Notes, by written notice to the Issuers and the Trustee, may rescind such declaration and its consequences if:

(1) the Issuers have paid or deposited with the Trustee a sum sufficient to pay:

(i) all overdue interest and Additional Amounts on all of the Notes then outstanding;

(ii) all unpaid principal of and premium, if any, on any outstanding Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes;

(iii) to the extent that payment of such interest is lawful, interest upon overdue interest and overdue principal at the rate borne by the Notes; and

(iv) all sums paid or advanced by the Trustee under this Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and

(3) all Events of Default, other than the non-payment of amounts of principal of, premium, if any, and any Additional Amounts and interest accrued on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(d) If an acceleration occurs, the principal amount of, premium, if any, and accrued interest on Notes that become due and payable shall equal the optional redemption price in effect on the date of such acceleration, as if such acceleration were an optional redemption of the Notes accelerated on such date of acceleration. The amounts described in the preceding sentence are intended to be liquidated damages and not unmatured interest or a penalty.

#### Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

#### Section 6.04 Waiver of Past Defaults.

Subject to 6.02(c), the Holders of not less than a majority in aggregate principal amount of the outstanding Notes may, on behalf of the Holders of all of the Notes, waive any past defaults under this Indenture, except a default (x) in the payment of the principal of, premium, if any, and Additional Amounts or interest on any Note; or (y) in respect of a covenant or provision which under this Indenture cannot be modified or amended without the consent of the holder of each Note outstanding, in which case, the consent of each affected holder of then outstanding Notes shall be required. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

#### Section 6.05 Control by Majority.

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or Collateral Agent, as applicable, or exercising any trust or power conferred on it. However, the Trustee or Collateral Agent, as applicable, may refuse to follow

any direction that conflicts with law or this Indenture, or the Security Documents that the Trustee or Collateral Agent, as applicable, determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee or Collateral Agent, as applicable, in personal liability or if the Holders have failed to provide the indemnity or security required by Section 7.02(g). The Trustee and the Collateral Agent may take any other action deemed proper by the Trustee and Collateral Agent, as applicable, which is not inconsistent with such direction.

Section 6.06 Limitation on Suits.

No holder of any of the Notes has any right to institute any proceedings with respect to this Indenture or any remedy thereunder unless the Holders of at least 25% in aggregate principal amount of the outstanding Notes have made a written request and offered indemnity and/or security satisfactory to the Trustee to institute such proceeding as Trustee under the Notes and this Indenture, the Trustee has failed to institute such proceeding within 30 days after receipt of such notice and the Trustee within such 30-day period has not received directions inconsistent with such written request by Holders of a majority in aggregate principal amount of the outstanding Notes. Such limitations do not, however, apply to (i) a suit instituted by a Holder for the enforcement of the payment of the principal of, premium, if any, and Additional Amounts or interest on such Note on or after the respective due dates expressed in such Note or (ii) any actions taken (A) by the Back-Up Manager in accordance with the instructions of the Holders of the Notes or its stated duties under this Indenture or (B) by the Holders of the Notes with respect to the appointment and retention of, and the performance of duties by, a Back-Up Manager.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided* that a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1)(a) or (b) occurs and is continuing, the Issuers will pay to the Trustee, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for the principal of, premium, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and premium and, to

the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuers fail to pay such amount forthwith, the Trustee may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceedings to the judgment or final decree, and may enforce the same against the Issuers or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out the property of the Issuers or any other obligor upon the Notes, wherever situated.

Section 6.09 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent and their respective agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), their creditors or their property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and Collateral Agent and its respective agents and counsel (or their respective agents and counsel if the Trustee and Collateral Agent are different Persons), and any other amounts due the Trustee under Section 7.07 and the Collateral Agent under Section 10.10. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee and Collateral Agent, its agents and counsel (or their respective agents and counsel if the Trustee and Collateral Agent are different Persons), and any other amounts due the Trustee under Section 7.07 or the Collateral Agent under Section 10.10 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities.

Any money or property collected by the Trustee pursuant to this Article 6 or by the Collateral Agent pursuant to the Security Documents, or any money or other property distributable in respect of the Issuers' or the Guarantors' Obligations under this Indenture after an Event of Default, shall be applied in the following order:

*First:* to the Trustee, the Collateral Agent, the Agents and their respective agents and attorneys for amounts due under Section 7.07 and Section 10.10, including payment of all compensation, reasonable expenses and liabilities incurred, and all advances made, by the Trustee, the Agents and the Collateral Agent and the costs and expenses of collection;

*Second:* to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

*Third:* any surplus remaining after the payment in full in cash of all the Obligations under the Notes shall be paid to the Issuers or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

Section 6.12 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every case the Issuers, the Trustee and the Holder shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder.

**ARTICLE 7**  
**TRUSTEE**

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the form requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.01(b);

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture and the Security Documents that in any way relates to the Trustee is subject to this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that indemnity satisfactory to the Trustee against such risk or liability is not reasonably assured to it.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) The Trustee agrees to accept and act upon facsimile or electronic transmission (including portable document format) of documents hereunder, it being understood that originals of such documents shall be provided to the Trustee in a timely manner.

(h) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

#### Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its reasonable discretion, may make such further inquiry or investigation into such facts or matters as it reasonably may see fit, and if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney, and shall have reasonable access to the premises of the Issuers during normal business hours in connection with such examination in a manner not to disrupt the normal business operations of the Issuers and shall incur no liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel, investment bankers, accountants and other professionals and the advice of such counsel, investment bankers, accountants and other professionals or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers will be sufficient if signed by an Officer of the Company.

(f) In no event shall the Trustee be responsible or liable to any Person for special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(h) The Trustee shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Trustee (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank of New York wire or facsimile or other wire or communication facility).

(i) The permissive right of the Trustee to do things enumerated in this Indenture or the Security Documents shall not be construed as a mandatory duty.

#### Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any Affiliate of an Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (as defined in the TIA) it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

#### Section 7.04 Trustee's Disclaimer.

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or the Security Documents, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication, and it assumes no responsibility for their correctness.

The Trustee shall not be responsible for and makes no representation as to the existence, genuineness, value or protection of any Collateral (except for the safe custody of Collateral in its possession and the accounting for Trust Monies actually received), for the legality, effectiveness or sufficiency of any Security Document, or for the creation, perfection, priority, sufficiency or protection of any Lien.

Section 7.05 Notice of Defaults.

(a) If a Default or an Event of Default occurs and is continuing and is known to a Responsible Officer of the Trustee, the Trustee will mail to each Holder notice of the Default or Event of Default within 15 Business Days after its occurrence. Except in the case of a Default or an Event of Default in the payment of principal of, premium, if any, Additional Amounts or interest on any Notes, the Trustee may withhold the giving of such notice to the Holders of such Notes if it determines that withholding the giving of such notice is in the best interests of the Holders.

(b) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default (other than a Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes) unless a Responsible Officer of the Trustee has actual knowledge thereof or shall have received written notice thereof at its address set forth in Section 13.02 from the Issuers or any Guarantor or Holders of at least 25% in aggregate principal amount of the then outstanding Notes specifying the occurrence and nature thereof and stating that such notice is a notice of default.

Section 7.06 Reports by Trustee to Holders.

Within 60 days after each January 1 beginning with January 1, 2019, and for so long as Notes remain outstanding, the Trustee will send to the Holders of the Notes a report dated as of such reporting date, in accordance with, and to the extent required by, §313 of the TIA.

Section 7.07 Compensation and Indemnity.

(a) The Issuers shall pay to the Trustee and Agents from time to time reasonable compensation as shall be agreed to in writing by the Issuers and the Trustee and Agents for its acceptance of this Indenture, the Security Documents and services hereunder and thereunder (it being hereby agreed that the compensation set forth in any written fee agreement between the Issuers and the Trustee and Agents shall be deemed to be reasonable). The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee and Agents promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuers and the Guarantors will, jointly and severally, indemnify the Trustee, the Agents and their respective officers, directors and agents against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture or the Security Documents, including the costs and expenses of enforcing this Indenture against the Issuers and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder and in connection with the exercise or performance of any of its powers or duties (if any) hereunder or under the Security Documents,

except to the extent any such loss, liability or expense may be attributable to its negligence, willful misconduct or bad faith. The Trustee will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers will not relieve the Issuers or any of the Guarantors of their obligations hereunder. The Issuers or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuers and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture and the termination of the Security Documents. The obligations of the Issuers and the Guarantors to the Trustee under this Section 7.07 shall survive the resignation, removal or replacement of the Trustee to the extent that the Trustee incurred fees, reimbursable expense or indemnifiable losses, liabilities or expenses while acting as trustee hereunder before such resignation, removal or replacement.

(d) To secure the Issuers' and the Guarantors' payment obligations in this Section 7.07 and Section 10.10, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture and the resignation, removal or replacement of the Trustee or Collateral Agent.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(1)(j) or (1)(k) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

#### Section 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08 and the Issuers' receipt of written notice from the successor Trustee of such appointment.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers and the Holders with thirty (30) days written notice (which notice to the Holders may be given through the Depositary). The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee with thirty (30) days written notice to the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a receiver of the Trustee or of its property shall have been appointed, or a custodian or public officer takes charge of the Trustee or its property or affairs for the purpose of rehabilitation, conservation or liquidation; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns, is notified that it is to be removed or has notified the Issuer that it wishes to resign, in each case, in accordance with paragraph (b) above, or if a vacancy exists in the office of Trustee for any reason, the Issuers shall, as promptly as practicable, appoint a successor Trustee. Within one year after such notice is received by the recipients thereof (as the case may be), the Holders of a majority in aggregate principal amount of the then outstanding Notes may, by written notice to the then Trustee and the Issuers, appoint a successor Trustee to replace the retiring Trustee or any successor Trustee appointed by the Issuers or the relevant court pursuant to paragraph (d) below (as the case may be).

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee is notified that it is to be removed or has notified the Issuer that it wishes to resign, in each case, in accordance with paragraph (b) above, the retiring Trustee, the Issuers or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes, at the expense of the Issuers, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee, without any further act, deed, or conveyance, will have all the rights, powers, trusts and duties of the Trustee under this Indenture; but, on request of the Issuers or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its Lien provided for in Section 7.07. The Issuers will give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to Holders of the Notes. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 will continue for the benefit of the retiring Trustee.

#### Section 7.09 Successor Trustee by Merger, etc.

Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to

which the Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such entity shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or further act on the part of any of the parties hereto. In the case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 7.10 Eligibility; Disqualification.

(a) There will at all times be a Trustee hereunder that is an entity organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trust power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition. If at any time the Trustee ceases to be eligible in accordance with the provisions of this Section 7.10, it shall resign immediately in the manner and with the effect specified in this Article.

(b) This Indenture will always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee shall comply with the terms of TIA § 310(b).

Section 7.11 Preferential Collection of Claims Against Issuers.

The Trustee is subject to TIA § 311, excluding any creditor relationship listed in TIA § 311(b).

Section 7.12 Trustee in Other Capacities; Collateral Agent, Registrar and Paying Agent.

References to the Trustee in Sections 7.01(b), (c), (d), (e), (f), (g), (h), Section 7.02, Section 7.03, Section 7.04, Section 7.07, Section 7.08 and Section 7.09 shall be understood to include the Trustee when acting in its other capacities under this Indenture, including as Paying Agent, Registrar and Collateral Agent or any Agent hereunder; provided that, notwithstanding anything herein to the contrary, (i) an Agent shall only be liable to the extent of its gross negligence or willful misconduct; and (ii) in and during an Event of Default, only the Trustee, and not any Agent, shall be subject to the prudent person standard. Without limiting the foregoing, and for the avoidance of doubt, such Sections shall be read to apply to the Collateral Agent and the Security Documents, *mutatis mutandis*, in addition to this Indenture. The privileges, rights, indemnities, immunities and exculpatory provisions contained in this Indenture shall apply to the Trustee, whether it is acting under this Indenture or the Security Documents.

**ARTICLE 8**  
**LEGAL DEFEASANCE AND COVENANT DEFEASANCE**

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuers may at any time, at their option evidenced by a resolution of the Board of Directors of the Company set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 be applied to all outstanding Notes and Guarantees upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

Upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors will be deemed to have paid and discharged the entire Debt represented by the outstanding Notes (including the Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other sections of this Indenture referred to in clauses (1) and (2) of this Section 8.02, and to have satisfied all their other obligations under such Notes, the Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute such instruments as reasonably requested by the Issuers acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, Additional Amounts and interest on such Notes when such payments are due;
- (2) the Issuers' obligations to issue temporary Notes, register, transfer or exchange any Notes, replace mutilated, destroyed, lost or stolen Notes, maintain an office or agency for payments in respect of the Notes and segregate and hold such payments on trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee and the obligations of the Issuers and the Guarantors in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 Covenant Defeasance.

Upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04, be released from each of their obligations under the

covenants contained in Sections 3.10, 4.03, 4.04(a), 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15(2), 4.16, 4.17, 4.18, 4.19, 4.20, 4.21, 4.22, 4.23, 4.24, 4.25, 4.26, 4.27, 4.28, 4.29, 4.30, 4.31, 4.32, 4.33, 4.34, 4.35, 4.36, 4.37 and 5.01 with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, “Covenant Defeasance”), and the Notes will thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Guarantees, the Issuers and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees will be unaffected thereby. Upon the Issuers’ exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(c) through 6.01(i) will no longer constitute Events of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

(a) In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03:

(1) the Issuers must irrevocably deposit or cause to be deposited in trust with the Trustee, for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Securities or a combination thereof, in such amounts as will be sufficient, in the opinion of an internationally recognized firm of independent public accountants, to pay and discharge the principal of, premium, if any, Additional Amounts and interest, on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Issuers must: (i) specify whether the Notes are being defeased to maturity or to a particular redemption date; and (ii) if applicable, have delivered to the Trustee an irrevocable notice to redeem all of the outstanding Notes;

(3) in the case of Covenant Defeasance, the Issuers or the Guarantors must have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee to the effect that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) the Issuers must have delivered to the Trustee Opinions of Counsel reasonably acceptable to the Trustee to the effect that the Holders of the outstanding Notes will not recognize income, gain or loss for Liberian income tax purposes as a result of such Legal Defeasance;

(6) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting Liens to secure such borrowing), this Indenture or any material agreement or instrument to which any Issuer or any Restricted Subsidiary is a party or by which the Issuers or any Restricted Subsidiary is bound;

(7) such Legal Defeasance or Covenant Defeasance will not result in the trust arising from such deposit constituting an investment company within the meaning of the U.S. Investment Company Act of 1940 unless such trust shall be registered under such act or be exempt from registration thereunder;

(8) the Issuers must have delivered to the Trustee an Opinion of Counsel acceptable to the Trustee that the Trustee shall have a perfected first-priority security interest in such trust funds for the ratable benefit of the Holders;

(9) the Issuers must have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuers with the intent of preferring the Holders over the other creditors of the Issuers with the intent of defeating, hindering, delaying or defrauding creditors of the Issuers or other creditors, or removing assets beyond the reach of the relevant creditors or increasing debts of the Issuers to the detriment of the relevant creditors;

(10) no event or condition exists that would prevent the Issuers from making payments of the principal of, premium, if any, Additional Amounts and interest on the Notes on the date of such deposit or at any time ending on the 90th day after the date of such deposit; and

(11) the Issuers must have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel acceptable to the Trustee, each stating that all conditions precedent provided for relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Section 8.05 Deposited Money and U.S. Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06, all money and non-callable U.S. Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes. If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of, premium, if any, Additional Amounts and interest on the Notes when due because of any acceleration occurring after an Event of Default, then the Issuers and the Guarantors will remain liable for such payments.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or non-callable U.S. Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)(1)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Issuers.

Subject to applicable abandoned property laws, any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuers on their request or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in the New York Times or The Wall Street Journal (national

edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable U.S. Government Securities in accordance with Section 8.02 or Section 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and the Guarantors' obligations under this Indenture and the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium, if any, or interest on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

**ARTICLE 9**  
**AMENDMENT, SUPPLEMENT AND WAIVER**

Section 9.01 Without Consent of Holders.

Notwithstanding Section 9.02, the Issuers, the Guarantors, the Trustee and the Collateral Agent, as applicable, may amend or supplement this Indenture, the Notes, the Guarantees or the Security Documents, without the consent of any Holder:

- (1) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants in this Indenture and in the Notes in accordance with Section 5.01;
- (2) to add to the Issuers' covenants and those of any Guarantor or any other obligor in respect of the Notes for the benefit of the Holders or to surrender any right or power conferred upon the Issuers or any Guarantor or any other obligor in respect of the Notes, as applicable, in this Indenture, the Notes or any Guarantee;
- (3) to cure any ambiguity, or to correct or supplement any provision in this Indenture, the Notes or any Guarantee that may be defective or inconsistent with any other provision in this Indenture, the Notes or any Guarantee or make any other provisions with respect to matters or questions arising under this Indenture, the Notes or any Guarantee; *provided* that, in each case, such provisions shall not adversely affect the interests of the Holders;
- (4) to conform the text of this Indenture, the Notes or any Guarantee to any provision of the "Description of the New Notes" section of the Offer to Exchange to the extent that such provision in the "Description of the New Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or any Guarantee, as set forth in an Officers' Certificate;

(5) to release any Guarantor in accordance with (and if permitted by) the terms of this Indenture;

(6) to add a Guarantor under this Indenture;

(7) to evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture;

(8) to mortgage, pledge, hypothecate or grant a first-priority security interest in favor of the Trustee for the benefit of the Holders as additional security for the payment and performance of the Issuers' and any Guarantor's obligations under this Indenture, in any property, or assets, including any of which are required to be mortgaged, pledged or hypothecated, or in which a first-priority security interest is required to be granted to the Trustee pursuant to this Indenture or otherwise;

(9) in the event that PIK Notes are issued in certificated form, to make appropriate amendments to reflect an appropriate minimum denomination of certificated PIK Notes and to establish minimum redemption amounts for certificated PIK Notes; or

(10) to provide for the issuance of Additional Notes in accordance with and if permitted by the terms of an limitations set forth in this Indenture.

#### Section 9.02 With Consent of Holders.

Except as provided below in this Section 9.02, the Issuers, the Guarantors, the Trustee and the Collateral Agent, as applicable, may amend or supplement this Indenture, the Consulting Agreement, the Notes, the Guarantees and the Security Documents with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes).

Subject to Sections 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the Notes then outstanding may waive compliance in a particular instance by the Issuers or the Guarantors with any provision of this Indenture, the Consulting Agreement, the Notes, the Guarantees or the Security Documents.

However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) change the Stated Maturity of the principal of, or any installment of or Additional Amounts or interest on, any Note (or change any Default or Event of Default related thereto);

(2) reduce the principal amount of any Note (or Additional Amounts if any), reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 3.07, or reduce the rate of

or change the time for payment of interest on any Note (or change any Default or Event of Default related thereto);

(3) change the coin or currency in which the principal of any Note or any premium or any Additional Amounts or the interest thereon is payable;

(4) impair the right to institute suit for the enforcement of any payment of any Note in accordance with the provisions of such Note and this Indenture;

(5) reduce the principal amount of Notes whose Holders must consent to any amendment, supplement or waiver of provisions of this Indenture;

(6) modify any of the provisions relating to supplemental indentures requiring the consent of Holders or relating to the waiver of past defaults or relating to the waiver of certain covenants, except to increase the percentage of outstanding Notes required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Holder affected thereby; or

(7) release any Guarantee except in compliance with the terms of this Indenture.

Notwithstanding the foregoing, without the consent of Holders representing 66 2/3% of the outstanding principal amount of Notes, an amendment, supplement or waiver may not: (i) amend, change or modify in any material respect the obligation of the Issuers to make and consummate a Collateral Sale Offer, an Event of Loss Offer, an Excess Cash Flow Offer, an Existing Trust Monies Offer or a Charter Disposal Proceeds Offer, as the case may be, or modify the provisions or definitions with respect thereto; or (ii) release the Lien of the Trustee for the benefit of the Holders in any Collateral (other than by operation of the terms of this Indenture and the Security Documents).

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

#### Section 9.03 Compliance with TIA.

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. Subject to Section 9.04(b), any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action required or permitted to be taken pursuant to this Indenture, other than the delivery of instructions by Holders to the Trustee or Collateral Agent. If a record date is fixed, then notwithstanding clause (a) of this Section 9.04, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective more than 120 days after such record date.

Section 9.05 Notation on or Exchange of Notes.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee and Collateral Agent to Sign Amendments, etc.

Upon the request of the Issuers accompanied by a resolution of the Board of Directors of the Company authorizing the execution of any such amendment or supplement and upon the filing with the Trustee and the Collateral Agent, if applicable, of evidence of the consent of the Holders if required pursuant to Section 9.02, the Trustee and the Collateral Agent, if applicable, will sign any amendment or supplement authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Collateral Agent, as applicable. In executing any amendment or supplement, the Trustee and the Collateral Agent, as applicable, will be entitled to receive and (subject to Section 7.01) will be fully protected in relying upon, in addition to the documents required by Section 13.04, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amendment or supplement is authorized or permitted by this Indenture or the Security Documents, as applicable and that such amendment or supplement is the legal, valid and binding obligation of the Issuers and Guarantors, enforceable against it in accordance with its terms.

## ARTICLE 10 COLLATERAL AND SECURITY

### Section 10.01 Grant of Security Interest.

(a) To secure the due and punctual payment of the principal of, premium, if any, and interest on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, purchase, repurchase, redemption or otherwise, and interest on the overdue principal of, premium, if any, and interest (to the extent permitted by law), if any, on the Notes and the performance of all other Indenture Obligations of the Issuers and the Guarantors, the Issuers and the Guarantors hereby covenant to cause the Security Documents to be executed and delivered concurrently with this Indenture, or in certain circumstances set forth in this Indenture and the Security Documents, subsequent to the Closing Date. The Security Documents shall provide for the grant by the Issuers and the Guarantors party thereto to the Collateral Agent (and in the case of the Ship Mortgages (other than Greek Ship Mortgages) to the Trustee in its capacity as a trustee for the Holders) of security interests in the Collateral, subject to Permitted Liens.

(b) Each of the Trustee and, by its acceptance of a Note, each Holder (i) appoints the Collateral Agent to act as its agent (and to hold any security interest created by the Security Documents for and on behalf of or in trust for it) under this Indenture and the Security Documents (and by its signature below, the Collateral Agent accepts such appointment) for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by either Issuer or any Guarantor to secure any of this Indenture Obligations, together with such powers and discretion as are reasonably incidental thereto, (ii) authorizes the Collateral Agent to enter into the Security Documents to which it is a party, to make any representations on behalf of the Holders as may be set forth in the Security Documents, to take such action on its behalf and in the Collateral Agent's designated capacity under the provisions of this Indenture and the Security Documents, and to perform its obligations and exercise its rights and powers expressly designated to it hereunder and thereunder in accordance herewith and therewith, and (iii) consents and agrees to the terms of each Security Document. Each of the Trustee and each Holder agrees that any action taken by the Collateral Agent in accordance with the provisions of this Indenture and the Security Documents, and the exercise by the Collateral Agent of any rights or remedies set forth herein and therein, together with all other powers reasonably incidental thereto, shall be authorized and binding upon the Trustee and all Holders. The duties of the Collateral Agent shall be ministerial and administrative in nature, and the Collateral Agent shall not have a trust relationship with the Trustee, any Holder, obligor or any other Person by reason of this Indenture or any of the Security Documents. Notwithstanding the foregoing, no such consent or deemed consent shall be deemed or construed to represent an amendment or waiver, in whole or in part, of any provision of this Indenture or the Notes. The foregoing will not limit the right of any Issuer or any Guarantor to amend, waive or otherwise modify the Security Documents in accordance with their terms.

(c) The Collateral Agent shall not, nor shall the Trustee, have any duties or responsibilities except those expressly set forth in this Indenture and the Security Documents to which the Collateral Agent and/or the Trustee is a party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture or the Security

Any exercise of discretion on behalf of the Collateral Agent shall be exercised in accordance with the terms of this Indenture.

(d) The Collateral Agent may, and the Trustee may, perform its duties under this Indenture and the Security Documents to which it is a party by or through receivers, agents, attorneys-in-fact and employees. Both the Collateral Agent and the Trustee may consult with and employ legal counsel, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel.

(e) The Collateral Agent and the Trustee shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, consent, certificate, affidavit, letter, certification, statement, notice or other communication or document believed by it to be genuine and correct and to have been signed, sent or made by the proper Person, and upon the advice and statements of legal counsel (including counsel to the Company or any obligor). Neither the Collateral Agent nor the Trustee shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document. Neither the Collateral Agent nor the Trustee shall have liability for failing or refusing to take any action under this Indenture or the Security Documents unless it shall first receive such advice, direction, instruction or concurrence as is required hereunder; and each of them shall have the right to seek instructions before acting or electing not to act under this Indenture, and/or the Security Documents. Neither the Collateral Agent nor the Trustee shall in any case have any liability in acting, or refraining from acting, under this Indenture and the Security Documents in accordance with a direction or instruction from the Issuers or the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes, as applicable, and such direction or instruction and any action taken or failure to act pursuant thereto shall be binding upon all the Holders. Notwithstanding anything herein to the contrary, the Collateral Agent shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created under this Indenture or any Security Document.

(f) The Collateral Agent shall not be deemed to have knowledge of any Default or Event of Default unless a Responsible Officer of the Collateral Agent has received written notice from the Company, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes specifying the occurrence and nature thereof and stating that such notice is a notice of default.

(g) Neither the Collateral Agent nor the Trustee shall be liable for any action taken or omitted to be taken by it in connection with this Indenture or any Security Documents or instrument referred to or provided for herein or therein, except to the extent that any of the foregoing are found by a final, nonappealable decision of a court of competent jurisdiction to have resulted from its own gross negligence, willful misconduct or bad faith. Neither the Collateral Agent nor the Trustee assumes any responsibility for any failure or delay in performance or any breach by the Issuers or any obligor of any obligations under this Indenture and the Security Documents. Neither the Collateral Agent nor the Trustee shall be responsible to

the Holders or any other Person for any recitals, statements, information, representations or warranties contained in any Security Documents or in any certificate, report, statement, or other document referred to or provided for in, or received by either of them under or in connection with, this Indenture or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of any Security Documents; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture and the Security Documents. Neither the Collateral Agent nor the Trustee shall have any obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture and any Security Documents. The Collateral Agent shall not, nor shall the Trustee, be required to initiate or conduct any litigation or collection or other proceeding under this Indenture and the Security Documents unless expressly set forth hereunder or thereunder. The Collateral Agent shall, as shall the Trustee, have the right at any time to seek instructions from the Holders with respect to the administration of the Security Documents. In no event shall the Collateral Agent or the Trustee be liable to any Person under this Indenture or the Security Documents for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including lost profits), even if the Collateral Agent or the Trustee, as the case may be, has been advised of the likelihood of such loss or damage.

(h) No provision of this Indenture or the Security Documents shall require the Collateral Agent or the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers unless the Collateral Agent or the Trustee, as the case may be, shall have received security or indemnity satisfactory to it against potential costs and liabilities incurred by it relating thereto. Notwithstanding anything to the contrary contained in this Indenture or any of the Security Documents, in the event the Collateral Agent or the Trustee is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, neither the Collateral Agent nor the Trustee shall be required to commence any such action or exercise any such remedy or to inspect or conduct any studies of any property under the Ship Mortgages or take any such other action if it has determined that it may incur personal liability as the result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances unless the Collateral Agent, or the Trustee, as the case may be, has received security or indemnity from the Holders in an amount and in a form all satisfactory to it in its sole discretion, protecting it from all such liability. The Collateral Agent shall, as shall the Trustee, at any time be entitled to cease taking any action described above if it no longer reasonably deems any indemnity, security or undertaking from the Issuers or the Holders to be sufficient.

(i) The parties hereto and the Holders hereby agree and acknowledge that neither the Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments,

expenses and costs (including any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture the Security Documents or any actions taken pursuant hereto or thereto. (b) In connection with any release, the Issuers and the Guarantors shall (i) execute, deliver and record or file and obtain such instruments as may be required, including, without limitation, amendments to the Security Documents and (ii) deliver to the Trustee an Opinion of Counsel as to, and an Officers' Certificate certifying, the satisfaction of the applicable provisions of this Indenture and the Security Documents, as set forth in this Indenture and the Security Documents.

(c) Notwithstanding the foregoing, the Issuers may obtain a release of (i) Net Cash Proceeds from an Asset Sale involving Collateral that are required to purchase Notes pursuant to a Collateral Sale Offer on the date of such purchase by directing the Trustee in writing to cause to be applied such Net Cash Proceeds to such purchase in accordance with the covenant described under Section 4.11, or (ii) all or any portion of a Loss Redemption Amount deposited with the Trustee in connection with an Event of Loss with respect to a Mortgaged Vessel that is required to purchase Notes pursuant to an Event of Loss Offer on the date of such purchase in accordance with the covenant described under Section 4.17 in the case of either (i) or (ii) above, by directing the Trustee in writing to cause to be applied such amount thereto in accordance with such covenants.

(d) In case a Default or an Event of Default shall have occurred and be continuing, the Issuers, while in possession of the Collateral (other than cash and other personal property held by, or required to be deposited or pledged with, the Trustee under this Indenture or under any Security Document) may do any of the things enumerated in Section 10.03 only if the Trustee, in its discretion, or the Holders of a majority in aggregate principal amount of the outstanding Notes shall consent to such action, in which event any certificate filed under this Section 10.03, shall omit the statement to the effect that no Default or Event of Default has occurred and is continuing.

(e) All cash or Cash Equivalents received by the Trustee pursuant to this Section 10.03 will be held by the Trustee as Trust Monies under this Indenture subject to application as provided in this Section 10.03 or in Section 12.02.

Notwithstanding the provisions of this Section 10.03, so long as no Event of Default shall have occurred and be continuing, an Issuer or any Guarantor may, without any release or consent by the Trustee, do any number of ordinary course activities in respect of the Collateral, upon satisfaction of certain conditions, so long as such actions do not materially adversely affect the operations of the Mortgaged Vessel.

Section 10.04 Release upon Satisfaction or Defeasance of all Outstanding Obligations.

(a) The Liens on all Collateral that secure the Notes and the Guarantees will be terminated and released:

(1) if the Issuers exercise Legal Defeasance or Covenant Defeasance as described under Section 8.01;

(2) upon satisfaction and discharge of this Indenture as described under Article 12; or

(3) upon payment in full in immediately available funds of the principal of, premium, if any, and accrued and unpaid interest on the Notes and all other Obligations under this Indenture and the Security Documents that are then due and payable.

(b) Upon the written request of the Company pursuant to an Officers' Certificate and Opinion of Counsel stating that all conditions precedent hereunder and under the Security Documents have been met, and upon receipt of any necessary or proper instruments of termination, satisfaction or release prepared by the Company or the Guarantors, as the case may be, the Collateral Agent, without the consent of any Holder or the Trustee and at the expense of the Company or the Guarantors, shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents.

Section 10.05 Form and Sufficiency of Release.

In the event that the Issuers or any Guarantor has sold, exchanged, or otherwise disposed of or proposes to sell, exchange or otherwise dispose of any portion of the Collateral that may be sold, exchanged or otherwise disposed of by the Issuers or such Guarantor to any Person other than the Issuers or a Guarantor, and the Issuers or such Guarantor requests in writing that the Trustee or Collateral Agent furnish a written disclaimer, release or quit-claim of any interest in such property under this Indenture and the Security Documents, the Trustee and the Collateral Agent, as applicable, shall execute, acknowledge and deliver to the Issuers or such Guarantor (in the form prepared by the Issuers at the Issuers' sole expense) such an instrument promptly after satisfaction of the conditions set forth herein for delivery of any such release. Notwithstanding the preceding sentence, all purchasers and grantees of any property or rights

purporting to be released herefrom shall be entitled to rely upon any release executed by the Collateral Agent hereunder as sufficient for the purpose of this Indenture and as constituting a good and valid release of the property therein described from the Lien of this Indenture or of the Security Documents.

Section 10.06 Purchaser Protected.

No purchaser or grantee of any property or rights purporting to be released herefrom shall be bound to ascertain the authority of the Collateral Agent to execute the release or to inquire as to the existence of any conditions herein prescribed for the exercise of such authority; nor shall any purchaser or grantee of any property or rights permitted by this Indenture to be sold or otherwise disposed of by the Issuers or the Guarantors be under any obligation to ascertain or inquire into the authority of the Issuers or the Guarantors to make such sale or other disposition.

Section 10.07 Authorization of Actions to be Taken by the Collateral Agent or Trustee Under the Security Documents.

(a) The Trustee and, by its acceptance of a Note, each Holder agree that the Collateral Agent and/or the Trustee shall execute and deliver the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, neither the Trustee nor the Collateral Agent shall have any discretion under this Indenture or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes, the Trustee (in the case of the Collateral Agent), the Collateral Agent (in the case of the Trustee), or the Issuers, as applicable.

(b) Prior to the occurrence of an Event of Default, the Issuers may direct the Collateral Agent in connection with any action required or permitted by this Indenture or the Security Documents. After the occurrence of an Event of Default or as otherwise provided herein or under the Consulting Agreement, the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Collateral Agent in connection with any action required or permitted by this Indenture, the Consulting Agreement or the Security Documents.

Subject to the provisions of the Security Documents and the Consulting Agreement and unless otherwise expressly provided herein or therein, the Trustee may, at the direction of a majority of the Holders, direct the Collateral Agent and/or the Trustee to take all actions necessary or appropriate in order to (i) enforce any of the terms of the applicable Security Documents and (ii) collect and receive any and all amounts payable in respect of the Collateral in respect of the obligations of the Issuers and the Guarantors hereunder and thereunder.

Section 10.08 Authorization of Receipt of Funds by the Trustee Under the Security Documents.

The Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents for turnover to the Trustee

to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

#### Section 10.09 Action by the Collateral Agent.

Subject to the provisions of the Security Documents, the Collateral Agent and/or the Trustee, as applicable, shall have the power to institute and to maintain such suits and proceedings in order to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as are necessary to preserve or protect its interest and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest granted pursuant to any Security Document or be prejudicial to the interests of the Holders or the Trustee).

In each case that the Collateral Agent or the Trustee may or is required hereunder or under any Security Document to take any action (an “Action”), including to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document, the Collateral Agent and/or the Trustee may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Collateral Agent shall not, nor shall the Trustee, be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Collateral Agent or the Trustee shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Collateral Agent shall be entitled to refrain from such Action unless and until the Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with indemnity or security in accordance with Section 7.02(g), and neither the Collateral Agent nor the Trustee shall incur liability to any Person by reason of so refraining.

Notwithstanding anything to the contrary in this Indenture or any Security Document, in no event shall the Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture or the Security Documents (including the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Collateral Agent or the Trustee be responsible for, and neither the Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

#### Section 10.10 Compensation and Indemnity.

(a) The Issuers will pay to the Collateral Agent and/or the Trustee from time to time reasonable compensation as shall be agreed to in writing by the Issuers and the Collateral Agent and the Trustee for its acceptance of this Indenture, the Security Documents and services

hereunder. The Issuers will reimburse each of the Collateral Agent and the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Collateral Agent's and the Trustee's agents and counsel.

(b) The Issuers and the Guarantors will, jointly and severally, indemnify the Collateral Agent and the Trustee and their respective officers, directors and agents against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture and the Security Documents, including (i) any claim relating to the grant to the Collateral Agent or the Trustee of any Lien in any property or assets of the Issuers or the Guarantors and (ii) the costs and expenses of enforcing this Indenture and the Security Documents against the Issuers and the Guarantors (including this Section 10.10) and defending itself against any claim (whether asserted by the Issuers, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder or thereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence, willful misconduct or bad faith. The Collateral Agent will, as will the Trustee, notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Collateral Agent or the Trustee as the case may be to so notify the Issuers will not relieve the Issuers or any of the Guarantors of their obligations hereunder. The Issuers or such Guarantor will defend the claim and the Collateral Agent and the Trustee will each cooperate in the defense. The Collateral Agent and the Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuers and the Guarantors under this Section 10.10 will survive the satisfaction and discharge of this Indenture and the resignation, removal or replacement of the Collateral Agent or the Trustee.

#### Section 10.11 Resignation; Successor Collateral Agent.

(a) A resignation or removal of the Collateral Agent or the Trustee and appointment of a successor will become effective only upon the successor's acceptance of appointment as provided in this Section 10.11 and the Issuers' receipt of written notice from the successor Collateral Agent of such appointment.

(b) The Collateral Agent may, as may the Trustee, resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers and the Holders with thirty (30) days written notice (which notice to the Holders may be given through the Depository). The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Collateral Agent and/or the Trustee by so notifying the Collateral Agent, the Trustee, and the Issuers in writing.

(c) If the Collateral Agent or the Trustee resigns, is notified that it is to be removed or has notified the Issuer that it wishes to resign, in each case, in accordance with paragraph (b) above, or if a vacancy exists in the office of Collateral Agent or Trustee for any

reason, the Issuers shall, as promptly as practicable, appoint a successor Collateral Agent or Trustee, as the case may be. Within one year after such notice is received by the recipients thereof (as the case may be), the Holders of a majority in aggregate principal amount of the then outstanding Notes may, by written notice to the then Collateral Agent and/or Trustee and the Issuers, appoint a successor replace the retiring Collateral Agent or Trustee or any successor Collateral Agent or Trustee appointed by the Issuers or the relevant court pursuant to paragraph (d) below (as the case may be).

(d) If a successor Collateral Agent or Trustee does not take office within 60 days after the retiring Collateral Agent or Trustee, as the case may be, is notified that it is to be removed or has notified the Issuer that it wishes to resign, in each case, in accordance with paragraph (b) above, the retiring Collateral Agent, the Issuers or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes, at the expense of the Issuers, may petition any court of competent jurisdiction for the appointment of a successor Collateral Agent.

(e) Upon acceptance by a successor Collateral Agent or Trustee of an appointment to serve as Collateral Agent or Trustee hereunder and under the Security Documents, such successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, duties and obligations of the retiring Collateral Agent or Trustee without further act but the retiring Collateral Agent shall continue to have the benefits of the compensation, reimbursement and indemnification set forth in this Indenture and the Security Documents.

(f) Notwithstanding any Collateral Agent's or Trustee's resignation, the provisions of this Article 10 shall continue in effect for its benefit with respect to any actions taken or omitted to be taken by it while Collateral Agent or Trustee.

(g) Any successor to the Collateral Agent or Trustee by merger or acquisition of stock or acquisition of the corporate trust business shall continue to be Collateral Agent or Trustee hereunder without further act on the part of the parties hereto, unless such successor resigns as provided above.

#### Section 10.12 Rights, Immunities, etc. under the Security Documents.

The provisions of this Indenture, including those provisions relating to the rights, duties, powers, privileges, protections and indemnification of the Collateral Agent and/or the Trustee shall apply with respect to any actions taken or not taken by the Collateral Agent or the Trustee, as the case may be, under any Security Documents. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under or pursuant to any Security Document, the Trustee and the Collateral Agent each shall have all of the rights, protections, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

#### Section 10.13 Co-Collateral Agents.

If at any time or times it shall be necessary or prudent in order to conform to any law of any jurisdiction in which any of the Collateral shall be located, or the applicable

Collateral Agent shall be advised by counsel, satisfactory to it, that it is reasonably necessary in the interest of the Holders, or the Trustee (at the written direction of the Holders not less than a majority in aggregate principal amount of then outstanding Notes) shall in writing so request the Collateral Agent, or the Collateral Agent shall deem it desirable for its own protection in the performance of its duties hereunder, the Collateral Agent shall, at the reasonable request of the Trustee, execute and deliver all instruments and agreements necessary or proper to constitute one or more persons approved by the Collateral Agent, either to act as co-Collateral Agent or co-Collateral Agents of all or any of the Collateral, jointly with the Collateral Agent originally named herein or any successor or successors, or to act as separate collateral agent or collateral agents any such property. The provisions of Section 10.11 that are applicable to a Collateral Agent shall also be applied to a Co-Collateral Agent appointed pursuant to this Section 10.13.

## ARTICLE 11 GUARANTEES

### Section 11.01 Guarantee.

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and Collateral Agent and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuers hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on, the Notes will be promptly paid in full when due, subject to the applicable grace periods, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuers to the Holders, the Trustee or the Collateral Agent hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, subject to applicable grace periods, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of

insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuers or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantee.

#### Section 11.02 Limitation on Guarantor Liability.

Each Guarantor and, by its acceptance of Notes and the Guarantees, each Holder hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act of 1918, as amended, the Uniform Fraudulent Transfer Act of 1984, as amended, or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Collateral Agent, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

#### Section 11.03 Execution and Delivery of Guarantee.

Each Guarantor hereby agrees that its execution and delivery of this Indenture or, if applicable, any supplemental indenture substantially in the form of Exhibit E pursuant to Section 4.20 and this Section 11.03 shall evidence its Guarantee set forth in Section 11.01 without the need for notation on the Notes. In the event that the Company or any of its Wholly-Owned Restricted Subsidiaries creates or acquires any Wholly-Owned Restricted Subsidiary

after the Closing Date, if required by Section 4.20, the Company will cause such Wholly-Owned Restricted Subsidiary to comply with the provisions of this Article 11, to the extent applicable.

Section 11.04 Guarantors May Consolidate, etc., on Certain Terms.

Except as otherwise provided in Section 11.05, no Guarantor (other than a Guarantor whose Guarantee is to be released in accordance with Section 11.05) may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person unless:

- (1) immediately after giving effect to that transaction, no Default or Event of Default exists; and
- (2) either:
  - (i) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) unconditionally assumes all the obligations of that Guarantor under its Guarantee, this Indenture and the Security Documents pursuant to a supplemental indenture and appropriate Security Documents; or
  - (ii) the Net Cash Proceeds of such sale or other disposition are applied in accordance with Section 4.10 and 4.11.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture substantially in the form of Exhibit E, executed and delivered to the Trustee, of the Guarantee and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. All the Guarantees so evidenced will in all respects have the same legal rank and benefit under this Indenture as the Guarantees theretofore and thereafter executed in accordance with the terms of this Indenture as though all of such Guarantees had been executed at the Closing Date.

Except as set forth in Articles 4 and 5, and notwithstanding Section 11.04(2)(i) and 11.04(2)(ii), nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into an Issuer or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to an Issuer or another Guarantor.

Section 11.05 Releases.

(a) A Guarantee will be automatically and unconditionally released (and thereupon will terminate and be discharged and be of no further force and effect):

- (1) upon the voluntary sale or disposition (including through merger, consolidation, amalgamation or other combination) or conveyance, transfer or lease of

the Capital Stock of a Guarantor following which such Guarantor is no longer a Restricted Subsidiary;

(2) upon a Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture that complies with the provisions under Article 8 or Article 12;

(3) upon the designation by the Company of the Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture; or

(4) upon payment in full of the aggregate principal amount of all Notes then outstanding and all other financial obligations under this Indenture and the Notes then due and owing.

(b) Upon any occurrence giving rise to a release of a Guarantee as specified above, and the delivery of an Officers' Certificate and Opinion of Counsel stating that the conditions precedent for the release of the Guarantee have been satisfied under the terms of this Indenture, the Trustee will execute any documents reasonably required in order to evidence or effect such release, discharge and termination in respect of such Guarantee. Neither Issuer nor any Guarantor will be required to make a notation on the Notes to reflect any such Guarantee or any such release, termination or discharge.

(c) Any Guarantor not released from its obligations under its Guarantee with the consent of the Holders as provided in Section 9.02 or as provided in this Section 11.05 will remain liable for the full amount of principal of and interest and premium, if any, on the Notes and for the other Obligations of any Guarantor under this Indenture as provided in this Article 11.

## ARTICLE 12 SATISFACTION AND DISCHARGE

### Section 12.01 Satisfaction and Discharge.

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) the Issuers have irrevocably deposited or caused to be deposited with the Trustee as funds on trust for such purpose an amount in U.S. dollars or non-callable U.S. Government Securities sufficient to pay and discharge the entire Debt on such Notes that have not, prior to such time, been delivered to the Trustee for cancellation, for principal of, premium, if any, and any Additional Amounts and accrued and unpaid interest on the Notes to the date of such deposit (in the case of Notes which have become due and payable) or to the Stated Maturity or redemption date, as the case may be, and the Issuers have delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of Notes at Stated Maturity or on the redemption date, as the case may be and either:

(i) all of the Notes that have been authenticated and delivered (other than destroyed, lost or stolen Notes that have been replaced or paid and Notes for which payment money has been deposited on trust or segregated and held on trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust as provided for in this Indenture) have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been delivered to the Trustee for cancellation: (x) have become due and payable (by reason of the mailing of a notice of redemption or otherwise); (y) will become due and payable within one year of Stated Maturity; or (z) are to be called for redemption within one year of the proposed discharge date under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the Issuers' name and at the Issuers' expense;

(2) the Issuers have paid or caused to be paid all sums payable by them under this Indenture; and

(3) the Issuers have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that:

(i) all conditions precedent provided in this Indenture relating to the satisfaction and discharge of this Indenture have been satisfied;

(ii) no Default or Event of Default will have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens to secure such borrowing); and

(iii) such satisfaction and discharge will not result in a breach or violation of, or constitute a default under (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting Liens to secure such borrowing), this Indenture or any other agreement or instrument to which any Issuer or any Restricted Subsidiary is a party or by which any Issuer or any Restricted Subsidiary is bound.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (ii) of clause (1) of this Section 12.01, the provisions of Sections 12.02 and 8.06 will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.07 and 10.10, that, by their terms, survive the satisfaction and discharge of this Indenture.

#### Section 12.02 Application of Trust Money.

All Trust Monies shall be held by the Trustee as a part of the Collateral securing the Notes and, so long as no Event of Default shall have occurred and be continuing, may either (i) be released in accordance with Section 10.03 above and this Section 12.02 or (ii) at the written direction of the Issuers be applied by the Trustee from time to time to the payment of the principal of (together with any related interest payment) on any Notes at the final stated maturity of the Notes, upon redemption of any Notes or in connection with any defeasance or discharge of the Notes. Trust Monies deposited with the Trustee shall be invested in certain specified Cash Equivalents pursuant to the written direction of the Issuers as long as the Trustee maintains a first priority perfected security interest therein.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Securities in accordance with Section 12.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01; *provided* that if the Issuers have made any payment of principal of, premium, if any, or interest on, any Notes because of the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Securities held by the Trustee or Paying Agent.

In connection with any release of Trust Monies by the Trustee to the Company in connection with any substitution of Collateral, upon delivery by the Company of an Officers' Certificate to the Trustee certifying (i) that a substitute Qualified Vessel will be acquired by an expected delivery date (whether such Qualified Vessel has been or will be acquired through the direct purchase of such Qualified Vessel or the equity interests of any Person owning such Qualified Vessel that will become a Wholly Owned Restricted Subsidiary and a Guarantor), (ii) that such Qualified Vessel is or will be registered in a Permitted Flag Jurisdiction, (iii) the purchase price of such Qualified Vessel and (iv) that no Default or Event of Default has occurred and is continuing, then Trust Monies in an amount equal to such purchase price for such Qualified Vessel may be released by the Trustee not more than five Business Days before such expected delivery date and held in a bank account in the name of the Company or a Guarantor on an unsecured basis for the sole purpose of paying such purchase price in connection with the

acquisition of such Qualified Vessel in accordance with the terms of the acquisition contract therefor and in a manner consistent with customary vessel acquisition practice; *provided, however,* that upon delivery by the Company of an Officers' Certificate to the Trustee certifying (A) the certifications set forth in clauses (i) – (iv) above and (B) that (1) such acquisition contract with respect to such Qualified Vessel requires that a portion of such purchase price be deposited or paid in advance of the delivery of such Qualified Vessel and (2) the amount of such deposit or advance payment to be released from escrow (which amount shall not exceed 10% of such purchase price), then Trust Monies in an amount equal to such deposit or advance payment may be released by the Trustee more than five Business Days in advance of such expected delivery date into a designated account on an unsecured basis for the sole purpose of making such deposit or advance payment, which deposit or advance payment is to be remitted to the seller (or as the seller may direct) upon or in advance of the delivery of such Qualified Vessel; *provided further,* that the aggregate amount of all Trust Monies so released by the Trustee with respect to the purchase of such Qualified Vessel shall not exceed its purchase price. If the Company or the applicable Guarantor shall fail to deliver and file, record or register any Security Documents (including without limitation the Ship Mortgage) required by this Indenture and the Security Documents to perfect the first-priority security interest of the Trustee and the Holders in such Vessel and Related Assets on or prior to the 10th Business Day following the day on which the relevant Trust Monies were released to the Company or the applicable Guarantor as described above, then, on or before such 10th Business Day, then the Company shall return to the Trustee to be kept as Trust Monies an amount equal to the full amount of such Trust Monies that were released in connection with such proposed Vessel delivery and if the Company or the applicable Guarantor shall fail to deliver and file, record or register any of such Security Documents and perfect such security interests or fail to deliver such funds, then an Event of Default shall have occurred for all purposes under this Indenture; *provided* that if the Company or the Guarantors are engaged in litigating or arbitrating any dispute relating to the acquisition and the purchase of such Qualified Vessel has not been completed, then the time period for redelivery of such Trust Monies to the Trustee shall be tolled until the dispute has been settled or a final non-appealable judgment has been reached with respect to such dispute; *provided further,* that if the ultimate resolution thereof results in no such purchase of such Qualified Vessel, then an amount equal to all such released Trust Monies shall be returned promptly to the Trustee to be kept as Trust Monies.

## ARTICLE 13 MISCELLANEOUS

### Section 13.01 Parallel Debt.

(a) Without prejudice to the provisions of this Indenture and the Security Documents and for the purpose of preserving the initial and continuing validity of the security rights granted and to be granted by the Issuers and each Guarantor to the Collateral Agent, an amount equal to and in the same currency of the obligations under the Notes and the Guarantees from time to time due by the Issuers or such Guarantor in accordance with the terms and conditions of the Notes and Guarantees, including for the avoidance of doubt, the limitations set out under Section 11.02, shall be owing as a separate and independent joint and several obligation of the Issuers and each Guarantor to the Collateral Agent (such payment undertaking and the obligations and liabilities which are the result thereof the “Parallel Debt”).

(4) a statement as to whether or not, in the opinion of each such individual, such condition or covenant has been satisfied;

*provided*, that with respect to matters of fact, an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials.

#### Section 13.06 Rules by Trustee and Agents.

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

#### Section 13.07 No Personal Liability of Directors, Officers, Employees and Stockholders.

No director, officer, employee, incorporator or stockholder of an Issuer or any Guarantor, as such, will have any liability for any obligations of an Issuer or the Guarantors under the Notes, this Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes.

#### Section 13.08 No Immunity.

To the extent that either Issuer or any Guarantor may be entitled, in any jurisdiction in which judicial proceedings may at any time be commenced with respect to this Indenture or any Security Document, to claim for itself or its revenues, assets or properties any immunity from suit, the jurisdiction of any court, attachment prior to judgment, attachment in aid of execution of judgment, set-off, execution of a judgment or any other legal process, and to the extent that in any such jurisdiction there may be attributed to such Person such an immunity (whether or not claimed), each of the Issuers and the Guarantors hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity to the fullest extent permitted by the law of the applicable jurisdiction.

#### Section 13.09 Judgment Currency.

(a) The Issuers and the Guarantors, jointly and severally, covenant and agree that the following provisions shall apply to conversion of currency in the case of the Notes, the Guarantees and this Indenture:

(1) (A) if for the purpose of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the "Judgment Currency") an amount due in any other currency (the "Base Currency"), then the conversion shall be made at the rate of exchange prevailing on the Business Day

before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine) and (B) if there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Issuers and the Guarantors shall pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the Judgment Currency when converted at the rate of exchange prevailing on the date of receipt shall produce the amount in the Base Currency originally due.

(2) In the event of the winding-up of either Issuer or any Guarantor at any time while any amount or damages owing under the Notes, the Guarantees and this Indenture, or any judgment or order rendered in respect thereof, shall remain outstanding, the Issuers and the Guarantors shall indemnify and hold the Holders and the Trustee harmless against any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the U.S. dollar Equivalent of the amount due or contingently due under the Notes, the Guarantees and this Indenture (other than under this Section 13.09) is calculated for the purposes of such winding-up and (ii) the final date for the filing of proofs of claim in such winding-up.

For the purpose of this Section 13.09, the final date for the filing of proofs of claim in the winding-up of any Issuer or any Guarantor shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of such Issuer or such Guarantor may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.

(b) The obligations contained in Section 13.10, and clauses (a)(1)(B) and (a)(2) of this Section 13.09 shall constitute separate and independent obligations from the other obligations of the Issuers and the Guarantors under this Indenture, shall give rise to separate and independent causes of action against the Issuers and the Guarantors, shall apply irrespective of any waiver or extension granted by any Holder or the Trustee or either of them from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of either Issuer or any Guarantor for a liquidated sum in respect of amounts due hereunder (other than under Section 13.09(a)(2)) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Holders or the Trustee, as the case may be, and no proof or evidence of any actual loss shall be required by either Issuer or any Guarantor or the liquidator or otherwise or any of them. In the case of Section 13.09(a)(2), the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.

(c) The term “rate of exchange” shall mean the rate of exchange quoted by Reuters at 10:00 a.m. (New York time) for spot purchases of the Base Currency with the Judgment Currency other than the Base Currency referred to in subsections Section 13.01(a)(1) and (a)(2) and includes any premiums and costs of exchange payable.

Section 13.10 Currency Indemnity.

The U.S. dollar is the sole currency of account and payment for all sums payable under the Notes, the Guarantees and this Indenture. Any amount received or recovered in respect of the Notes or the Guarantees in a currency other than U.S. dollar (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of either Issuer, any Restricted Subsidiary or otherwise) by a Holder in respect of any sum expressed to be due to such Holder from the Issuers or the Guarantors will constitute a discharge of their obligation only to the extent of the U.S. dollar amount which the recipient is able to purchase with the amount so received or recovered in such other currency on the date of that receipt or recovery (or, if it is not possible to purchase U.S. dollars on that date, on the first date on which it is possible to do so). If the U.S. dollar amount that could be recovered following such a purchase is less than the U.S. dollar amount expressed to be due to the recipient under any Note, the Issuers and the Guarantors will jointly and severally indemnify the recipient against the cost of the recipient's making a further purchase of U.S. dollars in an amount equal to such difference. For the purposes of this Section 13.10, it will be sufficient for the holder to certify that it would have suffered a loss had the actual purchase of U.S. dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. dollars on that date had not been possible, on the first date on which it would have been possible). These indemnities, to the extent permitted by law:

- (a) constitute a separate and independent obligation from the Issuers' and the Guarantors' other obligations;
- (b) give rise to a separate and independent cause of action;
- (c) apply irrespective of any waiver granted by any holder of a Note; and
- (d) will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order.

Section 13.11 Governing Law; Consent to Jurisdiction; Appointment of Process Agent; Waiver of Immunity.

This Indenture, the Notes, the Guarantees and the Security Documents will be governed by and construed in accordance with the laws of the State of New York. The Ship Mortgages will be governed by and construed in accordance with the laws of the flag of the relevant Mortgaged Vessel. Certain Security Documents may also be governed by and construed in accordance with the laws of other applicable jurisdictions.

This Indenture and Security Documents governed by New York law will provide that each of the Issuers and the Guarantors will irrevocably submit to the jurisdiction of any New York State or United States Federal court sitting in the County of New York over any suit, action or proceeding arising out of or relating to this Indenture, the Notes, the Guarantees or any Security Document. Each of the Issuers and the Guarantors will irrevocably waive, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such courts and any claim that

any such suit, action or proceeding brought in such courts, has been brought in an inconvenient forum and any right to which it may be entitled on account of place of residence or domicile. Each of the Issuers and the Guarantors will agree that final judgment in any such suit, action or proceeding brought in such a court shall be conclusive and binding on them and may be enforced in any court to the jurisdiction of which each of them is subject by a suit upon such judgment, provided, that service of process is effected upon the Issuers or the Guarantors in the manner specified in the following paragraph or as otherwise permitted by applicable law.

As long as any of the Notes remain outstanding, the Issuers and the Guarantors will consent and agree to, the service of any and all legal process, summons, notices and documents by servicing a copy thereof upon any employee of any of the Issuers or any Guarantor at any business location that either Issuer or any Guarantor may maintain from time to time in the United States including, without limitation, at the offices of Eletson Maritime, Inc., located at 1 Landmark Square, Suite 424, Stamford Connecticut 06901. If at any time neither of the Issuers nor any Guarantor maintains a bona fide business location in the United States, the Issuers and Guarantors will appoint an authorized agent (together with any such employee referred to in the preceding sentence, the "Process Agent") in the City of New York, upon whom process may be served in any legal action or proceeding arising out of or relating to this Indenture, the Notes, the Guarantees or any Security Document. Service of process upon such agent and written notice of such service mailed or delivered to the Issuers or the relevant Guarantors shall to the extent permitted by applicable law be deemed in every respect effective service of process upon each of the Issuers and the Guarantors, as the case may be, in any such legal action or proceeding.

Each party irrevocably waives, to the fullest extent permitted by applicable law, all immunity (whether on the basis of sovereignty or otherwise) from jurisdiction, service of process, attachment (both before and after judgment) and execution to which it might otherwise be entitled in the Specified Courts, and with respect to any Related Judgment or Related Mortgaged Vessel Proceeding, each party waives any such immunity in the Specified Courts or any other court of competent jurisdiction, and will not raise or claim or cause to be pleaded any such immunity at or in respect of any such Related Proceeding or Related Judgment or any Related Mortgaged Vessel Proceeding, including, without limitation, any immunity pursuant to the United States Foreign Sovereign Immunities Act of 1976, as amended.

#### Section 13.12 No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

#### Section 13.13 Successors.

All agreements of the Issuers in this Indenture and the Notes will bind their respective successors. All agreements of the Trustee and the Collateral Agent in this Indenture will bind their respective successors. All agreements of each Guarantor in this Indenture and the Guarantees will bind its successors, except as otherwise provided in Section 11.05.

Section 13.14 Severability.

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 13.15 Counterpart Originals.

The parties may sign any number of copies or counterparts of this Indenture. Each signed copy or counterpart will be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile or portable document format transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or portable document format shall be deemed to be their original signatures for all purposes.

Section 13.16 Table of Contents, Headings, etc.

The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 13.17 English Language.

This Indenture and all Security Documents shall be in the English language, except as required by Greek or other applicable law (in which event certified English translations thereof shall be provided by the Company to the Trustee). All documents, certificates, reports or notices to be delivered or communications to be given or made by any party thereto pursuant to the terms thereof or this Indenture or any Security Document shall be in the English language or, if originally written in another language, shall be accompanied by an accurate English translation upon which the parties hereto shall have the right to rely for all purposes of this Indenture and the Security Documents.

## **9) COOPERATION.**

(a) In the case of an Out-of-Court Transaction, the Debtors shall provide drafts of the Out-of-Court Transaction Documents as soon as reasonably practicable prior to the dates set forth in the Milestones, and shall consult in good faith with the Consenting Noteholders regarding the form and substance of all such documents.

(b) In the case of an In-Court Transaction, the Debtors shall provide draft copies of all material "first day" motions, motions or applications, other documents and Plan-Related Documents the Debtors intend to file with the Bankruptcy Court on the Petition Date to the Consenting Noteholders and counsel to the Senior Notes Indenture Trustee as soon as reasonably practicable prior to the Petition Date, and shall consult in good faith with the Consenting Noteholders regarding the form and substance of any such proposed filings, documents and Plan-Related Documents.

(c) The Debtors shall provide draft copies of all Plan-Related Documents the Debtors intend to file with the Bankruptcy Court Postpetition to counsel to the Consenting Noteholders and counsel to the Senior Notes Indenture Trustee in accordance with the Milestones, but in any case within a commercially reasonable time prior to filing such pleadings and/or documents and shall consult in good faith regarding the form and substance of any such proposed pleading.

#### **10) BUSINESS CONTINUANCE; ACCESS.**

Except as contemplated by this Agreement or with the prior written consent of the Consenting Noteholders, the Debtors covenant and agree that, between the date hereof and the Effective Date, the Debtors shall operate their businesses in the ordinary course in a manner consistent with past practice in all material respects (other than any changes in operations (x) resulting from or relating to the Out-of-Court Transaction or the proposed or actual filing of the Chapter 11 Cases or (y) imposed by the Bankruptcy Court). Further, except as expressly contemplated by this Agreement and except for changes resulting from or relating to the filing of the Chapter 11 Cases or imposed by the Bankruptcy Court, the Debtors will continue (i) using commercially reasonable efforts to preserve the relationships with current important customers, distributors, suppliers, vendors and others having business dealings with the Debtors, including but not limited to the performance of all material obligations under any executory contracts which have not been rejected and compliance with historical billing practices, (ii) maintaining their physical assets, properties and facilities in their current working order, condition and repair as of the date hereof (ordinary wear and tear excepted) and maintaining all existing insurance on the foregoing, (iii) not taking any action, or omitting to take any action, the intent of which is to cause the termination of their respective current executive officers (other than for good reason or for cause) and (iv) maintaining the Debtors' books and records on a basis consistent with prior practice, including prior billing and collection practices.

#### **11) REPRESENTATIONS.**

(a) Each Party represents to each other Party that, as of the date of this Agreement:

(i) such Party is duly organized, validly existing, and in good standing (where such concept is recognized) under the laws of the jurisdiction of its organization, and has all requisite corporate, partnership, or limited liability company power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Agreement;

(ii) the execution, delivery and performance of this Agreement by such Party does not and shall not (x) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its organizational documents or those of any of its subsidiaries or (y) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligations (other than the Senior Notes Indenture) to which it or any of its subsidiaries is a party or under its organizational documents;

(iii) assuming each other Party hereto is (i) outside the United States; (ii) an “accredited investor” within the meaning of Regulation D under the Securities Act, (iii) in any member state of the EEA, (a) a “qualified investor” within the meaning of the Prospectus Directive; or (b) one of less than 150 natural or legal persons per EEA member state; or (iv) in the United Kingdom, a person who (a) has professional experience in matters relating to investments falling within article 19(5) of the Financial Promotion Order, (b) falls within article 49(2)(a) to (d) (“high net worth companies, unincorporated associations etc.”) of the Financial Promotion Order, (c) falls within article 43 (“members or creditors of certain bodies corporate”) of the Financial Promotion Order, or (d) is a person to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000) may otherwise lawfully be communicated or caused to be communicated, the execution, delivery and performance by it of this Agreement does not and shall not require any registration or filing with, consent or approval of, or notice to, or other action to, with or by, any federal, state or other governmental authority or regulatory body, except such filing as may be necessary and/or required for disclosure by the Securities and Exchange Commission or pursuant to state securities or “blue sky” laws, and the possible approval by the Bankruptcy Court of the Debtors authority to enter into and implement this Agreement; and

(iv) subject to the provisions of sections 1125 and 1126 of the Bankruptcy Code, this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws, both foreign and domestic, relating to or limiting creditors’ rights generally or by equitable principles relating to enforceability.

(b) The Debtors represent to the Consenting Noteholders that except for the Acknowledged Defaults, there are no other Events of Default in respect of the Senior Notes Indenture.

## **12) ENTIRE AGREEMENT; PRIOR NEGOTIATIONS.**

This Agreement, including the Exhibits and Schedules hereto, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all other prior negotiations, agreements, representations, warranties, term sheets, proposals, and understandings, whether written, oral, or implied, among the Parties with respect to the subject matter of this Agreement; provided, however, that any confidentiality agreement executed by any Party shall survive this Agreement and shall continue in full force and effect, subject to the terms thereof, irrespective of the terms hereof.

## **13) ACKNOWLEDGMENT OF AGREEMENT.**

Each of the Parties acknowledges and agrees that this Agreement is being executed in connection with negotiations concerning the Restructuring and in contemplation of the Out-of-Court Transaction or possible Chapter 11 Cases to be filed by the Debtors.

**14) RESERVATION OF RIGHTS; NO ADMISSION**

This Agreement and the Restructuring Term Sheet are part of a proposed settlement of a dispute among the Parties. Regardless of whether or not the transactions contemplated herein are consummated, or whether or not the Termination Date has occurred, if applicable, nothing shall be construed herein as a waiver by any Party of any or all of such Party's rights or remedies and the Parties expressly reserve any and all of their respective rights and remedies. Pursuant to Rule 408 of the Federal Rules of Evidence, any applicable state rules of evidence and any other applicable law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms. This Agreement (including any Acknowledged Defaults contained herein, except in respect of the Secured Notes Payment Default) shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of any Party of any claim or fault or liability or damages whatsoever. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

**15) THE DEBTORS' FIDUCIARY DUTIES.**

Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the Debtors or their affiliated entities or any of their respective directors or officers (in such person's capacity as a director or officer) to take any action, or to refrain from taking any action, to the extent that taking such action or refraining from taking such action would be inconsistent with such person's fiduciary obligations under applicable law.

**16) REPRESENTATION BY COUNSEL.**

Each Party hereto acknowledges that it has been represented by counsel (or had the opportunity to and waived its right to do so) in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would provide any Party hereto with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the intent of the Parties hereto. None of the Parties hereto shall have any term or provision construed against such Party solely by reason of such Party having drafted the same.

**17) INDEPENDENT DUE DILIGENCE AND DECISION-MAKING.**

Each Consenting Noteholder hereby confirms that it has made its own decision to execute this Agreement based upon its own independent assessment of documents and information available to it, as it has deemed appropriate.

**18) COUNTERPARTS.**

This Agreement may be executed in one or more counterparts, each of which, when so executed, shall constitute the same instrument and the counterparts may be delivered by facsimile transmission or by electronic mail in portable document format (.pdf).

**19) AMENDMENTS.**

(a) Except as otherwise provided herein, this Agreement may not be modified, amended or supplemented, and no provision of this Agreement may be waived, without prior written consent of the Debtors, the Consenting Common Equity Holders and the Required Consenting Noteholders.

(b) Each of the Parties agrees to negotiate in good faith all amendments and modifications to this Agreement as reasonably necessary and appropriate to consummate the Restructuring.

(c) No waiver of any of the provisions of this Agreement shall be deemed or constitute a waiver of any other provision of this Agreement, whether or not similar, nor shall any waiver be deemed a continuing waiver.

**20) HEADINGS.**

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof.

**21) RELATIONSHIP AMONG PARTIES.**

Notwithstanding anything herein to the contrary, the duties and obligations of the Consenting Noteholders under this Agreement shall be several, not joint. Furthermore, it is understood and agreed that no Consenting Noteholder has any duty of trust or confidence in any form with any other Consenting Noteholder, and there are no commitments among or between them, except as expressly stated in this Agreement. In this regard, it is understood and agreed that any Consenting Noteholder may trade in the Senior Notes or other debt or equity securities of the Debtors without the consent of Debtors or any other Consenting Noteholder, subject to Section 7 of this Agreement. No Consenting Noteholder shall have any responsibility for any such trading by any other entity by virtue of this Agreement. No prior history, pattern, or practice of sharing confidences among or between Consenting Noteholders shall in any way affect or negate this understanding and Agreement.

**22) SPECIFIC PERFORMANCE.**

It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy of any such breach, including, without limitation, an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder; provided, however, that each Party agrees to waive any requirement for the securing or posting of a bond in connection with such remedy.

**23) GOVERNING LAW.**

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. By its execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding against it with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, may be brought in either a state or federal court of competent jurisdiction in the State and County of New York. By execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably accepts and submits itself to the nonexclusive jurisdiction of each such court, generally and unconditionally, with respect to any such action, suit or proceeding. Notwithstanding the foregoing consent to jurisdiction in either a state or federal court of competent jurisdiction in the State and County of New York, upon the commencement of the Chapter 11 Cases, each of the Parties hereto hereby agrees that, if the petitions have been filed and the Chapter 11 Cases are pending, the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement. EACH PARTY HERETO UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING REFERRED TO ABOVE. Notwithstanding the foregoing consent to New York jurisdiction, if the Chapter 11 Cases are commenced by the Debtors, each Party agrees that the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement.

**24) RSA EFFECTIVE DATE.**

This Agreement shall become effective upon (such date, the “RSA Effective Date”):

- (a) the execution and delivery of this Agreement by the Debtors;
- (b) the execution and delivery of this Agreement by the Consenting Common Equity Holders; and
- (c) the execution and delivery of this Agreement by the Requisite Consenting Noteholders.

**25) NOTICES.**

All notices (including, without limitation, any notice of termination) and other communications from any Party given or made pursuant to this Agreement shall be in writing and shall be deemed to have been duly given upon the earliest of the following: (i) upon personal delivery to the Party to be notified, (ii) when sent by confirmed electronic mail if sent during normal business hours of the recipient, and if not so confirmed, on the next Business Day, (iii) three (3) Business Days after having been sent by registered or certified mail, return receipt requested, postage prepaid, and (iv) one (1) Business Day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. **26) THIRD-PARTY BENEFICIARIES.**

Unless expressly stated herein and other than with respect to counsel to Eletson MI and the Released Parties, each of which is expressly intended to be a third party beneficiary of this Agreement with respect to Sections 33 and 34 hereof, respectively, this Agreement shall be solely for the benefit of the Parties and no other Person shall be a third-party beneficiary hereof.

**27) PUBLICITY; NON-DISCLOSURE.**

This Agreement, as well as its terms, its existence, and the existence of the negotiation of its terms are expressly subject to any existing confidentiality agreements executed by and among any of the Parties as of the date hereof; provided, however, that, after the Solicitation Commencement Date (as defined herein), the Parties may disclose the existence of, or the terms of, this Agreement or any other material term of the transaction contemplated herein without the express written consent of the other Parties, but may not disclose, and shall redact, the holdings information of every Party to this Agreement as of the date hereof and at any time hereafter. In addition, each Party to this Agreement shall have the right, at any time, to know the identities of every other Party to this Agreement, but must keep such information confidential and may not disclose such information to any person except as may be required by law or compelled by a court of competent jurisdiction. The individual holdings information for each Party to this Agreement will be shared with the advisors to each Party to this Agreement on a confidential, advisors' eyes-only basis. The Debtors take no position with regard to whether such information may be material non-public information, but may not disclose such information other than on a confidential basis.

**28) NO WAIVER OF PARTICIPATION AND PRESERVATION OF RIGHTS.**

This Agreement and the Restructuring Term Sheet are part of a proposed settlement of disputes among the Parties. Without limiting the foregoing sentence in any way, if the transactions contemplated by this Agreement or otherwise set forth in the Restructuring Term Sheet are not consummated as provided herein, if (x) a Termination Event occurs, or (y) this Agreement is otherwise terminated for any reason, the Parties each fully reserve any and all of their respective rights, remedies, claims and interests. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair or restrict the ability of each Party to protect and preserve its rights, remedies and interests, including the Senior Note Claims and any other claims against the Debtors or other parties, or its full participation in the Chapter 11 Cases. Without limiting the foregoing sentence in any way, after a Termination Event, the Parties hereto each fully reserve any and all of their respective rights, remedies and interests, in the case of any claim for breach of this Agreement. Furthermore, nothing in this Agreement shall be construed to prohibit any Party from appearing as a party-in-interest in any matter to be adjudicated in the Chapter 11 Cases so long as any appearance by a

Party and the positions advocated by such Party in connection therewith are consistent with this Agreement and the Plan and are not for the purpose of, and would not reasonably be expected to have the effect of, hindering, delaying or preventing the consummation of the Restructuring.

**29) FEDERAL RULE OF EVIDENCE 408.**

This Agreement and the Restructuring Term Sheet are part of a proposed settlement of a dispute among the Parties. Nothing herein shall be deemed a direct or indirect admission of any kind. Pursuant to Federal Rule of Evidence 408 and any applicable state rules of evidence, this Agreement, the Restructuring Term Sheet and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce the terms of this Agreement.

**30) RULE OF INTERPRETATION.**

(f) the words “herein,” “hereof,” and “hereto” refer to this Agreement in its entirety rather than to any particular portion of this Agreement;

### **31) SUCCESSORS AND ASSIGNS; SEVERABILITY; SEVERAL OBLIGATIONS.**

This Agreement is intended to bind and inure to the benefit of the Parties and their respective permitted successors, assigns, heirs, executors, estates, administrators and representatives. The invalidity or unenforceability at any time of any provision hereof in any jurisdiction shall not affect or diminish in any way the continuing validity and enforceability of the remaining provisions hereof or the continuing validity and enforceability of such provision in any other jurisdiction. The agreements, representations and obligations of the Consenting Noteholders under this Agreement are, in all respects, several and not joint.

### **32) GOOD FAITH COOPERATION; FURTHER ASSURANCES.**

The Parties shall, and the Debtors shall cause each of their subsidiaries and affiliates to, cooperate with each other in good faith and shall coordinate their activities (to the extent practicable) in respect of all matters concerning the implementation and consummation of the Restructuring. Furthermore, each of the Parties shall, and the Debtors shall cause each of their subsidiaries and affiliates to, take such action (including executing and delivering any other agreements and making and filing any required regulatory filings) as may be reasonably necessary to carry out the purposes and intent of this Agreement. Each Party hereby covenants and agrees (a) to negotiate in good faith the Definitive Documents, each of which shall (i) contain the same economic terms as, and other terms consistent in all material respects with, the terms set forth in the Restructuring Term Sheet (as amended, supplemented or otherwise modified as provided herein), (ii) except as otherwise provided for herein, be in form and substance reasonably acceptable in all respects to the Parties signatory thereto, and (iii) be consistent with this Agreement and the Restructuring Term Sheet in all material respects, and (b) to execute the Definitive Documents (in each case to the extent such Party is a party thereto).

### 34) RELEASE

(a) The Company and each of its affiliates (the “SPV Releasing Parties”) shall fully and finally waive, release, discharge, and shall be deemed to have forever waived, released and discharged, the Vessel SPVs (the “SPV Released Parties”), from any and all obligations and liabilities to the SPV Releasing Parties (and their successors and assigns) and from any and all claims, counterclaims, demands, debts, accounts, contracts, liabilities, actions and causes of action arising prior to the RSA Effective Date of any kind, nature or description, whether known or unknown, matured or unmatured, foreseen or unforeseen or liquidated or unliquidated, arising in law or equity or upon contract or tort or under any state or federal law or otherwise, arising out of or related to Restructuring or the June 2019 Restructuring (collectively, the “SPV Release”); provided, that, no SPV Released Party shall be released from any act or omission that constitutes fraud, gross negligence, or willful misconduct as determined by a Final Order. Such MI Release shall continue and remain in full force and effect from and after the RSA Effective Date regardless of whether this Agreement is terminated.

**35) NO SOLICITATION.**

This Agreement is not intended to be, and each signatory to this Agreement acknowledges that this Agreement is not (a) an offer for the purchase, sale, exchange, hypothecation, or other transfer of securities for purposes of the Securities Act and the Securities Exchange Act of 1934, or (b) a solicitation of votes for the acceptance of a chapter 11 plan of reorganization (including the Plan) for the purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. # EXHIBIT E

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

----- X

WILMINGTON SAVINGS FUND SOCIETY, FSB, solely  
in its capacity as trustee of the First Preferred Ship Mortgage  
Notes due 2022 issued by Eletson Holdings Inc., Eletson  
Finance (US) LLC, and Agathonissos Finance LLC,

Plaintiff,

v. Case No.: 23-cv-00261

ELETSON HOLDINGS INC., ELETSON FINANCE (US)  
LLC, and AGATHONISSOS FINANCE LLC,

Defendants.

----- X

Plaintiff Wilmington Savings Fund Society, FSB, solely in its capacity as trustee and  
collateral agent for certain notes issued by the above-named Defendants (“Plaintiff” or the  
“Trustee”), by and through its undersigned counsel, brings this action against the above-named  
Defendants, and alleges as follows:

NATURE OF THE ACTION

1. This is a breach of contract and indemnification action arising from the Defendants’  
failure to make required payments on certain notes (the “Notes”) and to fulfill their indemnification  
obligations under the Indenture (as defined below). The Notes were issued by Defendants Eletson  
Holdings Inc., Eletson Finance (US) LLC, and Agathonissos Finance LLC (the “Issuers”).
2. The Issuers issued the Notes under an indenture dated as of July 2, 2018 (the  
“Indenture”) by and among the Issuers and the Trustee. A true and accurate copy of the Indenture  
is attached hereto as **Exhibit A**.

3. The Notes required the Issuers, among other things, to make regularly scheduled interest payments to holders of the Notes. They also required the Issuers to repay the principal and any unpaid and accrued interest on the maturity date of January 15, 2022 (the “Maturity Date”).

4. The Issuers failed to make the required interest payment due on April 15, 2019, and each subsequent interest payment, each due on January 15, April 15, July 15, and October 15 of each calendar year up to and including the Maturity Date. They also failed to repay the principal and accrued interest on the Maturity Date and to fulfill their obligations to compensate and indemnify the Trustee as provided for under the Indenture. For those reasons and others, the Issuers have breached their obligations under the Notes and the Indenture.

5. Plaintiff therefore seeks monetary relief in the amount of all unpaid principal, and accrued and unpaid interest, and indemnification for all losses incurred under the Indenture and the Notes. As of the date of this complaint, the unpaid amounts total approximately \$354,159,101.92.

### **PARTIES**

6. Plaintiff Wilmington Savings Fund Society, FSB, acting as trustee and collateral agent, is a federal savings bank duly organized and existing under the laws of the United States of America. Plaintiff has its home office and principal place of business in the state of Delaware.

7. Defendant Eletson Holdings Inc. (“Eletson Holdings”) is a corporation organized under the laws of Liberia with its principal place of business in Greece. Upon information and belief, Eletson Holdings Inc. owns 100% of equity and membership interests in the co-issuers party to this action.

8. Defendant Eletson Finance (US) LLC is a Delaware limited liability company. Upon information and belief, Eletson Finance (US) LLC is a wholly owned subsidiary of Eletson Holdings Inc. and none of its members is a citizen of Delaware.

9. Defendant Agathonissos Finance LLC (or “Eletson MI”) is a limited liability company organized under the laws of the Marshall Islands. Upon information and belief, Agathonissos Finance LLC is a wholly owned subsidiary of Eletson Holdings Inc. and none of its members is a citizen of Delaware.

10. The above-named entities are signatories and parties to the Indenture, dated as of July 2, 2018. Plaintiff Wilmington Savings Fund Society, FSB, serves as trustee and collateral agent. Defendants, Eletson Holdings Inc., Eletson Finance (US) LLC, and Agathonissos Finance LLC, are co-issuers under the Indenture. In addition, thirteen vessel-owning special purpose vehicles guaranteed the obligations of the Issuers under the Notes and the Indenture and are not named as Defendants (collectively, the “Guarantors”).<sup>1</sup>

### **JURISDICTION AND VENUE**

11. The Court has subject matter jurisdiction over this action under 28 U.S.C. § 1332(a)(2). This action is between a citizen of a state on the one hand and citizens of foreign states on the other. The amount in controversy exceeds \$75,000. The Trustee seeks a money judgment of at least \$354,159,101.92.

12. Venue is proper in this District because the Issuers have agreed under the Indenture that any action arising out of or related to the Indenture may be brought in any federal or state court located in the County of New York and have waived all objections related to venue therein. Section 13.11 of the Indenture provides:

This Indenture, the Notes, the Guarantees and the Security Documents will be governed by and construed in accordance with the laws of the State of New York.... This Indenture and Security

---

<sup>1</sup> The Guarantors are Erikoussa SME, Alonissos SME, Agathonissos SME, Makronissos SME, Pelagos II SME, Angistri SME, Skopelos II SME, Megalonissos SME, Shinoussa Shipping Corporation, Sarakino Shipping Corporation, Venetiko Shipping Corporation, Skyros II Shipping Corporation and Sikinos II Shipping Corporation.

Documents governed by New York law will provide that each of the Issuers and the Guarantors will irrevocably submit to the jurisdiction of any New York State or United States Federal court sitting in the County of New York over any suit, action or proceeding arising out of or relating to this Indenture, the Notes, the Guarantees or any Security Document. Each of the Issuers and the Guarantors will irrevocably waive, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such courts and any claim that any such suit, action or proceeding brought in such courts, has been brought in an inconvenient forum and any right to which it may be entitled on account of place of residence or domicile. Each of the Issuers and the Guarantors will agree that final judgment in any such suit, action or proceeding brought in such a court shall be conclusive and binding on them and may be enforced in any court to the jurisdiction of which each of them is subject by a suit upon such judgment, provided, that service of process is effected upon the Issuers or the Guarantors in the manner specified in the following paragraph or as otherwise permitted by applicable law.

13. This Court has personal jurisdiction over the Defendants because they regularly conduct business throughout the United States, including in the state of New York. In addition, the Defendants have irrevocably submitted to the jurisdiction of this Court under Section 13.11 of the Indenture. Finally, the Issuers have consented under the Indenture to service of process at any business location that the Issuers and Guarantors maintain in the United States, including at the offices of Eletson Maritime, Inc., located in Stamford, Connecticut.

**FACTUAL ALLEGATIONS**

**A. The Indenture and the Notes**

14. On or about July 2, 2018, the Issuers and Guarantors entered into the Indenture with Plaintiff, acting as trustee and collateral agent.

15. Under the Indenture, Eletson Holdings Inc., Eletson Finance (US) LLC, and Eletson MI issued First Preferred Ship Mortgage Notes due January 15, 2022, in an aggregate principal amount of \$314,068,360 (the “Notes”).

16. As set forth in the Form of the Note attached to the Indenture, interest on the Notes accrued at specified rates and in a specified manner during three different time periods:

- a. Semiannually, in arrears, for the interest period from January 16, 2018 to July 15, 2018, at a rate of 12.00% per annum, in each case, payable on July 15, 2018 to holders of record on July 1, 2018, payable entirely by increasing the principal amount of the outstanding Notes or by issuing new Notes (“PIK Interest”);
- b. Semiannually, in arrears, for the interest period from July 16, 2018 to January 15, 2019, at a rate of 9.625% per annum, payable in cash (“Cash Interest”) to holders of record on January 1, 2019; and
- c. From and after January 16, 2019, quarterly, in arrears, at a rate per annum of (i) 9.625% for any interest payment date for which the Trailing TCE is less than \$20,000 or (ii) 10.625% plus 1.00% for each integral multiple of \$2,000 by which the Trailing TCE for such interest payment date exceeds \$20,000 (up to a maximum of 14.625% per annum), payable on each January 15, April 15, July 15 and October 15 as Cash Interest to holders of record on the immediately preceding January 1, April 1, July 1 and October 1, respectively.

17. Accordingly, the first interest payment was due on July 15, 2018, consisting of PIK Interest for the interest period from January 16, 2018, to July 15, 2018. Interest payments for the period from July 16, 2018 to January 15, 2019 were due semi-annually in cash, with the first of such payments due on January 1, 2019. Thereafter, cash interest was due quarterly through the Maturity Date of January 15, 2022.

18. Additionally, under Section 4.01 of the Indenture, the Issuers agreed to pay interest on overdue principal, interest, and premium, if any, at the rate of 1% per year in excess of the then applicable interest rate. On the Maturity Date, all principal and other amounts owing under the Notes became immediately due and payable.

19. Each Guarantor guaranteed the Issuers’ obligations under the Notes and the Indenture (individually, a “Guarantee”). Under Section 11.05(a)(1) of the Indenture, a Guarantee becomes automatically and unconditionally released and is of no further force and effect “upon

the voluntary sale or disposition . . . or conveyance, transfer or lease of the Capital Stock of a Guarantor following which such Guarantor is no longer a Restricted Subsidiary . . . .”

20. Finally, the Indenture specifies certain events of default (each, an “Event of Default”). Section 6.01 of the Indenture provides, in relevant part, that each of the following is an Event of Default:

- (a) default for 30 days in the payment when due of any interest or any Additional Amounts on any Note;
- (b) default in the payment of the principal of or premium, if any, on any Note at its Maturity (upon acceleration, optional or mandatory redemption, if any, required repurchase or otherwise);

....

- (e) failure to comply with any covenant or agreement of an Issuer or of any Restricted Subsidiary that is contained in this Indenture, the Notes, any Guarantee or any Security Document (other than specified in clause (a), (b), (c), or (d) above) and such failure continues for a period of 30 consecutive days or more after notice has been given to the Company by the Trustee or to the Company and a Responsible Officer of the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes then outstanding specifying the default and demanding compliance;

21. In an Event of Default, the Indenture empowers the Trustee to pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes. The Trustee does not need to own any Notes to pursue such remedy, nor does the Trustee waive any remedies under the Indenture by reason of delay. *Id.* at § 6.03. Further, the Indenture specifically authorizes the Trustee to institute judicial proceedings in an Event of Default for the collection of unpaid sums against the Issuers and the Guarantors. *Id.* at § 6.08.

22. The Indenture permits the holders of a majority in aggregate principal amount of the outstanding Notes to direct the time, method, and place of conducting any proceeding for exercising any remedy available to the Trustee. *Id.* at § 6.05.

23. Further, the Issuers and Guarantors agreed to, jointly and severally, indemnify the Trustee and its agents, officers, and directors against all losses, liabilities and expenses incurred arising out of the Trustee's acceptance and administration of duties under the Indenture, including the costs and expenses of enforcing its remedies against the Issuers and the Guarantors (the "Indemnity"). *Id.* at § 7.07(b). The obligations under the Indemnity survive the satisfaction and termination of the Indenture. *Id.* at § 7.07(c). To secure the Issuers' and Guarantors' obligations under the Indemnity, the Indenture grants a lien in favor of the Trustee prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. *Id.* at § 7.07(d).

**B. The Collateral**

24. In connection with the issuance and sale of the Notes, the Issuers granted a first-lien interest in certain pledged collateral as security for all obligations and indebtedness owed by each Issuer to the Trustee and the holders of the Notes.

25. Specifically, the Issuers, the Trustee, and the officers of the companies being offered as pledged assets executed a Pledge Agreement, dated as of July 2, 2018. A true and accurate copy of the Pledge Agreement is attached hereto as **Exhibit B**.

26. Under the Pledge Agreement, the Issuers pledged the following assets as collateral under the Notes (collectively, the "Collateral"):

- a. All outstanding common shares or membership interests in Eletson Finance (US) LLC, Eletson MI, and the Guarantors (the "Pledged Equity");
- b. thirteen shipping vessels owned by the Guarantors (the "Mortgaged Vessels");
- c. the earnings arising from freights, hires and other earnings from the operation and use of or relating to each such Mortgaged Vessel;
- d. all other cash and various accounts of Eletson MI and the Guarantors; and

e. all proceeds of any of the foregoing.

27. On or about July 2, 2018, the Issuers, the Trustee, and the Guarantors executed additional agreements and other documents evidencing the creation of a first-lien interest in the Collateral and the granting of such security interest to the holders of the Notes and to the Trustee (collectively, the “Security Documents”).

**C. The Defendants’ Default Under the Indenture**

28. As set forth above, the Indenture and Notes required the Issuers to make an interest payment of approximately \$12,172,111.86 to the holders of the Notes on January 15, 2019.

29. The Issuers failed to make the required interest payment on January 15, 2019. Under Section 6.01(a) of the Indenture, the Issuers’ failure to make the January 15, 2019 interest payment constituted an Event of Default as of February 14, 2019.

**D. The January 2019 Forbearance Agreement**

30. On or about January 25, 2019, the Issuers and Guarantors entered into a forbearance agreement (the “Forbearance Agreement”) with an ad hoc group of holders of over 90% of the Notes (the “Ad Hoc Group”).<sup>2</sup>

31. Under the Forbearance Agreement, the Ad Hoc Group agreed to forbear from pursuing any remedies available to them under the Indenture until the earlier of February 11, 2019, or the occurrence of an Event of Termination under the Forbearance Agreement.

32. Also under the Forbearance Agreement, the Issuers and Guarantors acknowledged that certain Events of Default under the Indenture had occurred, including the Issuers’ failure to make the required interest payment on January 15, 2019.

---

<sup>2</sup> The Forbearance Agreement contains confidentiality provisions and is not filed at this time. All allegations related to the Forbearance Agreement herein are not subject to such provisions.

33. On the day it executed the Forbearance Agreement, Eletson Holdings issued a press release stating: “The Company is confident that it has sufficient liquidity in the near term to operate its business in the ordinary course while it works to implement its financial restructuring.” A true and accurate copy of the press release is attached hereto as **Exhibit C**.

34. Notwithstanding Eletson Holdings’ public statement, the Events of Default described in the Forbearance Agreement continued. The Forbearance Agreement terminated on February 11, 2019.

**E. The June 2019 Restructuring Support Agreement**

35. On or about April 5, 2019, the Ad Hoc Group sent to the Trustee a Notice of Default, Direction to Exercise Remedies under the Indenture for the First Preferred Ship Mortgage Notes due 2022 and Security Documents, and Indemnification of the Trustee and Collateral Agent (the “First Direction Letter”). The First Direction Letter notified the Trustee that Events of Default had occurred under the Security Documents and the Indenture.<sup>3</sup>

36. The First Direction Letter notified the Trustee that the Issuers had failed to pay interest when due under the Notes on January 15, 2019, which under Section 6.1(a) of the Indenture constituted an event of Default as of February 14, 2019. The Ad Hoc Group directed the Trustee by the First Direction Letter to take certain actions consistent with the remedies available to the Trustee in an Event of Default under the Indenture, including formally notifying the Issuers and Guarantors of each Event of Default described in the First Direction Letter.

37. On or about April 8, 2019, the Trustee sent a Notice of Events of Default to the Issuers and Guarantors formally notifying them of the Events of Default contained in the First

Direction Letter (the “Notice of Default”). A true and accurate copy of the Notice of Default is attached hereto as **Exhibit D**.

38. On or about June 24, 2019, the Issuers, the Guarantors, certain equity holders of Eletson Holdings, and the Ad Hoc Group entered into a Restructuring Support Agreement (the “RSA”) setting forth the terms of a restructuring of, among other things, the Issuers’ obligations under the Notes and the Indenture (the “Restructuring”).<sup>4</sup>

39. The Restructuring contemplated that the parties would effectuate a series of transactions through a joint prepackaged chapter 11 plan, including the issuance of new notes, convertible notes, and new preferred stock of the Issuers in exchange for, among other things, the partial satisfaction of the existing Notes. The effectiveness of the RSA and the Restructuring transactions was conditioned on the Issuers meeting various milestones as set forth in Exhibit C to the RSA. In relevant part, those milestones included:

1. As soon as reasonably practicable, but in no event later than July 15, 2019, the Solicitation Materials shall be agreed in form and substance among the Company, the Consenting Common Equity Holders and the Consenting Noteholders;
2. On or before July 22, 2019, the Company shall commence a solicitation of the holders of Senior Notes seeking the acceptance of the Plan (the “Solicitation Commencement Date”); provided, that Holdings may seek an extension of the Solicitation Commencement Date by seven (7) days if the Parties agree that good faith progress is being made in the Company’s negotiations with the Working Capital Facility Lenders (such consent to extension not to be unreasonably withheld by the Consenting Noteholders), and, if the Solicitation Commencement Date is so extended, Milestones 3, 4 and 5 shall each also be extended by seven (7) days;
- ...
4. The remaining Definitive Documents shall be agreed in form and substance among the Company, and with respect to Eletson MI, consistent with the Eletson MI Consent Right, the Consenting Common Equity Holders and the Consenting Noteholders on or before August 9, 2019;

---

<sup>4</sup> The RSA contains confidentiality provisions and is not filed at this time. All allegations related to the RSA herein are not subject to such provisions.

40. The RSA also contemplated the execution and delivery of a Strict Foreclosure Agreement by the Issuers, including Eletson MI (the “Strict Foreclosure Agreement”). The Issuers, the Guarantors, and the Trustee executed the Strict Foreclosure Agreement on or about June 24, 2019. A true and accurate copy of the Strict Foreclosure Agreement is attached hereto as **Exhibit E**.

41. Under the Strict Foreclosure Agreement, Eletson MI transferred all rights to and equity interests in the Guarantors to non-party New Agathonissos Finance LLC (“NewCo.”), a Marshall Islands LLC beneficially owned by the holders of the Notes. The transfer of all equity interests in the Guarantors caused the automatic and unconditional release of each Guarantee under Section 11.05(a) of the Indenture.

42. The Strict Foreclosure Agreement provided that, if the Restructuring transactions contemplated by the RSA were not consummated on or before the earlier of (i) December 24, 2019 or (ii) the termination of the RSA, so long as the Strict Foreclosure remained in full force and effect, the obligations owed to the Trustee and to the holders of the Notes would be deemed partially satisfied in the amount of \$130 million in exchange for the acceptance by the holders of the foreclosed interests in the Guarantors.

43. On or about August 9, 2019, the Ad Hoc Group sent to Eletson Holdings a Notice of Termination of the Restructuring Support Agreement (“Notice of Termination”). The Notice of Termination informed Eletson Holdings that, under Section 6 (a)(iii) of the RSA, a termination event had occurred due to the failure of Eletson Holdings to meet Milestones 1, 2, and 4 in the RSA. The Notice of Termination released the Ad Hoc Group and all other consenting holders of notes from all commitments, undertakings, and agreements related to the RSA. A true and accurate copy of the Notice of Termination is attached hereto as **Exhibit F**.

44. At the direction of the Ad Hoc Group, the Trustee delivered a Consent Solicitation Statement to the holders of the Notes on or about October 16, 2019 (the “Consent Solicitation Statement”). The Consent Solicitation Statement solicited the consent of the holders of the Notes to amend the Indenture in certain respects and to direct the Trustee to release all liens on the Collateral securing the Notes. After receiving the consent of holders representing two-thirds of the outstanding principal amount of the Notes, the Issuers and the Trustee executed a Supplemental Indenture on or about October 24, 2019 (the “Supplemental Indenture”). True and accurate copies of the Consent Solicitation Statement and the Supplemental Indenture are attached hereto as **Exhibit G** and **Exhibit H**, respectively.

45. On or about October 24, 2019, the Trustee effected the release of all the liens on the Collateral securing the Notes.

**F. The Issuers’ Continuing Default Under the Indenture**

46. Since the delivery of the Notice of Termination, the Issuers have failed to make any required payments of interest and principal on the Notes.

47. On January 15, 2022, the Maturity Date of the Notes occurred, and all outstanding principal and unpaid interest became immediately due and payable. The Issuers failed to pay the principal and interest when due.

48. As of the date of this filing, approximately \$202,912,461.00 in principal of the Notes remains outstanding. In addition, approximately \$151,246,640.92 in interest has accrued on the Notes and remains unpaid. In total, the outstanding principal and interest on the Notes as of the date hereof is approximately \$354,159,101.92.

49. On or about January 10, 2023, holders of a majority in aggregate principal amount of the then-outstanding Notes delivered a letter to the Trustee directing the Trustee to take certain actions consistent with the remedies available to the Trustee to collect overdue principal and

interest and certain indemnified losses (the “Second Direction Letter”). The Second Direction Letter, *inter alia*, directed the Trustee to retain undersigned counsel and prepare a complaint to be filed in this District for breach of contract due to nonpayment of interest and principal and certain indemnified losses. The Trustee accepted the directions given under the Second Direction Letter.

## **COUNT I**

### **Breach of Contract - Nonpayment of Interest and Principal**

50. Plaintiff repeats and realleges all preceding paragraphs as if fully set forth herein.

51. The Issuers’ obligations for the payment of principal and interest on the Notes are due and outstanding under the terms of the Note and of the Indenture.

52. On or about April 8, 2019, the Trustee notified the Issuers that they had failed to pay interest when due under the Notes on January 15, 2019, which constituted an event of Default as of February 14, 2019, pursuant to Section 6.1(a) of the Indenture.

53. Despite this notice, the Issuers have failed to make any payments of interest on the Notes to the Plaintiff or to the holders of the Notes.

54. On January 15, 2022, the Notes matured, and all outstanding principal and unpaid interest became immediately due and payable.

55. The Issuers have failed to make any payment of principal or interest under the Notes since the Maturity Date.

56. By reason of the foregoing, the Issuers have breached their contractual obligations to the Plaintiff and to the holders of the Notes, and the Issuers are liable to the Plaintiff and to the holders of the Notes for unpaid principal and interest in the approximate amount of \$354,159,101.92.

**COUNT II:**

**Breach Of Contract - Indemnified Losses and Expenses**

57. Plaintiff repeats and realleges all preceding paragraphs as if fully set forth herein.

58. Under Section 7.07 of the Indenture, the Issuers agreed to, jointly and severally, indemnify the Trustee, its agents, officers, and directors for all expenses and losses incurred in connection with the acceptance and administration of its duties under the Indenture, including the enforcement of remedies against the Issuers.

59. The Trustee has heretofore incurred expenses and losses, including attorney's fees, and continues to accrue expenses and losses in connection with the acceptance and administration of its duties under the Indenture.

60. By reason of the foregoing, the Issuers are liable, jointly and severally, to the Trustee for all losses, costs, charges, fees, and expenses incurred and that will be incurred by the Trustee in the administration of its duties under the Indenture, for a sum to be determined together with interest thereon.

**REQUEST FOR RELIEF**

61. WHEREFORE, Plaintiff demands judgment against the Issuers as follows:

- i. On the First Cause of Action, awarding Plaintiff damages against the Issuers in the amount of not less than \$354,159,101.92;
- ii. On the Second Cause of Action, awarding Plaintiff damages for expenses and losses incurred and such additional amounts not yet determined with interest thereon;
- iii. Awarding Plaintiff such equitable and injunctive relief as may be necessary to prevent the dissipation of the Issuers' assets;

- iv. Awarding Plaintiff such other and further relief as this Court deems just and proper.

## ARTICLE 2 THE NOTES

#### Section 2.01 Form and Dating.

(a) *General.* The Notes and the Trustee’s certificate of authentication will be substantially in the form of Exhibit A. The Notes may have notations, legends or endorsements

required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. Any PIK Notes shall be in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. Notwithstanding any provision of this Indenture or the Notes (i) any *pro rata* redemptions or repurchases of the Notes by the Issuers pursuant to this Indenture shall be made in a manner that preserves the authorized denominations of the Notes, and (ii) in the case of Global Notes, the selection of Notes to be redeemed or repurchased will be in accordance with the procedures of the Depositary.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuers, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global and Definitive Notes.* Notes issued in global form will be substantially in the form of Exhibit A (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06.

(c) *Temporary Global Notes.* Notes offered and sold in reliance on Regulation S will be issued initially in the form of the Regulation S Temporary Global Note, which will be deposited by the Issuers on behalf of the purchasers of the Notes represented thereby with the Custodian, and registered in the name of the Depositary or the nominee of the Depositary for the accounts of Participants holding on behalf of Euroclear or Clearstream, duly executed by the Issuers and authenticated by the Trustee as hereinafter provided. The Restricted Period will be terminated prior to the expiration of the 40-day period upon the receipt by the Trustee of:

(1) a written certificate from the Depositary, together with copies of certificates from Euroclear and Clearstream, certifying that they have received certification of non-United States beneficial ownership of 100% of the aggregate principal amount of the Regulation S Temporary Global Note (except to the extent of any Beneficial Owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who will take delivery of a Beneficial Ownership interest in a 144A Global Note or an AI Global Note bearing a Private Placement Legend, all as contemplated by Section 2.06(b)); and

(2) an Officers' Certificate from the Issuers.

Following the termination of the Restricted Period, all beneficial interests in the Regulation S Temporary Global Note will be exchanged for beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures. Simultaneously with the authentication of the Regulation S Permanent Global Note in accordance with Section 2.02, the Trustee will cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Registrar and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

The Trustee shall have no duty to request the certificates described in subclauses (1) and (2) of this Section 2.01(c).

(d) *Euroclear and Clearstream Procedures Applicable.* The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream will be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Note that are held by Participants through Euroclear or Clearstream.

#### Section 2.02 Execution and Authentication.

At least one Officer of each Issuer shall execute the Notes on behalf of such Issuer by manual or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will, upon receipt of an Authentication Order, authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes and the Regulation S Permanent Global Note. Such Authentication Order shall specify the principal amount of the Notes to be authenticated, the date on which the issue of the Notes is to be authenticated, the number of separate Notes certificates to be authenticated, the registered Holder of each such Note and delivery instructions and, in the case of an issuance of Additional Notes after the Closing Date, shall certify that such issuance is in compliance with Sections 4.09 and 4.13. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuers pursuant to one or more Authentication Orders, except as provided in Section 2.07.

The Trustee may appoint an authenticating agent acceptable to the Issuers to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuers.

Section 2.03 Registrar and Paying Agent.

The Issuers will maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“Registrar”) and an office or agency where Notes may be presented for payment (“Paying Agent”). The Registrar will keep a register of the Notes and of their transfer and exchange. The Issuers may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Issuers will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuers fail to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuers or any of their respective Subsidiaries may act as Paying Agent or Registrar.

The Issuers initially appoint The Depository Trust Company (“DTC”) to act as Depository with respect to the Global Notes.

The Issuers appoint the Trustee to act as the Registrar and Paying Agent under this Indenture and as Custodian with respect to the Global Notes.

Section 2.04 Paying Agent to Hold Money in Trust.

The Issuers will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuers in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee of all amounts that it is obligated to pay, the Paying Agent (if other than the Issuers or a Subsidiary of an Issuer) will have no further liability for the money. If the Issuers or a Subsidiary of an Issuer act as Paying Agent, they will segregate and hold in a separate trust fund for the benefit of the Holders all money held by them as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuers, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Registrar will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar or the Paying Agent, the Issuers will furnish to the Trustee at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders and the Issuers shall otherwise comply with TIA § 312(a).

Section 2.06 Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. A Global Note is exchangeable for Definitive Notes if:

(1) the Issuers deliver to the Trustee and the Registrar notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it has ceased to be a clearing agency registered under the Exchange Act and, in either case, the Issuers fail to appoint a successor Depositary within 90 days after the date of such notice from the Depositary;

(2) the Issuers at their option, notify the Trustee and the Registrar in writing that they elect to cause the issuance of Definitive Notes; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuers for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act; or

(3) there has occurred and is continuing a Default or Event of Default with respect to the Notes and the Depositary requests such exchange.

Upon the occurrence of any of the preceding events in (1), (2) or (3) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee and the Registrar. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); *provided, however*, that beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c).

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) of this Section 2.06(b), as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend;

provided, however, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an initial purchaser of the Notes). Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1), the transferor of such beneficial interest must deliver to the Registrar either:

(i) both: (x) a written order from a Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and (y) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(ii) both: (x) a written order from a Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and (y) instructions given by the Depositary to the Registrar containing information satisfactory to the Registrar regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in Section 2.06(b)(1) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Registrar shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(i).

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(i) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B, including the certifications in item (1) thereof;

(ii) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Temporary Global Note or the Regulation S Permanent Global Note, then the transferor must deliver a certificate in the form of Exhibit B, including the certifications in item (2) thereof; and

(iii) if the transferee will take delivery in the form of a beneficial interest in the AI Global Note, then the transferor must deliver a certificate in the form of Exhibit B, including the certifications, certificates and Opinion of Counsel required by item (3)(d) thereof, if applicable.

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C, including the certifications in item (1)(a) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B, including the certifications in item (4) thereof;

and, if the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to this clause (4) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to this clause (4).

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) *Transfer or Exchange of Beneficial Interests for Definitive Notes.*

(1) *Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes.* If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C, including the certifications in item (2)(a) thereof;

(ii) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B, including the certifications in item (1) thereof;

(iii) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B, including the certifications in item (2) thereof;

(iv) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B, including the certifications in item (3)(a) thereof;

(v) if such beneficial interest is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (ii) through (iv) above, a certificate to the effect set forth in Exhibit B, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable;

(vi) if such beneficial interest is being transferred to the Issuers or any of their respective Subsidiaries, a certificate to the effect set forth in Exhibit B, including the certifications in item (3)(b) thereof; or

(vii) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B, including the certifications in item (3)(c) thereof,

the Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(i), and the Issuers shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or

names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c)(1) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(2) *Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes.* Notwithstanding Sections 2.06(c)(1)(i) and (iii), a beneficial interest in the Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(3) *Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit C, including the certifications in item (1)(b) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B, including the certifications in item (4) thereof;

and, if the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(4) *Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes.* If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.06(b)(2), the Registrar will cause the aggregate principal amount of the applicable Unrestricted Global Note to be reduced accordingly pursuant to Section 2.06(i), and the Issuers will execute and the Trustee will authenticate and deliver to the Person designated in the instructions a

Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(4) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depositary and the Participant. The Trustee will deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(4) will not bear the Private Placement Legend.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests.*

(1) *Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(i) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C, including the certifications in item (2)(b) thereof;

(ii) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B, including the certifications in item (1) thereof;

(iii) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B, including the certifications in item (2) thereof;

(iv) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B, including the certifications in item (3)(a) thereof;

(v) if such Restricted Definitive Note is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (ii) through (iv) above, a certificate to the effect set forth in Exhibit B, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable;

(vi) if such Restricted Definitive Note is being transferred to the Issuers or any of their Subsidiaries, a certificate to the effect set forth in Exhibit B, including the certifications in item (3)(b) thereof; or

(vii) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B, including the certifications in item (3)(c) thereof,

the Registrar will cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (i) above, the appropriate Restricted Global Note, in the case of clause (ii) above, the 144A Global Note, in the case of clause (iii) above, the Regulation S Global Note, and in all other cases, the AI Global Note.

(2) *Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(i) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C, including the certifications in item (1)(c) thereof; or

(ii) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B, including the certifications in item (4) thereof;

and, in each such case set forth in this clause (2), if the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.06(d)(2), the Registrar will cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(3) *Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Registrar will cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to clause (2) above or this clause (3) at a time when an Unrestricted Global

Note has not yet been issued, the Issuers will issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

(1) *Restricted Definitive Notes to Restricted Definitive Notes.* Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(i) if the transfer will be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit B, including the certifications in item (1) thereof;

(ii) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B, including the certifications in item (2) thereof; and

(ii) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B, including the certifications in item (4) thereof;

and, if the Issuers so request, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) *Unrestricted Definitive Notes to Unrestricted Definitive Notes.* A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(h) *Procedures for Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.*

Upon the Issuers’ satisfaction that the Private Placement Legend shall no longer be required in order to maintain compliance with the Securities Act:

(1) beneficial interests in a Restricted Global Note may be automatically exchanged for beneficial interests in an Unrestricted Global Note without any action required by or on behalf of the Holder of such Restricted Global Note (the “Automatic Exchange”) at any time on or after the date that is the 366th calendar day after (a) with respect to the Notes issued on the Closing Date, the Closing Date or (b) with respect to Additional Notes, if any, the issue date of such Additional Notes, or, in each case, if such day is not a Business Day, on the next succeeding Business Day (the “Automatic Exchange Date”); and

(2) the Issuers shall (a) provide written notice to DTC and the Trustee at least fifteen (15) calendar days prior to the Automatic Exchange Date, instructing DTC to exchange all of the outstanding beneficial interests in a particular Restricted Global Note for beneficial interests in an Unrestricted Global Note, which the Issuers shall have previously otherwise made eligible for exchange with the DTC; (b) provide prior written notice (the “Automatic Exchange Notice”) to each Holder of such Restricted Global Note at such Holder’s address appearing in the register of Holders at least fifteen (15) calendar days prior to the Automatic Exchange Date (the “Automatic Exchange Notice Date”), which notice must include (i) the Automatic Exchange Date, (ii) the section of this Indenture pursuant to which the Automatic Exchange shall occur, (iii) the “CUSIP” number of the Restricted Global Note from which such Holder’s beneficial interests will be transferred and (iv) the “CUSIP” number of the Unrestricted Global Note into which such Holder’s beneficial interests will be transferred; and (c) on or prior to the Automatic Exchange Date, deliver to the Trustee for authentication one or more Unrestricted Global Notes, duly executed by the Issuers, in an aggregate principal amount equal to the aggregate principal amount of each Restricted Global Note to be exchanged for one or more such Unrestricted Global Notes.

At the Issuers’ written request on no less than five (5) calendar days’ notice prior to the Automatic Exchange Notice Date, the Trustee shall deliver, in the Issuers’ name and at their expense, the Automatic Exchange Notice to each Holder at such Holder’s address appearing in the register of Holders; *provided* that the Issuers have delivered to the Trustee the information required to be included in such Automatic Exchange Notice.

Notwithstanding anything to the contrary in this Section 2.06(h), during the fifteen (15) calendar day period prior to the Automatic Exchange Date, no transfers or exchanges

other than pursuant to this Section 2.06(h) shall be permitted without the prior written consent of the Issuers. As a condition to any Automatic Exchange, the Issuers shall provide, and the Trustee shall be entitled to conclusively rely upon, an Officers' Certificate and Opinion of Counsel to the Issuers to the effect that the Automatic Exchange shall be effected in compliance with the Securities Act, that the restrictions on transfer contained herein and in the Private Placement Legend shall no longer be required in order to maintain compliance with the Securities Act and that the aggregate principal amount of the particular Restricted Global Note is to be transferred to the particular Unrestricted Global Note by adjustment made on the records of the Trustee, as custodian for the Depositary, to reflect the Automatic Exchange. Upon such exchange of beneficial interests pursuant to this Section 2.06(h), the aggregate principal amount of the Global Notes shall be increased or decreased by adjustments made on the records of the Trustee, as custodian for the Depositary, to reflect the relevant increase or decrease in the principal amount of such Global Note resulting from the applicable exchange. The Restricted Global Note from which beneficial interests are transferred pursuant to an Automatic Exchange shall be cancelled following the Automatic Exchange.

(i) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on the "Schedule of Exchanges of Interests in the Global Note" of such Global Note by the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on the "Schedule of Exchanges of Interests in the Global Note" of such Global Note by the Trustee to reflect such increase.

(j) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Issuers will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(2) No service charge will be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers or the Trustee may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.10, 4.10, 4.11, 4.16, 4.17, 4.29 and 9.05).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Issuers will be required:

(i) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection;

(ii) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(iii) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile or email, with originals thereof to be delivered to the Registrar thereafter in a timely manner.

(9) Neither the Registrar, the Trustee nor any Agent shall have an obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(10) Neither the Trustee nor any Agent shall have any responsibility or liability for any action taken or not taken by the Depositary.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Registrar, Trustee or the Issuers, or the Trustee and the Issuers receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's and the Issuers' requirements are met. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of (i) the Trustee to protect the Trustee and (ii) the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss or liability that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuers and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuers hold the Note; *however*, Notes held by the Issuers or a Subsidiary of an Issuer shall not be deemed to be outstanding for purposes of Section 3.07(a).

If a Note is replaced pursuant to Section 2.07 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuers, a Subsidiary of an Issuer or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 Treasury Notes.

For purposes of determining whether the Holders of the required principal amount of Notes have concurred in any amendment, supplement, waiver, direction or consent, Notes owned by an Issuer, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with any such Issuer, shall be disregarded (it being understood that a Holder shall not be deemed to be directly or indirectly controlling or controlled by or under direct or indirect common control with any Issuer for purposes of this provision solely by reason of the beneficial ownership of Eletson MI Preferred Interests or Company Preferred Interests or the provisions of the Consulting Agreement).

#### Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and execute, and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

After the preparation of the definitive Notes, the temporary Notes shall be exchanged for definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuers, without charge to the Holder. Upon surrender for cancellation of one or more temporary Notes, the Issuers shall execute and the Trustee shall authenticate and deliver in exchange therefore a like principal amount of definitive Notes of authorized denominations.

#### Section 2.11 Cancellation.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act and the Trustee). Certification of the destruction or cancellation of all canceled Notes will be delivered to the Issuers upon written request. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation. To the extent that any Notes are held in the form of Global Notes and less than all of such Global Notes are to be cancelled, the reduction of the principal amount of any such Global Note and the Registrar's notation of such cancellation on its books and records shall be deemed to satisfy any cancellation requirement, *provided* that certification of such cancellation shall be delivered to the Issuers upon written request.

#### Section 2.12 Defaulted Interest.

If the Issuers default in a payment of interest on the Notes, they will pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) will send to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 CUSIP Numbers.

The Issuers in issuing the Notes may use CUSIP, ISIN or other such numbers (if then generally in use), and, if so, the Trustee shall use CUSIP, ISIN or other such numbers in notices of redemption as a convenience to Holders; *provided*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers shall promptly notify the Trustee in writing of any change in the CUSIP, ISIN or other numbers.

Section 2.14 Issuance of Additional Notes.

The Issuers shall be entitled, from time to time, without consent of the Holders and (x) subject to compliance with Sections 4.09 and 4.13 and (y) *provided that*, on each date of issuance of Additional Notes, if any, and as a condition precedent to such issuance, the Company shall cause to be secured by the Lien of this Indenture and the Security Documents (subject only to Permitted Liens), (a) one or more Qualified Vessels (together with any Related Assets) that will become Mortgaged Vessels on the date of incurrence of such Additional Notes, (b) cash and/or (c) any combination of clauses (a) and (b), such that on each such date of issuance of Additional Notes the requirements of the proviso in clause (c) of the definition of “Permitted Liens” shall be satisfied, to issue Additional Notes under this Indenture with identical terms as the Initial Notes other than with respect to (i) the date of issuance, (ii) the issue price, (iii) the amount of interest payable on the first interest payment date and (iv) any adjustments in order to conform to and ensure compliance with the Securities Act (or other applicable securities laws) or to reflect differences with respect to original issue discount for U.S. federal income tax purposes. The Initial Notes and any Additional Notes shall be treated as a single class for all purposes under this Indenture, including those with respect to waivers, amendments, redemptions and offers to purchase; *provided* that if any Additional Notes are not fungible with the Notes for U.S. federal income tax purposes, the Additional Notes will have a separate CUSIP number.

With respect to any Additional Notes, the Issuers shall set forth in an Officers’ Certificate pursuant to a resolution of the Board of Directors of the Company, copies of which shall be delivered to the Trustee (with a copy to the Paying Agent and the Registrar), the following information:

- (i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and
- (ii) the issue price, the issue date and the CUSIP number of such Additional Notes and the date on which interest on such Additional Notes shall begin to accrue.

### ARTICLE 3 REDEMPTION AND PREPAYMENT

#### Section 3.01 Notices to Trustee, Paying Agent and Registrar.

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07, they must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

- (1) the provision of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed;
- (4) the redemption price; and
- (5) the CUSIP and ISIN number if any,

*provided that*, such Officers' Certificate may be furnished more than 60 days prior to a redemption date if issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article 8 or 12.

#### Section 3.02 Selection of Notes to Be Redeemed or Purchased.

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee, subject to the Depository's standard procedures, or the Depository, as applicable, will select Notes for redemption or purchase on a *pro rata* basis, by lot or by such other method as the Trustee in its sole discretion shall deem fair and appropriate, in each case, in accordance with the procedures of the Depository, unless otherwise required by law or applicable securities exchange or depository requirements.

In the event of partial redemption or purchase, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 but not more than 60 days prior to the redemption or purchase date by the Paying Agent or the Depository, as applicable, from the outstanding Notes not previously called for redemption or purchase.

The Paying Agent or the Depository, as applicable, will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof (or if a PIK Payment has occurred, such partial redemption will be in integral multiples of \$1.00); except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not \$1.00 or an integral multiple of \$1.00 in excess thereof (or if a PIK Payment has occurred, such partial redemption will be in integral multiples of \$1.00), shall be redeemed or purchased.

Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 Notice of Redemption or Purchase.

Subject to the provisions of Section 3.04 and Section 3.10, at least 30 days but not more than 60 days before a redemption date, the Issuers will mail or cause to be mailed, by first class mail (or in the case of Global Notes, transmit in accordance with the procedures of the Depository), a notice of redemption or purchase to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article 8 or 12.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, in the case of Definitive Notes, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price and the CUSIP and ISIN numbers for such Notes;
- (6) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP and ISIN number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' name and at its expense; *provided, however*, that the Issuers have delivered to the Trustee (with a copy to the Registrar), at least five Business Days (or such shorter period as may be agreed to by the Trustee) before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03, an Officers' Certificate requesting that the Trustee give such notice, which shall include a form of the notice setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed or transmitted, as the case may be, in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. Notices of redemption may not be conditional.

Section 3.05 Deposit of Redemption or Purchase Price.

Prior to 10:00 a.m. (New York City time) on the redemption or purchase date, the Issuers will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a regular record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender and cancellation of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered. Notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate such new Note.

Section 3.07 Optional Redemption.

(a) At any time prior to maturity, upon not less than 30 nor more than 60 days' notice, the Issuers may redeem all or part of the Notes at the following redemption prices (expressed as percentages of their principal amount at maturity), plus accrued and unpaid interest, if any, to the redemption date, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date, if redeemed during the twelve month period commencing on January 15 of the years set forth below.

<u>Year</u>	<u>Percentage</u>
2018 .....	104.813%
2019 .....	102.406%
2020 and thereafter .....	100.000%

(b) Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(c) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

#### Section 3.08 Mandatory Redemption.

The Issuers are not required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Issuers may be required to offer to purchase the Notes as described in Sections 4.10, 4.11, 4.16, 4.17, 4.19 or 4.32. The Issuers and the Restricted Subsidiaries may at any time and from time to time purchase Notes in the open market or otherwise.

#### Section 3.09 Redemption Upon Changes in Withholding Taxes.

The Company may, at its option, redeem the Notes, in whole but not in part, at any time upon giving not less than 30 nor more than 60 days' notice to the Holders, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest thereon, if any, to the redemption date and all Additional Amounts, if any, then due and which will become due on the date of redemption, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date and Additional Amounts, if any, in respect thereof, as a result of the redemption or otherwise, if the Company determines in good faith that either Issuer is or, on the next date on which any amount would be payable in respect of the Notes, would be obliged to pay Additional Amounts, which such Issuer cannot avoid by the use of reasonable measures available to it (including making payment through a paying agent located in another jurisdiction) as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations or rulings promulgated thereunder) of any Relevant Taxing Jurisdiction which change or amendment occurs after the date of this Indenture or, if the Relevant Taxing Jurisdiction becomes a Relevant Taxing Jurisdiction after the date of this Indenture, after such later date; or

(b) any change in, or amendment to, an official position regarding the application, administration, or interpretation of the laws, treaties, regulations or rulings of any Relevant Taxing Jurisdiction (including by virtue of a holding, judgment or order by a court of competent jurisdiction), which change or amendment occurs after the date of this Indenture or, if the Relevant Taxing Jurisdiction becomes a Relevant Taxing Jurisdiction after the date of this Indenture, after such later date (each of the foregoing clauses (a) and (b), a "Change in Tax Law").

Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the relevant Issuer would be obliged to pay Additional Amounts and (b) unless at the time such notice is given, the obligation to pay Additional Amounts remains in effect.

Prior to the publication through a prominent financial news wire service or, where relevant, mailing of any notice of redemption pursuant to the foregoing, the Company will deliver to the Trustee at least five days prior to the date when such notice of redemption is required to be sent to Holders or such later date as the Trustee shall agree:

(a) an Officers' Certificate stating that the Company is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Company to so redeem have occurred (including that such obligation to pay such Additional Amounts cannot be avoided by the relevant Issuer taking reasonable measures available to it); and

(2) encumbrances or restrictions imposed by Debt permitted to be Incurred under Section 4.09; *provided that*, such encumbrances or restrictions are not materially more restrictive taken as a whole to Holders than is customary in comparable financings (as determined in good faith by the Company) and the Company determines that at the time of the Incurrence of such Debt that such encumbrances or restrictions will not adversely affect, in any material respect, the Company's ability to make principal or interest payments on the Notes;

(3) encumbrances or restrictions contained in any agreement in effect on the Closing Date (other than an agreement described in another clause of this paragraph (b));

(4) with respect to restrictions or encumbrances referred to Section 4.08(a)(4), encumbrances and restrictions: (i) that restrict in a customary manner the subletting, assignment or transfer of any properties or assets that are subject to a lease, license, conveyance or other similar agreement to which the Company or any Restricted Subsidiary is a party; and (ii) contained in operating leases for real property and restricting only the transfer of such real property upon the occurrence and during the continuance of a default in the payment of rent;

(5) encumbrances or restrictions contained in any agreement or other instrument of a Person acquired by the Company or any Restricted Subsidiary in effect at the time of such acquisition (but not created in contemplation thereof), which

(6) encumbrances or restrictions contained in contracts for sales of Capital Stock or assets permitted by Section 4.10 or 4.11 with respect to the assets or Capital Stock to be sold pursuant to such contract or in customary merger or acquisition agreements (or any option to enter into such contract) for the purchase or acquisition of Capital Stock or assets or any of the Company's Subsidiaries by another Person;

(7) encumbrances or restrictions imposed by applicable law or regulation or by governmental licenses, concessions, franchises or permits;

(8) encumbrances or restrictions on cash or other deposits or net worth imposed by customers under contracts entered into the ordinary course of business;

(9) customary limitations on the distribution or disposition of assets or property of a Restricted Subsidiary in joint venture agreements entered into the ordinary course of business and in good faith; *provided* that such encumbrance or restriction is applicable only to such Restricted Subsidiary and, *provided further*, that:

(i) the encumbrance or restriction is not materially more disadvantageous to the Holders than is customary in comparable agreements (as determined in good faith by the Company); and

(ii) the Company determines in good faith that any such encumbrance or restriction will not materially affect the ability of the Company or any Guarantor to make any principal or interest payments on the Notes;

(10) in the case of Section 4.08(a)(4), customary encumbrances or restrictions in connection with purchase money obligations, mortgage financings and Capitalized Lease Obligations for property acquired in the ordinary course of business;

(11) any encumbrance or restriction arising by reason of customary non-assignment provisions in agreements;

(13) restrictions contained in security agreements or mortgages securing Debt of a Restricted Subsidiary to the extent such restrictions restrict the transfer of the property subject to such security agreements or mortgages; or

(14) customary provisions restricting the transfer of copyrighted or patented materials consistent with industry practice.

Section 4.09 Limitation on Debt.

(a) The Company will not, and will not permit any Restricted Subsidiary to, create, issue, incur, assume, guarantee or in any manner become directly or indirectly liable with respect to or otherwise become responsible for, contingently or otherwise, the payment of (individually and collectively, to “Incur” or, as appropriate, an “Incurrence”), any Debt (including any Acquired Debt); *provided* that the Company and any Restricted Subsidiary will be permitted to Incur Debt (including Acquired Debt) if:

(1) after giving effect to the Incurrence of such Debt and the application of the proceeds thereof, on a *pro forma* basis, no Default or Event of Default would occur or be continuing; and

(2) at the time of such Incurrence and after giving effect to the Incurrence of such Debt and the application of the proceeds thereof, on a *pro forma* basis, the Consolidated Fixed Charge Coverage Ratio for the four full fiscal quarters for which financial statements are available immediately preceding the Incurrence of such Debt, taken as one period, would be greater than 2.0 to 1.0;

and *provided further* that, Restricted Subsidiaries that are not Guarantors may not incur Debt (including any Acquired Debt) except for an amount not to exceed \$25.0 million at any one time outstanding that may be incurred by Restricted Subsidiaries that are not Guarantors or Eletson MI Parties; *provided further* that, notwithstanding the foregoing proviso, Eletson Finance may incur Debt in connection with serving as a co-obligor, co-issuer or guarantor of Debt incurred by the Company or any Restricted Subsidiary that is otherwise permitted by this Section 4.09(a).

(b) Section 4.09(a) will not, however, prohibit the following (collectively, “Permitted Debt”):

(1) the Incurrence by the Company or any Restricted Subsidiary (other than an Eletson MI Party) of Debt under Credit Facilities in an aggregate principal amount at any one time outstanding not to exceed \$175.0 million less (without duplication) the aggregate amount of all Net Cash Proceeds of Asset Sales applied by the Company or any Restricted Subsidiary since the date of this Indenture to repay any term Debt under a Credit Facility or to repay any revolving credit Debt under a Credit Facility and effect a corresponding commitment reduction thereunder pursuant to the covenant described above under Sections 4.10 and 4.11;

(2) the Incurrence by the Issuers of Debt pursuant to (i) the Notes issued on the Closing Date, (ii) PIK Notes issued in respect thereof (and PIK Notes

(3) any Debt of the Company or any Restricted Subsidiary (other than Debt described in another clause of Section 4.09(b)) outstanding on the Closing Date;

(4) the Incurrence by the Company or any Restricted Subsidiary of intercompany Debt between the Company and any Restricted Subsidiary or between or among Restricted Subsidiaries; *provided* that:

(i) if the obligor of such Debt is the Company or a Guarantor, such Debt is (x) unsecured and (y) it is expressly subordinated in right of payment to the prior payment in full in cash (whether upon Stated Maturity, acceleration or otherwise) and the performance in full of its obligations under the Notes or its Guarantee, as the case may be;

(ii) (x) any disposition, pledge or transfer of any such Debt to any Person (other than a disposition, pledge or transfer to the Company or a Restricted Subsidiary) and (y) any transaction pursuant to which any Restricted Subsidiary that has Debt owing to the Company or another Restricted Subsidiary ceases to be a Restricted Subsidiary, will, in each case, be deemed to be an Incurrence of such Debt not permitted by this clause (4); and

(iii) no Debt may be incurred by any Person (other than an Eletson MI Party) pursuant to this clause (4) that is owed to the Company, Eletson Finance or any Restricted Subsidiary that is not a Guarantor.

(5) the Incurrence by the Company or any Restricted Subsidiary of Debt arising under any appeal and reimbursement obligation entered into in respect of any judgment not constituting an Event of Default;

(6) the Incurrence by the Company or any Restricted Subsidiary (other than an Eletson MI Party) of Debt represented by Capitalized Lease Obligations, mortgage financings, purchase money obligations or other Debt Incurred or assumed in connection with the acquisition or development of real or personal, movable or immovable, property or assets, in each case, Incurred for the purpose of financing all or any part of the purchase price, lease expense or cost of construction or improvement of property, plant or equipment used in the business of the Company or any such Restricted Subsidiary (including any reasonable related fees or expenses Incurred in connection with such acquisition or development) (and any Permitted Refinancing Debt with respect to such assets); *provided* that the principal amount of such Debt so Incurred at any time outstanding shall not in the aggregate exceed \$102.0 million;

(7) the Incurrence by the Company or any Restricted Subsidiary of Debt arising from agreements providing for guarantees, indemnities or obligations in respect of purchase price adjustments in connection with the acquisition or disposition of assets, including, without limitation, shares of Capital Stock, other than guarantees or similar credit support given by the Company or any Restricted Subsidiary of Debt

Incurred by any Person acquiring all or any portion of such assets for the purpose of financing such acquisition; *provided* that the maximum aggregate liability in respect of all such Debt permitted pursuant to this clause (g) will at no time exceed the net proceeds, including non-cash proceeds (the Fair Market Value of such non-cash proceeds being measured at the time received and without giving effect to any subsequent changes in value), actually received from the sale of such assets;

(8) the Incurrence by the Company or any Restricted Subsidiary of Debt under Hedging Agreements entered into in the ordinary course of business and not for speculative purposes;

(9) the Incurrence by the Company or any Restricted Subsidiary of Debt in respect of workers' compensation and claims arising under similar legislation, or pursuant to self-insurance obligations and not in connection with the borrowing of money or the obtaining of advances or credit;

(10) the Incurrence by the Company or any Restricted Subsidiary of Debt arising from (i) the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business; *provided* that such Debt is extinguished within 5 Business Days of Incurrence, (ii) bankers' acceptances, performance, surety, judgment, appeal or similar bonds, instruments or obligations and (iii) completion guarantees provided or letters of credit obtained by the Company or any Restricted Subsidiary in the ordinary course of business;

(11) the Incurrence by the Company or any Restricted Subsidiary of Permitted Refinancing Debt in exchange for or the net proceeds of which are used to refund, replace or refinance Debt Incurred by it pursuant to, or described in, Section 4.09(a) or clauses (2), (3) or (11) of this Section 4.09(b), as the case may be;

(12) customer deposits and advance payments received in the ordinary course of business from customers for goods purchased in the ordinary course of business;

(13) the Incurrence by the Company or any Restricted Subsidiary of Debt under Fuel Hedging Agreements entered into in the ordinary course of business and not for speculative purposes in order to hedge anticipated commodity price fluctuations;

(14) the Incurrence by the Company or any Restricted Subsidiary (other than an Eletson MI Party) of Debt to finance the replacement (through construction or acquisition) of one or more Vessels, and any assets that shall become Related Assets (and any Permitted Refinancing Debt with respect to such Vessels or assets), upon a total loss, destruction, condemnation, confiscation, requisition, seizure, forfeiture or other taking of title to or use of such Vessel (*provided* that such loss, destruction, condemnation, confiscation, requisition, seizure, forfeiture or other taking of title to or use of such Vessel was covered by insurance or resulted in the actual payment of compensation, indemnification or similar payments to such Person (collectively, a "Total Loss")) in an

aggregate amount no greater than the Ready for Sea Cost for such replacement Vessel, in each case less all compensation, damages and other payments (including insurance proceeds other than in respect of business interruption insurance) actually received by the Company or any Restricted Subsidiary (other than an Eletson MI Party) from any Person in connection with the Total Loss in excess of amounts actually used to repay Debt secured by the Vessel subject to the Total Loss; and

(15) the Incurrence by the Company or any Restricted Subsidiary of Debt (other than Debt for borrowed money) in relation to (i) regular maintenance required to maintain the classification of any of the Vessels owned, leased, time chartered or bareboat chartered to or by the Company or such Restricted Subsidiary (as the case may be); (ii) scheduled drydocking of any of the Vessels owned or leased by the Company or such Restricted Subsidiary for normal maintenance purposes; and (iii) any expenditures which will or may reasonably be expected to be recoverable from insurance on such Vessels (*provided, however*, that Debt Incurred in connection with such expenditures shall be repaid upon, and to the extent of, any recovery from such insurance).

(c) For purposes of determining compliance with Section 4.09, in the event that an item of Debt meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (15) of Section 4.09(b), or is entitled to be Incurred pursuant to Section 4.09(a), the Company will be permitted to classify such item of Debt on the date of its Incurrence in any manner that complies with Section 4.09. Notwithstanding the next succeeding sentence, (A) Debt under Credit Facilities (including, without limitation, the Existing Credit Facilities) outstanding on the Closing Date and Debt under the CSIC Charters outstanding on the Closing Date will initially be deemed to have been Incurred on such date in reliance on the exception provided by Section 4.09(b)(1) and may not be later reclassified, and (B) Debt with respect to the BoComm Vessels (including under the BoComm Agreements) and the Cosco Vessels (including under the Cosco Agreements) shall be deemed to have been incurred pursuant to clause (6) of Section 4.09(b) and may not be later reclassified. In addition, any item of Debt initially classified as Incurred pursuant to one of the categories of Permitted Debt described in clauses (2) through (15) of Section 4.09(b), or is entitled to be Incurred pursuant to Section 4.09(a), may later be reclassified by the Company such that it will be deemed as having been Incurred pursuant to such new clause or Section 4.09(a) to the extent that such reclassified Debt could be Incurred pursuant to such new clause or Section 4.09(a) at the time of such reclassification. Notwithstanding the foregoing, no Debt of Persons other than Eletson MI Parties may be reclassified as Debt of any of the Eletson MI Parties.

(d) For purposes of determining compliance with any restriction on the Incurrence of Debt in U.S. dollars where Debt is denominated in a different currency, the amount of such Debt will be the U.S. dollar Equivalent determined on the date of such determination; *provided* that if any such Debt denominated in a different currency is subject to a Currency Agreement (with respect to U.S. dollars) covering principal amounts payable on such Debt, the amount of such Debt expressed in U.S. dollars will be adjusted to take into account the effect of such agreement. The principal amount of any Permitted Refinancing Debt Incurred in the same currency as the Debt being refinanced will be the U.S. dollar Equivalent of the Debt being refinanced determined on the date such Debt being refinanced was initially Incurred.

Notwithstanding any other provision of this Section 4.09, for purposes of determining compliance with this Section 4.09, increases in Debt solely due to fluctuations in the exchange rates of currencies will not be deemed to exceed the maximum amount that the Company or a Guarantor may Incur under this Section 4.09.

(e) For purposes of determining any particular amount of Debt under this Section 4.09:

(1) obligations in the form of letters of credit, guarantees or Liens, in each case supporting Debt otherwise included in the determination of such particular amount, will not be treated as Debt for purposes of this covenant to the extent issued or granted (as the case may be) by the Company or a Restricted Subsidiary;

(2) any Liens granted pursuant to the equal and ratable provisions referred to in Section 4.13 will not be treated as Debt for purposes of this covenant (provided that any Debt secured by such Lien shall be treated as Debt); and

(3) accrual of interest, accrual of dividends, the accretion or amortization of original issue discount or of accreted value, the obligation to pay commitment fees and the payment of interest or dividends in the form of additional Debt; *provided*, in each such case, that the amount of any such accrual, accretion or payment is included in the Consolidated Net Interest Expense as accrued, will not, in any case, be treated as Debt for purposes of this covenant.

(f) The Company represents and warrants and agrees that, as of the Closing Date, the Company and its Restricted Subsidiaries have no instruments governing outstanding Debt with an aggregate principal amount exceeding \$500,000, other than (i) the Notes issued on the Closing Date, (ii) any Existing Notes that have not been exchanged for Notes in the Exchange Offer, (iii) Debt under the Existing Credit Facilities, (iv) Debt incurred pursuant to the BoComm Agreements and (v) Debt incurred pursuant to the Cosco Agreements.

#### Section 4.10 Asset Sales Not Involving Collateral.

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale involving assets other than Collateral unless:

(1) other than for an asset disposition connected with a Total Loss or foreclosure, the consideration the Company or such Restricted Subsidiary receives for such Asset Sale is not less than the Fair Market Value of the assets sold (in the case of any Asset Sale having a Fair Market Value greater than \$2.0 million, as evidenced by a resolution of the Company's Board of Directors) (for the avoidance of doubt, Fair Market Value may be determined at the time a contract is entered into for such Asset Sale);

(2) at least 75% of the consideration the Company or such Restricted Subsidiary receives in respect of such Asset Sale consists of:

(i) cash (including any Net Cash Proceeds received from the conversion within 60 days of such Asset Sale of securities, notes or other obligations received in consideration of such Asset Sale);

(ii) Cash Equivalents;

(iii) the assumption by the purchaser of (x) the secured Debt of the Company or a Guarantor or, to the extent the asset was not owned by the Company or a Guarantor, Debt of a Restricted Subsidiary (in each case other than Debt that is subordinated in right of payment to the Notes or Guarantees) as a result of which neither the Company, the Guarantor nor any Restricted Subsidiary (as the case may be) remains obliged in respect of such Debt or (y) Debt of a Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, if the Company and each other Restricted Subsidiary is released from any guarantee of such Debt as a result of such Asset Sale;

(iv) Replacement Assets; or

(v) a combination of the consideration specified in clauses (i) through (iv); and

(3) the Company delivers an Officers' Certificate to the Trustee certifying and an Opinion of Counsel stating that such Asset Sale complies with the provisions described in the foregoing clauses (1) and (2).

(b) If the Company or any Restricted Subsidiary consummates an Asset Sale involving assets other than Collateral, the Net Cash Proceeds of the Asset Sale, within 365 days of the consummation of such Asset Sale, may be used by the Company or such Restricted Subsidiary to:

(1) permanently repay or prepay any then outstanding secured Debt of the Company or any Guarantor or, to the extent the asset was not owned by the Company or a Guarantor, any then outstanding Debt of a Restricted Subsidiary that is not a Guarantor (and to permanently reduce the corresponding commitment by an equal amount if such secured Debt is a revolving credit borrowing) owing to a Person other than the Company or a Restricted Subsidiary, as applicable;

(2) invest in or acquire any Replacement Assets (it being understood and agreed that the use of all or any portion of such Net Cash Proceeds towards deposits or progress payments in respect of the construction of a newbuilding vessel to be acquired by the Company or a Restricted Subsidiary that is a Replacement Asset shall also be permitted under this clause (2));

(3) make a capital expenditure; or

(4) any combination of the foregoing.

The amount of such Net Cash Proceeds not so used as set forth in Section 4.10(b) constitutes “Excess Proceeds.”

(c) Pending the final application of any such Net Cash Proceeds, the Issuers may temporarily reduce revolving credit borrowings or otherwise invest such Net Cash Proceeds in any manner that is not prohibited by the terms of this Indenture.

(d) (A) binding contract to apply Net Cash Proceeds in accordance with Section 4.10(b)(2) or Section 4.10(b)(3) above (or a combination thereof) will toll the 365-day period in respect of such Net Cash Proceeds or (B) determination by the Company to potentially apply all or a portion of such Net Cash Proceeds towards the exercise of an outstanding Vessel Purchase Option Contract or a Vessel Construction Contract will toll the 365-day period in respect of such Net Cash Proceeds, in each case, for a period not to exceed 365 days from the expiration of the aforementioned 365-day period, *provided* that such binding contract and such determination, in each case, shall be treated as a permitted application of Net Cash Proceeds from the date of such binding contract until and only until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) (i) in the case of any Vessel Construction Contract or any Exercised Vessel Purchase Option Contract (including any outstanding Vessel Purchase Option Contract exercised during the 365 day period referenced in clause (B) above), the date of expiration or termination of such Vessel Construction Contract or Exercised Vessel Purchase Option Contract and (ii) otherwise, the 365th day following the expiration of the aforementioned 365-day period (clause (i) or clause (ii) as applicable, the “Reinvestment Termination Date”). If such acquisition or expenditure is not consummated on or before the Reinvestment Termination Date and the Company (or the applicable Restricted Subsidiary, as the case may be) shall not have applied such Net Cash Proceeds pursuant to clauses (2)(a) through (d) above on or before the Reinvestment Termination Date, such binding contract shall be deemed not to have been a permitted application of the Net Cash Proceeds and such Net Cash Proceeds shall constitute Excess Proceeds.

(e) When the aggregate amount of Excess Proceeds exceeds \$15.0 million, the Issuers will, within 15 Business Days, make an offer to purchase (an “Excess Proceeds Offer”) from all Holders and from the holders of any Pari Passu Debt, to the extent required by the terms thereof, on a *pro rata* basis, in accordance with the procedures set forth in this Indenture or the agreements governing any such Pari Passu Debt, the maximum principal amount (expressed as a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has occurred, expressed as an integral multiple of \$1.00) of the Notes and any such Pari Passu Debt that may be purchased with the amount of the Excess Proceeds. The offer price as to each Note and any such Pari Passu Debt will be payable in cash in an amount equal to (solely in the case of the Notes) 100% of the principal amount of such Note and (solely in the case of Pari Passu Debt) no greater than 100% of the principal amount (or accreted value, subject to the rights of Holders on the relevant record date to receive interest on the relevant payment date, as applicable) of such Pari Passu Debt, plus, in each case, accrued and unpaid interest, if any, to the date of purchase.

To the extent that the aggregate principal amount of Notes and any such Pari Passu Debt tendered pursuant to an Excess Proceeds Offer is less than the aggregate amount of Excess Proceeds, the Issuers may use the amount of such Excess Proceeds not used to purchase Notes and Pari Passu Debt for general corporate purposes that are not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and any such Pari Passu Debt validly tendered and not withdrawn by holders thereof exceeds the aggregate amount of Excess Proceeds, the Notes and any such Pari Passu Debt to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes and the principal amount or accreted value of such Pari Passu Debt tendered by each holder) to the extent permitted by such Pari Passu Debt. Upon completion of each such Excess Proceeds Offer, the amount of Excess Proceeds will be reset to zero.

(f) If the Issuers are obliged to make an Excess Proceeds Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, in an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Excess Proceeds Offer is given to such holders, or such later date as may be required under the Exchange Act. Pending the final application of any net proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the net proceeds in any manner that is not prohibited by the Indenture.

(g) If the Issuers are required to make an Excess Proceeds Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.10, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.10 by virtue thereof.

#### Section 4.11 Asset Sales Involving Collateral.

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale involving Collateral unless:

(1) the consideration the Company or such Restricted Subsidiary receives for such Asset Sale is not less than the Fair Market Value of the assets sold (in the case of any Asset Sale having a Fair Market Value greater than \$2.0 million, as evidenced by a resolution of the Company's Board of Directors) (for the avoidance of doubt, Fair Market Value may be determined at the time a contract is entered into for such Asset Sale);

(2) such Asset Sale is either of (i) the Company's or the relevant Restricted Subsidiary's entire interest in the applicable Mortgaged Vessel (the "Sold Mortgaged Vessel") together with the applicable Charters, freights and hires, insurance and related agreements (collectively, the "Related Agreements"); *provided* that the Company or a Guarantor may elect to sell only the Sold Mortgaged Vessel and retain all or any portion of the Related Agreements, *provided* that if any such Related Agreements

are transferred to a Subsidiary that is not a Guarantor, then the Company or such Guarantor shall receive either (x) Qualified Collateral having a Fair Market Value that is not less than the Fair Market Value of such Related Agreements or (y) cash in an amount equal to the Fair Market Value of such Related Agreement which it shall immediately deliver to the Trustee, which amounts shall constitute Trust Monies hereunder or (ii) all the Capital Stock of the Restricted Subsidiary that owns such Mortgaged Vessel and Related Assets or all of the Capital Stock of any parent or indirect parent of such Restricted Subsidiary;

(3) the consideration received in the Asset Sale by the Company or such Restricted Subsidiary consists entirely of either (x) cash or Cash Equivalents or (y) Qualified Collateral having a Fair Market Value that is not less than the Fair Market Value of the Collateral that is the subject of such Asset Sale;

(4) no Default or Event of Default shall have occurred and be continuing;

(5) such Asset Sale is made in compliance with the provisions described under Section 10.03 and Section 12.02 below; and

(6) the Company delivers an Officers' Certificate to the Trustee certifying and an Opinion of Counsel stating that such Asset Sale complies with the provisions described in the foregoing clauses (1) and (5).

(b) If the Company or any Restricted Subsidiary consummates an Asset Sale involving Collateral, the Net Cash Proceeds of the Asset Sale, within 365 days of the consummation of such Asset Sale, may be used by the Company or such Restricted Subsidiary, together with the unused Net Cash Proceeds of any other Asset Sale(s) and any unused Excess Loss Proceeds, (*provided* that no Default or Event of Default shall have occurred and be continuing) to substitute one or more Qualified Vessels (and to make any Permitted Repairs with respect thereto) for such Sold Mortgaged Vessel and the Sold Mortgaged Vessel(s) that were the subject of any such other Asset Sale(s) or the Lost Mortgaged Vessel(s) in respect of which such Excess Loss Proceeds were received and make such Qualified Vessel(s) subject to the Lien of this Indenture and the applicable Security Agreements in accordance with the provisions thereof described under Section 10.03, Section 12.02 and Section 4.25(a). The amount of such Net Cash Proceeds not so used as set forth in this paragraph (b) constitutes "Excess Collateral Proceeds."

(c) A (A) binding contract to apply Net Cash Proceeds in accordance with clause (2) above will toll the 365-day period in respect of such Net Cash Proceeds or (B) determination by the Company to potentially apply all or a portion of such Net Cash Proceeds towards the exercise of an outstanding Vessel Purchase Option Contract will toll the 365-day period in respect of such Net Cash Proceeds, in each case, for a period not to exceed 365 days from the expiration of the aforementioned 365-day period, *provided* that such binding contract and such determination, in each case, shall be treated as a permitted application of Net Cash Proceeds from the date of such binding contract until and only until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) (i) in the case of any Vessel Construction Contract or any Exercised Vessel Purchase Option Contract (including any

outstanding Vessel Purchase Option Contract exercised during the 365 day period referenced in clause (B) above), the date of expiration or termination of such Vessel Construction Contract or Exercised Vessel Purchase Option Contract and (ii) otherwise, the 365th day following the expiration of the aforementioned 365-day period (clause (i) or clause (ii) as applicable, the “Collateral Proceeds Reinvestment Termination Date”). If such acquisition or expenditure is not consummated on or before the Collateral Proceeds Reinvestment Termination Date and the Company (or the applicable Guarantor, as the case may be) shall not have applied such Net Cash Proceeds pursuant to clause (2) above on or before the Collateral Proceeds Reinvestment Termination Date, such binding contract shall be deemed not to have been a permitted application of the Net Cash Proceeds and such Net Cash Proceeds shall constitute Excess Collateral Proceeds.

(d) When the aggregate amount of Excess Collateral Proceeds exceeds \$15.0 million, the Issuers will, within 15 Business Days, make an offer to purchase (a “Collateral Sale Offer”) from all Holders, on a *pro rata* basis, in accordance with the procedures set forth in this Indenture, the maximum principal amount (expressed as a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, a minimum amount that is an integral multiple of \$1.00) of the Notes that may be purchased with the amount of the Excess Collateral Proceeds. The offer price as to each Note will be payable in cash in an amount equal to 100% of the principal amount of such Note, plus accrued and unpaid interest, if any, to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest on the relevant payment date.

To the extent that the aggregate principal amount of Notes tendered pursuant to a Collateral Sale Offer is less than the aggregate amount of Excess Collateral Proceeds, those Excess Collateral Proceeds shall be retained as Trust Monies. If the aggregate principal amount of Notes validly tendered and not withdrawn by Holders thereof exceeds the aggregate amount of Excess Collateral Proceeds, the Notes to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes tendered by each Holder) in accordance with the Depositary’s standard procedures. Upon completion of each such Collateral Sale Offer, the amount of Excess Collateral Proceeds will be reset to zero.

Whenever Net Cash Proceeds from any Asset Sale involving Collateral are received by the Issuers, such Net Cash Proceeds shall be retained by the Trustee as Trust Monies constituting Collateral subject to disposition as provided in this covenant or as provided under Section 10.03 and Section 12.02 provisions described above. At the written direction of the Issuers, such Net Cash Proceeds may be invested by the Trustee in Cash Equivalents in which the Trustee can maintain a perfected first-priority security interest.

(e) If the Issuers are obliged to make a Collateral Sale Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, in an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Collateral Sale Offer is given to such holders, or such later date as may be required under the Exchange Act.

(f) If the Issuers are required to make a Collateral Sale Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.11, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.11 by virtue thereof.

(g) To the extent an Asset Sale relates to a Mortgaged Vessel, (i) the Company and its Restricted Subsidiaries may not consummate such Asset Sale unless Holders representing a majority of the outstanding principal amount of Notes shall have consented to such Asset Sale; and (ii) the Company and its Restricted Subsidiaries may not apply the Net Cash Proceeds from such Asset Sale unless Holders representing a majority of the outstanding principal amount of Notes shall have consented to such application.

#### Section 4.12 Limitation on Transactions with Affiliates.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, make or amend, or suffer to exist any transaction or series of related transactions (including, without limitation, the payment, sale, purchase, exchange, lease or other disposal of assets or property or the rendering of any service), to, with, or for the benefit of, any Affiliate of the Company or any other Restricted Subsidiary, unless such transaction or series of transactions is entered into in good faith (and, in the case of such a transaction or series of transactions having a value greater than \$1.0 million, in writing) and:

(10) (a) any transaction between or among the Eletson MI Parties or (b) any transaction between (x) any of the Company or its Restricted Subsidiaries that are not Eletson MI Parties and (y) any of the Eletson MI Parties, if such transaction or series of transactions is on terms that, taken as a whole, are no less favorable to the Eletson MI Parties than those that could have been obtained in a comparable arm's-length transaction with third parties that are not Affiliates.

#### Section 4.13 Limitation on Liens.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind (except for Permitted Liens) or assign or otherwise convey any right to receive any income, profits or proceeds on or with respect to any of the Company's or any Restricted Subsidiary's property or assets, including any shares or stock or Debt of any Restricted Subsidiary, whether owned at or acquired after the Closing Date, or any income, profits or proceeds therefrom unless:

(1) in the case of any Lien securing Subordinated Debt, the Issuers' obligations in respect of the Notes, the obligations of the Guarantors under the Guarantees and all other amounts due under this Indenture are directly secured by a Lien on such property, assets or proceeds that is senior in priority to the Lien securing the Subordinated Debt until such time as the Subordinated Debt is no longer secured by a Lien; and

(2) in the case of any other Lien, the Company's obligations in respect of the Notes, the obligations of the Guarantors under the Guarantees and all other amounts due under this Indenture are equally and ratably secured with the obligation or liability secured by such Lien.

(b) Notwithstanding the foregoing, the Issuers will not and will not permit any Guarantor to, create, incur, assume or suffer to exist any Lien (other than in favor of the Trustee for the benefit of the Holders) upon any of the Collateral other than Permitted Liens and, further,

the Company will not and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien on any Capital Stock or intercompany Debt issued by any Guarantor other than in favor of the Trustee for the benefit of the Holders.

(c) Any such Lien arising as a result of Section 4.13(a)(1) or Section 4.13(a)(2) will be automatically and unconditionally released and discharged concurrently with the unconditional release of the Lien which gave rise to such Lien (other than as a consequence of an enforcement action with respect to the assets subject to such Lien).

#### Section 4.14 Limitation on Business Activities of Eletson Finance.

Eletson Finance shall not hold any material assets, become liable for any material obligations, engage in any trade or business, or conduct any business activity, other than (i) the issuance of its Capital Stock to the Company or any Wholly Owned Restricted Subsidiary and (ii) the incurrence of Debt as a co-obligor, co-issuer or guarantor of Debt incurred by the other Issuers or any Restricted Subsidiary, including the Notes, that is permitted to be incurred by the Company or any Restricted Subsidiary under Section 4.09 and (iii) activities incidental to any of the foregoing. For so long as the Company or any successor obligor under the Notes is a Person that is not incorporated in the United States of America, any State of the United States or the District of Columbia there will be a co-issuer of the Notes that is a Wholly Owned Restricted Subsidiary of the Company and that is a limited liability company organized in the United States of America, any State of the United States or the District of Columbia.

#### Section 4.15 Corporate Existence.

Subject to Article 5, the Issuers shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) their corporate or limited liability company existence, as applicable, and the corporate, partnership, limited liability company or other existence of each Restricted Subsidiary of the Company, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuers and the Restricted Subsidiaries; and

(2) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Company determines in good faith that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

#### Section 4.16 Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs at any time, then the Issuers will make an offer (a “Change of Control Offer”) to each Holder to repurchase such Holder’s Notes, in whole or in part, at a purchase price (the “Change of Control Purchase Price”) in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase (the

“Change of Control Purchase Date”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) Within 30 days following any Change of Control, the Issuers will:

(1) cause a notice of the Change of Control Offer to be published through the newswire service of Bloomberg, or if Bloomberg does not then operate, any similar agency; and

(2) send notice of the Change of Control Offer by first-class mail, with a copy to the Trustee, to each Holder, which notice will state:

(i) that a Change of Control has occurred and the date it occurred;

(ii) the circumstances and relevant facts regarding the transaction or transactions that constitute such Change of Control;

(iii) the Change of Control Purchase Price and the Change of Control Purchase Date, which will be a Business Day no earlier than 30 days nor later than 60 days after the date such notice is mailed, or such later date as is necessary to comply with any requirements under the Exchange Act and any other applicable securities laws or regulations;

(iv) that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Purchase Date unless the Change of Control Purchase Price is not paid on such date;

(v) that any Note or part thereof not tendered will continue to accrue interest;

(vi) that Holders whose Notes are being repurchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer), which unpurchased portion must be equal to a minimum denomination of \$1.00 in principal amount or integral multiples of \$1.00 in excess thereof; and

(vii) any other procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance.

The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.16, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under this Section 4.16 by virtue of such compliance.

(c) On the Change of Control Purchase Date, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes validly tendered and not properly withdrawn pursuant to the Change of Control Offer in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof; *provided* that if following repurchase of a portion of a Note, the remaining principal amount of such Note outstanding immediately after such repurchase would be less than \$1.00, then the portion of the Note so repurchased shall be reduced so that the remaining principal amount of such Note outstanding immediately after such repurchase is \$1.00;

(2) deposit by 10:00 a.m. New York City time with the Paying Agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes validly tendered and not properly withdrawn; and

(3) deliver or cause to be delivered to the Trustee the Notes accepted for payment together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

(d) The Trustee will promptly authenticate and deliver a new Note or Notes in a principal amount equal to any unpurchased portion of Notes surrendered, if any, to the Holder in global form or to each holder of certificated Notes; *provided* that each such new Note will be in a principal amount of \$1.00 or in integral multiples of \$1.00 in excess thereof, or if a PIK Payment has occurred, in a principal amount that is an integral multiple of \$1.00. The Issuers will publicly announce the results of a Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(e) The Issuers will not be required to make a Change of Control Offer following a Change of Control if (i) a third party has made, and not terminated, a tender offer for all of the Notes in the manner and at the times applicable to a Change of Control Offer, at a tender offer purchase price in cash equal to at least 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, and such third party purchases all of the Notes validly tendered and not withdrawn under such tender offer or (ii) irrevocable notice of redemption for all outstanding Notes has been given pursuant to this Indenture as described above under Section 3.07, unless and until there is a default in payment of the applicable redemption price.

(f) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of the Change of Control, conditional upon the Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

#### Section 4.17 Events of Loss.

(a) If an Event of Loss occurs at any time with respect to a Mortgaged Vessel (the Mortgaged Vessel suffering such Event of Loss being the "Lost Mortgaged Vessel"), the Company or the relevant Restricted Subsidiary shall deposit all Event of Loss Proceeds with respect to such Event of Loss with the Trustee as Trust Monies constituting Collateral subject to

disposition as provided in this covenant or as provided under the Section 10.03 and Section 12.02. Such amount is hereinafter called the “Loss Redemption Amount.” At the written direction of the Company, such Event of Loss Proceeds may be invested by the Trustee in Cash Equivalents in which the Trustee can maintain a perfected first-priority security interest.

(b) Within 365 days (subject to extension as provided in Section 4.17(c)) after the receipt of any Event of Loss Proceeds, the Company or the applicable Restricted Subsidiary shall apply such Event of Loss Proceeds, together with any other unused Event of Loss Proceeds and any unused Net Cash Proceeds of any Asset Sale, (*provided* that no Default or Event of Default shall have occurred and be continuing) to substitute one or more Qualified Vessels (and to make any Permitted Repairs with respect thereto) for such Lost Mortgaged Vessel or the Lost Mortgaged Vessel(s) in respect of which such other Event of Loss Proceeds were received or the Sold Mortgaged Vessel(s) in respect of which such Net Cash Proceeds were received and make such Qualified Vessel(s) subject to the Lien of this Indenture and the applicable Security Documents in accordance with the provisions thereof described under Section 10.03, Section 12.02 and Section 4.25(a) as Mortgaged Vessel.” The Company and its Restricted Subsidiaries may not apply any Event of Loss Proceeds or Net Cash Proceeds of an Asset Sale pursuant to this clause (b) unless Holders representing a majority of the outstanding principal amount of Notes shall have consented to such application. The amount of such Net Cash Proceeds not so used as set forth in this paragraph (b) constitutes “Excess Loss Proceeds.”

(c) When the aggregate amount of Excess Loss Proceeds exceeds \$15.0 million, the Issuers will, within 15 Business Days, make an offer to purchase (an “Event of Loss Offer”) from all Holders, on a *pro rata* basis, in accordance with the procedures set forth in this Indenture, the maximum principal amount (expressed as a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, expressed as an integral multiple of \$1.00) of the Notes that may be purchased with the amount of the Excess Loss Proceeds. The offer price as to each Note will be payable in cash in an amount equal to 100% of the principal amount of such Note, plus accrued and unpaid interest, if any, to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest on the relevant payment date.

To the extent that the aggregate principal amount of Notes tendered pursuant to an Event of Loss Offer is less than the aggregate amount of Excess Loss Proceeds, those Excess Loss Proceeds shall be retained as Trust Monies. If the aggregate principal amount of Notes validly tendered and not withdrawn by holders thereof exceeds the aggregate amount of Excess Loss Proceeds, the Notes to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes tendered by each holder). Upon completion of each such Event of Loss Offer, the amount of Excess Loss Proceeds will be reset to zero.

(d) If the Issuers are obliged to make an Event of Loss Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, in an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Event of Loss Offer is given to such holders, or such later date as may be required under the Exchange Act.

(e) Whenever Net Cash Proceeds from any Event of Loss are received by the Issuers, such Net Cash Proceeds shall be retained by the Trustee as Trust Monies constituting Collateral subject to disposition as provided in this covenant or as provided under Section 10.03 and Section 12.02 provisions described below. At the written direction of the Issuers, such Net Cash Proceeds may be invested by the Trustee in Cash Equivalents in which the Trustee can maintain a perfected first-priority security interest.

(f) If the Issuers are required to make an Event of Loss Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.17, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.17 by virtue thereof.

#### Section 4.18 Payments for Consent.

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders and is paid ratably to all Holders that consent, waive or agree to amend in the time frame set forth in any documents distributed relating to such consent, waiver or agreement.

#### Section 4.19 Existing Trust Monies Offer.

(a) On July 16, 2018, the Issuers shall commence an offer (the “Existing Trust Monies Offer”) to use the Existing Trust Monies (together with cash on hand to pay accrued and unpaid interest on Notes that are purchased) to purchase Notes having an outstanding aggregate principal amount equal to the Existing Trust Monies at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the purchase date. The Existing Trust Monies Offer shall remain open for not less than 20 Business Days and be otherwise made in accordance with the requirements of this Indenture and shall be consummated not later than the 30<sup>th</sup> Business Day after the Closing Date.

(b) The Existing Trust Monies Offer shall be made to Holders of the Notes on a *pro rata* basis, in accordance with the procedures set forth in this Indenture or the agreements governing any such Pari Passu Debt, the maximum principal amount (expressed as a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has occurred, expressed as an integral multiple of \$1.00) of the Notes and any such Pari Passu Debt that may be purchased with the amount of the Existing Trust Monies. The offer price as to each Note and any such Pari Passu Debt will be payable in cash in an amount equal to (solely in the case of the Notes) 100% of the principal amount of such Note and (solely in the case of Pari Passu Debt) no greater than 100% of the principal amount (or accreted value, subject to the rights of Holders on the relevant record date to receive interest on the relevant payment date, as applicable) of such Pari Passu Debt, plus, in each case, accrued and unpaid interest, if any, to the date of purchase.

To the extent that the aggregate principal amount of Notes and any such Pari Passu Debt tendered pursuant to an Existing Trust Monies Offer is less than the aggregate amount of Existing Trust Monies, the Issuers may use the amount of such Existing Trust Monies not used to purchase Notes and Pari Passu Debt for general corporate purposes that are not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and any such Pari Passu Debt validly tendered and not withdrawn by holders thereof exceeds the aggregate amount of Existing Trust Monies, the Notes and any such Pari Passu Debt to be purchased will be selected by the Trustee on a *pro rata* basis (based upon the principal amount of Notes and the principal amount or accreted value of such Pari Passu Debt tendered by each holder) to the extent permitted by such Pari Passu Debt. Upon completion of each such Existing Trust Monies Offer, the amount of Existing Trust Monies will be reset to zero.

(c) The Existing Trustee shall liquidate any Existing Trust Monies then held by it not later than the third Business Day prior to the consummation of the Existing Trust Monies Offer and release such Existing Trust Monies to the Paying Agent for the Notes for payment to Holders on the applicable purchase date.

(d) The Issuers will grant the Trustee, for the benefit of the Holders and for the benefit of the Trustee, a first-priority security interest in the Existing Trust Monies and any accounts holding the Existing Trust Monies to secure the obligations under the Notes and this Indenture pending disbursement pursuant to the Existing Trust Monies Offer.

(e) To the extent the Existing Trustee is unable or unwilling to continue to hold the Existing Trust Monies pending the completion of the Existing Trust Monies Offer, the Existing Trust Monies shall be transferred at or as promptly as practicable after the Closing Date to the Trustee to be held in the Collection Account for application pursuant to this Section 4.19(e).

(f) Any Existing Trust Monies not applied to purchase Notes in the Existing Trust Monies Offer shall be pledged as Collateral and held by Eletson MI in the Collection Account pending future application in accordance with the terms of this Indenture.

(g) When the Issuers are obliged to make an Existing Trust Monies Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount of \$1.00 and integral multiples of \$1.00 in excess thereof, or if a PIK Payment has been made, in an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Existing Trust Monies Offer is given to such holders, or such later date as may be required under the Exchange Act.

(h) When the Issuers are required to make an Existing Trust Monies Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.19, the Issuers will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.19 by virtue thereof.

(4) neither the Company nor any Restricted Subsidiary has a contract, agreement, arrangement, understanding or obligation of any kind, whether written or oral, with such Subsidiary unless the terms of such contract, arrangement, understanding or obligation are no less favorable to the Company or such Restricted Subsidiary than those that might be obtained at the time from Persons who are not Affiliates of the Company or of any Restricted Subsidiary;

(5) such Subsidiary does not own any Capital Stock, Redeemable Capital Stock or Debt of, or own or hold any Lien on any property or assets of, or have any Investment in, the Company or any other Restricted Subsidiary;

(7) such Subsidiary, either alone or in the aggregate with all other Unrestricted Subsidiaries, does not operate, directly or indirectly, all or substantially all of the businesses of the Company and its Subsidiaries;

(c) Neither the Company nor any Restricted Subsidiary will at any time:

(1) provide a guarantee of, or similar credit support to, any Debt of any Unrestricted Subsidiary (including of any undertaking, agreement or instrument evidencing such Debt); *provided* that the Company may pledge Capital Stock or Debt of any Unrestricted Subsidiary on a non-recourse basis as long as the pledgee has no claim whatsoever against the Company other than to obtain such pledged property, except to the extent permitted under Section 4.07 and Section 4.12;

(2) be directly or indirectly liable for any Debt of any Unrestricted Subsidiary, except to the extent permitted under Section 4.07 and Section 4.12; or

(d) The Company's Board of Directors may designate any Unrestricted Subsidiary as a Restricted Subsidiary:

(1) if no Default or Event of Default has occurred and is continuing at the time of, or will occur and be continuing after giving effect to, such designation; and

(2) unless such designated Unrestricted Subsidiary shall not have any Debt outstanding (other than Debt that would be Permitted Debt), immediately before and after giving effect to such proposed designation, and after giving *pro forma* effect to the Incurrence of any such Debt of such designated Unrestricted Subsidiary as if such Debt was Incurred on the date of its designation as a Restricted Subsidiary, the Company could Incur at least \$1.00 of additional Debt pursuant to the ratio set forth in Section 4.09(a).

(e) Any such designation as an Unrestricted Subsidiary or Restricted Subsidiary by the Company's Board of Directors will be evidenced to the Trustee by filing a resolution of the Company's Board of Directors with the Trustee giving effect to such

designation and an Officers' Certificate certifying that such designation complies with the foregoing conditions, and giving the effective date of such designation. Any such filing with the Trustee must occur within 45 days after the end of the Company's fiscal quarter in which such designation is made (or, in the case of a designation made during the last fiscal quarter of the Company's fiscal year, within 90 days after the end of such fiscal year).

Section 4.21 Limitations on Guarantees of Debt by Restricted Subsidiaries.

(a) The Company will not permit (i) any Restricted Subsidiary (other than Eletson Finance or any other Restricted Subsidiary that is at such time a co-issuer of the Notes) that is not a Guarantor, directly or indirectly, to guarantee, assume or in any other manner become liable for the payment of any Debt of the Company (other than the Notes) or any Guarantor (including, without limitation, by granting a Lien on any of its properties or assets) or (ii) Eletson MI to have, form, designate or acquire any Restricted Subsidiary, unless:

(b) Section 4.21(a) will not be applicable to any guarantee by any such Restricted Subsidiary (i) guaranteeing Debt existing on the Closing Date and disclosed in the Offer to Exchange; or (ii) that existed at the time such Person became a Restricted Subsidiary if the guarantee was not Incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

(c) Notwithstanding the foregoing, any Guarantee of the Notes created pursuant to the provisions described Section 4.21(a) may provide by its terms that it will be automatically and unconditionally released and discharged upon:

(1) (with respect to any Guarantee created after the Closing Date) the release by the holders of the Company's or the Guarantor's Debt described in Section 4.21(a), of their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Debt other than as a result of payment under such guarantee), at a time when:

The Issuers will not, and will not permit any Guarantor to (i) cause itself or any of its Subsidiaries to be located, organized or resident in a country or territory that is the subject of comprehensive country-wide Sanctions if such activity would be a violation if undertaken by an Issuer, any Guarantor, the Trustee, a Holder or beneficial owner of the Notes or (ii) directly or indirectly, enter into any dealings or transactions, including, without limitation, a transaction with any Sanctioned Entity that at the time of the dealing or transaction is or was a Sanctioned Entity, that in any manner would reasonably be expected to result in the Trustee or any Holder or beneficiary owner of the Notes being in breach of any Sanctions or becoming a Sanctioned Entity.

#### Section 4.23 Limitation on Issuances and Sales of Capital Stock of Restricted Subsidiaries.

(a) The Company will not sell or otherwise dispose of, and will not permit any Restricted Subsidiary (other than as permitted under Section 4.13), directly or indirectly, to issue or sell, any shares of Capital Stock of a Restricted Subsidiary (including options, warrants or other rights to purchase shares of such Capital Stock).

For purposes of the foregoing, no Debt will be deemed to be subordinated in right of payment to any other Debt of the Company, Eletson Finance or any Guarantor solely by virtue of being unsecured or secured by a Permitted Lien or by virtue of the fact that the holders of such Debt have entered into intercreditor agreements or other arrangements giving one or more of such holders priority over the other holders in the collateral held by them or other payments among them.

such Mortgaged Vessel to another Permitted Flag Jurisdiction if (i) the owner of the Mortgaged Vessel has executed (A) a new Ship Mortgage (granting the Trustee a first-priority security interest in such Mortgaged Vessel subject only to Permitted Liens) and (B) the related Security Documents with respect to such Mortgaged Vessel, dated the date such Mortgaged Vessel shall be released from the existing Ship Mortgage and related Security Documents to which it is subject, which Ship Mortgage and related Security Documents shall be in appropriate form for recording or registration in the appropriate governmental offices of the Permitted Flag Jurisdiction under which it is being reflagged and the appropriate governmental offices in the jurisdiction of incorporation and/or domicile of the applicable Issuer or Guarantor if required by applicable law in order to perfect the first-priority security interests therein created, as to which the Trustee will be entitled to rely on an Opinion of Counsel to the Company with respect thereto; and (ii) the Guarantor has made arrangements for recording the Ship Mortgage referred to in clause (i) above in the appropriate registry office of the Permitted Flag Jurisdiction under which the Mortgaged Vessel is being reflagged as soon as reasonably practicable and to make any other filing necessary to perfect the security therein.

(a) All payments made by either Issuer under or with respect to the Notes or by any Guarantor under or with respect to a Guarantee will be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, levies, imposts, assessments or governmental charges of whatever nature, and any interest, additions to tax, penalties and other liabilities with respect thereto (collectively, “Taxes”) imposed or levied by any jurisdiction (i) in which such Issuer or Guarantor is organized or resident for tax purposes or (ii) from or through which such payments are made or, in each case, any political subdivision or authority thereof or therein having the power to tax (each, a “Relevant Taxing Jurisdiction”) unless such Issuer or Guarantor (or a paying agent of such Issuer or Guarantor) is required to withhold or deduct such Taxes by law. In the event that an Issuer or any Guarantor or a paying agent of an Issuer or any Guarantor is required by law to withhold or deduct any amount for or on account of any Taxes imposed by a Relevant Taxing Jurisdiction in respect of any payment made by such Issuer or Guarantor or such paying agent under or with respect to the Notes or any Guarantee, the Issuers or such Guarantor, as the case may be, will pay such additional amounts (“Additional Amounts”) as may be necessary so that the net amount received by each Holder of the Notes after such withholding or deduction (including any withholding or deduction attributable to Additional Amounts) will be not less than the amount that such Holder would have received if such Taxes had not been required to be withheld or deducted.

(b) Notwithstanding the foregoing, neither Issuer nor any Guarantor will have any obligation to pay Additional Amounts under or with respect to any Note or any Guarantee in respect or on account of:

(1) any Taxes that are imposed or levied by a Relevant Taxing Jurisdiction by reason of the relevant Holder’s or any beneficial owner’s present or former connection with such Relevant Taxing Jurisdiction (including citizenship, nationality, residence, domicile, or existence of a business, a permanent establishment, a place of business or a place of management in the Relevant Taxing Jurisdiction), other than any connection arising solely from the acquisition or ownership of a Note, or the

receipt of any payment due under, or the enforcement of, the Notes or any Guarantee (“Other Connection Taxes”);

(2) any Taxes that are imposed or withheld by reason of the failure of the Holder or any beneficial owner of any Note, prior to the relevant date on which a payment under and with respect to the Notes is due and payable (the “Relevant Payment Date”) to comply with the Issuers’ written request addressed to the Holder at least 30 days prior to the Relevant Payment Date to provide accurate information with respect to any certification, identification, information or other reporting requirements concerning nationality, residence, identity or connection with the Relevant Taxing Jurisdiction which the Holder or such beneficial owner is legally required to satisfy, whether imposed by statute, treaty, regulation or administrative practice, in each such case by the Relevant Taxing Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Relevant Taxing Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction), but, in each case, only to the extent that the Holder or beneficial owner is legally eligible to provide such certification or other evidence or comply with any such reporting requirement;

(3) any estate, inheritance, gift, sales, transfer or similar Taxes;

(4) any Tax that is payable other than by deduction or withholding in respect of payments made by either Issuer or any Guarantor under or with respect to any Note or any Guarantee;

(5) any Tax which would not have been so imposed but for the presentation (where presentation is permitted or required in order to receive payment) by the Holder of a Note for payment on a date more than 30 days after the date on which such payment becomes due and payable or the date on which payment thereof is duly provided for, whichever occurs later, except to the extent that the Holder would have been entitled to such Additional Amounts on presenting the same for payment on any day (including the last day) within such 30-day period;

(6) any withholding or deduction in respect of any Taxes where such withholding or deduction is imposed in respect of a payment to a Holder or beneficial owner and is required to be made pursuant to the European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meetings of 26 and 27 November 2000 or any law implementing or complying with, or introduced in order to conform to, any such directive;

(7) any Tax that is imposed in respect of a Note presented for payment where such withholding or deduction could have been avoided by presenting a Note for a payment to, or otherwise requesting payment from, another Paying Agent in a Member State of the European Union; or

(8) any United States federal Tax imposed or required to be deducted or withheld under or as a result of (i) Sections 1471 through 1474 of the U.S. Internal

Revenue Code of 1986, as amended from time to time (the “Code”), and any regulations or other official interpretations thereof, (ii) any agreements entered into pursuant to Section 1471(b)(1) of the Code, (iii) any intergovernmental agreement entered into by the United States and any other jurisdiction in connection with the implementation of Sections 1471 through 1474 of the Code and any treaty, law, regulation or other official interpretation or guidance ratified, enacted or promulgated in any other jurisdiction with respect to any such intergovernmental agreement or otherwise in connection with the implementation of Sections 1471 through 1474 of the Code, and (iv) any agreements entered into with any governmental authority or other tax authority pursuant to any authority described in clause (iii).

In addition, Additional Amounts will not be payable with respect to any Taxes that are imposed in respect of any combination of the above items.

(c) The relevant Issuer or Guarantor will make or cause to be made any such withholding or deduction of Taxes required by law and will remit the full amount of Taxes so deducted or withheld to the relevant taxing authority in accordance with all applicable laws. The Issuers will, upon request, make available to the Trustee, within 30 days after the date on which the payment of any Taxes so deducted or withheld is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by the Issuers. Such copies shall be made available to the Holders upon request.

(d) At least 30 days prior to each date on which any payment under the Notes is due and payable, if the Issuers or a Guarantor will be obliged to pay Additional Amounts with respect to such payment (unless such obligation to pay Additional Amounts arises after the 30th day prior to the date on which payment under or with respect to the Notes is due and payable, in which case it will be promptly thereafter), the Issuers or such Guarantor will deliver to the Trustee an Officers’ Certificate stating that such Additional Amounts will be payable and the amounts so payable and setting forth such other information as is necessary to enable such Trustee or paying agent to pay such Additional Amounts to the Holders on the payment date.

(e) In addition, the Issuers or the Guarantors will pay any present or future stamp, issue, registration, transfer, documentation, court, excise or property Taxes or other similar Taxes (other than any Other Connection Taxes) that arise in any Relevant Taxing Jurisdiction from the execution, issuance, delivery, enforcement of, registration, redemption or retirement of, or receipt of payments by either Issuer or any Guarantor under or with respect to, the Notes, this Indenture or the Guarantees, and the Issuers agree to indemnify the Holders for any such Taxes paid by such Holders.

(f) The foregoing provisions will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any Surviving Entity or successor Person to an Issuer or a Guarantor is organized or resident for tax purposes or from or through which such successor makes any payment on the Notes or any Guarantee and, in each case, any political subdivision or taxing authority or agency thereof or therein.

Section 4.28 Further Assurances.

Each Issuer shall, and shall cause any Guarantor to, at its sole cost and expense:

(a) execute and deliver all such agreements and instruments and take all further action as the Trustee shall reasonably request (A) to more fully or accurately describe the property intended to be Collateral or the obligations intended to be secured by this Indenture and the Security Documents and (B) to continue and maintain the Trustee's perfected security interest in the Collateral; and

(b) file any such notice filings or other agreements or instruments as may be reasonably necessary or desirable under applicable law to perfect, continue and maintain the Liens created by this Indenture and the Security Documents.

Section 4.29 Certain Newbuilding Vessels.

If the BoComm Guarantee Subordination has not occurred by June 30, 2018, holders of at least a majority in aggregate principal amount of the Notes may provide the Company with written notice, which notice may request that the Company monetize the charters with respect to one or both of the BoComm Vessels (the "Specified BoComm Vessels"). The Company shall, not later than the 105th day after receipt of such notice, cause a BoComm Charter Disposal to occur with respect to each Specified BoComm Vessel.

The offer price as to each Note will be payable in cash in an amount equal to 100% of the principal amount of such Note plus accrued and unpaid interest, if any, to the date of purchase. The Issuers may, at their option, use Charter Disposal Proceeds to make a Charter Disposal Proceeds Offer prior to the date such Charter Disposal Proceeds exceed \$2.5 million.

(d) Pending application in a Charter Disposal Proceeds Offer, the Issuers shall deposit in the Collection Account all Charter Disposal Proceeds from any Charter Disposal that in the aggregate do not exceed \$2.5 million.

(e) If the aggregate principal amount of Notes validly tendered and not withdrawn by Holders thereof exceeds the aggregate amount of such Charter Disposal Proceeds, the Notes to be purchased will be selected by the Trustee on a pro rata basis (based upon the principal amount of Notes tendered by each Holder). Upon completion of such Charter Disposal

Proceeds Offer, any remaining Charter Disposal Proceeds shall become Excess Proceeds for purposes of Section 4.10. The Available Amount with respect to any Charter Disposal may be used for general corporate purposes that are not otherwise prohibited by this Indenture and shall not constitute Excess Proceeds.

(f) If the Issuers are obliged to make a Charter Disposal Proceeds Offer, the Issuers will offer to purchase the Notes in whole or in part in a minimum amount that is an integral multiple of \$1.00, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Charter Disposal Proceeds Offer is given to such holders, or such later date as may be required under the Exchange Act.

(g) If the Issuers are required to make a Charter Disposal Proceeds Offer, the Issuers will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. Any Note or portion of a Note accepted for payment pursuant to an Excess Cash Flow Offer will cease to accrue interest on and after the Excess Cash Flow Offer Payment Date. The Company will publicly announce the results of any Excess Cash Flow Offer on or as soon as practicable after the Excess Cash Flow Offer Payment Date.

(h) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to an Excess Cash Flow Offer. (a) The Company will not, in a single transaction or through a series of transactions, merge, consolidate, amalgamate or otherwise combine with or into any other Person or sell, assign, convey, transfer, lease or otherwise dispose of, or take any action pursuant to any resolution passed by the Company's Board of Directors or shareholders with respect to a demerger or division pursuant to which the Company would dispose of, all or substantially all of the Company's properties and assets to any other Person or Persons, and the Company will not permit any Restricted Subsidiary to enter into any such transaction or series of transactions if such transaction or series of transactions, in the aggregate, would result in the sale, assignment, conveyance, transfer, lease or other disposition of all or substantially all of the properties and assets of the Company and the Restricted Subsidiaries on a consolidated basis to any other Person or Persons. The previous sentence will not apply if at the time and immediately after giving effect to any such transaction or series of transactions:

(1) either: (i) the Company will be the continuing corporation; or (ii) the Person (if other than the Company) formed by or surviving any such merger, consolidation, amalgamation or other combination or to which such sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Company and the Restricted Subsidiaries on a consolidated basis has been made (the "Surviving Entity"):

(x) (i) will be a corporation duly incorporated and validly existing under the laws of any Eligible Jurisdiction and (ii) will be, immediately after such merger, consolidation, amalgamation or other combination or sale, assignment, conveyance, transfer, lease or disposition, permitted to make all payments under or with respect to the Notes free and clear of, and without withholding or deduction for or on account of, any Taxes, imposed or levied by any Relevant Taxing Jurisdiction; and

(y) will expressly assume, by a supplemental indenture or other agreements in forms satisfactory to the Trustee, the Company's obligations under the Notes, this Indenture and the Security Documents, and the Notes, this Indenture and the Security Documents will remain in full force and effect as so supplemented;

(2) immediately after giving effect to such transaction or series of transactions on a *pro forma* basis (and treating any obligation of the Company or any Restricted Subsidiary Incurred in connection with or as a result of such transaction or series of transactions as having been Incurred by the Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default will have occurred and be continuing;

(3) immediately after giving effect to such transaction or series of transactions on a *pro forma* basis (on the assumption that the transaction or series of transactions occurred on the first day of the four-quarter fiscal period immediately prior

to the consummation of such transaction or series of transactions with the appropriate adjustments with respect to the transaction or series of transactions being included in such *pro forma* calculation), the Company (or the Surviving Entity if the Company is not the continuing obligor under this Indenture) could Incur at least \$1.00 of additional Debt pursuant to the ratio set forth in Section 4.09(a);

(4) any Guarantor, unless it is the other party to the transactions described above, has, by way of execution of a supplemental indenture, confirmed that its Guarantee will apply to such Person's obligations under this Indenture and the Notes;

(5) if any of the Company's or any Restricted Subsidiary's property or assets will thereupon become subject to any Lien, the provisions of Section 4.13 are complied with; and

(6) the Company or the Surviving Entity has delivered to the Trustee, in form and substance satisfactory to the Trustee, an Officers' Certificate (attaching the computations to demonstrate compliance with clause (3) above) and an Opinion of Counsel, each stating that such merger, consolidation, amalgamation or other combination or sale, assignment, conveyance, transfer, lease or other disposition, and if a supplemental indenture or other agreements are required in connection with such transaction, such supplemental indenture or other agreements, comply with the requirements of this Indenture and the Security Documents and that all conditions precedent in this Indenture and the Security Documents relating to such transaction have been satisfied and that this Indenture, the Notes and the Security Documents constitute legal, valid and binding obligations of the Company or the Surviving Entity, enforceable in accordance with their terms.

(b) The Surviving Entity will succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture, but, in the case of a lease of all or substantially all of the Company's assets, the Company will not be released from the obligation to pay the principal of, premium, if any, and interest, on the Notes.

(c) Subject to the provisions described under Section 11.05, no Guarantor will, in a single transaction or through a series of transactions, merge, consolidate, amalgamate or other combine with or into any other Person or sell, assign, convey, transfer, lease or otherwise dispose of, or take any action pursuant to any resolution passed by such Guarantor's Board of Directors or shareholders with respect to a demerger or division pursuant to which such Guarantor will dispose of, all or substantially all of such Guarantor's properties and assets to any other Person or Persons. The previous sentence will not apply if at the time and immediately after giving effect to any such transaction or series of transactions:

(1) such Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation organized or existing under the laws of any Eligible Jurisdiction (such Guarantor or such Person, as the case may be, being herein called the "Successor Guarantor");

(2) the Successor Guarantor (if other than such Guarantor) expressly assumes all the obligations of such Guarantor under its Guarantee, this Indenture and the Security Documents, pursuant to supplemental indentures and/or agreements in form reasonably satisfactory to the Trustee;

(3) immediately after giving pro forma effect to such transaction, no Default or Event of Default exists and is continuing; and

(4) the Guarantor or the Successor Guarantor has delivered to the Trustee, in form and substance satisfactory to the Trustee, an Officers' Certificate and an Opinion of Counsel, each stating that such merger, consolidation, amalgamation or other combination or sale, assignment, conveyance, transfer, lease or other disposition, and if a supplemental indenture or other agreements are required in connection with such transaction, such supplemental indenture or other agreements, comply with the requirements of this Indenture and the Security Documents and that all conditions precedent in this Indenture and the Security Documents relating to such transaction have been satisfied and that this Indenture, the Guarantee and the Security Documents constitute a legal, valid and binding obligation of the Guarantor or Successor Guarantor, enforceable in accordance with its terms.

(d) The Successor Guarantor will succeed to, and be substituted for, and may exercise every right and power of, the relevant Guarantor under this Indenture, but, in the case of a lease of all or substantially all of the Guarantor's assets, the Guarantor will not be released from the obligation to pay the principal of, premium, if any, and interest, on the Guarantor.

(e) Nothing in this Indenture will prevent: (i) any Restricted Subsidiary that is not a Guarantor from consolidating with, merging into or transferring all or substantially all of its properties and assets to the Company, a Guarantor or any other Restricted Subsidiary that is not a Guarantor; or (ii) any Guarantor from merging into or transferring all or part of its properties and assets to the Company or another Guarantor.

(f) default under the terms of any instrument evidencing or securing the Debt of the Company or any Restricted Subsidiary having an outstanding principal amount in excess of \$10.0 million individually or in the aggregate, if that default:

(x) results in the acceleration of the payment of such Debt; or

(y) is caused by the failure to pay such Debt at final maturity thereof after giving effect to the expiration of any applicable grace periods (and other than by regularly scheduled required prepayment) and such failure to make any payment has not been waived or the final maturity of such Debt has not been extended;

(g) any Guarantee ceases to be, or shall be asserted in writing by any Guarantor, or any Person acting on behalf of any Guarantor, not to be in full force and effect or enforceable in accordance with its terms (other than as provided for in this Indenture or any Guarantee);

(h) one or more final judgments, orders or decrees (not subject to appeal and not covered by insurance issued by a solvent insurance carrier and to the extent such carrier has not disaffirmed liability) shall be rendered against the Company or any Restricted Subsidiary either individually or in an aggregate amount, in each case in excess of \$10.0 million, and either a creditor shall have commenced an enforcement proceeding upon such judgment, order or decree or there shall have been a period of 30 consecutive days or more during which a stay of

(j) either Issuer or any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

- (i) commences a voluntary case,
- (ii) consents to the entry of an order for relief against it in an involuntary case,
- (iii) consents to the appointment of a custodian of it or for all or substantially all of its property,
- (iv) makes a general assignment for the benefit of its creditors, or
- (v) generally is not paying its debts as they become due; and

(k) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against either Issuer or any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary in an involuntary case;

(ii) appoints a custodian of either Issuer or any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of either Issuer or any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary; or

(iii) orders the liquidation of either Issuer or any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days; and

(l) the Consulting Agreement ceases to be in full force and effect (other than a termination in accordance with the provisions of the Consulting Agreement).

Section 6.02 Acceleration.

(a) If an Event of Default (other than as specified in clauses (j) or (k) of Section 6.01) occurs and is continuing, the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuers (and to the Trustee if such notice is given by the Holders) may, and the Trustee, upon the written request of such Holders, shall, declare the principal of, premium, if any, any Additional Amounts and accrued interest on all of the outstanding Notes immediately due and payable, and upon any such declaration all such amounts payable in respect of the Notes will become immediately due and payable.

(b) If an Event of Default specified in clause (j) or (k) of Section 6.01(1) occurs and is continuing, then the principal of, premium, if any, Additional Amounts and accrued and unpaid interest on all of the outstanding Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any holder of Notes.

(c) At any time after a declaration of acceleration under this Indenture, but before a judgment or decree for payment of the money due has been obtained by the Trustee, the Holders of a majority in aggregate principal amount of the outstanding Notes, by written notice to the Issuers and the Trustee, may rescind such declaration and its consequences if:

(1) the Issuers have paid or deposited with the Trustee a sum sufficient to pay:

(i) all overdue interest and Additional Amounts on all of the Notes then outstanding;

(ii) all unpaid principal of and premium, if any, on any outstanding Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes;

(iii) to the extent that payment of such interest is lawful, interest upon overdue interest and overdue principal at the rate borne by the Notes; and

(iv) all sums paid or advanced by the Trustee under this Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and

(3) all Events of Default, other than the non-payment of amounts of principal of, premium, if any, and any Additional Amounts and interest accrued on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(d) If an acceleration occurs, the principal amount of, premium, if any, and accrued interest on Notes that become due and payable shall equal the optional redemption price in effect on the date of such acceleration, as if such acceleration were an optional redemption of the Notes accelerated on such date of acceleration. The amounts described in the preceding sentence are intended to be liquidated damages and not unmatured interest or a penalty.

#### Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

#### Section 6.04 Waiver of Past Defaults.

Subject to 6.02(c), the Holders of not less than a majority in aggregate principal amount of the outstanding Notes may, on behalf of the Holders of all of the Notes, waive any past defaults under this Indenture, except a default (x) in the payment of the principal of, premium, if any, and Additional Amounts or interest on any Note; or (y) in respect of a covenant or provision which under this Indenture cannot be modified or amended without the consent of the holder of each Note outstanding, in which case, the consent of each affected holder of then outstanding Notes shall be required. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

#### Section 6.05 Control by Majority.

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or Collateral Agent, as applicable, or exercising any trust or power conferred on it. However, the Trustee or Collateral Agent, as applicable, may refuse to follow

any direction that conflicts with law or this Indenture, or the Security Documents that the Trustee or Collateral Agent, as applicable, determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee or Collateral Agent, as applicable, in personal liability or if the Holders have failed to provide the indemnity or security required by Section 7.02(g). The Trustee and the Collateral Agent may take any other action deemed proper by the Trustee and Collateral Agent, as applicable, which is not inconsistent with such direction.

#### Section 6.06 Limitation on Suits.

No holder of any of the Notes has any right to institute any proceedings with respect to this Indenture or any remedy thereunder unless the Holders of at least 25% in aggregate principal amount of the outstanding Notes have made a written request and offered indemnity and/or security satisfactory to the Trustee to institute such proceeding as Trustee under the Notes and this Indenture, the Trustee has failed to institute such proceeding within 30 days after receipt of such notice and the Trustee within such 30-day period has not received directions inconsistent with such written request by Holders of a majority in aggregate principal amount of the outstanding Notes. Such limitations do not, however, apply to (i) a suit instituted by a Holder for the enforcement of the payment of the principal of, premium, if any, and Additional Amounts or interest on such Note on or after the respective due dates expressed in such Note or (ii) any actions taken (A) by the Back-Up Manager in accordance with the instructions of the Holders of the Notes or its stated duties under this Indenture or (B) by the Holders of the Notes with respect to the appointment and retention of, and the performance of duties by, a Back-Up Manager.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

#### Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided* that a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

#### Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1)(a) or (b) occurs and is continuing, the Issuers will pay to the Trustee, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for the principal of, premium, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and premium and, to

the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuers fail to pay such amount forthwith, the Trustee may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceedings to the judgment or final decree, and may enforce the same against the Issuers or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out the property of the Issuers or any other obligor upon the Notes, wherever situated.

Section 6.09 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent and their respective agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), their creditors or their property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and Collateral Agent and its respective agents and counsel (or their respective agents and counsel if the Trustee and Collateral Agent are different Persons), and any other amounts due the Trustee under Section 7.07 and the Collateral Agent under Section 10.10. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee and Collateral Agent, its agents and counsel (or their respective agents and counsel if the Trustee and Collateral Agent are different Persons), and any other amounts due the Trustee under Section 7.07 or the Collateral Agent under Section 10.10 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities.

Any money or property collected by the Trustee pursuant to this Article 6 or by the Collateral Agent pursuant to the Security Documents, or any money or other property distributable in respect of the Issuers' or the Guarantors' Obligations under this Indenture after an Event of Default, shall be applied in the following order:

*First:* to the Trustee, the Collateral Agent, the Agents and their respective agents and attorneys for amounts due under Section 7.07 and Section 10.10, including payment of all compensation, reasonable expenses and liabilities incurred, and all advances made, by the Trustee, the Agents and the Collateral Agent and the costs and expenses of collection;

*Second:* to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

*Third:* any surplus remaining after the payment in full in cash of all the Obligations under the Notes shall be paid to the Issuers or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

Section 6.12 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every case the Issuers, the Trustee and the Holder shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder.

## ARTICLE 7 TRUSTEE

### Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the form requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.01(b);

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture and the Security Documents that in any way relates to the Trustee is subject to this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that indemnity satisfactory to the Trustee against such risk or liability is not reasonably assured to it.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) The Trustee agrees to accept and act upon facsimile or electronic transmission (including portable document format) of documents hereunder, it being understood that originals of such documents shall be provided to the Trustee in a timely manner.

(h) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

#### Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its reasonable discretion, may make such further inquiry or investigation into such facts or matters as it reasonably may see fit, and if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney, and shall have reasonable access to the premises of the Issuers during normal business hours in connection with such examination in a manner not to disrupt the normal business operations of the Issuers and shall incur no liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel, investment bankers, accountants and other professionals and the advice of such counsel, investment bankers, accountants and other professionals or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers will be sufficient if signed by an Officer of the Company.

(f) In no event shall the Trustee be responsible or liable to any Person for special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(h) The Trustee shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Trustee (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank of New York wire or facsimile or other wire or communication facility).

(i) The permissive right of the Trustee to do things enumerated in this Indenture or the Security Documents shall not be construed as a mandatory duty.

#### Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any Affiliate of an Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (as defined in the TIA) it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

#### Section 7.04 Trustee's Disclaimer.

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or the Security Documents, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication, and it assumes no responsibility for their correctness.

The Trustee shall not be responsible for and makes no representation as to the existence, genuineness, value or protection of any Collateral (except for the safe custody of Collateral in its possession and the accounting for Trust Monies actually received), for the legality, effectiveness or sufficiency of any Security Document, or for the creation, perfection, priority, sufficiency or protection of any Lien.

Section 7.05 Notice of Defaults.

(a) If a Default or an Event of Default occurs and is continuing and is known to a Responsible Officer of the Trustee, the Trustee will mail to each Holder notice of the Default or Event of Default within 15 Business Days after its occurrence. Except in the case of a Default or an Event of Default in the payment of principal of, premium, if any, Additional Amounts or interest on any Notes, the Trustee may withhold the giving of such notice to the Holders of such Notes if it determines that withholding the giving of such notice is in the best interests of the Holders.

(b) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default (other than a Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes) unless a Responsible Officer of the Trustee has actual knowledge thereof or shall have received written notice thereof at its address set forth in Section 13.02 from the Issuers or any Guarantor or Holders of at least 25% in aggregate principal amount of the then outstanding Notes specifying the occurrence and nature thereof and stating that such notice is a notice of default.

Section 7.06 Reports by Trustee to Holders.

Within 60 days after each January 1 beginning with January 1, 2019, and for so long as Notes remain outstanding, the Trustee will send to the Holders of the Notes a report dated as of such reporting date, in accordance with, and to the extent required by, §313 of the TIA.

Section 7.07 Compensation and Indemnity.

(a) The Issuers shall pay to the Trustee and Agents from time to time reasonable compensation as shall be agreed to in writing by the Issuers and the Trustee and Agents for its acceptance of this Indenture, the Security Documents and services hereunder and thereunder (it being hereby agreed that the compensation set forth in any written fee agreement between the Issuers and the Trustee and Agents shall be deemed to be reasonable). The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee and Agents promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuers and the Guarantors will, jointly and severally, indemnify the Trustee, the Agents and their respective officers, directors and agents against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture or the Security Documents, including the costs and expenses of enforcing this Indenture against the Issuers and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder and in connection with the exercise or performance of any of its powers or duties (if any) hereunder or under the Security Documents,

except to the extent any such loss, liability or expense may be attributable to its negligence, willful misconduct or bad faith. The Trustee will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers will not relieve the Issuers or any of the Guarantors of their obligations hereunder. The Issuers or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuers and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture and the termination of the Security Documents. The obligations of the Issuers and the Guarantors to the Trustee under this Section 7.07 shall survive the resignation, removal or replacement of the Trustee to the extent that the Trustee incurred fees, reimbursable expense or indemnifiable losses, liabilities or expenses while acting as trustee hereunder before such resignation, removal or replacement.

(d) To secure the Issuers' and the Guarantors' payment obligations in this Section 7.07 and Section 10.10, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture and the resignation, removal or replacement of the Trustee or Collateral Agent.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(1)(j) or (1)(k) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

#### Section 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08 and the Issuers' receipt of written notice from the successor Trustee of such appointment.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers and the Holders with thirty (30) days written notice (which notice to the Holders may be given through the Depositary). The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee with thirty (30) days written notice to the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a receiver of the Trustee or of its property shall have been appointed, or a custodian or public officer takes charge of the Trustee or its property or affairs for the purpose of rehabilitation, conservation or liquidation; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns, is notified that it is to be removed or has notified the Issuer that it wishes to resign, in each case, in accordance with paragraph (b) above, or if a vacancy exists in the office of Trustee for any reason, the Issuers shall, as promptly as practicable, appoint a successor Trustee. Within one year after such notice is received by the recipients thereof (as the case may be), the Holders of a majority in aggregate principal amount of the then outstanding Notes may, by written notice to the then Trustee and the Issuers, appoint a successor Trustee to replace the retiring Trustee or any successor Trustee appointed by the Issuers or the relevant court pursuant to paragraph (d) below (as the case may be).

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee is notified that it is to be removed or has notified the Issuer that it wishes to resign, in each case, in accordance with paragraph (b) above, the retiring Trustee, the Issuers or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes, at the expense of the Issuers, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee, without any further act, deed, or conveyance, will have all the rights, powers, trusts and duties of the Trustee under this Indenture; but, on request of the Issuers or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its Lien provided for in Section 7.07. The Issuers will give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to Holders of the Notes. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 will continue for the benefit of the retiring Trustee.

#### Section 7.09 Successor Trustee by Merger, etc.

Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to

which the Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such entity shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or further act on the part of any of the parties hereto. In the case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

#### Section 7.10 Eligibility; Disqualification.

(a) There will at all times be a Trustee hereunder that is an entity organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trust power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition. If at any time the Trustee ceases to be eligible in accordance with the provisions of this Section 7.10, it shall resign immediately in the manner and with the effect specified in this Article.

(b) This Indenture will always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee shall comply with the terms of TIA § 310(b).

#### Section 7.11 Preferential Collection of Claims Against Issuers.

The Trustee is subject to TIA § 311, excluding any creditor relationship listed in TIA § 311(b).

#### Section 7.12 Trustee in Other Capacities; Collateral Agent, Registrar and Paying Agent.

References to the Trustee in Sections 7.01(b), (c), (d), (e), (f), (g), (h), Section 7.02, Section 7.03, Section 7.04, Section 7.07, Section 7.08 and Section 7.09 shall be understood to include the Trustee when acting in its other capacities under this Indenture, including as Paying Agent, Registrar and Collateral Agent or any Agent hereunder; provided that, notwithstanding anything herein to the contrary, (i) an Agent shall only be liable to the extent of its gross negligence or willful misconduct; and (ii) in and during an Event of Default, only the Trustee, and not any Agent, shall be subject to the prudent person standard. Without limiting the foregoing, and for the avoidance of doubt, such Sections shall be read to apply to the Collateral Agent and the Security Documents, *mutatis mutandis*, in addition to this Indenture. The privileges, rights, indemnities, immunities and exculpatory provisions contained in this Indenture shall apply to the Trustee, whether it is acting under this Indenture or the Security Documents.

## ARTICLE 8 LEGAL DEFEASANCE AND COVENANT DEFEASANCE

### Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuers may at any time, at their option evidenced by a resolution of the Board of Directors of the Company set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 be applied to all outstanding Notes and Guarantees upon compliance with the conditions set forth below in this Article 8.

### Section 8.02 Legal Defeasance and Discharge.

Upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors will be deemed to have paid and discharged the entire Debt represented by the outstanding Notes (including the Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other sections of this Indenture referred to in clauses (1) and (2) of this Section 8.02, and to have satisfied all their other obligations under such Notes, the Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute such instruments as reasonably requested by the Issuers acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, Additional Amounts and interest on such Notes when such payments are due;
- (2) the Issuers' obligations to issue temporary Notes, register, transfer or exchange any Notes, replace mutilated, destroyed, lost or stolen Notes, maintain an office or agency for payments in respect of the Notes and segregate and hold such payments on trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee and the obligations of the Issuers and the Guarantors in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

### Section 8.03 Covenant Defeasance.

Upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04, be released from each of their obligations under the

covenants contained in Sections 3.10, 4.03, 4.04(a), 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15(2), 4.16, 4.17, 4.18, 4.19, 4.20, 4.21, 4.22, 4.23, 4.24, 4.25, 4.26, 4.27, 4.28, 4.29, 4.30, 4.31, 4.32, 4.33, 4.34, 4.35, 4.36, 4.37 and 5.01 with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, “Covenant Defeasance”), and the Notes will thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Guarantees, the Issuers and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees will be unaffected thereby. Upon the Issuers’ exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(c) through 6.01(i) will no longer constitute Events of Default.

#### Section 8.04 Conditions to Legal or Covenant Defeasance.

(a) In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03:

(1) the Issuers must irrevocably deposit or cause to be deposited in trust with the Trustee, for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Securities or a combination thereof, in such amounts as will be sufficient, in the opinion of an internationally recognized firm of independent public accountants, to pay and discharge the principal of, premium, if any, Additional Amounts and interest, on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Issuers must: (i) specify whether the Notes are being defeased to maturity or to a particular redemption date; and (ii) if applicable, have delivered to the Trustee an irrevocable notice to redeem all of the outstanding Notes;

(2) in the case of Legal Defeasance, the Issuers must have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee stating that: (x) the Issuers has received from, or there has been published by, the U.S. Internal Revenue Service a ruling; or (y) since the Closing Date, there has been a change in applicable U.S. federal income tax law, in either case to the effect that (and based thereon such Opinion of Counsel shall confirm that) the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuers or the Guarantors must have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee to the effect that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) the Issuers must have delivered to the Trustee Opinions of Counsel reasonably acceptable to the Trustee to the effect that the Holders of the outstanding Notes will not recognize income, gain or loss for Liberian income tax purposes as a result of such Legal Defeasance;

(5) no Default or Event of Default will have occurred and be continuing (i) on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting Liens to secure such borrowing) or (ii) insofar as bankruptcy or insolvency events described in Section 6.01(1)(j) and (k) is concerned, at any time during the period ending on the 90th day after the date of such deposit;

(6) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting Liens to secure such borrowing), this Indenture or any material agreement or instrument to which any Issuer or any Restricted Subsidiary is a party or by which the Issuers or any Restricted Subsidiary is bound;

(7) such Legal Defeasance or Covenant Defeasance will not result in the trust arising from such deposit constituting an investment company within the meaning of the U.S. Investment Company Act of 1940 unless such trust shall be registered under such act or be exempt from registration thereunder;

(8) the Issuers must have delivered to the Trustee an Opinion of Counsel acceptable to the Trustee that the Trustee shall have a perfected first-priority security interest in such trust funds for the ratable benefit of the Holders;

(9) the Issuers must have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuers with the intent of preferring the Holders over the other creditors of the Issuers with the intent of defeating, hindering, delaying or defrauding creditors of the Issuers or other creditors, or removing assets beyond the reach of the relevant creditors or increasing debts of the Issuers to the detriment of the relevant creditors;

(10) no event or condition exists that would prevent the Issuers from making payments of the principal of, premium, if any, Additional Amounts and interest on the Notes on the date of such deposit or at any time ending on the 90th day after the date of such deposit; and

(11) the Issuers must have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel acceptable to the Trustee, each stating that all conditions precedent provided for relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Section 8.05 Deposited Money and U.S. Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06, all money and non-callable U.S. Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes. If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of, premium, if any, Additional Amounts and interest on the Notes when due because of any acceleration occurring after an Event of Default, then the Issuers and the Guarantors will remain liable for such payments.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or non-callable U.S. Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)(1)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Issuers.

Subject to applicable abandoned property laws, any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuers on their request or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in the New York Times or The Wall Street Journal (national

edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

#### Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable U.S. Government Securities in accordance with Section 8.02 or Section 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and the Guarantors' obligations under this Indenture and the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium, if any, or interest on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

### ARTICLE 9 AMENDMENT, SUPPLEMENT AND WAIVER

#### Section 9.01 Without Consent of Holders.

Notwithstanding Section 9.02, the Issuers, the Guarantors, the Trustee and the Collateral Agent, as applicable, may amend or supplement this Indenture, the Notes, the Guarantees or the Security Documents, without the consent of any Holder:

- (1) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants in this Indenture and in the Notes in accordance with Section 5.01;
- (2) to add to the Issuers' covenants and those of any Guarantor or any other obligor in respect of the Notes for the benefit of the Holders or to surrender any right or power conferred upon the Issuers or any Guarantor or any other obligor in respect of the Notes, as applicable, in this Indenture, the Notes or any Guarantee;
- (3) to cure any ambiguity, or to correct or supplement any provision in this Indenture, the Notes or any Guarantee that may be defective or inconsistent with any other provision in this Indenture, the Notes or any Guarantee or make any other provisions with respect to matters or questions arising under this Indenture, the Notes or any Guarantee; *provided* that, in each case, such provisions shall not adversely affect the interests of the Holders;
- (4) to conform the text of this Indenture, the Notes or any Guarantee to any provision of the "Description of the New Notes" section of the Offer to Exchange to the extent that such provision in the "Description of the New Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or any Guarantee, as set forth in an Officers' Certificate;

(5) to release any Guarantor in accordance with (and if permitted by) the terms of this Indenture;

(6) to add a Guarantor under this Indenture;

(7) to evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture;

(8) to mortgage, pledge, hypothecate or grant a first-priority security interest in favor of the Trustee for the benefit of the Holders as additional security for the payment and performance of the Issuers' and any Guarantor's obligations under this Indenture, in any property, or assets, including any of which are required to be mortgaged, pledged or hypothecated, or in which a first-priority security interest is required to be granted to the Trustee pursuant to this Indenture or otherwise;

(9) in the event that PIK Notes are issued in certificated form, to make appropriate amendments to reflect an appropriate minimum denomination of certificated PIK Notes and to establish minimum redemption amounts for certificated PIK Notes; or

(10) to provide for the issuance of Additional Notes in accordance with and if permitted by the terms of an limitations set forth in this Indenture.

#### Section 9.02 With Consent of Holders.

Except as provided below in this Section 9.02, the Issuers, the Guarantors, the Trustee and the Collateral Agent, as applicable, may amend or supplement this Indenture, the Consulting Agreement, the Notes, the Guarantees and the Security Documents with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes).

Subject to Sections 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the Notes then outstanding may waive compliance in a particular instance by the Issuers or the Guarantors with any provision of this Indenture, the Consulting Agreement, the Notes, the Guarantees or the Security Documents.

However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) change the Stated Maturity of the principal of, or any installment of or Additional Amounts or interest on, any Note (or change any Default or Event of Default related thereto);

(2) reduce the principal amount of any Note (or Additional Amounts if any), reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 3.07, or reduce the rate of

or change the time for payment of interest on any Note (or change any Default or Event of Default related thereto);

(3) change the coin or currency in which the principal of any Note or any premium or any Additional Amounts or the interest thereon is payable;

(4) impair the right to institute suit for the enforcement of any payment of any Note in accordance with the provisions of such Note and this Indenture;

(5) reduce the principal amount of Notes whose Holders must consent to any amendment, supplement or waiver of provisions of this Indenture;

(6) modify any of the provisions relating to supplemental indentures requiring the consent of Holders or relating to the waiver of past defaults or relating to the waiver of certain covenants, except to increase the percentage of outstanding Notes required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Holder affected thereby; or

(7) release any Guarantee except in compliance with the terms of this Indenture.

Notwithstanding the foregoing, without the consent of Holders representing 66 2/3% of the outstanding principal amount of Notes, an amendment, supplement or waiver may not: (i) amend, change or modify in any material respect the obligation of the Issuers to make and consummate a Collateral Sale Offer, an Event of Loss Offer, an Excess Cash Flow Offer, an Existing Trust Monies Offer or a Charter Disposal Proceeds Offer, as the case may be, or modify the provisions or definitions with respect thereto; or (ii) release the Lien of the Trustee for the benefit of the Holders in any Collateral (other than by operation of the terms of this Indenture and the Security Documents).

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

#### Section 9.03 Compliance with TIA.

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. Subject to Section 9.04(b), any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action required or permitted to be taken pursuant to this Indenture, other than the delivery of instructions by Holders to the Trustee or Collateral Agent. If a record date is fixed, then notwithstanding clause (a) of this Section 9.04, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective more than 120 days after such record date.

Section 9.05 Notation on or Exchange of Notes.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee and Collateral Agent to Sign Amendments, etc.

Upon the request of the Issuers accompanied by a resolution of the Board of Directors of the Company authorizing the execution of any such amendment or supplement and upon the filing with the Trustee and the Collateral Agent, if applicable, of evidence of the consent of the Holders if required pursuant to Section 9.02, the Trustee and the Collateral Agent, if applicable, will sign any amendment or supplement authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Collateral Agent, as applicable. The Security Documents shall provide for the grant by the Issuers and the Guarantors party thereto to the Collateral Agent (and in the case of the Ship Mortgages (other than Greek Ship Mortgages) to the Trustee in its capacity as a trustee for the Holders) of security interests in the Collateral, subject to Permitted Liens.

(b) Each of the Trustee and, by its acceptance of a Note, each Holder (i) appoints the Collateral Agent to act as its agent (and to hold any security interest created by the Security Documents for and on behalf of or in trust for it) under this Indenture and the Security Documents (and by its signature below, the Collateral Agent accepts such appointment) for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by either Issuer or any Guarantor to secure any of this Indenture Obligations, together with such powers and discretion as are reasonably incidental thereto, (ii) authorizes the Collateral Agent to enter into the Security Documents to which it is a party, to make any representations on behalf of the Holders as may be set forth in the Security Documents, to take such action on its behalf and in the Collateral Agent's designated capacity under the provisions of this Indenture and the Security Documents, and to perform its obligations and exercise its rights and powers expressly designated to it hereunder and thereunder in accordance herewith and therewith, and (iii) consents and agrees to the terms of each Security Document. The duties of the Collateral Agent shall be ministerial and administrative in nature, and the Collateral Agent shall not have a trust relationship with the Trustee, any Holder, obligor or any other Person by reason of this Indenture or any of the Security Documents. Notwithstanding the foregoing, no such consent or deemed consent shall be deemed or construed to represent an amendment or waiver, in whole or in part, of any provision of this Indenture or the Notes. The foregoing will not limit the right of any Issuer or any Guarantor to amend, waive or otherwise modify the Security Documents in accordance with their terms.

(c) The Collateral Agent shall not, nor shall the Trustee, have any duties or responsibilities except those expressly set forth in this Indenture and the Security Documents to which the Collateral Agent and/or the Trustee is a party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture or the Security

Any exercise of discretion on behalf of the Collateral Agent shall be exercised in accordance with the terms of this Indenture.

(d) The Collateral Agent may, and the Trustee may, perform its duties under this Indenture and the Security Documents to which it is a party by or through receivers, agents, attorneys-in-fact and employees. Both the Collateral Agent and the Trustee may consult with and employ legal counsel, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel.

(e) The Collateral Agent and the Trustee shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, consent, certificate, affidavit, letter, certification, statement, notice or other communication or document believed by it to be genuine and correct and to have been signed, sent or made by the proper Person, and upon the advice and statements of legal counsel (including counsel to the Company or any obligor). Neither the Collateral Agent nor the Trustee shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document. Neither the Collateral Agent nor the Trustee shall have liability for failing or refusing to take any action under this Indenture or the Security Documents unless it shall first receive such advice, direction, instruction or concurrence as is required hereunder; and each of them shall have the right to seek instructions before acting or electing not to act under this Indenture, and/or the Security Documents. Neither the Collateral Agent nor the Trustee shall in any case have any liability in acting, or refraining from acting, under this Indenture and the Security Documents in accordance with a direction or instruction from the Issuers or the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes, as applicable, and such direction or instruction and any action taken or failure to act pursuant thereto shall be binding upon all the Holders. Notwithstanding anything herein to the contrary, the Collateral Agent shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created under this Indenture or any Security Document.

(f) The Collateral Agent shall not be deemed to have knowledge of any Default or Event of Default unless a Responsible Officer of the Collateral Agent has received written notice from the Company, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes specifying the occurrence and nature thereof and stating that such notice is a notice of default.

(g) Neither the Collateral Agent nor the Trustee shall be liable for any action taken or omitted to be taken by it in connection with this Indenture or any Security Documents or instrument referred to or provided for herein or therein, except to the extent that any of the foregoing are found by a final, nonappealable decision of a court of competent jurisdiction to have resulted from its own gross negligence, willful misconduct or bad faith. Neither the Collateral Agent nor the Trustee assumes any responsibility for any failure or delay in performance or any breach by the Issuers or any obligor of any obligations under this Indenture and the Security Documents. Neither the Collateral Agent nor the Trustee shall be responsible to

the Holders or any other Person for any recitals, statements, information, representations or warranties contained in any Security Documents or in any certificate, report, statement, or other document referred to or provided for in, or received by either of them under or in connection with, this Indenture or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of any Security Documents; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture and the Security Documents. Neither the Collateral Agent nor the Trustee shall have any obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture and any Security Documents. The Collateral Agent shall not, nor shall the Trustee, be required to initiate or conduct any litigation or collection or other proceeding under this Indenture and the Security Documents unless expressly set forth hereunder or thereunder. (h) No provision of this Indenture or the Security Documents shall require the Collateral Agent or the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers unless the Collateral Agent or the Trustee, as the case may be, shall have received security or indemnity satisfactory to it against potential costs and liabilities incurred by it relating thereto. Notwithstanding anything to the contrary contained in this Indenture or any of the Security Documents, in the event the Collateral Agent or the Trustee is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, neither the Collateral Agent nor the Trustee shall be required to commence any such action or exercise any such remedy or to inspect or conduct any studies of any property under the Ship Mortgages or take any such other action if it has determined that it may incur personal liability as the result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances unless the Collateral Agent, or the Trustee, as the case may be, has received security or indemnity from the Holders in an amount and in a form all satisfactory to it in its sole discretion, protecting it from all such liability. The Collateral Agent shall, as shall the Trustee, at any time be entitled to cease taking any action described above if it no longer reasonably deems any indemnity, security or undertaking from the Issuers or the Holders to be sufficient.

(i) The parties hereto and the Holders hereby agree and acknowledge that neither the Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments,

(a) The Issuers and each Guarantor will have the right to sell, exchange or otherwise dispose of any of the Collateral owned by it (other than (i) Trust Monies, which are subject to release from the Lien of this Indenture and the Security Documents as provided under Section 12.02 below and (ii) funds in the Collection Account or any Specified Account, which are subject to release as provided under Section 4.31), to the extent such sale, exchange or disposition is permitted by this Indenture and the Security Documents, upon compliance with the requirements and conditions of the provisions described below, and the Trustee shall release the same from the Lien of this Indenture or the Security Documents, as the case may be, upon receipt by the Trustee of a notice directing such release and describing the property to be so released, together with delivery of the following, among other matters:

Section 10.04 Release upon Satisfaction or Defeasance of all Outstanding Obligations.

(a) The Liens on all Collateral that secure the Notes and the Guarantees will be terminated and released:

(1) if the Issuers exercise Legal Defeasance or Covenant Defeasance as described under Section 8.01;

(2) upon satisfaction and discharge of this Indenture as described under Article 12; or

(3) upon payment in full in immediately available funds of the principal of, premium, if any, and accrued and unpaid interest on the Notes and all other Obligations under this Indenture and the Security Documents that are then due and payable.

(b) Upon the written request of the Company pursuant to an Officers' Certificate and Opinion of Counsel stating that all conditions precedent hereunder and under the Security Documents have been met, and upon receipt of any necessary or proper instruments of termination, satisfaction or release prepared by the Company or the Guarantors, as the case may be, the Collateral Agent, without the consent of any Holder or the Trustee and at the expense of the Company or the Guarantors, shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents.

In the event that the Issuers or any Guarantor has sold, exchanged, or otherwise disposed of or proposes to sell, exchange or otherwise dispose of any portion of the Collateral that may be sold, exchanged or otherwise disposed of by the Issuers or such Guarantor to any Person other than the Issuers or a Guarantor, and the Issuers or such Guarantor requests in writing that the Trustee or Collateral Agent furnish a written disclaimer, release or quit-claim of any interest in such property under this Indenture and the Security Documents, the Trustee and the Collateral Agent, as applicable, shall execute, acknowledge and deliver to the Issuers or such Guarantor (in the form prepared by the Issuers at the Issuers' sole expense) such an instrument promptly after satisfaction of the conditions set forth herein for delivery of any such release. Notwithstanding the preceding sentence, all purchasers and grantees of any property or rights

purporting to be released herefrom shall be entitled to rely upon any release executed by the Collateral Agent hereunder as sufficient for the purpose of this Indenture and as constituting a good and valid release of the property therein described from the Lien of this Indenture or of the Security Documents.

Section 10.06 Purchaser Protected.

No purchaser or grantee of any property or rights purporting to be released herefrom shall be bound to ascertain the authority of the Collateral Agent to execute the release or to inquire as to the existence of any conditions herein prescribed for the exercise of such authority; nor shall any purchaser or grantee of any property or rights permitted by this Indenture to be sold or otherwise disposed of by the Issuers or the Guarantors be under any obligation to ascertain or inquire into the authority of the Issuers or the Guarantors to make such sale or other disposition.

Section 10.07 Authorization of Actions to be Taken by the Collateral Agent or Trustee Under the Security Documents.

(a) The Trustee and, by its acceptance of a Note, each Holder agree that the Collateral Agent and/or the Trustee shall execute and deliver the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, neither the Trustee nor the Collateral Agent shall have any discretion under this Indenture or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes, the Trustee (in the case of the Collateral Agent), the Collateral Agent (in the case of the Trustee), or the Issuers, as applicable.

(b) Prior to the occurrence of an Event of Default, the Issuers may direct the Collateral Agent in connection with any action required or permitted by this Indenture or the Security Documents. After the occurrence of an Event of Default or as otherwise provided herein or under the Consulting Agreement, the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Collateral Agent in connection with any action required or permitted by this Indenture, the Consulting Agreement or the Security Documents.

Subject to the provisions of the Security Documents and the Consulting Agreement and unless otherwise expressly provided herein or therein, the Trustee may, at the direction of a majority of the Holders, direct the Collateral Agent and/or the Trustee to take all actions necessary or appropriate in order to (i) enforce any of the terms of the applicable Security Documents and (ii) collect and receive any and all amounts payable in respect of the Collateral in respect of the obligations of the Issuers and the Guarantors hereunder and thereunder.

Section 10.08 Authorization of Receipt of Funds by the Trustee Under the Security Documents.

The Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents for turnover to the Trustee

to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

#### Section 10.09 Action by the Collateral Agent.

Subject to the provisions of the Security Documents, the Collateral Agent and/or the Trustee, as applicable, shall have the power to institute and to maintain such suits and proceedings in order to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as are necessary to preserve or protect its interest and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest granted pursuant to any Security Document or be prejudicial to the interests of the Holders or the Trustee).

In each case that the Collateral Agent or the Trustee may or is required hereunder or under any Security Document to take any action (an “Action”), including to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document, the Collateral Agent and/or the Trustee may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Collateral Agent shall not, nor shall the Trustee, be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Collateral Agent or the Trustee shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Collateral Agent shall be entitled to refrain from such Action unless and until the Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with indemnity or security in accordance with Section 7.02(g), and neither the Collateral Agent nor the Trustee shall incur liability to any Person by reason of so refraining.

Notwithstanding anything to the contrary in this Indenture or any Security Document, in no event shall the Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture or the Security Documents (including the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Collateral Agent or the Trustee be responsible for, and neither the Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

#### Section 10.10 Compensation and Indemnity.

(a) The Issuers will pay to the Collateral Agent and/or the Trustee from time to time reasonable compensation as shall be agreed to in writing by the Issuers and the Collateral Agent and the Trustee for its acceptance of this Indenture, the Security Documents and services

hereunder. The Issuers will reimburse each of the Collateral Agent and the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Collateral Agent's and the Trustee's agents and counsel.

(b) The Issuers and the Guarantors will, jointly and severally, indemnify the Collateral Agent and the Trustee and their respective officers, directors and agents against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture and the Security Documents, including (i) any claim relating to the grant to the Collateral Agent or the Trustee of any Lien in any property or assets of the Issuers or the Guarantors and (ii) the costs and expenses of enforcing this Indenture and the Security Documents against the Issuers and the Guarantors (including this Section 10.10) and defending itself against any claim (whether asserted by the Issuers, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder or thereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence, willful misconduct or bad faith. The Collateral Agent will, as will the Trustee, notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Collateral Agent or the Trustee as the case may be to so notify the Issuers will not relieve the Issuers or any of the Guarantors of their obligations hereunder. The Issuers or such Guarantor will defend the claim and the Collateral Agent and the Trustee will each cooperate in the defense. The Collateral Agent and the Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuers and the Guarantors under this Section 10.10 will survive the satisfaction and discharge of this Indenture and the resignation, removal or replacement of the Collateral Agent or the Trustee.

#### Section 10.11 Resignation; Successor Collateral Agent.

(a) A resignation or removal of the Collateral Agent or the Trustee and appointment of a successor will become effective only upon the successor's acceptance of appointment as provided in this Section 10.11 and the Issuers' receipt of written notice from the successor Collateral Agent of such appointment.

(b) The Collateral Agent may, as may the Trustee, resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers and the Holders with thirty (30) days written notice (which notice to the Holders may be given through the Depository). The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Collateral Agent and/or the Trustee by so notifying the Collateral Agent, the Trustee, and the Issuers in writing.

(c) If the Collateral Agent or the Trustee resigns, is notified that it is to be removed or has notified the Issuer that it wishes to resign, in each case, in accordance with paragraph (b) above, or if a vacancy exists in the office of Collateral Agent or Trustee for any

reason, the Issuers shall, as promptly as practicable, appoint a successor Collateral Agent or Trustee, as the case may be. Within one year after such notice is received by the recipients thereof (as the case may be), the Holders of a majority in aggregate principal amount of the then outstanding Notes may, by written notice to the then Collateral Agent and/or Trustee and the Issuers, appoint a successor replace the retiring Collateral Agent or Trustee or any successor Collateral Agent or Trustee appointed by the Issuers or the relevant court pursuant to paragraph (d) below (as the case may be).

(d) If a successor Collateral Agent or Trustee does not take office within 60 days after the retiring Collateral Agent or Trustee, as the case may be, is notified that it is to be removed or has notified the Issuer that it wishes to resign, in each case, in accordance with paragraph (b) above, the retiring Collateral Agent, the Issuers or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes, at the expense of the Issuers, may petition any court of competent jurisdiction for the appointment of a successor Collateral Agent.

(e) Upon acceptance by a successor Collateral Agent or Trustee of an appointment to serve as Collateral Agent or Trustee hereunder and under the Security Documents, such successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, duties and obligations of the retiring Collateral Agent or Trustee without further act but the retiring Collateral Agent shall continue to have the benefits of the compensation, reimbursement and indemnification set forth in this Indenture and the Security Documents.

(f) Notwithstanding any Collateral Agent's or Trustee's resignation, the provisions of this Article 10 shall continue in effect for its benefit with respect to any actions taken or omitted to be taken by it while Collateral Agent or Trustee.

(g) Any successor to the Collateral Agent or Trustee by merger or acquisition of stock or acquisition of the corporate trust business shall continue to be Collateral Agent or Trustee hereunder without further act on the part of the parties hereto, unless such successor resigns as provided above.

#### Section 10.12 Rights, Immunities, etc. under the Security Documents.

The provisions of this Indenture, including those provisions relating to the rights, duties, powers, privileges, protections and indemnification of the Collateral Agent and/or the Trustee shall apply with respect to any actions taken or not taken by the Collateral Agent or the Trustee, as the case may be, under any Security Documents. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under or pursuant to any Security Document, the Trustee and the Collateral Agent each shall have all of the rights, protections, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

#### Section 10.13 Co-Collateral Agents.

If at any time or times it shall be necessary or prudent in order to conform to any law of any jurisdiction in which any of the Collateral shall be located, or the applicable

Collateral Agent shall be advised by counsel, satisfactory to it, that it is reasonably necessary in the interest of the Holders, or the Trustee (at the written direction of the Holders not less than a majority in aggregate principal amount of then outstanding Notes) shall in writing so request the Collateral Agent, or the Collateral Agent shall deem it desirable for its own protection in the performance of its duties hereunder, the Collateral Agent shall, at the reasonable request of the Trustee, execute and deliver all instruments and agreements necessary or proper to constitute one or more persons approved by the Collateral Agent, either to act as co-Collateral Agent or co-Collateral Agents of all or any of the Collateral, jointly with the Collateral Agent originally named herein or any successor or successors, or to act as separate collateral agent or collateral agents any such property. The provisions of Section 10.11 that are applicable to a Collateral Agent shall also be applied to a Co-Collateral Agent appointed pursuant to this Section 10.13.

## ARTICLE 11 GUARANTEES

### Section 11.01 Guarantee.

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and Collateral Agent and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuers hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on, the Notes will be promptly paid in full when due, subject to the applicable grace periods, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuers to the Holders, the Trustee or the Collateral Agent hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, subject to applicable grace periods, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of

insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuers or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantee.

#### Section 11.02 Limitation on Guarantor Liability.

Each Guarantor and, by its acceptance of Notes and the Guarantees, each Holder hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act of 1918, as amended, the Uniform Fraudulent Transfer Act of 1984, as amended, or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Collateral Agent, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

#### Section 11.03 Execution and Delivery of Guarantee.

Each Guarantor hereby agrees that its execution and delivery of this Indenture or, if applicable, any supplemental indenture substantially in the form of Exhibit E pursuant to Section 4.20 and this Section 11.03 shall evidence its Guarantee set forth in Section 11.01 without the need for notation on the Notes. In the event that the Company or any of its Wholly-Owned Restricted Subsidiaries creates or acquires any Wholly-Owned Restricted Subsidiary

after the Closing Date, if required by Section 4.20, the Company will cause such Wholly-Owned Restricted Subsidiary to comply with the provisions of this Article 11, to the extent applicable.

Section 11.04 Guarantors May Consolidate, etc., on Certain Terms.

Except as otherwise provided in Section 11.05, no Guarantor (other than a Guarantor whose Guarantee is to be released in accordance with Section 11.05) may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person unless:

- (1) immediately after giving effect to that transaction, no Default or Event of Default exists; and
- (2) either:
  - (i) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) unconditionally assumes all the obligations of that Guarantor under its Guarantee, this Indenture and the Security Documents pursuant to a supplemental indenture and appropriate Security Documents; or
  - (ii) the Net Cash Proceeds of such sale or other disposition are applied in accordance with Section 4.10 and 4.11.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture substantially in the form of Exhibit E, executed and delivered to the Trustee, of the Guarantee and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. All the Guarantees so evidenced will in all respects have the same legal rank and benefit under this Indenture as the Guarantees theretofore and thereafter executed in accordance with the terms of this Indenture as though all of such Guarantees had been executed at the Closing Date.

Except as set forth in Articles 4 and 5, and notwithstanding Section 11.04(2)(i) and 11.04(2)(ii), nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into an Issuer or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to an Issuer or another Guarantor.

Section 11.05 Releases.

(a) A Guarantee will be automatically and unconditionally released (and thereupon will terminate and be discharged and be of no further force and effect):

- (1) upon the voluntary sale or disposition (including through merger, consolidation, amalgamation or other combination) or conveyance, transfer or lease of

## ARTICLE 12 SATISFACTION AND DISCHARGE

### Section 12.01 Satisfaction and Discharge.

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) the Issuers have irrevocably deposited or caused to be deposited with the Trustee as funds on trust for such purpose an amount in U.S. dollars or non-callable U.S. Government Securities sufficient to pay and discharge the entire Debt on such Notes that have not, prior to such time, been delivered to the Trustee for cancellation, for principal of, premium, if any, and any Additional Amounts and accrued and unpaid interest on the Notes to the date of such deposit (in the case of Notes which have become due and payable) or to the Stated Maturity or redemption date, as the case may be, and the Issuers have delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of Notes at Stated Maturity or on the redemption date, as the case may be and either:

(i) all of the Notes that have been authenticated and delivered (other than destroyed, lost or stolen Notes that have been replaced or paid and Notes for which payment money has been deposited on trust or segregated and held on trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust as provided for in this Indenture) have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been delivered to the Trustee for cancellation: (x) have become due and payable (by reason of the mailing of a notice of redemption or otherwise); (y) will become due and payable within one year of Stated Maturity; or (z) are to be called for redemption within one year of the proposed discharge date under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the Issuers' name and at the Issuers' expense;

(2) the Issuers have paid or caused to be paid all sums payable by them under this Indenture; and

(3) the Issuers have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that:

(i) all conditions precedent provided in this Indenture relating to the satisfaction and discharge of this Indenture have been satisfied;

(ii) no Default or Event of Default will have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens to secure such borrowing); and

(iii) such satisfaction and discharge will not result in a breach or violation of, or constitute a default under (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting Liens to secure such borrowing), this Indenture or any other agreement or instrument to which any Issuer or any Restricted Subsidiary is a party or by which any Issuer or any Restricted Subsidiary is bound.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (ii) of clause (1) of this Section 12.01, the provisions of Sections 12.02 and 8.06 will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.07 and 10.10, that, by their terms, survive the satisfaction and discharge of this Indenture.

#### Section 12.02 Application of Trust Money.

All Trust Monies shall be held by the Trustee as a part of the Collateral securing the Notes and, so long as no Event of Default shall have occurred and be continuing, may either (i) be released in accordance with Section 10.03 above and this Section 12.02 or (ii) at the written direction of the Issuers be applied by the Trustee from time to time to the payment of the principal of (together with any related interest payment) on any Notes at the final stated maturity of the Notes, upon redemption of any Notes or in connection with any defeasance or discharge of the Notes. Trust Monies deposited with the Trustee shall be invested in certain specified Cash Equivalents pursuant to the written direction of the Issuers as long as the Trustee maintains a first priority perfected security interest therein.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Securities in accordance with Section 12.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01; *provided* that if the Issuers have made any payment of principal of, premium, if any, or interest on, any Notes because of the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Securities held by the Trustee or Paying Agent.

In connection with any release of Trust Monies by the Trustee to the Company in connection with any substitution of Collateral, upon delivery by the Company of an Officers' Certificate to the Trustee certifying (i) that a substitute Qualified Vessel will be acquired by an expected delivery date (whether such Qualified Vessel has been or will be acquired through the direct purchase of such Qualified Vessel or the equity interests of any Person owning such Qualified Vessel that will become a Wholly Owned Restricted Subsidiary and a Guarantor), (ii) that such Qualified Vessel is or will be registered in a Permitted Flag Jurisdiction, (iii) the purchase price of such Qualified Vessel and (iv) that no Default or Event of Default has occurred and is continuing, then Trust Monies in an amount equal to such purchase price for such Qualified Vessel may be released by the Trustee not more than five Business Days before such expected delivery date and held in a bank account in the name of the Company or a Guarantor on an unsecured basis for the sole purpose of paying such purchase price in connection with the

acquisition of such Qualified Vessel in accordance with the terms of the acquisition contract therefor and in a manner consistent with customary vessel acquisition practice; *provided, however,* that upon delivery by the Company of an Officers' Certificate to the Trustee certifying (A) the certifications set forth in clauses (i) – (iv) above and (B) that (1) such acquisition contract with respect to such Qualified Vessel requires that a portion of such purchase price be deposited or paid in advance of the delivery of such Qualified Vessel and (2) the amount of such deposit or advance payment to be released from escrow (which amount shall not exceed 10% of such purchase price), then Trust Monies in an amount equal to such deposit or advance payment may be released by the Trustee more than five Business Days in advance of such expected delivery date into a designated account on an unsecured basis for the sole purpose of making such deposit or advance payment, which deposit or advance payment is to be remitted to the seller (or as the seller may direct) upon or in advance of the delivery of such Qualified Vessel; *provided further,* that the aggregate amount of all Trust Monies so released by the Trustee with respect to the purchase of such Qualified Vessel shall not exceed its purchase price. If the Company or the applicable Guarantor shall fail to deliver and file, record or register any Security Documents (including without limitation the Ship Mortgage) required by this Indenture and the Security Documents to perfect the first-priority security interest of the Trustee and the Holders in such Vessel and Related Assets on or prior to the 10th Business Day following the day on which the relevant Trust Monies were released to the Company or the applicable Guarantor as described above, then, on or before such 10th Business Day, then the Company shall return to the Trustee to be kept as Trust Monies an amount equal to the full amount of such Trust Monies that were released in connection with such proposed Vessel delivery and if the Company or the applicable Guarantor shall fail to deliver and file, record or register any of such Security Documents and perfect such security interests or fail to deliver such funds, then an Event of Default shall have occurred for all purposes under this Indenture; *provided* that if the Company or the Guarantors are engaged in litigating or arbitrating any dispute relating to the acquisition and the purchase of such Qualified Vessel has not been completed, then the time period for redelivery of such Trust Monies to the Trustee shall be tolled until the dispute has been settled or a final non-appealable judgment has been reached with respect to such dispute; *provided further,* that if the ultimate resolution thereof results in no such purchase of such Qualified Vessel, then an amount equal to all such released Trust Monies shall be returned promptly to the Trustee to be kept as Trust Monies.

## ARTICLE 13 MISCELLANEOUS

### Section 13.01 Parallel Debt.

(a) Without prejudice to the provisions of this Indenture and the Security Documents and for the purpose of preserving the initial and continuing validity of the security rights granted and to be granted by the Issuers and each Guarantor to the Collateral Agent, an amount equal to and in the same currency of the obligations under the Notes and the Guarantees from time to time due by the Issuers or such Guarantor in accordance with the terms and conditions of the Notes and Guarantees, including for the avoidance of doubt, the limitations set out under Section 11.02, shall be owing as a separate and independent joint and several obligation of the Issuers and each Guarantor to the Collateral Agent (such payment undertaking and the obligations and liabilities which are the result thereof the “Parallel Debt”).

(b) The Issuers, each Guarantor and the Collateral Agent acknowledge that (i) for this purpose the Parallel Debt constitutes undertakings, joint and several obligations and liabilities of the Issuers and each Guarantor to the Collateral Agent under this Indenture and the Security Documents which are separate and independent from, and without prejudice to, the corresponding obligations under the Notes and Guarantees which the Issuers or such Guarantor have to the Holders and (ii) that the Parallel Debt represents the Collateral Agent's claims to receive payment of the Parallel Debt; *provided* that the total amount which may become due under the Parallel Debt shall not exceed the total amount which may become due under the Notes and Guarantees; *provided, further*, that the Collateral Agent shall exercise its rights with respect to the Parallel Debt solely in accordance with this Indenture and the Security Documents.

(c) Every payment of monies made by the Issuers or a Guarantor to the Collateral Agent shall (conditionally upon such payment not subsequently being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, liquidation or similar laws of general application) be in satisfaction *pro tanto* of the covenant by the Issuers or such Guarantor contained in Section 13.01(a); *provided* that if any such payment as is mentioned above is subsequently avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, liquidation or similar laws of general application, the Collateral Agent shall be entitled to receive the amount of such payment from the Issuers or such Guarantor and the Issuers or such Guarantor shall remain liable to perform the relevant obligation and the relevant liability shall be deemed not to have been discharged.

(d) Subject to the provisions of Section 13.01(c):

(1) the total amount due and payable as Parallel Debt under this Section 13.01 shall be decreased to the extent that the Issuers or a Guarantor shall have paid any amounts to the Collateral Agent or to the Trustee on behalf of the Holders or any of them to reduce the outstanding principal amount of the Notes, or the Collateral Agent or the Trustee, on behalf of the Holders, otherwise receives any amount in payment of the Notes and the Guarantees; and

(2) to the extent that the Issuers or a Guarantor shall have paid any amounts to the Trustee or to the Collateral Agent under the Parallel Debt or the Trustee or the Collateral Agent shall have otherwise received monies in payment of the Parallel Debt, the total amount due and payable under the Notes and the Guarantees shall be decreased as if said amounts were received directly in payment of the Notes and Guarantees.

*provided*, that with respect to matters of fact, an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials.

#### Section 13.06 Rules by Trustee and Agents.

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

#### Section 13.07 No Personal Liability of Directors, Officers, Employees and Stockholders.

No director, officer, employee, incorporator or stockholder of an Issuer or any Guarantor, as such, will have any liability for any obligations of an Issuer or the Guarantors under the Notes, this Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes.

#### Section 13.08 No Immunity.

To the extent that either Issuer or any Guarantor may be entitled, in any jurisdiction in which judicial proceedings may at any time be commenced with respect to this Indenture or any Security Document, to claim for itself or its revenues, assets or properties any immunity from suit, the jurisdiction of any court, attachment prior to judgment, attachment in aid of execution of judgment, set-off, execution of a judgment or any other legal process, and to the extent that in any such jurisdiction there may be attributed to such Person such an immunity (whether or not claimed), each of the Issuers and the Guarantors hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity to the fullest extent permitted by the law of the applicable jurisdiction.

#### Section 13.09 Judgment Currency.

(a) The Issuers and the Guarantors, jointly and severally, covenant and agree that the following provisions shall apply to conversion of currency in the case of the Notes, the Guarantees and this Indenture:

(1) (A) if for the purpose of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the "Judgment Currency") an amount due in any other currency (the "Base Currency"), then the conversion shall be made at the rate of exchange prevailing on the Business Day

before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine) and (B) if there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Issuers and the Guarantors shall pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the Judgment Currency when converted at the rate of exchange prevailing on the date of receipt shall produce the amount in the Base Currency originally due.

(2) In the event of the winding-up of either Issuer or any Guarantor at any time while any amount or damages owing under the Notes, the Guarantees and this Indenture, or any judgment or order rendered in respect thereof, shall remain outstanding, the Issuers and the Guarantors shall indemnify and hold the Holders and the Trustee harmless against any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the U.S. dollar Equivalent of the amount due or contingently due under the Notes, the Guarantees and this Indenture (other than under this Section 13.09) is calculated for the purposes of such winding-up and (ii) the final date for the filing of proofs of claim in such winding-up.

For the purpose of this Section 13.09, the final date for the filing of proofs of claim in the winding-up of any Issuer or any Guarantor shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of such Issuer or such Guarantor may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.

(b) The obligations contained in Section 13.10, and clauses (a)(1)(B) and (a)(2) of this Section 13.09 shall constitute separate and independent obligations from the other obligations of the Issuers and the Guarantors under this Indenture, shall give rise to separate and independent causes of action against the Issuers and the Guarantors, shall apply irrespective of any waiver or extension granted by any Holder or the Trustee or either of them from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of either Issuer or any Guarantor for a liquidated sum in respect of amounts due hereunder (other than under Section 13.09(a)(2)) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Holders or the Trustee, as the case may be, and no proof or evidence of any actual loss shall be required by either Issuer or any Guarantor or the liquidator or otherwise or any of them. In the case of Section 13.09(a)(2), the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.

(c) The term “rate of exchange” shall mean the rate of exchange quoted by Reuters at 10:00 a.m. (New York time) for spot purchases of the Base Currency with the Judgment Currency other than the Base Currency referred to in subsections Section 13.01(a)(1) and (a)(2) and includes any premiums and costs of exchange payable.

### Section 13.10 Currency Indemnity.

The U.S. dollar is the sole currency of account and payment for all sums payable under the Notes, the Guarantees and this Indenture. Any amount received or recovered in respect of the Notes or the Guarantees in a currency other than U.S. dollar (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of either Issuer, any Restricted Subsidiary or otherwise) by a Holder in respect of any sum expressed to be due to such Holder from the Issuers or the Guarantors will constitute a discharge of their obligation only to the extent of the U.S. dollar amount which the recipient is able to purchase with the amount so received or recovered in such other currency on the date of that receipt or recovery (or, if it is not possible to purchase U.S. dollars on that date, on the first date on which it is possible to do so). If the U.S. dollar amount that could be recovered following such a purchase is less than the U.S. dollar amount expressed to be due to the recipient under any Note, the Issuers and the Guarantors will jointly and severally indemnify the recipient against the cost of the recipient's making a further purchase of U.S. dollars in an amount equal to such difference. For the purposes of this Section 13.10, it will be sufficient for the holder to certify that it would have suffered a loss had the actual purchase of U.S. dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. dollars on that date had not been possible, on the first date on which it would have been possible). These indemnities, to the extent permitted by law:

- (a) constitute a separate and independent obligation from the Issuers' and the Guarantors' other obligations;
- (b) give rise to a separate and independent cause of action;
- (c) apply irrespective of any waiver granted by any holder of a Note; and
- (d) will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order.

### Section 13.11 Governing Law; Consent to Jurisdiction; Appointment of Process Agent; Waiver of Immunity.

This Indenture, the Notes, the Guarantees and the Security Documents will be governed by and construed in accordance with the laws of the State of New York. The Ship Mortgages will be governed by and construed in accordance with the laws of the flag of the relevant Mortgaged Vessel. Certain Security Documents may also be governed by and construed in accordance with the laws of other applicable jurisdictions.

This Indenture and Security Documents governed by New York law will provide that each of the Issuers and the Guarantors will irrevocably submit to the jurisdiction of any New York State or United States Federal court sitting in the County of New York over any suit, action or proceeding arising out of or relating to this Indenture, the Notes, the Guarantees or any Security Document. Each of the Issuers and the Guarantors will irrevocably waive, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such courts and any claim that

any such suit, action or proceeding brought in such courts, has been brought in an inconvenient forum and any right to which it may be entitled on account of place of residence or domicile. Each of the Issuers and the Guarantors will agree that final judgment in any such suit, action or proceeding brought in such a court shall be conclusive and binding on them and may be enforced in any court to the jurisdiction of which each of them is subject by a suit upon such judgment, provided, that service of process is effected upon the Issuers or the Guarantors in the manner specified in the following paragraph or as otherwise permitted by applicable law.

As long as any of the Notes remain outstanding, the Issuers and the Guarantors will consent and agree to, the service of any and all legal process, summons, notices and documents by servicing a copy thereof upon any employee of any of the Issuers or any Guarantor at any business location that either Issuer or any Guarantor may maintain from time to time in the United States including, without limitation, at the offices of Eletson Maritime, Inc., located at 1 Landmark Square, Suite 424, Stamford Connecticut 06901. If at any time neither of the Issuers nor any Guarantor maintains a bona fide business location in the United States, the Issuers and Guarantors will appoint an authorized agent (together with any such employee referred to in the preceding sentence, the "Process Agent") in the City of New York, upon whom process may be served in any legal action or proceeding arising out of or relating to this Indenture, the Notes, the Guarantees or any Security Document. Service of process upon such agent and written notice of such service mailed or delivered to the Issuers or the relevant Guarantors shall to the extent permitted by applicable law be deemed in every respect effective service of process upon each of the Issuers and the Guarantors, as the case may be, in any such legal action or proceeding.

[Form of Back of Note]  
**First Preferred Ship Mortgage Note due 2022**

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) **INTEREST.** Eletson Holdings Inc., a Liberian corporation (the “Company”), Eletson Finance (US) LLC, a Delaware limited liability company (“Eletson Finance”), and Agathonissos Finance LLC, a Marshall Islands corporation (collectively with Eletson Finance and the Company, the “Issuers” and each, an “Issuer”), promise to pay interest on the principal amount of this Note at a variable rate per annum from [\_\_\_\_], 20[\_\_\_\_] until maturity. Interest on the Notes will accrue:

- Semiannually, in arrears, for the interest period from January 16, 2018 to July 15, 2018, at a rate of 12.00% per annum, payable on July 15, 2018 to holders of record on the Closing Date, payable entirely by increasing the principal amount of the outstanding Notes or by issuing new Notes (“PIK Interest”);
- Semiannually, in arrears, for the interest period from July 16, 2018 to January 15, 2019, at a rate of 9.625% per annum, payable on January 15, 2019 in cash (“Cash Interest”) to holders of record on January 1, 2019; and
- From and after January 16, 2019, quarterly, in arrears, at a rate per annum of (i) 9.625% for any interest payment date for which the Trailing TCE is less than \$20,000 or (ii) 10.625% plus 1.00% for each integral multiple of \$2,000 by which the Trailing TCE for such interest payment date exceeds \$20,000 (up to a maximum of 14.625% per annum), payable on each January 15, April 15, July 15 and October 15 (each, a “TCE-Based Interest Payment Date”) as Cash Interest to holders of record on the immediately preceding January 1, April 1, July 1 and October 1, respectively. No later than five (5) days prior to the record date for each TCE-Based Interest Payment Date, the Company shall notify the Trustee in writing of (i) the Trailing TCE for each TCE-Based Interest Payment Date and (ii) the applicable interest rate for such TCE-Based Interest Payment Date. The Trustee, on behalf of the Issuers, shall provide such notice to the Holders no later than the record date for such TCE-Based Interest Payment Date. The Company will prepare the notice and the Trustee will then send such notice to the Holders.

Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; provided further that the first Interest Payment Date shall be July 15, 2018. The Issuers will pay interest on overdue principal and premium, if any, at a rate that is equal to 1% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; they will pay interest on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

At all times, PIK Interest on the Notes will be payable (x) with respect to Notes represented by one or more global Notes registered in the name of, or held by, The Depository Trust Company (“DTC”) or its nominee on the relevant record date, the Trustee will, at the written request of the Issuer, increase the principal amount of the outstanding global Note by an amount equal to the amount of PIK Interest for the applicable interest period (rounded down to the nearest whole dollar) and (y) with respect to Notes represented by certificated Notes, by issuing PIK Notes in certificated form in an aggregate principal amount equal to the amount of PIK Interest for the applicable interest period (rounded down to the nearest whole dollar), and the Trustee will, at the written request of the Issuers, authenticate and deliver such PIK Notes in certificated form for original issuance to the Holders on the relevant record date, as shown by the records of the register of Holders. Following an increase in the principal amount of any outstanding global Notes as a result of a PIK Payment, such global Note will bear interest on such increased principal amount from and after the date of such PIK Payment. Any PIK Notes issued in certificated form will be dated as of the applicable interest payment date and will bear interest from and after such date. All Notes issued pursuant to a PIK Payment will mature on the same date that the Notes with respect to which such PIK Payment was made will mature and will be governed by, and subject to the terms, provisions and conditions of, the Indenture and shall have the same rights and benefits as the Notes issued on the Closing Date. Any certificated PIK Notes will be issued with the description “PIK” on the face of such PIK Note, but shall be treated for all purposes under the Indenture with the same rights and obligations as the Notes.

(2) *METHOD OF PAYMENT.* The Issuers will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the applicable record dates specified in Section 1 above (whether or not a Business Day), next preceding the applicable Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Issuers maintained for such purpose or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, Wilmington Savings Fund Society, FSB, a federal savings bank duly organized and existing under the laws of the United States of America, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Issuers or any of their Subsidiaries may act in any such capacity.

(4) *INDENTURE.* The Issuers issued the Notes under an Indenture dated as of July 2, 2018 (as it may be amended, supplemented or otherwise modified, the “Indenture”) among the Issuers, the Guarantors, the Trustee and the Collateral Agent. This Note is one of a duly authorized issue of notes of the Issuers designated as their First Preferred Ship Mortgage Notes due 2022. The terms of the Notes include those stated in the Indenture and those made

part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

(5) *OPTIONAL REDEMPTION.*

At any time prior to maturity, upon not less than 30 nor more than 60 days’ notice, the Issuers may redeem all or part of the Notes at the following redemption prices (expressed as percentages of their principal amount at maturity), plus accrued and unpaid interest, if any, to the redemption date, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date, if redeemed during the twelve month period commencing on January 15 of the years set forth below.

<u>Year</u>	<u>Percentage</u>
2018 .....	104.813%
2019 .....	102.406%
2020 and thereafter .....	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

Any redemption pursuant to this Section 5 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture.

(6) *MANDATORY REDEMPTION.* The Issuers are not required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Issuers may be required to offer to purchase the Notes as described in the Indenture, including Sections 4.10, 4.11, 4.16, 4.17, 4.19 and 4.32. The Issuers and the Restricted Subsidiaries may at any time and from time to time purchase Notes in the open market or otherwise.

(7) *REDEMPTION UPON CHANGES IN WITHHOLDING TAXES.* The Notes may be subject to redemption under Section 3.09 of the Indenture.

(8) *REPURCHASE AT THE OPTION OF HOLDER.* The Notes may be subject to repurchase at the Option of the Holder under the Indenture, including Sections 4.10, 4.11, 4.16, 4.17, 4.19 and 4.32.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. Any PIK Notes shall be in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers and the Registrar need not exchange or register the transfer of any Note

or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers and the Registrar need not exchange or register the transfer of any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption and ending at the close of business on the day of selection or during the period between a record date and the corresponding Interest Payment Date.

[This Regulation S Temporary Global Note is exchangeable in whole or in part for one or more Global Notes only (i) on or after the Restricted Period and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.]

(10) *PERSONS DEEMED OWNERS.* The registered Holder of a Note will be treated as its owner for all purposes.

(11) *UNCLAIMED MONEY.* If any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on, any Note remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Issuers or, if then held by the Issuers, will be discharged from such trust. After any such payment, any Holder entitled to the money must look only to the Issuers and not the Trustee or Paying Agent for payment.

(12) *DISCHARGE AND DEFEASANCE.* Subject to the conditions set forth in the Indenture, the Issuers and the Guarantors at any time shall be entitled to terminate some or all of their obligations under the Indenture and the Notes or the Guarantees, as applicable, if the Issuers deposit with the Trustee cash in U.S. dollars or non-callable U.S. Government Securities for the payment of principal of, premium, if any, and accrued interest on the Notes to redemption or maturity, as the case may be.

(13) *AMENDMENT, SUPPLEMENT AND WAIVER.* The Notes may be subject to Amendment, Supplement and Waiver, as described in Article 9 of the Indenture.

(14) *DEFAULTS AND REMEDIES.* The Indenture contains various Events of Default and provisions relating to remedies associated therewith, as described in Article 6 of the Indenture.

(15) *TRUSTEE DEALINGS WITH THE ISSUERS.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers or an Affiliate of an Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (as defined in the TIA) it must eliminate such conflict within 90 days or resign.

(16) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of an Issuer or any Guarantor, as such, will have any liability for any obligations of an Issuer or the Guarantors under the Notes, the Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each

Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(17) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(18) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(19) *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the correctness or accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(20) *GUARANTEES*. The payment of the principal of, premium, if any, and interest on the Notes, is unconditionally guaranteed, jointly and severally, by the Guarantors to the extent set forth in and subject to the provisions of the Indenture.

(21) *SECURITY*. The Obligations of the Issuers and the Guarantors are secured by Liens on the Collateral pursuant to the terms of the Security Documents. The actions of the Trustee, the Collateral Agent and the Holders and the application of proceeds from the enforcement of any remedies with respect to such Collateral are limited pursuant to the terms of the Security Documents.

(22) *GOVERNING LAW*. THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture and the Security Documents. Requests may be made to the Issuers at the following address:

4. Representations And Warranties Regarding The Collateral. Each Pledgor represents and warrants that: (a) all of the shares or other Capital Stock described in Section 2 hereinabove are fully paid, non-assessable and validly issued; (b) the Pledged Collateral was not issued in violation of any person's or entity's preemptive rights; (c) except for Permitted Liens, the Pledged Collateral is owned free and clear of any and all security interests, pledges, claims, options to purchase or sell, redemptions or liens other than those in favor of Collateral Agent; (d) each Pledgor has full power to convey the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated; (e) except for Permitted Liens, no financing statements covering the Pledged Collateral are recorded with any cognizant state official or recording office; (f) all Pledged Collateral incorporated in share titles and/or certificated securities and instruments has been delivered to Collateral Agent on the date hereof; (g) the Initial Pledged Equity pledged by each Pledgor constitutes the percentage of the issued and outstanding share capital or other Capital Stock of the issuers thereof indicated on Schedule I hereto; (h) no consent or approval of any governmental authority, any securities exchange or any other person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect), and (i) by virtue of the execution and delivery by each Pledgor of this Agreement, when a UCC financing statement naming the Collateral Agent as the secured party and covering the Pledged Collateral is filed in the appropriate filing office and any certificates representing the Pledged Equity are delivered to the Collateral Agent, for the benefit of itself and the Holders of the Notes, in accordance with this Agreement, the Collateral

Agent will obtain, for the benefit of itself and the Holders of the Notes, a legal, valid and perfected lien upon and security interest in such Pledged Collateral, subject only to Permitted Liens, as security for the payment of the Secured Obligations, to the extent such perfection is governed by the Uniform Commercial Code.

5. Events Of Default. The following shall be events of default under this Agreement (each an “Event of Default” and collectively, “Events of Default”): (a) any Pledgor shall default on the obligations, terms, conditions, covenants or agreements hereunder, (b) any representation or warranty made hereunder proves to have been false or misleading in any material respect when made, furnished or reaffirmed or (c) the occurrence of any “Event of Default” as defined under the Indenture. Each Pledgor hereby appoints Collateral Agent as its attorney-in-fact to arrange, upon an Event of Default, for a transfer of the Pledged Collateral on the books of each issuer of Pledged Equity to the name of Collateral Agent or to the name of Collateral Agent’s nominee.

6. Pledged Equity. No agreement governing any of the Pledged Collateral provides or shall provide that any Pledged Equity (except for the Pledged Equity of Agathonissos Finance) is a security governed by Article 8 of the Uniform Commercial Code as in effect in any relevant jurisdiction.

7. Voting Rights. During the term of this Agreement, so long as no Event of Default shall have occurred, each Pledgor shall have the right to vote the Pledged Collateral on all corporate questions for all purposes not inconsistent with the terms of this Agreement. Upon the occurrence of an Event of Default, Collateral Agent shall thereafter have, at its discretion, the option to exercise all voting powers and other corporate rights pertaining to the Pledged Collateral. Collateral Agent may, upon or at any time after the occurrence of an Event of Default, at its option, transfer or register the Pledged Collateral or any part thereof into its own or its nominee’s name.

8. Stock Adjustments And Dividends. If during the term of this Agreement, except with respect to the Preferred Interest of Agathonissos Finance, any stock dividend, reclassification, readjustment or other change is declared or made in the capital structure of any Pledgor or any option included within the Pledged Collateral is exercised, or both, all new, substituted and additional shares, or other securities, issued to any Pledgor by reason of any such change or exercise shall be delivered to and held by Collateral Agent under the terms of this Agreement in the same manner as the Pledged Collateral originally pledged hereunder. During the term of this Agreement, so long as no Event of Default has occurred and is continuing, each Pledgor shall be entitled to receive and retain any and all dividends or other distributions (other than liquidating distributions) paid on the Pledged Collateral, in cash, if and to the extent paid or made in accordance with the provisions of the Indenture; provided, however, that upon the occurrence of an Event of Default, Pledgors shall immediately deliver all such dividends or other distributions to Collateral Agent in the same form received and in the same manner as the Collateral pledged hereunder.

9. Warrants And Rights. If during the term of this Agreement, subscription warrants or any other rights or options shall be issued in connection with the

Pledged Collateral, such warrants, rights and options shall be promptly, but in any event within five (5) Business Days (which time may be extended by Collateral Agent in its sole discretion) assigned by Pledgors to Collateral Agent to be held under the terms of this Agreement in the same manner as the Pledged Collateral originally pledged hereunder.

10. Remedies Upon Default. In addition to the other remedies provided for herein, in the Indenture or otherwise available under applicable law, upon and after the occurrence of an Event of Default:

(a) Collateral Agent may:

(i) exercise in respect of the Pledged Collateral, any one or more of the rights and remedies available under the New York Uniform Commercial Code and other applicable law;

(ii) sell or otherwise assign, give an option or options to purchase or dispose of and deliver the Pledged Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at any exchange, broker's board or at any of Collateral Agent's offices or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash, on credit or for future delivery without assumption of any credit risk, free of any claim or right of whatsoever kind (including any right or equity of redemption) of any Pledgor, which claim, right and equity are hereby expressly waived and released. Collateral Agent shall have the right to the extent permitted by applicable law, upon any such sale or sales, public or private, to purchase the whole or any part of the Pledged Collateral so sold; provided, however, no Pledgor shall receive any net proceeds, if any, of any such credit sale or future delivery until cash proceeds are actually received by Collateral Agent (which cash proceeds shall be applied by Collateral Agent to the Secured Obligations) and after all Secured Obligations have been paid in full. In case of any sale of all or any part of the Pledged Collateral on credit or for future delivery, the Pledged Collateral so sold may be retained by Collateral Agent until the selling price is paid by the purchaser thereof, but Collateral Agent shall incur no liability in case of the failure of such purchaser to pay for the Pledged Collateral so sold and, in case of such failure, the Pledged Collateral may again be sold as herein provided. The proceeds realized from the sale or other disposition of any Pledged Collateral may be applied, after allowing two (2) Business Days for collection, first to any expenses incurred by Collateral Agent and then to the remainder of the Secured Obligations in accordance with the Indenture; and

(iii) remove the then existing directors and officers (with or without cause) of the Company or the Pledged Companies by

presenting the undated, signed letters of resignation delivered pursuant to this Agreement or otherwise and appoint replacements.

(b) Any notice required to be given by Collateral Agent of a sale of the Pledged Collateral, or any part thereof, or of any other intended action by Collateral Agent, which occurs not less than five (5) days prior to such proposed action, shall constitute commercially reasonable and fair notice to Pledgors thereof. No notification need be given to any Pledgor if it has signed, after the occurrence of an Event of Default, a statement renouncing or modifying any right to notification of sale or other intended disposition.

(c) Collateral Agent shall not be obligated to make any sale or other disposition of the Pledged Collateral, or any part thereof unless the terms thereof shall, in its sole discretion, be satisfactory to it. Collateral Agent may, if it deems it reasonable, postpone or adjourn the sale of any of the Pledged Collateral, or any part thereof, from time to time by an announcement at the time and place of such sale or by announcement at the time and place of such postponed or adjourned sale, without being required to give a new notice of sale. Pledgors agree that Collateral Agent has no obligations to preserve rights against prior parties to the Pledged Collateral.

(d) Pledgors acknowledge and agree that Collateral Agent may comply with limitations or restrictions in connection with any sale of the Pledged Collateral in order to avoid any violation of applicable law or in order to obtain any required approval of the sale or of the purchase thereof by any governmental regulatory authority or official and, without limiting the generality of the foregoing, Pledgors acknowledge and agree that Collateral Agent may be unable to effect a public sale of any or all the Pledged Collateral by reason of certain prohibitions contained in the federal securities laws and applicable state securities laws, but may be compelled to resort to one or more private sales thereof to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Pledgors acknowledge and agree that any such private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale. Notwithstanding any such circumstances, Pledgors acknowledge and agree that such compliance shall not result in any such private sale for such reason alone being deemed to have been made in a commercially unreasonable manner. Collateral Agent shall not be liable or accountable to any Pledgor for any discount allowed by reason of the fact that the Pledged Collateral is sold in compliance with any such limitation or restriction. Collateral Agent shall not be under any obligation to delay a sale of any of the Pledged Collateral for the period of time necessary to permit the issuer of such securities to register such securities for public sale under the federal securities laws, or under applicable state securities laws, even if the issuer desires, requests or would agree to do so.

(e) Any cash held by Collateral Agent as Pledged Collateral and all cash proceeds received by Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Pledged Collateral may, in the discretion of Collateral Agent, be held by Collateral Agent as Collateral for the Secured

Obligations and/or then or at any time thereafter applied, without any marshalling of rights, remedies or assets, and after payment of any amounts payable to Collateral Agent hereunder and, after deducting all reasonable costs and expenses of every kind in connection with the care, safekeeping, collection, sale, delivery or otherwise of any or all of the Pledged Collateral or in any way relating to the rights of Collateral Agent hereunder (including attorneys' fees and disbursements), to the payment of reduction of the Secured Obligations. Any surplus of such cash or cash proceeds held by Collateral Agent and remaining after payment in full of all the Secured Obligations shall be paid over to Pledgors or to whomsoever may be lawfully entitled to receive such surplus.

11. Term. This Agreement shall remain in full force and effect until the payment in full in cash of all the Secured Obligations under the Notes in accordance with the Indenture. At the expiration of the term of this Agreement, Collateral Agent shall return to Pledgors all stock certificates and other documents relating to this Agreement, together with any further documents necessary to establish that the pledge created by this Agreement is terminated.

12. Successors And Assigns. This Agreement shall be binding upon and inure to the benefit of Pledgors, Collateral Agent, and their respective successors and assigns. This Agreement may be sold, assigned and transferred by Collateral Agent to another person, firm, association or corporation in accordance with the Indenture.

13. Applicable Law; Waiver of Jury. This Agreement shall be governed by and construed under the internal laws of the State of New York. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but, if any provision of this Agreement shall be held to be prohibited or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. EACH PARTY, TO THE EXTENT PERMITTED BY LAW, KNOWINGLY, VOLUNTARILY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. THIS WAIVER APPLIES TO ANY ACTION OR LEGAL PROCEEDING, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE.

14. Further Assurances. Each Pledgor covenants and agrees that: (a) it will execute and deliver, or cause to be executed and delivered, all such other stock powers, proxies, instruments and documents as may be required by applicable law from time to time in order to carry out the provisions and purposes hereof, (b) it will take all such other action, as Collateral Agent may reasonably request from time to time in order to carry out the provisions and purposes hereof, (c) except as permitted herein, the Pledged Collateral will remain free and clear of all security interests and liens throughout the term hereof, (d) it will forward to Collateral Agent, immediately upon receipt, copies of any information or documents received by such Pledgor in connection with the Pledged Collateral, and (e) it will deliver, or cause to be delivered, to the Collateral Agent, immediately upon the appointment of any other director or officer of the

Company or a Pledged Company, a Letter of Resignation from that director or officer. For purposes of defining security interest perfection, each Pledgor further agrees that any Pledged Collateral which is in transit to Collateral Agent shall be deemed to be in Collateral Agent's possession. Each Pledgor warrants and represents that none of the Pledged Collateral constitutes margin securities for the purposes of Regulation U and also warrants and represents that none of the proceeds of the issuance of the Notes will be used to purchase or carry any margin stock. Each Pledgor undertakes to serve a copy of this Agreement on each Pledged Company by appropriate means of official service recognized in the country of service and to obtain the acknowledgment and undertaking of such Pledged Company to comply with the terms hereof and to register the constitution of this Agreement in each appropriate corporate records (further providing evidence thereof), all in a form and wording acceptable to the Collateral Agent.

15. Integrated Agreement. This Agreement sets forth the entire understanding of the parties with respect to the within matters, and may not be modified except by a writing signed by all parties. No waiver of any provision of this Agreement, and no consent to any departure by any Pledgor herefrom, shall in any event be effective unless the same shall be in writing and signed by Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

16. Security Document. This Agreement shall be deemed to be a Security Document.

17. Incorporation By Reference. All of the terms and conditions in connection with the Pledged Collateral, including, without limitation, the warranties, representations, covenants, agreements and default provisions, of the Indenture are incorporated herein by this reference.

18. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument and agreement. Any person may rely upon a facsimile or electronic (.pdf) copy of this Agreement.

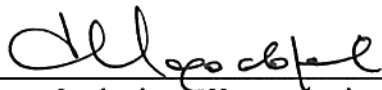

19. Section Headings. The section headings herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

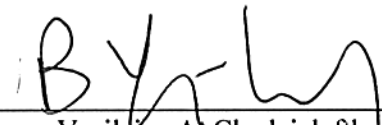

20. Collateral Agent's Capacity. The Pledgor acknowledges and agrees that the Collateral Agent will accept this Agreement upon the terms and conditions set forth in Article 7 and Article 10 of the Indenture with the same force and effect as if those terms and conditions were repeated herein and made applicable to the Collateral Agent in respect of any action taken by the Collateral Agent hereunder.

IN WITNESS WHEREOF, this Agreement is executed as of the first date written.

Re: **Eletson Holdings, Inc. and its subsidiaries**

This Notification of Proposal of Strict Foreclosure (“Proposal of Strict Foreclosure”) in partial satisfaction of the Obligations owing by any or all of the Obligors (as defined below) is delivered by Wilmington Savings Fund Society, FSB (“WSFS”), solely in its capacity as Collateral Agent (the “Collateral Agent”) on behalf of holders of the First Preferred Ship Mortgage Notes due 2022 (the “Notes” and the holders thereof, the “Holders”) under that certain Indenture, dated as of July 2, 2018 (as amended, modified or supplemented from time to time, the “Indenture”) by and among Eletson Holdings Inc. (“Holdings”), Eletson Financing (US) LLC (“Finance”) and Agathonissos Finance LLC (“Eletson MI”), as Co-Issuers (collectively, the “Obligors”), the guarantors under the Indenture and WSFS, as trustee (the “Trustee”) and collateral agent, governing the Notes and (ii) the Security Documents (as defined in the Indenture and together with the Indenture, the “Notes Documents”) and at the direction of the Holders of greater than 50% of the aggregate principal amount of the Notes outstanding under the Indenture as of the date hereof (the “Directing Holders”). Capitalized terms not defined herein have the meaning ascribed to such terms in the Indenture.

**PLEASE TAKE NOTICE THAT**, pursuant to (i) §§ 9-620 and 9-621 *et seq.* of the Uniform Commercial Code, as adopted in the State of New York, and solely to the extent applicable to the transactions contemplated hereby, as adopted in other states (the “UCC”) and (ii) the Security Documents, at the direction of the Directing Holders, Holdings, Finance and Eletson MI shall assign, sell, convey, and transfer to New Agathonissos Finance LLC (“NewCo”), 100% of the common shares of each of (i) Agathonissos Special Maritime Enterprise, (ii) Alonissos Special Maritime Enterprise, (iii) Angistri Special Maritime Enterprise, (iv) Erikoussa Special Maritime Enterprise, (v) Makronissos Special Maritime Enterprise, (vi) Megalonissos Special Maritime Enterprise, (vii) Pelagos II Special Maritime Enterprise, (viii) Skopelos II Special Maritime Enterprise, (ix) Sarakino Shipping Corporation, (x) Shinoussa Shipping Corporation, (xi) Skyros II Shipping Corporation, (xii) Sikinos II Shipping Corporation and (xiii) Venetiko Shipping Corporation (the “Foreclosed Property”), in partial satisfaction of the Obligations (the “Strict Foreclosure”). Upon the Strict Foreclosure, NewCo shall, at the direction of the Directing Holders, receive ownership of all of Holdings’, Finance’s and Eletson MI’s right, title and interest in, to and under the Foreclosed Property. It is acknowledged and agreed by all parties hereto that the Strict Foreclosure and the transactions contemplated by the Strict Foreclosure shall constitute an “acceptance” of collateral in partial satisfaction of the Obligations in accordance with and to the extent required by §§ 9-620(a)(1) and 9-620(c)(2) of the UCC.

The Obligors acknowledge and agree that (i) an Event of Default has occurred and is continuing uncured as of the date hereof, and (ii) as a result of such Event of Default, the Agent, at the direction of Directing Holders, has duly exercised its right to accelerate the Obligations, and accordingly, all Obligations are immediately due and payable. The Obligors consent to and accept Holdings’, Finance’s and Eletson MI’s assignment to NewCo and NewCo’s acceptance of the Foreclosed Property in partial satisfaction of the Obligations held by the Trustee and the Holders in accordance with and as required by

§§ 9-620(a)(1) and 9-620(c)(2) of the UCC and further agree that the Strict Foreclosure shall constitute an “acceptance” of collateral in partial satisfaction of the Obligations held by the Trustee and the Holders in accordance with and to the extent required by §§ 9-620(a)(1) and 9-620(c)(2) of the UCC.

The Collateral Agent, on behalf of the Holders and at the direction of the Directing Holders, hereby requests that the Obligors waive any notice requirements and any right of redemption and hereby consent to the Strict Foreclosure of the Foreclosed Property in partial satisfaction of the Obligations, as set forth herein by signing below and returning a copy to the Collateral Agent at the address set forth herein.

**PARTIAL SATISFACTION; RESERVATION OF RIGHTS:** Effective upon the Effective Date (as defined below), the Directing Holders and the Collateral Agent accept the Foreclosed Property in partial satisfaction and discharge of the Obligations held by the Trustee and the Holders in the amount of \$1.00. For the avoidance of doubt, on the Effective Date, upon consummation of the Strict Foreclosure, the Indenture, Notes Documents and the liens, mortgages, and security interests covered by any Notes Documents shall remain in full force and effect. In the event that the Restructuring Transaction contemplated by the Restructuring Support Agreement (as defined below) is not consummated on or before the earlier of (i) December 24, 2019 or (ii) termination of the Restructuring Support Agreement (the “Satisfaction Date”) so long as the Strict Foreclosure remains in full force and effect, the Obligations held by the Trustee and the Holders shall be deemed automatically partially satisfied in the amount of US\$130 million in exchange for the Directing Holders’ and the Collateral Agent’s acceptance of the Foreclosed Property.

**SEVERABILITY.** Whenever possible, each provision of this Proposal of Strict Foreclosure will be interpreted in such manner as to be effective and valid under applicable Law, but in case any one or more of the provisions contained in this Proposal of Strict Foreclosure is, for any reason, held to be invalid, illegal or unenforceable in any respect in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision of this Proposal of Strict Foreclosure or the validity, legality or enforceability thereof in any other jurisdiction, and this Proposal of Strict Foreclosure will be construed for purposes of such jurisdiction as if such invalid, illegal or unenforceable provision or provisions had never been contained herein unless the deletion of such provision or provisions would result in such a material change as to cause completion of the transactions contemplated hereby to be unreasonable. If the deemed deletion of the invalid, illegal or unenforceable provision or provisions is reasonably likely to have a Material Adverse Effect on a party hereto, the Collateral Agent, the Trustee or the Holders, all parties hereto will endeavor in good faith to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as practicable to that of the invalid, illegal or unenforceable provisions.

**NO POSSESSION OR CONTROL OF FORECLOSED PROPERTY.** In consummating the Strict Foreclosure contemplated herein, WSFS, the Collateral Agent and the Trustee shall not have or be deemed to have direct possession, title or control with respect to any of the assets of the Obligors, except that, for avoidance of doubt, NewCo shall be in possession, control and ownership of the Foreclosed Property immediately upon consummation of the Strict Foreclosure.

**EFFECTIVE DATE; CONDITIONS PRECEDENT.** The consummation of the Strict Foreclosure contemplated herein shall occur, and be deemed to have occurred, at such time that the following conditions have been satisfied: (i) execution and delivery of this Proposal of Strict Foreclosure by Collateral Agent, Holdings, Finance and Eletson MI, (ii) execution and delivery of that certain Restructuring Support Agreement, of even date herewith, among the Obligors and certain Holders (the “Restructuring Support Agreement”) and (iii) execution and delivery by Holders constituting Directing Holders to the Trustee and Collateral Agent of the Direction to Effect a Strict Foreclosure and Take Other

Actions In Connection Therewith, dated as of the date hereof. The time at which all conditions precedent set forth in this paragraph have been satisfied shall be referred to as the “Effective Date.”

**REPRESENTATIONS, WARRANTIES AND AGREEMENTS.** By accepting, executing and delivering this Proposal of Strict Foreclosure, the Obligors hereby represent, warrant, and agree (as applicable) to Collateral Agent as follows: (a) the Obligors consent to and accept NewCo’s acceptance of the Foreclosed Property on behalf of the Holders and at the direction of the Directing Holders in partial satisfaction of the Obligations held by the Trustee and the Holders in accordance with and as required by §§ 9-620(a)(1) and 9-620(c)(2) of the UCC and further agree (b) that the Strict Foreclosure shall constitute an “acceptance” of collateral in partial satisfaction of the Obligations held by the Trustee and the Holders in accordance with and to the extent required by §§ 9-620(a)(1) and 9-620(c)(2) of the UCC. By accepting, executing and delivering this Proposal of Strict Foreclosure, Holdings hereby further represents, warrants, and agrees that Holdings, Finance and Eletson MI own of record and beneficially all of the issued and outstanding equity interests of the Foreclosed Property free and clear of all liens and encumbrances other than under (until the consummation of the Strict Foreclosure) the Notes Documents, and all of such equity interests have been duly authorized and validly issued and are fully paid and non-assessable and not subject to any preemptive rights. Notwithstanding anything to the contrary herein, the following representations and warranties given in this Representations, Warranties and Agreements Section are only given by Holdings.

By accepting, executing and delivering this Proposal of Strict Foreclosure, Holdings hereby represents and warrants that:

A. No Other Claim or Lien Holders:

- i. None of the Obligors or any subsidiary thereof has received an authenticated notification of a claim of an interest in any of the Foreclosed Property as contemplated under § 9-621(a)(1) of the UCC at any time on or prior to their acceptance, execution and delivery of this Proposal of Strict Foreclosure;
- ii. As of the Effective Date, no Person holds (i) a claim or an interest in any of the Foreclosed Property as contemplated under § 9-621(a)(1) of the UCC or (ii) a security interest in any of the Foreclosed Property that is subordinate to the Collateral Agent’s security interest therein as contemplated under § 9-620(a)(2)(B) of the UCC;
- iii. As of ten (10) days before the Obligors’ acceptance of this Proposal of Strict Foreclosure, no secured party or lienholder (other than Collateral Agent, the Trustee or the Holders) held a security interest in or other lien on any of the Foreclosed Property that was perfected by the filing of a financing statement that (a) identified any of the Foreclosed Property, (b) was indexed under any Obligor’s name as of such date, and (c) was filed in the office or offices in which to file a financing statement against any Obligor covering any of the Foreclosed Property, in each case, as contemplated by § 9-621(a)(2) of the UCC;
- iv. As of the Effective Date, there is no Person (other than Trustee or, on behalf of the Holders, the Collateral Agent) to whom this Proposal of Strict Foreclosure was required to be sent pursuant to § 9-621(a)(2) of the UCC in connection with the Strict Foreclosure contemplated herein;

- v. As of ten (10) days before the Obligors' acceptance of this Proposal of Strict Foreclosure, no secured party held a security interest in any of the Foreclosed Property perfected by compliance with a statute, regulation, or treaty described in § 9-311(a) of the UCC; and
  - vi. As of the date hereof, there is no Person to whom this Proposal of Strict Foreclosure is or was required to be sent pursuant to § 9-621(a)(3) of the UCC.
- B. Organization: Each of the Obligors (i) is duly organized and validly existing under the Laws of the state of its organization, (ii) is duly qualified or licensed to do business as a foreign corporation or limited liability company and is in good standing or equivalent status under the Laws of each jurisdiction where the nature of the property owned or leased by it or the nature of the business conducted by it makes such qualification or license necessary, except where any such failure to be so qualified or licensed would not result in, and would not reasonably be expected to result in, individually or in the aggregate, a Material Adverse Effect and (iii) has all corporate or similar power and authority to own and operate its properties, to lease the property it operates under lease and to conduct its business as now conducted.
- C. Due Authorization, Execution and Delivery; Enforceability: Each of the Obligors has the requisite corporate or similar power and authority to enter into, execute and deliver this Proposal of Strict Foreclosure and to perform its obligations hereunder, and has taken all necessary corporate or similar action required for the due authorization, execution, delivery and performance by it of this Proposal of Strict Foreclosure (including the consummation of the Strict Foreclosure). This Proposal of Strict Foreclosure has been duly and validly executed and delivered by the Obligors and constitutes the legally valid and binding obligation of the Obligors, enforceable against it in accordance with the terms herein, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors' rights and remedies generally and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at Law or in equity).
- D. No Conflicts; Consents: The execution, delivery and performance of this Proposal of Strict Foreclosure (including the consummation of the Strict Foreclosure) will not (i) conflict with or result in any breach of any provision of the Obligors' or any subsidiary's thereof certificate of incorporation, bylaws or any other governing document, (ii) conflict with or result in the breach of the terms, conditions or provisions of or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give rise to any right of termination, acceleration or cancellation under, any material agreement, lease, mortgage, license, indenture, instrument (excluding any documents governing the funded debt of the Obligors or any of their direct or indirect subsidiaries) or other contract to which any of the Obligors or subsidiary thereof is a party or by which any of the Obligors or subsidiaries thereof properties or assets are bound or (iii) result in a violation of any Law applicable to the Obligors or subsidiary thereof, or by which any of the Obligors' or subsidiaries' thereof properties or assets are bound or affected, except, in the cases of clauses (i) and (ii) preceding, as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. None of the execution, delivery or performance of this notice by the Obligors (including the consummation of the Strict Foreclosure) will require any consent of, authorization by, exemption from, filing with or notice to any governmental or regulatory authority or any other Person.
- E. Capitalization:
  - i. (x) Holdings, Finance and Eletson MI own of record and beneficially all of the issued and

outstanding equity interests of the Foreclosed Property free and clear of all liens and encumbrances other than under (until the consummation of the Strict Foreclosure) the Notes Documents, and all of such issued and outstanding equity interests have been duly authorized and validly issued and are fully paid and non-assessable and not subject to any preemptive rights. None of the Obligor or subsidiary thereof has issued, granted or entered into any commitment to issue or grant any outstanding options, warrants, rights or other securities convertible into or exchangeable or exercisable for the equity interests in the Foreclosed Property, and there are no agreements which may obligate any such party to issue, purchase, register for sale, redeem or otherwise acquire any of such equity interests. None of the Obligor or subsidiary thereof has granted any registration rights.

- F. The Obligor and subsidiaries thereof have not received any written notice of proceedings relating to the revocation or modification of any such license, certificate, authority or permit that is material to the businesses of the Obligor or subsidiaries thereof, taken as a whole.
- H. Insurance: All of the material insurance policies maintained by the Obligor and the subsidiaries thereof with respect to their properties, assets, businesses, operations and employees are valid and binding and in full force and effect, and no Obligor nor any subsidiary thereof is in material default with respect to its obligations under any of such insurance policies. Such insurance policies provide adequate coverage to insure the properties, businesses, operations and employees of the Obligor and the subsidiaries thereof against all such risks and in such amounts as are prudent and customary and required by applicable governmental authority, Law or any contract to which the Obligor are party or by which their assets or properties are bound.
- I. Representations and Warranties. The parties to the Restructuring Support Agreement have not operated under its terms since the Company’s initial breach in November 2019. However, for the avoidance of doubt, you are hereby notified that the Restructuring Support Agreement is terminated with respect to the Consenting Noteholders pursuant to section 6)(a)(ii) of the Restructuring Support Agreement.

Very Truly Yours,
